C. Introductions

None.

D. Approval of Consent Agenda (Items designated by "CA")

No public comment. Kudos were given from all Supervisors on CA.2 and CA.3, which terminated the local COVID-19 Emergencies. Regarding a question from Supervisor Sweeney, it was noted that the teleconferencing option for Committees and Commissions would continue under the State emergency and current legislation. Supervisors Sweeney and Long thanked the staff for bringing forward CA.6 and noted that this item is essential as it will keep the public informed on what these committees and commissions are doing. Supervisor Menetrey thanked Public Works for bringing CA.12 forward, noting that the Farmers Market encroachment fee used to be privately funded. Two years ago, the funding ceased, but the Farmers Market is essential for our community, and this action will help immensely.

RECESS

10:52 AM Chair Smallcombe recessed for a short break and reconvened at 10:59 AM.

F. Departmental Presentation

Dr. Eric Sergienko noted that since they will be lifting the public health emergencies, they will reduce and change their reporting. Dr. Sergienko pointed out that the Bay Area has seen a higher rate of hospitalizations, and the County sees higher case rates among Yosemite National Park employees. He urged the individuals who work with the public to routinely test and strongly recommended masking. In response to a question from Supervisor Long, Dr. Sergienko noted we are not yet in an endemic but a transitional stage. Dr. Sergienko stated the uptick is spring break driven in response to a question from Chair Smallcombe. Supervisor Forsythe asked if individuals should get their next booster soon, and Dr. Sergienko recommended holding off until the next wave.

Steven Ward/Cal Fire/Mariposa County Fire Chief gave a quick update on the fire side. Chief Ward noted that 41 firefighters were hired for Cal Fire which puts them up to 200 firefighters, including hand crews. He highlighted multi-jurisdictional training in Oakhurst with the mobile training unit. Chief Ward also noted there are 11 volunteers, but the County has four companies with no volunteers. Chief Ward stated

those companies would likely be removed from the initial dispatch. Supervisor Sweeney urged the listening public to look at the initial 30-100 foot zone around their home and driveway egress as we move into fire season.

Tony McDaniel/Tourism Bureau noted it is National Travel and Tourism Week and Month. The good news was received regarding Mariposa County's tourism and local economy, which are recovering well from the shutdowns in 2020 due to COVID-19. Mr. McDaniel's noted we had 550 more jobs in 2021, which is the highest number since 2017. He announced that 21.6 million dollars have stayed within our community and that net gain tied Mariposa County with Alpine County. Mr. McDaniel's ended his report by noting our tourism industry is still awaiting the return of international travelers. He is optimistic that the Tourism Bureau is well suited to help bring them back.

Matthew Matthiesen/John C. Fremont Healthcare District CEO briefed the Board and the listening public that the Hospital had some of the COVID-19 restrictions lifted. Mr. Matthiesen noted that the North County Clinic is open and urged individuals to call for appointments. The district was still recruiting for a permanent provider for the North County Clinic. John C. Fremont Healthcare District will have a Certified Nursing Assistant (CNA) course returning. He was also proud to announce that the Ewing wing had qualified as a 4-star facility.

Dallin Kimble/County Administrative Officer, announced that his department was getting close to administering the Micro-enterprise funds and noted another round would be available within a few weeks as there were still funds available.

Approve the Program Supplement Agreement (PSA) for the State Transportation Improvement Program (STIP) Merced Falls Road Rehabilitation Project; and Authorize the Executive Director of the Mariposa County Local Transportation Commission (MCLTC) to Sign the Agreement

Shannon Hansen/Public Works and Transportation Director, gave the staff report. Public Comment was received by Andre Wright, who asked why Merced Falls was chosen with so many roads in dire straits that service more locals. Ms. Hansen stated that a route is typically selected from each district to be repaired with STIP funding. Supervisor Long followed Director Hansen's explanation noting that North County residents use Merced Falls Road frequently.

RESOLUTION - ACTION REQUESTED 2022-261

MEETING: May 3, 2022

TO: The Board of Supervisors

FROM: Joe Lynch, Health & Human Services Agency Director

RE: Continue a Shelter Crisis Local Emergency in Mariposa County

RECOMMENDATION AND JUSTIFICATION:

Resolution Continuing a Shelter Crisis Local Emergency in Mariposa County.

California Government Code 8698, 8698.1 and 8698.2 allows for the governing body of a city or county to declare a shelter crisis. A shelter crisis declaration relaxes standards for building occupancy, limits liability and provides a legal basis for the use of certain facilities designated by the County as a shelter for the duration of the crisis.

In order to declare the shelter crisis, the County made findings at a public meeting and adopted Resolution 18-518 that (1) a significant number of persons within the county's jurisdiction are without the ability to obtain shelter; and (2) the situation has resulted in a threat to the health and safety of those persons.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

On November 5, 2018, the Board of Supervisors adopted Resolution 18-518 declaring the existence of a Shelter Crisis Local Emergency in Mariposa County to allow Mariposa County to proceed with temporary homeless shelter solutions to meet the needs of our homeless community members.

Recognizing the prevalence of homelessness in California and the health and safety risks facing homeless persons, California law authorizes counties to declare a "shelter crisis" and avail themselves to attendant protections and powers. Specifically, upon declaring a "shelter crisis":

- A county may allow persons unable to obtain housing to occupy designated public facilities during the duration of the emergency (public facilities include parks, schools, and vacant or underutilized facilities which are owned, operated, leased, or maintained by the county);
- A county is immune from liability for ordinary negligence in the provision of emergency housing for all conditions, acts, or omissions directly related to, and which would not occur but for, the provision of emergency housing; and

- The provisions of any state or local law or regulation prescribing standards of housing, health, and safety are suspended to the extent that strict compliance would prevent, hinder, or delay the mitigation of the effects of the crisis.

If the County desires to construct and operate an emergency homeless shelter, it is recommended that the County Board of Supervisors first declare a “shelter crisis” in order to avail itself of the associated powers and liability protections.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Do not continue the local emergency and the County may not be eligible for possible State or Federal assistance, or proceed with temporary homeless shelter solutions.

MEETING: May 3, 2022

TO: The Board of Supervisors

FROM: Joe Lynch, Health & Human Services Agency Director

RE: Resolution Terminating the Existence of the COVID-19 Public Health Local Emergency

RECOMMENDATION AND JUSTIFICATION:

Adopt a Resolution Terminating the Existence of the COVID-19 Public Health Local Emergency Due to the COVID-19 Pandemic.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

On March 13, 2020, Mariposa County Public Health Officer, Dr. Eric Sergienko declared a local public health emergency in response to the COVID-19 Pandemic.

On March 17, 2020 the Mariposa County Board of Supervisors adopted a Resolution ratifying a Local Health Emergency.

Since that time, effective countermeasures including vaccines and therapeutics have been developed and deployed. Conditions, and their effects, including hospitalizations, have now abated sufficiently to cause the situation resulting from said conditions of extreme peril to be deemed to be within the control of the normal protective services, personnel, equipment, and facilities of and within the County of Mariposa.

Ongoing recovery and clean up efforts include the continued commitment of the California Disaster Assistance Act and any other applicable state or federal resources.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Continue a Local Emergency beyond what conditions warrant.

FINANCIAL IMPACT: none

Sheriff's Office • 209 966-3615

RESOLUTION - ACTION REQUESTED 2022-263

MEETING: May 3, 2022

TO: The Board of Supervisors

FROM: Jeremy Briese, Sheriff

RE: Terminate of COVID-19 Emergency

RECOMMENDATION AND JUSTIFICATION:

Adopt a Resolution Terminating the Local Emergency Due to the COVID-19 Pandemic.

Pursuant to California Government Code Section 8680.9, a local emergency is a condition of extreme peril to persons or property proclaimed as such by the governing body of the local agency affected by a natural or manmade disaster. The purpose of a local emergency proclamation is to provide extraordinary police powers, immunity for emergency actions, authorization for emergency orders and regulations, and activation of pre-established emergency provisions.

A state of emergency occurs when the response and recovery to an incident exceeds the resources and abilities of a local agency. A state of emergency ceases to exist at the conclusion of an incident (for example, when a wildfire reaches full containment or a flood subsides) or when response and recovery return to levels that can be managed by the local agency. Pursuant to California Government Code 8630, governing bodies are required to proclaim the termination of a local emergency "at the earliest possible date that conditions warrant."

Sheriff Jeremy Briese, acting as the Director of Emergency Services has determined emergency conditions, and their effects, have now abated sufficiently to cause the situation resulting from said conditions of extreme peril to be deemed to be within the control of the normal protective services, personnel, equipment, and facilities of and within said County of Mariposa.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

On 03/04/2020, the Governor of the State of California, issued a Proclamation of a State of Emergency as a result of an outbreak of COVID-19. The Health Officer of the County of Mariposa determined that there was an immediate and proximate threat to public health due to the introduction of COVID-19 in Mariposa County, and had declared a Local Health Emergency as a result. Then Sheriff Doug Binnewies, acting as the Director of Emergency Services, proclaimed the existence of a local emergency according to Section 8630 of the California Government Code and Chapter 2.80 of the Mariposa County Code on March 17, 2020

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Do not approve. The local emergency would continue until terminated. No additional resources would be received. The State may determine that the County is not in compliance with California Government Code 8630.

FINANCIAL IMPACT:

There is no financial impact associated with this action.

MEETING: May 3, 2022

TO: The Board of Supervisors

FROM: Dallin Kimble, County Administrative Officer

RE: Approve the REAP Grant MOU, and Authorize the Board of Supervisors Chair to Sign the Agreement

RECOMMENDATION AND JUSTIFICATION:

Approve the REAP Grant Memorandum of Understanding (MOU); and Authorize the Board of Supervisors Chair to Sign the MOU.

In order to formalize the participation in the Mother Lode Accessory Dwelling Unit Workbook, the Counties of Nevada, Amador, Calaveras, and Mariposa are agreeing to contribute a portion of their Regional Early Action Planning (REAP) grant funds to the procurement of a qualified consultant to develop the workbook.

An earlier version of a participation agreement was circulated through the Counties to formalize and memorialize this agreement but it was not fully executed. Calaveras County has proposed a Memorandum of Understanding to replace the participation agreement. Staff has reviewed, edited and circulated the MOU to the four Counties for comments. The MOU has been agreeable thus far to all parties and was a consent item on the April 19th Calaveras County Board of supervisors meeting agenda.

This MOU will be signed in counter part by the authorized representative as indicated by each of the County's REAP applications.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

RES 2021-37 Adopt a resolution to apply and execute a Regional Early Action Planning grant for the development of the Mother Lode ADU workbook.

RES 2022-118 Approve the Mother Load Accessory dwelling unit workbook participation letter and authorize the Chair so sign the agreement.(Not Executed by all Counties).

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Approve with amendments. Staff would need additional direction.

FINANCIAL IMPACT:

\$60,758 in HCD grant funds will be received to support project.

Memorandum of Understanding Between Calaveras County, Mariposa County, Nevada County, and Amador County

This Memorandum of Understanding (“MOU”) is entered into on the _____ day of _____, 2022, by and between the Counties of Calaveras, Mariposa, Nevada, and Amador, which shall be cumulatively referred to as “the parties”.

Background and Purpose of MOU

A. Each of the parties has been approved and has entered into a standard agreement with the California Department of Housing and Community Development (“HCD”) to receive funding under the Regional Early Action Planning Grants Program (“REAP”). The REAP program is meant to help mitigate the state’s critical housing needs and to accelerate housing production. The REAP grant funding is provided to the parties on a reimbursement basis after HCD determines that the parties’ expenditures are allowable and reimbursable under the REAP grant guidelines.

B. The parties decided to pool their respective anticipated grant awards towards the development of a regional Accessory Dwelling Unit (“ADU”) workbook to help property owners in the four-county area better understand the state’s and each party’s local requirements and incentives concerning the development of ADUs, with a goal of encouraging ADUs to be built. The ADU workbook will be a tool for homeowners to encourage the development of ADUs. This workbook will streamline the process of development planning and provide guidance on how to approach on site well/septic service(s) for the ADU.

C. This project is based on several technical assistance planning sessions where the California Department of Housing and Community Development engaged county staff in scoping ADU priorities in the Counties. A draft scope of work was produced and included in the Counties REAP application and is attached hereto as Exhibit A, which is incorporated by reference herein.

D. The purpose of this MOU is to formalize the cooperation and funding agreement related to the collaborative Regional Early Action Planning (REAP) grant funded Mother Lode Region Accessory Dwelling Unit (ADU) Workbook project being proposed for the parties.

NOW, THEREFORE, in consideration of the performance of the covenants herein contained, the parties agree as follows:

Agreements

1. The parties will contribute the following amounts towards the ADU workbook project from their anticipated REAP grant awards:

Amador	\$37,750
Calaveras	\$200,970
Mariposa	\$60,758
Nevada	\$45,000

2. Mariposa County will draft and post a Request for Qualifications for a consultant to prepare the ADU workbook based on the deliverables described in Exhibit A.
3. The parties will collaborate in the review and selection process for a qualified professional consultant, after which Mariposa County will award and administer an agreement with the selected consultant. The agreement will contain all required components under the REAP Grant the parties successfully obtain their respective reimbursements from HCD.
4. Mariposa will be responsible to document and collect receipts and invoices for all expenditures of the parties' pooled contributions to the ADU workbook project, doing so in accordance with REAP Grant guidelines the parties to successfully obtain their respective reimbursements from HCD.
5. Mariposa will be responsible to provide each party with all documentation and accounting required by HCD and the Grant Guidelines to demonstrate that the parties' respective expenditures are allowable and reimbursable.
6. Mariposa shall ensure that expenditures do not exceed the combined amounts described in Section 1 above.
7. The parties will each contribute effort to the project steering committee.
8. The parties will reimburse Mariposa County for payments to the selected consultant within 60 days of being invoiced by Mariposa County.
9. The parties will cooperate with each other and with HCD to the extent necessary in the event of an audit of any party with respect to the REAP grant awards described in this MOU.
10. The parties understand that a regional ADU workbook will be applicable across the region.
11. The parties will collaborate to ensure that the ADU workbook is distributed regionwide, including within each party's jurisdiction.
12. The parties agree that any changes to the terms of this MOU shall require an amendment in writing signed by all members and, as required by state or local law, approved by the members' Boards of Supervisors.

13. The parties agree to meet and confer upon the request of any party to discuss any proposed changes to the project scope, grant administration, or project financing.
14. Nothing in this MOU is intended to supersede or countermand the obligations entered into by the parties to the State of California.
15. The terms and conditions of this MOU will remain in effect at least until after all funds described in Section 1 have been expended and all project deliverables completed and shall continue in effect until the period within which the State can conduct an audit of any party's expenditures of the REAP grant awards described in Section 1 has expired.
16. The parties, by signing below, agree to be bound by the terms of this MOU and certify that they each have the lawful authority to enter into it.

Mother Lode Region ADU Workbook

Project Summary

The Mother Lode Region (MLR) would like to encourage the development of Accessory Dwelling Units (ADUs), also known as second units to increase housing production. The MLR collaborative includes the following counties: Nevada, Amador, Calaveras and Mariposa. The MLR would like to utilize a portion of each counties grant allocation from the Regional Early Action Planning (REAP) grant program for an ADU workbook. The respective contributions for the three Counties will be Amador \$37,750, Calaveras \$200, 970 Nevada \$45,000 and Mariposa \$60,758. The ADU workbook will be a tool for homeowners to encourage the development of ADUs. This workbook will streamline the process of development planning and provide guidance on how to approach on site well/septic service(s) for the ADU.

Goals and Deliverables The goal of this work effort is to provide more information and hands-on resources that will motivate and encourage homeowners to develop ADUs. MLR will work together with a consultant to draft and implement this workbook. This workbook will include the following deliverables.

- A guide for permitting ADUs that includes timelines, requirements for submissions and permit fees. It will outline the requirements for constructing an ADU, highlight when reduced standards apply and clarify which ADUs are exempt from mitigation fees/permit fees, and the like. This will vary by County, so the workbook will need to be adjusted to reflect the needs of each agency.
- The workbook will include a checklist for planning of the ADU and could include examples of models that are pre-permitted. This scope assumes that the consultant will use example plans from the state toolkit and conduct thorough research on models and strategies appropriate for the region
- As part of the workbook preparation, and as a result of outreach, a contact list of licensed contractors (including engineers, surveyors, etc.) willing to work within each county will be included. This list will not be a mandated list of contractors but a resource for homeowners.
- Examples of prefabricated units will be provided to each County for consideration and inclusion in the workbook. The concept is that at least four vendors per County will be identified, though more may be added if available.
- Summary costs of prefabricated units will be provided based on vendor information.
- As part of the workbook and vendor identification, the team will work with each County to ensure that the examples include appropriate design such as snow loads, wildfire hazard design, and consideration of historic districts.
- If possible, the prefabricated ADU will be provided for pre-permitting review by the building and health department of each county.
- The workbook will include examples of contractor bids if available and public, for construction of each ADU (not including site development costs). Ideally, estimates will be considered for both new prefabricated units and conversion of an existing accessory structure. Factors that would significantly influence cost/timing will be identified for consideration by the homeowner. Where possible this information will be taken from previous building permit(s), and interviews with the homeowner.
- Where possible, a list of incentives/strategies used by other jurisdictions for promoting the development of ADUs will be included.
- Both on-line and printed versions of the workbook will be provided.
- In addition to the workbook, online resources, checklists, FAQs, etc. and/or promotional materials for an ADU project will be prepared with links to other agencies, examples of completed units, press releases, and media materials.

- The workbook will include landlord Incentive promotional materials per county to link potential landlords to tenant support programs for seniors, veterans, CalWorks families, etc. encouraging development of ADUs alongside existing residences.
- Process for permitting. Every county has a different set of requirements from public health for onsite utilities (water/wastewater). As part of the county-specific workbook, these requirements will be outlined and both design and agency contact information provided.

RESOLUTION - ACTION REQUESTED 2022-265

MEETING: May 3, 2022

TO: The Board of Supervisors

FROM: Rosemarie Smallcombe, District I Supervisor

RE: Southern Sierra Miwuk Nation Letter of Support

RECOMMENDATION AND JUSTIFICATION:

Approve a Letter of Support to the Department of the Interior in Support of Federal Acknowledgement of the Southern Sierra Miwuk Nation; and Authorize the Board of Supervisors Chair to Sign the Letter.

The Southern Sierra Miwuk Nation has been fighting for recognition for 40 Years. In 2018, the Office of Federal Acknowledgment issued Proposed Finding against their Federal Acknowledgment Claim. The SSMN continues to fight for acknowledgment and has asked the Mariposa County Board of Supervisors to continue their support for the SSMN claim to be recognized.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The Board has approved letters in support of other efforts that will benefit the County or its residents.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Do not approve the letter. Individual members of the Board may write their own letters of support as desired.

Re: Petition of the Southern Sierra Miwuk Nation for Federal Acknowledgment

Dear Assistant Secretary Newland:

On behalf of the Southern Sierra Miwuk Nation (SSMN or “Tribe”), we are requesting a 180-day extension of the period for public comment and response to the Proposed Finding Against Federal Acknowledgment, issued on November 16, 2018, by your predecessor. The current extended deadline for comment/response is May 16, 2022. There is good cause, as stated below, for the grant of this extension request.

The most significant reason for granting the requested extension of the time is the failure of the Department of the Interior and the Office of Federal Acknowledgment to respond to the SSMN’s request for documents related to the preparation and issuance of the Proposed Finding. The SSMN requested these documents on May 7, 2019, pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. § 552, and specific provision of the federal acknowledgment regulations, 25 CFR § 83.10(j)(1), requiring the Assistant Secretary-Indian Affairs to “make available to the petitioner in a timely fashion any records used for the proposed finding not already held by the petitioner, to the extent allowable by Federal law.” Despite repeated representations by the OFA that it has identified documents for response to the Tribe’s requests, and identifying a certain period in which the response would be made¹, the OFA has not provided a single document in response to the Tribe’s FOIA request or asserted any legal basis for its delay or refusal to provide the documents. These documents are essential to the SSMN’s understanding of the evidentiary and/or legal basis for your issuance of the Proposed Finding. Assuming

¹ Most recently, on November 16, 2021, the Director of OFA represented to the undersigned legal counsel that OFA has compiled 7005 document images with redactions that were being reviewed by the Solicitor’s office, and that OFA would make its first release of documents within 30 days of our conversation, followed thereafter by additional releases as the Solicitor completed review of the redactions.

the OFA will finally produce documents requested by the SSMN pursuant to the FOIA, the SSMN will need the additional time to review them and to integrate relevant information into their response to the Proposed Finding.

In addition, the Covid-19 pandemic continues to compromise the SSMN's efforts to prepare its response by: (1) deterring or delaying in-person meetings of its attorneys and consultants, and related meetings with the SSMN Tribal Council and its Membership Committee; and (2) by forcing the closure to public access of federal archives and other research facilities for extended periods, thereby affecting the ability of the SSMN consultants to access key documents and research related to issues raised in the Proposed Finding. In particular, the SSMN's historical consultant, who is assisting in preparation of the Tribe's response to the Proposed Finding, has had only limited access to the National Archives at San Bruno, California, which is one of the sources of historical documents related to federal agency interaction with California's indigenous tribes.

The effects of the OFA's failure to comply with the FOIA have been compounded by the OFA Director's lack of response to efforts by the undersigned to obtain clarification regarding OFA's procedures for review of the community criterion, 25 CFR § 83.7(b), as it relates to the Proposed Finding. The lack of response by the OFA Director, coupled with the agency's FOIA non-compliance, has foreclosed the possibility of a cooperative exchange of information regarding the OFA's review process and specifically its reasoning and evidentiary basis for the Proposed Finding.

For the above reasons, the requested extension of time should be granted, and the OFA directed to comply with the SSMN's document requests.

Respectfully,

The Honorable Deb Haaland,
 Secretary of the Interior
 Department of the Interior
 1849 C Street, N.W., 6th Floor
 Washington DC 20240

Re: Petition for Federal Acknowledgement of the Southern Sierra Miwuk Nation

Dear Secretary Haaland,

I am writing on behalf of the Mariposa County Board of Supervisors to follow up on our earlier letters to your staff regarding the petition for federal acknowledgement submitted by the American Indian Council of the Southern Sierra Miwuk Nation (SSMN) in Mariposa County. Specifically, by this letter, we ask that you meet with representatives of the SSMN. We understand the documentation necessary to schedule such a meeting is largely complete. As outcomes of that meeting, we support the SSMN's request that your department –

- 1) withdraw the Proposed Finding issued by your office on November 16, 2018
- 2) establish a 180-day period for issuance of a new Proposed Finding
- 3) issue a directive to the Office of Federal Acknowledgment to –
 - a) respond to the SSMN Freedom of Information Act (FOIA) request submitted by the Council on May 7, 2019, within 30 days
 - b) accept additional evidence from the SSMN in support of its Petition during the first 90 days of the 180-day period and
 - c) meet and confer with the SSMN, as needed, during the 180-day period.

As we noted in our letter dated May 21, 2019, we object to the Proposed Finding as issued in November 2018 because:

- 1) The Proposed Finding does not accurately reflect the status of the SSMN, which also is represented through its non-profit the American Indian Council of Mariposa County, as a “distinct community.”

Mariposa County has worked successfully and over an extended period of time with the SSMN (through its non-profit arm, the American Indian Council of Mariposa County) on many issues and projects of mutual interest and concern. We have worked through many of the SSMN leaders and with many members of the SSMN community, which we recognize as a “distinct Indian community.”

2. We object to the limited basis of the Assistant Secretary for Indian Affairs' (AS-IA) Proposed Finding. That Finding evaluated only a portion of one of the seven mandatory criteria stipulated under Part 83.7. Even today, it continues to remain unclear to us why the AS-IA chose to limit their review to a 29-year period from 1982 to 2011 when 27 CFR 83.7(b) clearly requires evaluation of the group "from historical times until the present."

For these reasons, we ask that the Proposed Finding be withdrawn immediately and that the AS-IA fully assess the SSMN community as required under CFR 83.7(b) as well as the other criteria for acknowledgement. We also ask that the AS-IA fully consider all the evidence submitted in support of the SSMN's petition as the narrow scope of the preliminary finding indicates that evidence has been set aside for reasons that are not at all clear. Finally, we repeat our request that AS-IA respond to the FOIA request submitted nearly three years ago.

We encourage the AS-IA to conduct a complete assessment of the SSMN petition and that your further assessment be fully open and transparent as to the evidence considered and the rationale for all conclusions. We believe that thorough analysis of all material submitted will lead the AS-IA to conclude that the SSMN exists as a distinct Indian community and has existed as such from historical times until the present.

Sincerely,

Rosemarie Smallcombe, Chair

- Community discussion – public is trying to understand

Attachment: 220302 Code Compliance Final (12922 : Receive Minutes of the Committees)

CCAC DRAFT Meeting Minutes

March 2, 2022

- Need for public outreach
- Move in forward direction – look at what other jurisdictions are doing
- There is a disconnect between administrative departments
- Solutions being discussed are not considering underlying issues (BWOPs, purchasing disclosures, etc.)
- Public fear of fines for unknown code violation issues
- Need for zoning changes
- Look at issues with housing, homelessness, etc.
- Marijuana is legal issue, code compliance shouldn't be going to these sites
- Make code more understandable
- Work on issues one at a time and with full effort
- Allow ADUs – make change to zoning
- Need pre-approved permits for tiny homes
- Consider alternative fees instead of amnesty program
- CCAC to educate and reach out to community
- Make friends with community – educate and communicate
- Create handouts for realtors to give to new property owners

Public Comment was received from Ken Melton, Andre Wright and Barbara Cone

4. Review CCAC Background and Purpose; Possible Direction to Staff Regarding Options for Moving Forward (Next Steps)

Williams gave presentation with a Power Point and stated that Supervisor Menetrey can answer questions.

Discussion followed.

Public comments were received from Andre Wright and Barbara Cone. Public Comment (phone) received from Lorraine Freeman.

Woblesky suggested adding 15 minutes to the meeting for AdHoc Committee discussion.

CCAC MEETING #6, 4/6/2022
WHITEBOARD

-
1. Advertise vacancies – 3 weeks
 2. Minutes / Review takeaways
No discussion
 3. CCAC Next Steps
 - Eileen’s written proposal for moving forward (will include with minutes)
 - Each type of violation may have different response
 - 2 meetings per month at 2.5 hours each meeting vs. ad-hoc meetings
 - BOS discussion about amnesty program – consider this first
 - Education also high priority
 - Can 2 people meet without being on an official ad-hoc committee? Staff will review with County Counsel
 - Need communication program – not trying to make people do things; trying to keep and the county safe
 - Nancy’s written proposal (diagram) for communication program (will include with minutes)
 - People feel that county is not doing anything to address complaints
 - How RFI is filled out will impact how county responds...if RFI doesn’t identify potential code violations, county isn’t going to respond
 - Problems caused when property owner is deceased – no property owner of record to address the violation
 - Blanket enforcement procedures don’t work – 140 sq. ft. woodshed built without a permit isn’t as egregious as building an entire house without a permit
 - Start out with illegal campgrounds, which only have 6 cases – see how discussion goes
 - Start with something that can be successful, so people can trust CCAC...like the most egregious violations that everyone can see (such as junkyards)
 - Properties that are in foreclosure ... owned by bank ... but people are squatting on property and causing violations ... this is a problem
 - Illegal marijuana grows and junkyards are biggest issues
 - We need to take care of our beautiful county
 - Fire season is on us – brings on additional concerns

- Blight is concern ... impacts property values
- Health and safety issues should be top priority
- Seek other available resources, such as mental health resources (HHSA or Health and Human Services Agency)
- Comment to public – if you see violation, report it!
- Sheriff is going to make report to Board next Tuesday on marijuana
- Pursue 2 meetings per month; Amnesty Program is first item that is talked about in depth

4. ARPA Funding

- Must be for service normally provided by government
- Should request \$1.5M for code compliance efforts, such as free landfill days
- Needs to be Public Information Officer for code compliance
- Do not think that COVID money should be used to help someone clean up an individual property – is rewarding them; funding should go toward something that benefits more than one person
- But people who have junkyard wouldn't think that cleaning up is a reward
- Tipping fees in county are among highest in state – why is that the case? How can this be fixed?
- Free landfill days would be good option
- If landfill wasn't an enterprise budget, would there be the same number of junkyards in county?
- State law dictates which local jurisdiction functions must be enterprise budgets
- Current system isn't working at transfer stations – that roll-off dumpsters fill up quickly – that is insane!
- CCAC could have people can fill out an application to identify their needed services
- Elderly people and people on limited income – may have other needs
- Fire Safe Council – PG&E Care Program is the method they use to determine eligibility for services
- 3 issues – a) code compliance is unnecessary evil of county, b) code compliance doesn't do enough, c) county staff are just doing their job and don't care about fixing the real problem
- 2 pick-up trucks in front yard – could put up fence so neighbors can't see them; what's on one's property isn't neighbor's problem
- What about people with junkyards...could we not give them free passes at the landfill?
- CCAC needs to dig into the problems – review the code compliance case log
- Jury nullification – Is this a law we should even be enforcing? Is the code rational? If not, we should change the code. The Board can fix these sections of code.

Maybe problem isn't that code compliance doesn't have enough teeth...

- County has programs for low-income individuals relative to dump fees
- Supports idea to take one issue at a time

5. Code Compliance Violations – internal process

- CCAC: Why can't details be shared with the public on code compliance cases?
- CCAC: CCAC needs to come to real understanding about details of individual cases / code compliance issues – CCAC needs to be able to see files
- Staff: Theoretical case provided to answer question, "How can it take 10 years to resolve a violation?"
- Staff: Legal issue associated with releasing detailed information about active case files – will need to check with County Counsel / County Counsel opinion requested by CCAC
- CCAC: PRA doesn't protect these files
- CCAC: Process is like treading water – not swimming anywhere
- CCAC: Compliance letters are not good at communicating facts...they are misleading to property owners
- CCAC: Courtesy notice – what is its purpose? Doesn't get county anywhere...
- CCAC: The title "Notice of Intent to Find Violations" is not good
- Staff: Wording of code compliance correspondence is intended to get property owners to respond to correspondence
- CCAC: Statement that Court process and receivership is only way to get abatement is not correct
- CCAC: Abatement is process that could be taken without court process, if had process in code
- CCAC: City of Fairfield – 2020 case – abatement process was completed in 4 months
- CCAC: Napa Valley case – abatement completed in 8 months due to need for agricultural expert
- CCAC: Many cases throughout state where court action resulted in abatement, and receivership was not involved; local agency came out whole (property owner paid for costs for abatement); Muir Lodge could've been addressed through this process and not use receiver and in much less time
- CCAC: Current process would be frustrating to staff...under current code, the first thing that should happen with egregious case with non-cooperating property owner should be court action for abatement
- CCAC: Government Code §25845 – this could've solved cases like Muir Lodge through abatement
- CCAC: If County used this process, word would get around that the county means business

- CCAC: Abatement through court process can be done quickly – and all costs can go to property owner; want to avoid receiverships
- CCAC: League of California Cities – training available for code compliance issues, including other resources such as conservatorships
- CCAC: If property has been sitting with deceased owner or deceased trustee, then state may need to act; there is always a legal remedy
- CCAC: Civil penalties program is offsetting to public; only a few need legal actions by county (short of receivership)
- Public: Need to have County Counsel at next meeting to address Colleen's comments
- Public: Procedures of staff – CCAC needs to look at process. Complaints – every RFI should identify specific code violation.
- Public: Specific complaint can be provided to public and specific code can be provided to public. Then CCAC can make determination as to whether staff is responding properly and whether code should even exist.

6. Muir Lodge

- Should there be a limit to amount of time the County will work with a property owner?
- Timeline for remediation of this case? Will be set by end of next week
- Work is underway now – lead and asbestos issues need to be addressed
- Code Compliance staff will attend Midpines PAC Meeting next week

6.5 Other

- CCAC: Code Compliance list – how can someone be on the list, and they don't even know about it?
- Staff: If violation is older, and property has been sold since the violation occurred
- Staff: Past processes – every department conducted their own compliance cases

7. Amnesty Program – will be first on next meeting agenda

- CCAC: Eligibility is too narrow
- CCAC: Effect is too narrow
- CCAC: Implementation is concerning
- CCAC: GC 53069.4(a)2A applies to administrative fine programs (not sure if is applicable to civil penalties) – appears to be, based on appellate cases
- CCAC: Administrative procedures SHALL provide for reasonable period of time for person responsible for continuing violation to correct or otherwise remedy violation prior to imposition of any penalties – as long as violation doesn't create public health and safety issue

- CCAC: Code already provides for period of time – in north county, 6 months may not be enough (for example, no contractors available)
- CCAC: Potentially exclude illegal marijuana for eligibility for amnesty
- CCAC: There is too much power in hands of “county designee” in this program
- Public: Wasn’t amnesty also to apply to other properties, not just open cases? Such as someone acquiring a bank owned property...where amnesty could provide a carrot to encourage owners to investigate if they have a violation and address issues, they are not certain of?

Items Presented at Meeting

Attachment: 220406 CCAC FINAL Minutes with Attachments (12922 : Receive Minutes of the Committees)

April 6, 2020

From: Eileen Collins, CCAC Committee Member

Subject: Recommendations on moving forward

Objectives: Focus on one specific code issues at a time including the community in the broadest sense possible.

1. Spend the first half hour of each meeting on regular business, i.e. approval of minutes, etc.
2. Pick one agreed upon topic for full discussion with scribe at white board. Discuss in detail existing code and what changes we would like to take place. Encourage the community to submit their input prior to the meeting, during the meeting as well as after the meeting to encourage the most input possible.
3. Staff to compile the list of suggestions and post them on-line. Committee members and the public are requested to rate each suggestion in the order of importance and add any comments regarding each comment. The results of the suggestions can be discussed at the next meeting.
4. Meetings to last up to 2 ½ hours based upon input.

The following are the existing complaints provided by Code Compliance at the Feb 2, 2022 meeting. I've combined like subjects and listed them based upon the number of complaints with the greatest number of complaints first.

of Compliants

257	BWOP and Grading without a permit
94	Living in RV, Substandard Housing and Unsafe Housing
61	Attractive Nuisance, Junk and Fire debris and/or damage
46	No Certificate of Occupancy or Completion
41	Zoning – Design Review, setbacks, land use and signs
37	Marijuana, Unpermitted greenhouses for marijuana and Power theft
27	TOT without Certificate, TOT Advertising
6	Illegal Campgrounds

There are eight (8) categories. If we meet twice a month we will have discussed all the above in four (4) months by September

CCAC Take-aways from February 2, 2022 – Each of the above topics to address each of the below suggestions in addition to general suggestions as to solutions that can be discussed

1. Special Discretionary Funding 3.3m funding
2. Education and communication
3. Resolve Code Violation at lowest level
4. Due Process
5. Administration fee process
6. Amnesty Program

Sample Communication Plan

"Safeguarding Lives & Property" (eg)

"Keeping Mariposa Residents Safe" (eg)

Always w/ intention of clarifying overarching goals:

TBD - eg.

- 1) keeping residents safe,
- 2) protecting environment of Mariposa County

- 3) obtaining voluntary compliance
- 4) clarifying & facilitating process of prioritization of CC in mariposa

You don't often get email from chasnlisa@sti.net. [Learn why this is important](#)

Good Morning Sarah,

It's our understanding Muir Lodge will be on the agenda for today's CCAC meeting. Unfortunately we are not able to attend to provide comment. We've heard the owner has met with the county and is showing signs that he will clean up the property but we have no details of what that means or the timeline for action. Our ask of the county and the CCAC is to come up with an immediate fix to at least secure the property and remove the propane tanks. No trespassing signs should be posted and a surveillance camera mounted as a minimum to provide some deterrence. As of today nothing has been done and we notice people frequently stop to check out Muir Lodge. As the days get warmer and things dry out something needs to be done ASAP. We got lucky that the fire happened after a storm and the ground was still moist. Our property is in close proximity to Muir Lodge and we feel a constant threat as the conditions continue to deteriorate. We hope you will push for immediate action. It's been far too long. Thank you and we look forward to seeing something done!

1. Communicate & Educate

Nancy's ideas about communicating with and educating the community are central to our mandate from the Board of Supervisors. Eileen's idea about creating interactive online questionnaires could help in several important ways. Interested property owners and residents consistently and energetically tell me that we need to develop a Facebook presence as soon as possible. When the CCAC was created, a "social media coordinator" was requested. Legal input indicated that role would have to be filled by staff. This requirement seems appropriate in view of the Brown Act's limitations regarding members' social media interactions. However, the voice on the FB page needs to be that of the CCAC, not of staff, so coordination of the message will be an important concern.

2. ARPA Funds – Transfer station access & fees

It appears that ARPA funding for landfill and transfer station access could be very helpful. Research shows that Public Works' plans were to accommodate about 3 customers weekly at the Fish Camp Transfer Station, fewer than 5 at Hornitos, 40 at Coulterville, and 77 at Don Pedro, for a total of 124 customers weekly at all four transfer stations. That's about 500 per month or 6,000 annually. Given that these transfer stations need to serve many thousands of residents, the planned capacity appears inadequate. It is also worth noting that per container fees charged at the transfer stations are 167% or more of the fees charged at the landfill. (Source: 1/14/20 Public Works PowerPoint at BOS meeting, 2 pm agenda).

An ARPA-funded program will require consideration as to (1) purpose, (2) eligibility (PGE Care, CalFresh, etc), (3) time frame (within funding limitations and amounts), (4) exceptional cases, and (5) other parameters.

3. Amnesty Program Proposal – Need for Policy Goals & Consistency of Language

The Amnesty Program as proposed provides for a "duration" of six months during which "staff shall waive the civil penalties." The written terms of the Amnesty Program must be identical to the representations made orally by the county's agents.

The terms at issue, "Duration" and "Effect," are defined in Exhibit 1.

"**Duration:** The duration for this amnesty shall commence upon adoption of the resolution and continue for a period of six (6) months."

"**Effect:** During the Civil Penalty Amnesty Program, Mariposa County staff shall waive the civil penalties ..."

There is nothing in the written proposal that allows civil penalties to be waived for more than 6 months or beyond the "duration" of the "Program." Once we come to agreement about the public policy that should underlie an amnesty program, a written proposal for the Board's consideration that is consistent with that policy should be completed. In all cases, it is essential that written and oral representations be consistent.

Public policy considerations need to include the real constraints under which our relatively remote, rural area functions. We have difficulty getting qualified contractors to complete contracts within reasonable periods of time if we can find them at all. Real world examples and experiences need to inform any rules we develop for recommendation to the Board.

4. Abatement Actions

Other counties use a wide variety of civil and criminal court actions to enhance their administrative code enforcement efforts. Four such successful cases were mentioned at the 4/6/22 meeting. Many more can be cited. The time periods required for achieving abatement of the violations ranged from four months to a couple of years,

depending upon the complicating factors and the aggressiveness or cooperativeness of the property owners' responses. In none of the cases was abatement delayed by periods of five years or more, as is often the case in our county. The CCAC needs to come to a clear, fact-based understanding of the use of abatement and other court actions in this county. The CCAC should be able to define criteria for code compliance staff to follow, in consultation with County Counsel, in order to prioritize egregious cases for court action.

5. Identification of Property Owners (deceased, absent, institutional, and others)

Several cases of failure to correct violations, in which identification of the responsible party was difficult or a financial institution was identified as owner, were discussed at the meeting. Kris Casto described a case that has become worse and worse over five+ years. Muir Lodge has been a problem for more than a decade. Several "squatting" cases exist in the Coulterville and Greeley Hill areas. Code compliance clearly has not identified an effective way to respond to these cases. They deserve more of the CCAC's attention. Several county departments need to be involved, including the Development Services units, the Sheriff's Office, and County Counsel.

6. Current Process & Correspondence with Alleged Violators

This 45-page agenda item (#5 on the 4/6/22 CCAC agenda) presented several opportunities to understand why the current processes are not consistently successful. In general, the correspondence, notices, and forms suffer from a lack of specificity and failure to reference Mariposa County Code language and specific timelines for correction. The current process lacks structure and written rules, both of which are needed to guide code compliance staff. Many of the notices appear to have been created with little concern for their impact on recipients; some are surprising in their confrontational tone and others are excessively lenient and non-specific. Certain terms are misspelled and likely to mislead the reader (e.g., forego should be forgo). The CCAC needs to review every form, identify and define the reasons for its use, improve and correct the tone and language used, and set up the timelines and order in which they are to be used.

Date: Monday, April 11, 2022 3:02:24 PM

Good afternoon Sarah,

I appreciated being able to review the code enforcement correspondence that is currently being sent out to Mariposa County residents. I think that the internal process of how code violations are prioritized, how violations are tracked, and the types of correspondence (and who it should come from) should be reviewed and clarified. This ties into what County Counsel was discussing at his presentation when he sends out code violation letters from his office.

Thanks.
Karen.

hi there. it has come to my attention that the county is running an ad for a Public Information Officer. here is the link...

<https://www.governmentjobs.com/careers/mariposacounty/jobs/3475322/administrative-analyst-i-ii-public-information-officer?pagetype=jobOpportunitiesJobs>

so i'm wondering...who will this person report to? will a portion of this person's time be available for Code Compliance? if so, how much???

is this something the committee could learn more about? it seems exceedingly relevant to us...or at least it could be.

thank you!

best,

MEETING MINUTES

DATE: March 18, 2021
TIME: 1:00-2:00 PM
LOCATION: TELECONFERENCE ONLY

1. **CALL TO ORDER:** Goralnik called the meeting to order at: 1:00 p.m.

Members Present: Jeanetta Phillips, Charles Phillips, Irene Vasquez, Kim Brisack, Abby Miller, Cara Goger, Will Fassett, Adam Burns, Erica Wolfsen, Xav Dubois
 Members Absent: Jackie Baxton
 Visitors: None

2. **ADOPT A RESOLUTION IN ACCORDANCE WITH AB361:**

The members voted unanimously to adopt a resolution in accordance AB361

3. **APPROVE MINUTES FROM 11/19/2021:**

The minutes from were approved unanimously.

4. **ADOPT NEW BYLAWS:**

The committee voted to adopt new bylaws in accordance with the Board of Supervisors' newly adopted policy regarding official county committees.

5. **DISCUSSION OF IMPLEMENTATION OF CREATIVE PLACEMAKING STRATEGY POL. 1:**

This item was removed until a later meeting.

6. **DISCUSSION OF CALTRANS GATEWAY ENHANCEMENT PROJECT:**

Goralnik informed the committee members of a potential opportunity for funding from Caltrans to implement gateway features on state right of way in the Town of Mariposa, in conjunction with murals on strategic locations to contribute to local sense of place while also achieving other important community objectives. He indicated that a cooperative agreement with Caltrans would be necessary to effectively deliver the project, and that such an agreement could pose some complications/challenges. Nonetheless, he expressed optimism for the project, and asked that those committee members who support it be available to advocate for it with the Board of Supervisors or and others as needed.

Jeanetta Phillips asked a question about the level of public involvement in the design decision-making process. Goralnik clarified that there would be an extensive process for community engagement, both with the wider community and with the CPSAC, who would play a major role throughout the preliminary and intermediary design phases.

Irene Vasquez added a comment about the potential for these public art features to result in safer driving and pedestrian conditions in town.

7. ELECTION OF NEW OFFICERS:

The following members were elected to be officers for 2022:

Chair: Cara Goger

Vice-Chair: Jeanetta Phillips

Secretary:

8. SELECTION OF 2022 MEETING DATES:

The group scheduled their 2022 meetings for the third Friday of every month at 1:00 PM.

9. PUBLIC COMMENT:

Cara Goger shared that the Creative Placemaking Strategy had an impact on the butterfly wing mural at Mariposa Elementary and High School, which was funded with grant funding that emanated directly from the recommendations of the CPS. The mural also has a relationship to the pollinator course at the elementary school.

Erica Wolfesen added that a new mural would be installed by students at the Greeley Hill elementary school in the near future. Completion is anticipated by the end of the school year. Goger indicated that she would add it to Arts Council's burgeoning database of creative placemaking features throughout the county.

Adam Burns shared that the Beat Harvest would debut at the end of the month as a series of online performances.

10. ADJOURN: Goralnik adjourned the meeting at 1:47 PM.

3. Resolution Due to Covid

A resolution of the council proclaiming a local emergency, ratifying the proclamation of a state of emergency by the Governor of the State of California on March 4, 2020 regarding an outbreak of respiratory illness due to a novel corona virus (a disease now known as Covid-19), and authorizing remote teleconference meetings of the legislative bodies of the Fish Camp Town Planning Advisory Council for the period of March 19, 2022 to April 18, 2022, pursuant to Brown Act Provisions.

Moved Rolfe, Seconded Luther. Approved unanimously. Council supervisor Smallcombe confirmed that the next meeting can be hybrid. Both the public and council members can participate in person or electronically.

4. Approval of Draft Minutes from 1/22/22. Tabled to April 30, 2022.

5. Persons wishing to speak on a matter not on the agenda, but within the jurisdiction of the counsel. No action will be taken by the Council.

6. Action Item

- a. Site Plan Review Application No. 2022-039; White Chief Mountain Lodge Use discussion and recommendation to the Planning Director. DNC Parks and Resorts at Tenaya, Inc. Applicant.

It was requested to convert the existing White Chief Mountain Lodge to an employee housing use pursuant to Site Plan Review No. 2022-039, be approved, with the following findings:

Attachment: 220319 Fish Camp Draft (12922 : Receive Minutes of the Committees)

An employee housing use is equivalent to a conditional multi-family use in the Resort Commercial land use classification in accordance with the provisions of Section VI(I)(5) of the Fish Camp Town Planning Area Specific Plan (FCSP), as modified to allow consideration of equivalency to a conditional use due to existing development and with no expansion proposed, and similar in nature and intensity to a conditional multi-family use in accordance with Section 17.08/120 of Title 17, Mariposa County Zoning Ordinance.

DNC would lease the site from the owner of White Chief Lodge and use the property for year round employee housing. Once approved, the new use could be “in perpetuity” and would be a contract between DNC and the owner of White Chief Lodge.

Prior to a vote on the matter, Steve Engfer from County Planning made a thorough presentation and Brett Archer provided input re: housing and employee needs. While a vote by this council was not needed to actually approve the plan, the County Planning would like the community’s input.

The majority of the community in attendance presented various questions and concerns regarding environmental, traffic, noise, road conditions, state of the road, narrowness of the road, winter conditions of the road, etc., to accommodate a constant flow of traffic that the plan would entail on White Chief Mountain Road.

Moved by Rolfe and seconded by Christian to table the vote on the agenda item below until a “reasonable scope” traffic study could be performed.

Ayes: Bassett, Baxter, Christian, Harter, Rolfe, Royse;

Nays: None

Abstained: Archer; Luther

Cerioni no longer present to vote

7. **Ex Officio Reports**

- a. Current reports - None.
- b. Standing Reports to be conducted at the April 30, 2022 meeting.

8. **Snow and Road Conditions**

None provided at this time.

Donn Harter

9. **Future Agenda Items and Council Schedule:**

4/30/22; 7/23/22; 10/22/22; and 1/21/23

10. **Adjournment:** 11:10 a.m.

MARIPOSA COUNTY

Merced River Trail Community Working Group

MEETING MINUTES

DATE: April 4, 2022
TIME: 4:00 PM
LOCATION: DEVELOPMENT SERVICES CONFERENCE ROOM
 + TELECONFERENCE

1. **CALL TO ORDER:** Goralnik called the meeting to order at: 4:03 PM

Members Present: Michael Martin, Art Baggett, Rosemarie Smallcombe, Wendy Brown, Jessica Thompson, Tara Fouch-Moore, Tom Sweeney

Members Absent: Nick Ross-Rhudy

Excused Absences: Ralph Mendershausen, Tony McDaniel, Susie Clark

Visitors:

2. **ADOPT A RESOLUTION IN ACCORDANCE WITH AB 361:**

The group adopted a resolution in accordance with AB 361, authorizing them to meet virtually in compliance with the Brown Act.

3. **APPROVE THE MINUTES FROM THE 2/9/22 MEETING:**

The minutes were unanimously passed.

4. **WELCOME NEW MEMBER:**

The Community Working Group welcomed Tara Fouch-Moore and Susie Clark, the group's newest members. Goralnik reminded the members that there was still one remaining vacancy.

5. **DISCUSSION ON DRAFT VISION PLAN CHAPTERS:**

The group had a lengthy discussion on the drafts of Chapter 2 and Chapter 3 of the Merced River Trail Vision Plan. Goralnik stated that Chapter 1, which deals with the canyon's history and the project's planning context and overview, was in production but not ready to share with the committee at this time—partially because some of the content had not yet been drafted, and partially because key sections were being reviewed by the Southern Sierra Miwuk Nation.

Chapter 2, which focuses on the visioning process, is intended to be a complete draft for review, and Chapter 3, which goes into greater detail for the recommended project actions, is still missing a great deal of content, including much of the narrative text for the recommendations. He clarified that this chapter was included to review as an indication of the direction that the draft document was headed in, but welcomed any preliminary comments.

Goralnik shared that CWG and other members of the community were providing content relevant to their respective expertise to support the narrative sections of several recommendations. He asked the CWG if any of the members wanted to take on any additional sections, and there were no volunteers.

Goralnik added that he anticipated a significant Appendix section(s), which might include:

- The Merced River Trail Community Benefits Study
- All or most of the raw data from the online survey
- Preliminary data from the UC-Merced // Jeff Jenkins trail survey
- Some or all of the deliverables from the EPA technical assistances received regarding Miller Gulch
- The proposed scope from Ascent Environmental for the comprehensive compliance and trail designation project

Goralnik stated that the plan was for the CWG to review, provide comments on, and support each chapter prior to the whole document going to the Board of Supervisors to adopt. He added that work would continue on the delegated sections of Chapter 3, the review of Chapter 1, and the draft production of the Appendices while staff is on paternity leave.

The CWG provided the following comments:

- Generally, they would like to have more time to review and provide comments on the drafts of Chapter 2 and Chapter 3. The members committed to having more comments to provide at the May meeting, at which time, Art Baggett hopes to have an additional alternate route to share with the CWG.
- Michael Martin noted that some actions are immediately implementable, especially on the lower portions of the trail, while some actions will take longer
- Michael Martin and Art Baggett recommended clarifying the narrative in Action 1.1 to reflect that the option of the route passing through Old El Portal and Foresta is “off the table” based on the input received through the planning process. They also recommended specifying that, in order for this decision to change in the future, it would have to be the result of a robust planning process and a formal Board of Supervisors action.
- Michael Martin suggested including an existing memo regarding the components of the FERC relicensing agreement in the appendix.

6. BYLAW UPDATES:

The group voted unanimously to adopt the mandatory bylaw update.

7. PUBLIC COMMENT:

The members reiterated their belief that the deliverables from the EPA technical assistance would need to be reviewed by the CWG prior to the members supporting further action related to the Miller Gulch site. Goralnik shared that a representative of the ownership group had reached out to notify him that the ownership group was having capacity issues and struggling to come together to formally authorize staff to share the documents (Phase I and Phase II environmental assessments, and Analysis of Brownfield Cleanup Alternatives), and volunteered to meet with the CWG to discuss the findings from the reports while working toward securing formal authorization.

Goralnik mentioned that he would be making a short presentation to the Board of Supervisors at the 4/5 meeting to provide an update on the Merced River Trail project prior to going on paternity leave.

8. ADJOURN: The meeting adjourned the meeting at 5:34 PM.

3. Approval of Minutes: July 21, 2021, August 11, 2021, and September 8, 2021 (M) Ruth Sellers (S) Rob Binder.

4. Discussion & Action Items:

a. Elect Chair of the Committee – All nominated for Chair declined

b. Elect Vice Chair- Rob Binder (M) Ruth Sellers (S) Gary Friesen

c. Update on the new Agreement with Airport Operators contract – Tony Borreson has spoken with Director Shannon Hansen about the Agreement and has asked for additional information.

d. Discuss the possibly of sponsoring attendance at the Annual Conference of the Association of California Airports. It was asked if the county would be willing to sponsor a committee member to attend the conference.

Attachment: AAC Minutes 4.13.22 (12922 : Receive Minutes of the Committees)

e. Additional Hangars – Ruth Sellers would like the airport to receive some of the Aramark settle money to fund the building of new hangers. Rob Binder talks of the Layout Plan last updated in 2008 which shows area earmarked for new hangars.

d. Private request to build four new hangars – Public Work – Matt Hespenheide reports that the private person who want to build four new hangars is asking for a 50–60-year lease agreement.

5. Reports & Updates:

a. Safety Concerns. – AWOS and signs. Tony Borreson reports that the AWOS system will need to be replaced within two years, repairs to the aging system are working for now. The cost of a new system will be roughly \$300,000. The unit is currently calibrated twice a year per our contract with All Weather, Inc. Signs at the airport are deteriorating and need to be replaced to FAA requirements. Recent near miss, a pilot flying from Washington state to Bakersfield ran out of fuel and had to make an emergency landing in Mariposa. No damage or injuries reported.

b. Public Works Update: Recycle Oil Removal. Matt Hespenheide is getting pricing for hazmat removal. The county wants to give up ownership of the tanks and block off the area. Tony Borreson reports that hazardous waste removal is expensive but doesn't understand the issue of disposal since other airports do it as well. Member Aitor Lomendy will check for disposal resources. Aviation will be going to unleaded although not all planes will be able to use it.

6. Next Meeting:

Future Agenda Items: Hangars, oil, signs, and cemetery

7. Meeting Adjournment: 4:09 pm

**Minutes – Board of Law Library Trustees Meeting
January 20, 2022**

Meeting commenced at 3:06 p.m. in the Law Library of the Mariposa County Courthouse.

Present were Judge Michael Fagalde; Steve Dahlem, County Counsel; Casey Archer, President of the Mariposa County Bar Association; and Rhonda Scherf, Legal Executive Assistant to County Counsel.

New Business

Steve Dahlem opened the meeting with the first item on the agenda being selection of a Board President. A motion to select Steve Dahlem as Board President was offered by Casey Archer with a second by Judge Fagalde and a unanimous vote.

A motion to select Rhonda Scherf as Board Secretary was offered by Steve Dahlem with a second by Casey Archer and a unanimous vote.

Mr. Dahlem asked if anyone had any questions or concerns regarding the draft meeting minutes of July 22, 2021, to which there were none noted. A motion to approve the minutes was made by Judge Fagalde with a second by Casey Archer and a unanimous vote.

An overview of the current Law Library budget was reviewed and discussed. It was noted that filing fees are down.

Discussion was held regarding holding the next Law Library Trustees meeting on April 21, 2022 at 3:00 p.m.

There being no further business, the meeting adjourned at 3:10 p.m.

Respectfully submitted,

Rhonda Scherf,

Mariposa County Safety Committee Meeting Minutes – February 3, 2022

Attendance: Jenifer Canter – Assessor/Recorder
 Michael Cornwell – Health & Human Services Agency
 Sterling Cramer – Sheriff's Office
 Steve Dahlem – County Counsel/Risk Manager
 Erick Hanneman – Health & Human Services Agency
 Brad Jouett – Public Works Department (via telephone)
 Pete Judy – Probation Department
 Marshall Long – Board of Supervisors
 Richie Mills – Public Works Department
 Matthew Rouse – Auditor (via telephone)
 Rosemarie Smallcombe – Board of Supervisors
 Debra Wass – UC Cooperative Extension (via telephone)

Absent: Patience Good – County Fire Department
 Josh Keheley – District Attorney's Office
 Joe Lynch – Administration/Human Resources

Meeting was opened by Erick Hanneman at 3:00 p.m. with introduction of Committee members.

The meeting minutes of November 4, 2021 were approved by a motion made by Sterling Cramer and a second by Jenifer Canter with a unanimous vote.

Discussion was held regarding the possibility of changing some of the active shooter training locations each year so that more facilities are trained in. Following discussion, direction was given to change location from the District Attorney's Office to the Community Health Center. Further discussion was held regarding the additional locations that would be added to the Agreement with Knowledge Saves Lives, Inc.

Discussion was held regarding the need to develop a workplace violence policy. Rhonda Scherf provided the Committee with sample policies from other counties. The pros and cons of the various sample policies were discussed. Michael Cornwell and Erick Hanneman volunteered to act as the subcommittee on this matter and will work together to draft a policy for Committee review.

Rhonda Scherf provided a brief overview of the safety training schedule for 2022.

Erick Hanneman asked if anyone had a safety issue to discuss and mentioned that there had been vehicle break ins. Richie Mills informed the Committee that Public Works had installed a couple of game cameras in the Public Works Yard as a result of ongoing vandalism and the cameras had successfully caught a few people in the act of vandalism. Pete Judy noted that cameras are a good deterrent and further noted the inequity within the County since only the departments that have special funding can purchase cameras and enter into contracts with monitoring services. Further discussion was had regarding the importance of all facilities having a security system and the necessity of this issue going on the budget whiteboard.

Erick Hanneman announced that the next meeting is scheduled for Thursday, May 19, 2022, at 3:00 p.m.

Meeting adjourned at 4:02 p.m.

Respectfully submitted,

MARIPOSA COUNTY WATER AGENCY ADVISORY BOARD

MINUTES

February 28, 2022

Members Present: Michael Martin, John McCamman, Sonny Palmer, Robert Keller,

Art Baggett

Members Absent: None

MPUD Ex Officio: Susan Wages

BOS Liaison Present: Marshall Long

County Staff Present: Steve Dahlem, Jean Dordan, Larry Harris. Tom Sweeney

Guests: Mark Rowney, and a guest of Robert Keller

1. **Call to order:** 3:01 pm.
2. **Public Comment:** None
3. **Approve minutes:** September 9, 2021 (M) Art Baggett (S) Mike Martin
4. **Action Items:**
 - a. Elect Chair: John McCamman (M) Robert Keller (S) Art Baggett
 - b. Elect Vice Chair: Art Baggett (M) Robert Keller (S) Mike Martin
Mark Rowney was invited by John McCamman as a guest. Mark has filled out an application to join the committee. Mark comes with much knowledge as retired MPUD.
 - c. Review and approve the RFP for Engineering Services for Preparation of a Feasibility Study for New Water Resources Projects.

Public Works has created an RFP, the committee believes the RFP is too open ended with the language of "Beneficial Use" and would be charged a large amount of money by consultants. There is a \$250,000 budget that is public knowledge which the various firms will probably quote. There were many ideas on possible projects with the settlement monies. Supervisor Long suggests Ag applications or tourists' attraction type activities rather than draining from creeks that go into lake McClure. John McCamman also suggests recreation applications. Wildland fire protection or a fish hatchery. Larry points out estimate for 250K. Larry Harris talked about the RFP that it can left as is or focus on key areas. Larry Harris suggests the RFQ should have vision and goals such as one to three projects to focus on then proceed with the RFQ process then move to RFP process. Project cannot be used as potable or Class I water. Art Baggett reports that beneficial use also need a place of use with permittable projects.

Mark Rowney speaks of what is the engineering feasibility of the project and what we can afford to permit. Mark Rowney disagrees with a feasibility study. Mark Rowney suggests picking a place where we can pull water from then do a feasibility study. The committee needs to be specific with what it has in mind for a project. Supervisor Long sees a need for water in Greeley Hill and Coulterville for domestic use, or Ag us such as nut trees. Larry Harris suggests producing an RFQ with a permit process to follow, making changes to RFQ rather than do a feasibility study starting at beneficial use for the RFQ (M) Robert Keller (S) Sonny Palmer. Public Works will need 60 days to produce RFQ. Mark Rowney asks what is engineering feasibility of the project and what we can afford to permit. Mark Rowney suggests picking a place where to pull water from then do a study. Be specific with what is in mind for a project. Larry asked about timeline Project must be in motion by 2047. Mike Martin talks of the beneficial use 8K acre ft of water and ferc license flows for quality aqua culture . The hatchery for steelhead trout will produce phosphorous and nitrogen that can be used as fertilizer. Mike Martin suggests a subcommittee with Mark Rowney, Mike Martin and Art Baggett.

d. Recommend to the Board of Supervisors that an audit of the MID Settlement and annual payments be conducted.

The committee suggest that an audit be done on the funds being held from the settlement and asks county counsel if an audit has been done. County counsel does not believe, and audit has been done but agrees that one should be by the Auditor's office and report back to the committee with the finding of the audit.

5. Discussion Items:

a. Discuss the impact of Senate Bill 552 Chapter 245 (Hertzberg) Drought advisory committee required or state drought program. Does the water agency want to get involved in or let the BOS decide.

5. Set next meeting Date and Time: May 19, 2022 at 3:00 pm

YOSEMITE WEST DISTRICT ADVISORY COMMITTEE

Minutes of March 10, 2022

Members Present: Tom Lambert, Malcolm Neal, Art Comier, Jeff Webb

BOS Ex-Officio Present: Rosemarie Smallcombe

County Staff Present: Larry Harris

Guests/Public: Jeff Hornecek, Shannon Hansen, Katie Weber, Ted Williams, Debra Kroon, John Mock (phone)

1. Call to Order and Introductions: 2:12 pm

2. **Public Comment:** Mock comments construction workers have no place to park or receive deliveries, John suggests they use cones. Ted asks if there is any news of new water sources in Henness Ridge Area and asks if the county is still seeking a new water source. Supervisor Smallcombe will follow up with Joe Meyer of NPS regarding the WRSB.

3. Approval of Minutes:

September 9, 2021 With member John Mock's corrections. (M) Art Cormier (S) Malcolm Neal with corrections

4. Updates and Reports:

a. Neal Misener resignation (Lambert) Member Neal Misener has resigned from the committee.

b. Lowry status – some residents have noticed green/copper residue, that is usually a PH issue, which in turn is usually a Lowry issue. Both pumps went out, and repairs were made. Larry Harris announces he is now the Deputy Director of Public Works. The water outage was due to a storm which was reported to the state and a boil water notice went into effect.

Attachment: YW Minutes 3.10.22 (12922 : Receive Minutes of the Committees)

Member John Mock asked when the last time a diver went into the tanks to do an inspection, which has not been done in a long time.

c. Update on repair of hydrant #16. No new updates, still looking for a contractor. Katy Weber asked will hydrants be inspected and flushed. Larry states that it hasn't been done in any of the districts in a long time.

d. Operations update –

e. Financial update (Harris) Larry Harris goes over reports on flow rates. Financial reports will be sent in advance of meetings in the future. Land purchase is moving forward Supervisor Smallcombe is not sure of the size of the lot.

f. Update on the rate study and Prop 218 process (Harris) Larry Harris hasn't worked on rate in recent weeks but will work on a different strategy than the last rate study for the rate increase. What needs to be funded, repairs, and staffing. The numbers of revenue will look awkward because of the last increase and the refunds that followed. Those numbers can't be used as a baseline. Guest Ted Williams suggests going further back to come up with clear numbers.

g. Update on possible grant fund for wastewater treatment system (Harris). Melinda Barrett of RCD has informed Public Works that is \$500,000 earmarked for a Yosemite Grant for Waste and Water System corrections. During the Ferguson Fire the fire burned SDI system (back up to spray field) melting the pvc piping, however; the leach field was not damaged by the fire. The county did not get a DSR with CalOES to pay for repairs due to the expiration period. Public Works is trying to get additional staff for utilities.

h. Status of tree-felling and removal project on the well-access road (Harris). Larry will look into trees that need to be removed by the tanks. Expired DSR in 2021 hopefully the state will extend it. There is a bid out for the work.

i. Updates on any long-standing issues

1. Leach-field land purchase (PW Staff) and use of Fund 755. The County Administrative Officer and County Counsel discussed the use of USDA funds that is subject to approval by the USDA. Supervisor Smallcombe advised that the county is still negotiating on the price of the property and has advised the committee that a survey and lot line adjustment will need to be done. The amount of acreage has changed several times.
2. YW bond refinancing initiative (Smallcombe) Shane Spicer withdrawals from the reassessment engineer analysis. Financial adviser Joey McLiney & Associates is now assisting in locating state funds and grant fund opportunities. The \$22,000 for Spicer's services will have to be paid by the district or the county. It may not be feasible to refinance. Rosemarie will follow up with the Treasurer's office.
3. Water rationing ordinances. We do not currently have the staff to work on this. Wawona & Fish Camp are now in a different district (Supervisor Smallcombes District) Some of the residents are connected to NPS water with some privately owned systems. There are

limits of water usage. Chair Tom Lambert advises that EDU's can easily be manipulated by homeowners.

4. Tree removal near water tanks – discussed earlier

5. Discussion and Action Items:

a. Election of Officers – Currently-Chair is Tom Lambert; Vice Chair is currently Debra Vice. Motion for Tom Lambert to continue as Chair (M) Art (Cormier (S) Malcolm Neal; Debra Kroon to continue as Vice Chair (M) Art Cormier (S) Jeff Webb. Tom is the currently secretary. John Mock offers to be the secretary (M) Debra Kroon (S) Art Cormier.

b. Discuss use of District funds for better conference phone and call-in line. Larry Harris will talk with Director Shannon Hansen about a better audio system. Tom has a unit price of \$148.00.

YOSEMITE WEST DISTRICT ADVISORY COMMITTEE

SPECIAL MEETING

TELEPHONE CONFERENCE CALL

Minutes of April 21, 2022

Members Present: Tom Lambert, chair, Jeff Webb, Art Cormier, John Mock, Malcolm Neal, Debra Kroon

BOS Ex-Officio Present: Rosemarie Smallcombe

County Staff Present: Larry Harris

Guests/Public: None

1. Call to Order and Introductions:

9.06 am

2. Public Comment: None

3. Approval of Minutes: None

The Yosemite West Maintenance District Advisory Committee meeting was called to order at 9:09 am by Chair Tom Lambert. Lambert reviewed the history and background to the meeting, highlighting that despite years of discussion, the Committee had not ever received a final cost and therefore had never taken a vote. Lambert also noted that the proposed cost was far less than previously proposed costs.

Larry Harris provided background on the history of this project and noted that because of multiple extensions of the deadline from Cal OES for using the money and the final deadline coming up soon, the Director of Public Works Shannon Hansen needed to act quickly, which explains the reason this could not wait until the June meeting of the Committee.

Attachment: YW Special mtg minutes 4.21.22 (12922 : Receive Minutes of the Committees)

Supervisor Smallcome added that Directory Hansen was concerned that if we did not sign a contract soon, the contractor would take other work and we would again miss a critical deadline and risk losing funds with no hope of another extension from Cal OES.

Member Debra Kroon motioned that we vote to approve the release of the funds. Member Jeff Webb seconded. During discussion, Member John Mock noted that there was a discrepancy between the fund number given in the agenda discussion item and questioned the proper way to phrase a motion given that discrepancy. During discussion the Committee decided to stipulate that the money come from whichever fund the Board of Directors and County financial officers deemed appropriate. Member Kroon accepted this as a "friendly amendment" to her motion and Member Webb reiterated his second.

The final motion states: **"We as the committee agree with and recommend the use of \$62,500 in Yosemite West District Funds from the fund deemed appropriate by the Board of Directors and county financial officers for the removal of trees along the well and wastewater treatment plant roads."**

Motion passed by unanimous vote of all members of the Committee.

MARIPOSA COUNTY

District Attorney • (209) 966-3626

RESOLUTION - ACTION REQUESTED 2022-266

MEETING: May 3, 2022

TO: The Board of Supervisors

FROM: Walter Wall, District Attorney

RE: Approve Agreement for Thomson Reuters Print Subscription Services

RECOMMENDATION AND JUSTIFICATION:

Approve a Three Year Agreement with Thomson Reuters for Print Subscription Services ("West Complete Print"); and Authorize the Board of Supervisors Chair to Sign the Agreement.

The District Attorney's adopted budget for the 2021-2022 fiscal year has funding to support this agreement and funds to cover the agreement have been requested for fiscal year 2022-2023. The District Attorney's Office currently pays \$74.95 a month for print subscription services. The newly negotiated monthly cost will be \$92.31 for the first year with a 5% increase for each following year of the agreement. This increase will be adequately covered by the savings achieved when an online legal research agreement was recently renegotiated and agreed upon.

It is vital that the legal team of the District Attorney's Office have up to date version of the materials they need to effectively prosecute crime in Mariposa County. This agreement will allow the District Attorney's Office to stay up to date with print materials.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The District Attorney's Office has been utilizing Thomson Reuters print services since 2012 using primarily informal agreements. The previous agreement has been renegotiated and formalized into a three-year agreement to better suit current office needs.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

The Mariposa County District Attorney's Office will not receive updated legal publications that allow attorneys to stay up to date on case law and meet their prosecutorial duty.

FINANCIAL IMPACT:

Funds for services were adopted in FY21-22 budget and have been requested in the FY22-23 budget. The new negotiated monthly price is slightly higher, but is offset by a cost savings achieved by a previously adopted online research agreement with Thomson Reuters.

RESOLUTION - ACTION REQUESTED 2022-267

MEETING: May 3, 2022

TO: The Board of Supervisors

FROM: Joe Lynch, Health & Human Services Agency Director

RE: Memorandum of Understanding - Native Solutions

RECOMMENDATION AND JUSTIFICATION:

Approve a Memorandum of Understanding (MOU) Between the County of Mariposa and Native Solutions for Driving Under the Influence (DUI) Educational Services; and Authorize the Board of Supervisors to Sign Chair the MOU.

Native Solutions will provide Drinking Driver Program Services to County clients, pursuant to the provisions outlined in California Code of Regulations, Title 9, Division 4 Chapter 3, April 2012. Native Solutions will obtain and maintain licensure through the Department of Healthcare Services (DHCS) for operation of DUI programs, including compliance with all training, certification and regulatory guidance per program.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The Board of Supervisors approved the most recent Memorandum of Understanding with Native Solutions for DUI services on January 26, 2021 through Resolution No. 2021-43.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

The County of Mariposa's ability to perform state required DUI courses would be greatly hindered.

FINANCIAL IMPACT:

Native Solutions will be reimbursed by client fees for the costs associated with this program. Native Solutions will pay HHSA a 2% administrative fee for oversight. There is no impact to the General Fund.

MEMORANDUM OF UNDERSTANDING BETWEEN

Mariposa County AND

Native Solutions

THIS AGREEMENT is made and entered into ___ day of _____, 20__ by and between the COUNTY OF MARIPOSA, a political subdivision of the State of California ("COUNTY"), and NATIVE SOLUTIONS, a California Corporation ("CONTRACTOR").

AGREEMENT

TERM: To begin July 1, 2022 and continuing until modified or cancelled.

SCOPE OF SERVICES: Contractor shall provide Drinking Driver Program Services to COUNTY clients, pursuant to the provisions outlined in California Code of Regulations, Title 9, Division 4 Chapter 3, April 2012. Programs include Wet Reckless, First Offender and Multiple Offender Drinking Driver Programs (DDP). Contractor shall obtain and maintain licensure through DHCS for operation of DUI programs, including compliance with all training, certification and regulatory guidance per each subprogram. Contractor shall ensure that client records are complete and accurate. Contractor shall ensure that reporting is completed timely to DHCS. Contractor shall make client files including fees and payments available to the county for audit upon request. If the contractor is found to have items out of compliance with regulation, the contractor shall submit a plan of correction to bring the program into compliance. If the program is found to be out of compliance repeatedly this MOU shall be terminated with 30-days notice to the Contractor. Contractor agrees to notify the county with no less than 60-days notice of any plans to terminate or relocate services. Contractor agrees to notify the county of any change to the fees charged for DUI programs. The contractor shall meet with the county one time per month to ensure programmatic compliance.

COMPENSATION AND COSTS: CONTRACTOR shall furnish and pay for all expenses of any kind or nature in Drinking Driver Programs. All services provided by the CONTRACTOR will be rendered at no cost to COUNTY. Further, CONTRACTOR agrees to pay a monitoring fee to the County of 2% of gross client revenue (excluding State Fees).

COST SETTLEMENT: All DHCS required cost settlement documents, including but not limited to the Contractor's Cost Report, the Narcotic Treatment Program Report of Expenditures and Revenues, the performance report, and any other forms required for the completion of the County and/or the Providers, Cost Reporting Responsibilities to DHCS:

- Are to be submitted to the County annually by September 30th, shall include all services delivered through June 30th of that fiscal year.
- Settlement to cost will be made through submission and acceptance of the Cost Report in accordance with Federal Medicaid requirements and the approved Medicaid state plan and waivers.

The Cost Report shall be in the format and completed within the guidelines provided by September 30, 2023. Failure to comply with the deadline shall result in the suspension of payment of any reserves held under the terms of this Agreement, as well as payment of the current year Agreement funds.

Failure to complete cost report may result in termination of contract at the discretion of Mariposa County Health and Human Services Agency.

INSURANCE: Contractor shall maintain general liability insurance with total limits of not less than One Million Dollars (\$1,000,000) per occurrence, Two Million Dollars (\$2,000,000) policy aggregate combined single limits, with additional-insured certificate, and workers' compensation insurance as required by the California Labor Code.

NOTICES: All notices required by this agreement shall be in writing and shall be effective upon personal service or deposited in the mail, postage prepaid and addressed as follows:

RE: Approve an Agreement with Community Initiatives for Collective Impact

RECOMMENDATION AND JUSTIFICATION:

Approve a Four-Year Agreement with Community Initiatives for Collective Impact (formerly named Alliance for Community Research and Development, LLC) for Consulting and Evaluation Services for the Mariposa County Tobacco Education Program in an Amount Not to Exceed \$76,440; and Authorize the Board of Supervisors Chair to Sign the Agreement.

The term of this agreement shall commence on January 1, 2022 and terminate on December 31, 2025.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

Board of Supervisors approved agreement with Alliance for Community Research and Development, LLC on August 12, 2014 through Resolution No. 2014-419.

Board of Supervisors approved agreement with Alliance for Community Research and Development, LLC on June 20, 2017 through Resolution No. 2017-394.

Board of Supervisors approved agreement with Alliance for Community Research and Development, LLC on October 10, 2017 through Resolution No. 2017-689.

Board of Supervisors approved First Amendment to agreement with Alliance for Community Research and Development, LLC on June 20, 2017 through Resolution No. 2017-394.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Do not approve the agreement and Mariposa County Health and Human Services Agency will have to identify other means for counseling and evaluation services for the Tobacco Education Program.

FINANCIAL IMPACT:

Grant funding and corresponding appropriations are included in the proposed Fiscal Year 2022-2023 3385-401 and 3427-401 Budgets.

AGREEMENT FOR EVALUATION SERVICES FOR THE MARIPOSA COUNTY TOBACCO EDUCATION PROGRAM

THIS AGREEMENT ("Agreement") is made and entered into this ____ day of _____, 20____, by and between the County of Mariposa, a political subdivision of the State of California, ("County"), and Community Initiatives for Collective Impact ("Contractor"), pursuant to the following terms and conditions.

W I T N E S S E T H:

1. TERM

The term of this Agreement shall be for a period of four (4) years, commencing on January 1, 2022, through and including December 31, 2025. This Agreement may be extended for one (1) additional consecutive twelve (12) month periods upon the written approval of both parties no later than thirty (30) days prior to the expiration of the initial term. The Director of Health and Human Services Agency or his/her designee is authorized to execute such written approval on behalf of County based on Contractor's satisfactory performance.

2. SERVICES

Contractor shall perform evaluation services for the Mariposa County Tobacco Education Program as described in Exhibit A, "Scope of Work and Cost Proposal," which is attached hereto and incorporated herein by reference. Contractor shall provide all staffing and materials necessary to perform the Scope of Work.

3. COMPENSATION

The maximum compensation payable to Contractor under this Agreement is \$76,440 for the entire term of the Agreement, \$10,920 for the initial term of the Agreement, and \$21,840 for each extension period as set forth in Exhibit A, which is attached hereto and incorporated herein by reference. County shall pay Contractor within thirty (30) days of receipt of an approved invoice.

4. INSURANCE

Contractor shall procure and maintain for the duration of this Agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by Contractor, its agents, representatives, or employees.

A. MINIMUM SCOPE AND LIMIT OF INSURANCE

Coverage shall be at least as broad as:

(1) Commercial General Liability (CGL): Insurance Services Office (ISO) Form CG 00 01 covering CGL on an "occurrence" basis, including products and completed operations, property damage, bodily injury and personal and advertising injury with limits no less than \$2,000,000 per occurrence. If a general aggregate limit applies, either the general aggregate limit

shall apply separately to this project/location (ISO CG 25 03 or 25 04) or the general aggregate limit shall be twice the required occurrence limit.

(2) Automobile Liability: ISO Form Number CA 00 01 covering any auto (Code 1), or if Contractor has no owned autos, hired (Code 8) and non-owned autos (Code 9), with limits no less than \$1,000,000 per accident for bodily injury and property damage.

(3) Workers' Compensation insurance as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with a limit of no less than \$1,000,000 per accident for bodily injury or disease.

If Contractor maintains broader coverage and/or higher limits than the minimums shown above, County requires and shall be entitled to the broader coverage and/or higher limits maintained by Contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to County.

B. OTHER INSURANCE PROVISIONS

The insurance policies are to contain, or be endorsed to contain, the following provisions:

(1) Additional Insured Status: County, its officers, officials, employees, and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of Contractor including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to Contractor's insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10 and CG 20 37 forms if a later edition is used).

(2) Primary Coverage: For any claims related to this Agreement, Contractor's insurance coverage shall be primary insurance with respect to Contractor's negligent performance of the services as respects County, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by County, its officers, officials, employees, or volunteers shall be excess of Contractor's insurance and shall not contribute with it.

(3) Notice of Cancellation: Each insurance policy required above shall state that coverage shall not be canceled, except with at least thirty (30) calendar days' notice to County.

(4) Waiver of Subrogation: Contractor hereby grants to County a waiver of any right to subrogation which any insurer of said Contractor may acquire against County by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not County has received a waiver of subrogation endorsement from the insurer.

(5) Deductibles and Self-Insured Retentions: Any deductibles or self-insured retentions must be declared to and approved by County. County may require Contractor to

purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.

(6) Acceptability of Insurers: Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A: VII, unless otherwise acceptable to County.

(7) Verification of Coverage: Contractor shall furnish County with original certificates and amendatory endorsements, or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by County before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive Contractor's obligation to provide them. County reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

(8) Subcontractors: Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that County is an additional insured on insurance required from subcontractors.

(9) Special Risks or Circumstances: County reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

5. HOLD HARMLESS/INDEMNIFICATION

To the fullest extent permitted by law, Contractor shall hold harmless, defend at its own expense, and indemnify County, its officers, employees, agents, and volunteers, against any and all liability, claims, losses, damages, or expenses, including reasonable attorney's fees, arising from all negligent or willful acts or omissions of Contractor or its officers, agents, or employees in rendering services under this Agreement; excluding however such liability, claims, losses, damages, or expenses arising from County's sole negligence or willful acts.

6. INDEPENDENT CONTRACTOR

It is the expressed intention of the parties that Contractor is an independent contractor and not an employee, agent, joint venturer or partner of County. Nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee between County and Contractor or any employee or agent of Contractor. Both parties acknowledge that Contractor is not an employee for state or federal tax purposes. Contractor shall retain the right to perform services for others during the term of this Agreement.

7. PUBLIC EMPLOYEES RETIREMENT SYSTEM (CALPERS)

In the event that Contractor or any employee, agent, or subcontractor of Contractor providing services under this Agreement is determined by a court of competent jurisdiction or the Public Employees Retirement System (CalPERS) to be eligible for enrollment in CalPERS as an employee of County, Contractor shall indemnify, defend, and hold harmless County for the payment of any employee and/or employer contributions for CalPERS benefits on behalf of

Contractor or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of County.

8. STATE AND FEDERAL TAXES

As Contractor is not County's employee, Contractor is responsible for paying all required state and federal taxes. In particular:

- a. County will not withhold FICA (Social Security) from Contractor's payments;
- b. County will not make state or federal unemployment insurance contributions on behalf of Contractor;
- c. County will not withhold state or federal income tax from payment to Contractor;
- d. County will not make disability insurance contributions on behalf of Contractor;
- e. County will not obtain workers' compensation insurance on behalf of Contractor.

9. AUDITS AND INSPECTIONS

Contractor shall at any time during business hours, and as often as County may deem necessary, make available to County for examination all of its records and data with respect to the matters covered by this Agreement. Contractor shall, upon the request of County, permit County to audit and inspect all of such records and data necessary to ensure Contractor's compliance with the terms of this Agreement. If compensation to be paid by County under this Agreement exceeds Ten Thousand Dollars (\$10,000), Contractor shall be subject to the examination and audit of the California State Auditor, as provided in Government Code section 8546.7, for a period of three (3) years after final payment under this Agreement. This section survives the termination of this Agreement.

10. ASSIGNMENT

It is understood and agreed that this Agreement contemplates personal performance by Contractor and is based upon a determination of its unique personal competence and experience and upon its specialized personal knowledge. Assignments of any or all rights, duties or obligations of Contractor under this Agreement will be permitted only with the express written consent of County.

11. NOTICE

Any and all notices, reports or other communications to be given to County or Contractor shall be given to the persons representing the respective parties at the following addresses:

CONTRACTOR:

Community Initiatives for Collective
Impact
Attn: Stergios Roussos
936 W. 18th Street
Merced, CA 95340

COUNTY:

County of Mariposa
5362 Lemee Lane
P.O. Box 99
Mariposa, CA 95338

12. COMPLIANCE

Contractor shall comply with all federal, state and local laws, codes, ordinances and regulations applicable to Contractor's performance under this Agreement, including, but not limited to, laws related to prevailing wages. Specifically, Contractor shall not engage in unlawful employment discrimination, including, but not limited to, discrimination based upon a person's race, religion, color, national origin, ancestry, physical handicap, medical condition, marital status, gender, citizenship or sexual orientation, as prohibited by state or federal law.

13. PUBLIC RECORDS ACT

Contractor is aware that this Agreement and any documents provided to County may be subject to the California Public Records Act and may be disclosed to members of the public upon request. It is the responsibility of Contractor to clearly identify information in those documents that it considers to be confidential under the California Public Records Act. To the extent that County agrees with that designation, such information will be held in confidence whenever possible. All other information will be considered public.

14. ENTIRE AGREEMENT AND MODIFICATION

This Agreement contains the entire agreement of the parties relating to the subject matter of this Agreement and supersedes all prior agreements and representations with respect to the subject matter hereof. This Agreement may only be modified by a written amendment hereto, executed by both parties. If there are exhibits attached hereto, and a conflict exists between the terms of this Agreement and any exhibit, the terms of this Agreement shall control.

15. ENFORCEABILITY AND SEVERABILITY

The invalidity or enforceability of any term or provisions of this Agreement shall not, unless otherwise specified, affect the validity or enforceability of any other term or provision, which shall remain in full force and effect.

16. TERMINATION AND RIGHTS UPON TERMINATION

A. This Agreement may be terminated upon mutual written consent of the parties, or as a remedy available at law or in equity. In the event of the termination of this Agreement, Contractor shall be entitled to compensation for services performed acceptably up to the effective date of termination as set forth in Exhibit A.

B. Either party may terminate this Agreement for convenience upon 30 calendar days' written notice to the other party. Upon termination for convenience, Contractor shall be entitled to compensation for services performed acceptably up to the effective date of termination, as set forth in Exhibit A.

C. Should Contractor default in the performance of this Agreement or materially breach any of its provisions, County, at its option, may terminate this Agreement by giving written notification to Contractor. The termination date shall be the effective date of the notice. For the purposes of this subsection, default or material breach of this Agreement shall include,

but not be limited to, any of the following: failure to perform required services in a timely manner, willful destruction of County property, dishonesty, or theft.

17. NO WAIVER

The failure to exercise any right to enforce any remedy contained in this Agreement shall not operate as to be construed to be a waiver or relinquishment of the exercise of such right or remedy, or of any other right or remedy herein contained.

18. DISPUTES

Should it become necessary for a party to this Agreement to bring an action in connection with this Agreement, the prevailing party in any such action shall be entitled to reimbursement for all expenses so incurred, including reasonable attorney's fees.

It is agreed by the parties hereto that unless otherwise expressly waived by them, any action brought to enforce any of the provisions hereof or for declaratory relief hereunder shall be filed and remain in a court of competent jurisdiction in the County of Mariposa, State of California.

19. CAPTIONS

The captions of this Agreement are for convenience and reference only and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

20. NUMBER AND GENDER

In this Agreement, the neutral gender includes the feminine and masculine, the singular includes the plural, and the word "person" includes corporations, partnerships, firms or associations, wherever the context so requires.

21. MANDATORY AND PERMISSIVE

"Shall" is mandatory. "May" is permissive.

22. SUCCESSORS AND ASSIGNS

All representations, covenants and warranties specifically set forth in this Agreement, by or on behalf of, or for the benefit of any or all of the parties hereto, shall be binding upon and inure to the benefit of such party, its successors and assigns.

23. COUNTERPARTS/ELECTRONIC, FACSIMILE, AND PDF SIGNATURES

This agreement may be executed in any number of counterparts, each of which will be an original, but all of which together will constitute one instrument. Each Party of this agreement agrees to the use of electronic signatures, such as digital signatures that meet the requirements of the California Uniform Electronic Transactions Act ("CUETA"), Cal. Civ. Code §§ 1633.1 to 1633.17), for executing this Agreement. The parties further agree that the electronic signatures of

the parties included in this Agreement are intended to authenticate this writing and to have the same force and effect as manual signatures. Electronic signature means an electronic sound, symbol, or process attached to or logically associated with an electronic record and executed or adopted by a person with the intent to sign the electronic record pursuant to the CUETA, as amended from time to time. The CUETA authorizes use of an electronic signature for transactions and contracts among parties in California, including a government agency. Digital signature means an electronic identifier, created by computer, intended by the party using it to have the same force and effect as the use of a manual signature, and shall be reasonably relied upon by the parties. For purposes of this section, a digital signature is a type of "electronic signature" as defined in subdivision (i) of Section 1633.2 of the Civil Code. Facsimile signatures or signatures transmitted via pdf document shall be treated as originals for all purposes.

24. OTHER DOCUMENTS

The parties agree that they shall cooperate in good faith to accomplish the object of this Agreement and, to that end, agree to execute and deliver such other and further instruments and documents as may be necessary and convenient to the fulfillment of these purposes.

25. CONTROLLING LAW

The validity, interpretation and performance of this Agreement shall be controlled by and construed under the laws of the State of California.

26. AUTHORITY

Each party and each party's signatory warrant and represent that each has full authority and capacity to enter into this Agreement in accordance with all requirements of law. The parties also warrant that any signed amendment or modification to this Agreement shall comply with all requirements of law, including capacity and authority to amend or modify this Agreement.

27. NEGOTIATED AGREEMENT

This Agreement has been arrived at through negotiation between the parties. Neither party is to be deemed the party which prepared this Agreement within the meaning of California Civil Code section 1654. Each party represents and warrants that in executing this Agreement it does so with full knowledge of the rights and duties it may have with respect to the other party. Each party also warrants and represents that it has received independent legal advice from its attorney with respect to the matters set forth in this Agreement and the rights and duties arising out of this Agreement, or that such party willingly foregoes any such consultation.

28. NO RELIANCE ON REPRESENTATIONS

Each party warrants and represents that it is not relying and has not relied upon any representation or statement made by the other party with respect to the facts involved or its rights or duties. Each party understands and agrees that the facts relevant, or believed to be relevant to this Agreement, have been independently verified. Each party further understands that it is responsible for verifying the representations of law or fact provided by the other

29. WARRANTY

County has relied upon the professional ability and training of Contractor as a material inducement to enter into this Agreement. Contractor hereby warrants that all work shall be performed in accordance with generally accepted professional practices and standards as well as the requirements of applicable federal, state and local laws, it being understood that acceptance of Contractor's work by County shall not operate as a waiver or release.

30. FUNDING AVAILABILITY

It is mutually agreed that if the County budget of the current fiscal year and/or any subsequent fiscal year covered under this Agreement does not appropriate sufficient funds for this Agreement, this Agreement shall terminate and be of no further force and effect upon the day notice is provided by County to Contractor of such event. Upon termination of this Agreement, County shall have no liability to pay any funds whatsoever to Contractor or to furnish any other considerations under this Agreement except for services rendered prior to such termination and Contractor shall not be obligated to perform any provisions of this Agreement. Contractor's assumption of risk of possible non-appropriation is part of the consideration for this Agreement. County budget decisions are subject to the discretion of the Board of Supervisors.

If funding for any fiscal year is reduced or deleted by the County budget for purposes of this Agreement, the County shall have the option to either cancel this Agreement with no liability occurring to the County, except County must reimburse Contractor for services rendered prior to such reduction or modification of the County budget, or offer an amendment to this Agreement to Contractor to reflect the reduced amount.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the day and year first written above.

Exhibit A SCOPE OF WORK AND COST PROPOSAL

Contractor Responsibilities:

Consistent with the elements of the 2022-2025 Comprehensive Tobacco Control Plan (CTCP) Evaluation Plan, Contractor shall work in collaboration with project staff to:

- I. Define the goals and methods of the evaluation.
- II. Revise the 2022-2025 SOW Evaluation Plan, Activities & Narrative based on the CTCP Comprehensive Tobacco Control Plan Guidelines, including participating in the CTCP negotiation process and revisions.
- III. Meet with the Internal Evaluation Project Manager monthly (or as needed) to monitor evaluation plan implementation, document information for final evaluation reporting, and support the Agency's work and goals through evaluation activities.
- IV. Collaborate with the Internal Evaluator to identify and address internal evaluation weaknesses regarding evaluation activities, as needed.
- V. Conduct data collection logistics planning in collaboration with the Agency.
- VI. Develop evaluation instruments for the project consistent with sound evaluation and measurement principles for valid evaluation.
- VII. In partnership with Agency staff, provide technical assistance on data collection and data entry to ensure data reliability and validity.
- VIII. Set up databases for pen-to-paper and online/handheld data collection for project staff to populate, as necessary.
- IX. Process and prepare data for analysis and/or clean data and conduct analyses for each evaluation activity in the Agency's Evaluation Plan.
- X. Work with agency to co-interpret the meaning of the results for each evaluation activity, within the context of the Agency's community. Help the agency formulate recommendations and help project staff understand the results of data and how the data informs the project's intervention activities.
- XI. Develop final evaluation reports in collaboration with the Internal Evaluation Project Manager, program staff, and Project Director/Coordinator. Community-related and intervention-related information will be written by the Agency. Evaluation sections and reports will be developed before the conclusion of the contract and shall be prepared consistent with the format described in *Tell Your Story: Guidelines for Preparing Useful Evaluation Reports*.
- XII. Develop the Agency Evaluation Plan for the next scope of work period, in collaboration with the Internal Evaluation Project Manager and Project Director/Coordinator, consistent with the SOW Guidelines (released in 2020), including attending to appropriate methodology (i.e. sample sizes, participant sampling, etc.).
- XIII. Assist Agency in using the evaluation findings to best improve their progress and project impact.

- XIV. Perform the following evaluation activities, per the non-primary and primary objectives (listed below) organized by type of activity and year, in the Agency's 2022-2025 CTCP Scope of Work (see Table 1):

Objective 1: By June 30, 2025, The County of Mariposa will adopt a new policy, or amend the existing county wide smoking and tobacco use policy, to include 100% smoke-free outdoor dining areas at restaurants and within 40 feet of mobile food trucks.

Objective 2 (primary): By June 30, 2025, The Mariposa County Board of Supervisors will adopt a storefront window advertising policy limiting the coverage of all advertising and signage (including tobacco, alcohol, food, and beverage) to no more than 15% of the square footage window space on retail stores.

Objective 3: By June 30, 2025, The Tobacco Education Program will formalize a minimum of two new collaborative partnerships (health, education, faith, business, cultural/ethnic organizations etc.) to address health inequities, social determinants of health and chronic disease prevention including tobacco control in Mariposa County through community change strategies. As a result of the formalized partnership, each new partner will participate in at least one tobacco education activity such as an educational meeting with community leaders, letter writing, data collection and/or media activities.

Objective 4: By June 30, 2025, the Mariposa County Board of Supervisors will adopt and implement a policy designating 90% of existing and new individual units, including balconies and patios, in multi-unit housing (MUH) complexes (with two or more attached units), and 100% of Common Areas, other than in a designated Smoking area, as smoke-free.

Other:

- XV. Contractor will provide the above services on a fixed fee basis based on 10% FTE (208 hours) at \$105/hour annually (Fiscal year July 1 – June 30). Contractor shall invoice the Agency for services completed on a quarterly basis (September 30, December 31, March 31, and June 30) to the Mariposa County Tobacco Education Program Director/Coordinator. The maximum amount payable to Contractor under this four-year contract is **\$76,440** for the four-year period. The payment breakdown is as follows: 4 quarterly payments annually of \$5,460 each.
- XVI. Contractor services shall be rendered primarily at Contractor's office and via telecommuting.

Agency Responsibilities:

- I. Agency will be responsible for all data collection and data entry, internal scheduling, reasonable access to key personnel, and reasonable access to past and current documentation that will aid the completion of evaluation activities. Agency will add Contractor as an “Applicant” in OTIS to allow the Contractor access to the Agency’s 2022-2025 plan period.
- II. Agency will reimburse Contractor approximately 10 days after invoice is received, reviewed and approved by Agency Project Director.

Joint Responsibilities:

- I. Both Contractor and Agency will be responsible to immediately notify each other of any intelligence or findings that will impact the success of the project so that rapid action can be considered.

Public Works • 209-966-2498

RESOLUTION - ACTION REQUESTED 2022-269

MEETING: May 3, 2022

TO: The Board of Supervisors

FROM: Shannon Hansen, Director of Public Works & Transportation

RE: Rescind Resolution 2022-129; Approve Agreement with Caltrans for 2019 Storm Repairs to Ben Hur Rd

RECOMMENDATION AND JUSTIFICATION:

Rescind Resolution 2022-129; Approve an Agreement with Caltrans for 2019 Storm Repairs to Ben Hur Road; and Authorize the Board of Supervisors Chair to Sign the Agreement.

As FHWA Funds become available staff is submitting allocation requests to Caltrans which results in E-76 programming of the funds and subsequent Program Supplement Agreements (PSA).

Resolution 2022-129 and corresponding PSA referred to the original Storm Event as 2017 and before repairs could be made the 2019 Storms damaged the area further. Caltrans has requested that we refer to the 2019 Storm Event only in our resolution and has issued a new PSA to reflect this change.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

In 2019 Mariposa County experienced tremendous storm activity which caused significant damage. These storm events were significant enough in magnitude that the Governor of the State of California had included the County in an emergency proclamation for Federal Disaster Funding.

On April 28, 2020, Resolution 2020-219 the Board approved an agreement with Williams Excavating to make Permanent Repairs.

Permanent repairs were completed in July of 2020.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Without the agreement in place staff will not be able to seek reimbursement for funds expended to complete repairs.

FINANCIAL IMPACT:

This is an FHWA Funded 2019 Storm Damage Project: with a Federal reimbursement rate of 88.53%.

SPECIAL COVENANTS OR REMARKS

1. A. ADMINISTERING AGENCY agrees that it will only proceed with work authorized for specific phase(s) with an "Authorization to Proceed" and will not proceed with future phase(s) of this project prior to receiving an "Authorization to Proceed" from the STATE for that phase(s) unless no further State or Federal funds are needed for those future phase(s).

B. STATE and ADMINISTERING AGENCY agree that any additional funds which might be made available by future Federal obligations will be encumbered on this PROJECT by use of a STATE-approved "Authorization to Proceed" and Finance Letter. ADMINISTERING AGENCY agrees that Federal funds available for reimbursement will be limited to the amounts obligated by the Federal Highway Administration.

C. Award information shall be submitted by the ADMINISTERING AGENCY to the District Local Assistance Engineer within 60 days of project contract award and prior to the submittal of the ADMINISTERING AGENCY'S first invoice for the construction contract.

Failure to do so will cause a delay in the State processing invoices for the construction phase. Attention is directed to Section 15.7 "Award Package" of the Local Assistance Procedures Manual.

D. ADMINISTERING AGENCY agrees, as a minimum, to submit invoices at least once every six months commencing after the funds are encumbered for each phase by the execution of this Project Program Supplement Agreement, or by STATE's approval of an applicable Finance Letter. STATE reserves the right to suspend future authorizations/obligations for Federal aid projects, or encumbrances for State funded projects, as well as to suspend invoice payments for any on-going or future project by ADMINISTERING AGENCY if PROJECT costs have not been invoiced by ADMINISTERING AGENCY for a six-month period.

If no costs have been invoiced for a six-month period, ADMINISTERING AGENCY agrees to submit for each phase a written explanation of the absence of PROJECT activity along with target billing date and target billing amount.

ADMINISTERING AGENCY agrees to submit the final report documents that collectively constitute a "Report of Expenditures" within one hundred eighty (180) days of PROJECT completion. Failure of ADMINISTERING AGENCY to submit a "Final Report of Expenditures" within 180 days of PROJECT completion will result in STATE imposing sanctions upon ADMINISTERING AGENCY in accordance with the current Local Assistance Procedures Manual.

E. Administering Agency shall not discriminate on the basis of race, religion, age, disability, color, national origin, or sex in the award and performance of any Federal-assisted contract or in the administration of its DBE Program

SPECIAL COVENANTS OR REMARKS

Implementation Agreement. The Administering Agency shall take all necessary and reasonable steps under 49 CFR Part 26 to ensure nondiscrimination in the award and administration of

Federal-assisted contracts. The Administering Agency's DBE Implementation Agreement is incorporated by reference in this Agreement. Implementation of the DBE Implementation Agreement, including but not limited to timely reporting of DBE commitments and utilization, is a legal obligation and failure to carry out its terms shall be treated as a violation of this Agreement. Upon notification to the Administering Agency of its failure to carry out its DBE Implementation Agreement, the State may impose sanctions as provided for under 49 CFR Part 26 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. 1001 and/or the Program Fraud Civil Remedies Act of 1986 (31 U.S.C. 3801 et seq.).

F. Any State and Federal funds that may have been encumbered for this project are available for disbursement for limited periods of time. For each fund encumbrance the limited period is from the start of the fiscal year that the specific fund was appropriated within the State Budget Act to the applicable fund Reversion Date shown on the State approved project finance letter. Per Government Code Section 16304, all project funds not liquidated within these periods will revert unless an executed Cooperative Work Agreement extending these dates is requested by the ADMINISTERING AGENCY and approved by the California Department of Finance.

G. The ADMINISTERING AGENCY agrees that payment of Federal funds will be limited to the amounts approved by the Federal Highway Administration (FHWA) in the Federal-Aid Project Authorization/Agreement or Amendment/Modification (E-76) and accepts any resultant increases in ADMINISTERING AGENCY funds as shown on the Finance Letter, any modification thereof as approved by the Division of Local Assistance, Office of Program Management.

ADMINISTERING AGENCY should ensure that invoices are submitted to the District Local Assistance Engineer at least 75 days prior to the applicable fund Reversion Date to avoid the lapse of applicable funds. Pursuant to a directive from the State Controller's Office and the Department of Finance; in order for payment to be made, the last date the District Local Assistance Engineer can forward an invoice for payment to the Department's Local Programs Accounting Office for reimbursable work for funds that are going to revert at the end of a particular fiscal year is May 15th of the particular fiscal year. Notwithstanding the unliquidated sums of project specific State and Federal funding remaining and available to fund project work, any invoice for reimbursement involving applicable funds that is not received by the Department's Local Programs Accounting Office at least 45 days prior to the applicable fixed fund Reversion Date will not be paid. These unexpended funds will be irrevocably reverted by the Department's Division of Accounting on the applicable fund Reversion Date.

SPECIAL COVENANTS OR REMARKS

H. "ADMINISTERING AGENCY certifies that neither the ADMINISTERING AGENCY nor its principals are suspended or debarred at the time of the execution of this agreement. ADMINISTERING AGENCY agrees that it will notify the STATE immediately, in the event a suspension or a debarment happened after the execution of this agreement."

I. All project repair, replacement and maintenance involving the physical condition and the operation of project improvements referred to in Article III MAINTENANCE, of the aforementioned Master Agreement will be the responsibility of the ADMINISTERING AGENCY and shall be performed at regular intervals and as required for efficient operation of the completed project improvements.

J. ADMINISTERING AGENCY shall conform to all State statutes, regulations and procedures (including those set forth in the Local Assistance Procedures Manual and the Local Assistance Program Guidelines, hereafter collectively referred to as "LOCAL ASSISTANCE PROCEDURES") relating to the federal-aid program, all Title 23 Code of Federal Regulation (CFR) and 2 CFR Part 200 federal requirements, and all applicable federal laws, regulations, and policy and procedural or instructional memoranda, unless otherwise specifically waived as designated in the executed project-specific PROGRAM SUPPLEMENT.

K. Invoices shall be submitted on ADMINISTERING AGENCY letterhead that includes the address of ADMINISTERING AGENCY and shall be formatted in accordance with LOCAL ASSISTANCE PROCEDURES.

L. ADMINISTERING AGENCY must have at least one copy of supporting backup documentation for costs incurred and claimed for reimbursement by ADMINISTERING AGENCY. ADMINISTERING AGENCY agrees to submit supporting backup documentation with invoices if requested by State. Acceptable backup documentation includes, but is not limited to, agency's progress payment to the contractors, and copies of cancelled checks showing amounts made payable to vendors and contractors, and/or a computerized summary of PROJECT costs.

M. Indirect Cost Allocation Plan/Indirect Cost Rate Proposals (ICAP/ICRP), Central Service Cost Allocation Plans and related documentation are to be prepared and provided to STATE (Caltrans Audits & Investigations) for review and approval prior to ADMINISTERING AGENCY seeking reimbursement of indirect costs incurred within each fiscal year being claimed for State and federal reimbursement. ICAPs/ICRPs must be prepared in accordance with the requirements set forth in 2 CFR, Part 200, Chapter 5 of the Local Assistance Procedural Manual, and the ICAP/ICRP approval procedures established by STATE.

N. STATE will withhold the greater of either two (2) percent of the total of all federal funds encumbered for each PROGRAM SUPPLEMENT or \$40,000 until

ADMINISTERING AGENCY submits the Final Report of Expenditures for each completed PROGRAM SUPPLEMENT PROJECT.

O. ADMINISTERING AGENCY agrees to comply with 2 CFR, Part 200, Uniform Administrative Requirements, Cost Principles and Audit Requirement for Federal Awards.

P. ADMINISTERING AGENCY agrees, and will assure that its contractors, subcontractors, and will be obligated to agree, that Contract Cost Principles and Procedures, 48 CFR, Federal Acquisition Regulations System, Chapter 1, Part 31, et seq., shall be used to determine the allowability of individual PROJECT cost items.

Q. The work eligible for Federal Reimbursement shall be performed by the ADMINISTERING AGENCY either by using their own forces or by contract. The ADMINISTERING AGENCY must be able to identify the costs incurred at each site and be subject to an audit for verification.

R. Every sub-recipient receiving PROJECT funds under this AGREEMENT shall comply with 2 CFR, Part 200, 23 CFR, 48 CFR Chapter 1, Part 31, Local Assistance Procedures, Public Contract Code (PCC) 10300-10334 (procurement of goods), PCC 10335-10381 (non-A&E services), and other applicable STATE and FEDERAL regulations.

S. Any PROJECT costs for which ADMINISTERING AGENCY has received payment or credit that are determined by subsequent audit to be unallowable under 2 CFR, Part 200, 23 CFR, 48 CFR, Chapter 1, Part 31, and other applicable STATE and FEDERAL regulations, are subject to repayment by ADMINISTERING AGENCY to STATE.

T. STATE reserves the right to conduct technical and financial audits of PROJECT WORK and records and ADMINISTERING AGENCY agrees, and shall require its contractors and subcontractors to agree, to cooperate with STATE by making all appropriate and relevant PROJECT records available for audit and copying as required by the following paragraph:

ADMINISTERING AGENCY, ADMINISTERING AGENCY'S contractors and subcontractors, and Federal Agency performing work on behalf of the ADMINISTERING AGENCY, and STATE shall each maintain and make available for inspection and audit by STATE, the California State Auditor, or any duly authorized representative of STATE or the United States all books, documents, papers, accounting records, and other evidence pertaining to the performance of such contracts, including, but not limited to, the costs of administering those various contracts and ADMINISTERING AGENCY shall furnish copies thereof if requested. All of the above referenced parties shall make such AGREEMENT, PROGRAM

SPECIAL COVENANTS OR REMARKS

3. Disaster No. CA 19-2 (January-February 2019 Storms) - Emergency Opening work will be reimbursed at 100% if completed within 180 days from the date of the disaster. The disaster occurred on January 5, 2019. ADMINISTERING AGENCY records must clearly identify those costs incurred on or after January 5, 2019. Incurred costs are defined as disbursements made or in process goods and services delivered. Emergency Opening work completed on or after July 7, 2019, will be funded at the federal-aid reimbursement ratio of 88.53%. Restoration work, including preliminary engineering will be reimbursed at an 88.53% ratio. The ADMINISTERING AGENCY will be responsible for the matching requirement.
4. The ADMINISTERING AGENCY will advertise, award and administer this project in accordance with the current published Local Assistance Procedures Manual.

MARIPOSA COUNTY

Public Works • 209-966-2498

RESOLUTION - ACTION REQUESTED 2022-270

MEETING: May 3, 2022

TO: The Board of Supervisors

FROM: Shannon Hansen, Director of Public Works & Transportation

RE: Approve First Amendment to Agreement with GPA Consulting for Environmental Services on Darrah Bridge

RECOMMENDATION AND JUSTIFICATION:

Approve the First Amendment to an Agreement with GPA Consulting for Environmental Support Services on the Darrah Road Bridge Project Increasing Compensation by \$264,531.20 for a New Amount Not to Exceed \$464,507.20; and Authorize the Board of Supervisors Chair to Sign the Amendment.

Full time biological and archaeological monitoring is required while the old bridge is demolished and the existing road is excavated. The scope of work was originally divided into two seasons. The amendment assumes six weeks of continuous monitoring for the second half of the project. The monitors will be released early in the event excavation is completed faster than six weeks. After the earthwork is complete, the archeologist will be released and the biological monitoring site visits will be reduced to once every two weeks.

The Environmental Commitment Report identifies Air Quality, Biological, Cultural, Hazardous Waste, Hydraulic, Visual, Water Quality Commitments. In addition to the reports themselves, GPA Consulting will continue facilitating communications between the Water Board, USACE, CDFW and the County.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

On April 13, 2021, Resolution 2021-192 the Board approved an Agreement with GPA Consulting for Environmental Support Services for the Darrah Road Bridge in the Amount Not to Exceed \$199,976.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Do not approve, the County will be violating multiple State and Federal environmental laws with significant financial penalties.

FINANCIAL IMPACT:

This Project is funded through the FHWA Bridge Program and has a Local Share of 11.47%. The Local Share will be paid using approved SB1 Funding.

FIRST AMENDMENT TO AGREEMENT FOR ENVIRONMENTAL SUPPORT SERVICES FOR DARRAH ROAD BRIDGE

THIS FIRST AMENDMENT TO AGREEMENT FOR ENVIRONMENTAL SUPPORT SERVICES FOR DARRAH ROAD BRIDGE, is made and entered into this ____ day of _____ 2022, by and between the County of Mariposa, a political subdivision of the State of California, hereinafter referred to as “**County**,” and GPA Consulting, hereinafter referred to as “**Contractor**.”

WHEREAS, County and Contractor have heretofore entered into an Agreement dated April 13, 2021, wherein **Contractor** agreed to provide environmental support services for Darrah Road Bridge replacement project; and

WHEREAS, County and Contractor desire to amend said Agreement to change the scope of work to be provided by **Contractor**;

WHEREAS, County and Contractor desire to amend said Agreement to change the compensation to be provided to **Contractor**;

NOW THEREFORE, the parties hereto in consideration of the mutual covenants herein recited, hereby agree as follows:

1. Paragraph 2, “SERVICES,” is hereby amended to provide that **Contractor** agrees to provide additional services as described in First Amended Exhibit A, “First Amended Scope of Work” which is attached hereto and incorporated herein by reference.
2. Paragraph 3, “COMPENSATION,” is hereby amended to provide that an additional Two Hundred Sixty-Four Thousand Five Hundred Thirty-One Dollars and 20/100 Cents (\$264,531.20) will be added to the original amount of One Hundred Ninety-Nine Thousand Nine Hundred Seventy-Six Dollars (\$199,976), making the total compensation paid to **Contractor** the not to exceed amount of Four Hundred Sixty-Four Thousand Five Hundred Seven Dollars and 20/100 Cents (\$464,507.20). See First Amended Exhibit B, “First Amended Cost Proposal,” which is attached hereto and incorporated herein by reference.

Except as herein amended, the Agreement dated April 13, 2021, shall remain in full force and effect.

IN WITNESS WHEREOF, the parties have caused this Amendment to be executed on the date first above written.

FIRST AMENDED EXHIBIT A
FIRST AMENDED SCOPE OF WORK

Amendment Request:
Biological Services for the Darrah Road Bridge Replacement Project,
County of Mariposa

I. Project Understanding

The County of Mariposa (County) contracted with GPA to provide environmental construction support services for phase one of the Darrah Road Bridge replacement project. Construction of the first phase is ongoing, which includes construction of the roadway, retaining walls, bridge, and concrete barrier on the south side of the road. Completion of the first stage was originally anticipated to be completed in November 2021, but is now anticipated to be completed at the end of February 2022, following the bridge deck pour.

A 60 day pause in work is anticipated between end of construction phase one (February 2021) and construction of phase two (expected to initiate May 2022). The second phase will include removal of the existing bridge and construction of roadway, retaining walls, bridge, and concrete barrier on the north side of the road. Tree removal was completed during initiation of the first phase; additional tree and shrub removal is not expected to be required for the second phase.

To date, GPA has provided biological and archeological support services from GPA's scope of work beginning in February 2021. However, during the course of construction, additional monitoring efforts, and regulatory compliance documentation was required, and is anticipated to continue for the duration of phase one. Additionally, the duration of the project development phase of the project has extended beyond what was originally anticipated, resulting in additional expenditures for project management beyond what was included in GPA's contract. Based on coordination with the County, GPA understands the County will incorporate the additional efforts expended for phase one and anticipated efforts associated with construction support for phase two in an amendment.

II. Scope of Work

The following scope of work includes the additional work to be completed under the amended contract.

Task 1: Project Management

Project management began in February 2021 and has continued to date. Completion of the phase one was originally anticipated to be completed in November 2021, but based on coordination with the County, is now expected to continue through to phase two. GPA is requesting additional funds to compensate for the additional project management provided to date, and for the additional efforts expected to complete phase one.

Based on coordination with the County, GPA is also requested to provide project management for phase two, with a May 2022 phase two construction initiation. Project management in support of phase two is anticipated to start April 2022 and be completed December 2022 in support of the pre-activity surveys, monitoring, and reporting. GPA will continue to manage the environmental support services in coordination with the County. GPA will maintain a clear line of communication with the County and will conduct regular status checks to ensure all tasks are on schedule and within budget and will prepare a monthly progress report for each task order that includes the progress of each task. Project management for phase two does not include revegetation support.

Deliverables: *One electronic copy of up to 11 monthly progress reports for phase two*

Task 2: Environmental Commitments Record

A project Environmental Commitment Record (ECR) and/or Mitigation Monitoring Reporting Plan was prepared during phase one. GPA will continue to maintain the ECR during phase two and will coordinate with the County to

document completed environmental commitments applicable to phase two. GPA will update and maintain an electronic copy of the ECR for County's records.

Deliverables: *One electronic copy of the environmental commitment record and up to four updates*

Task 4: Pre-construction Surveys

Nesting Bird Surveys

The nesting season is typically between February 1 and August 31. Because a 60 day pause in construction is anticipated between end of phase one (February 2022) and initiation of phase two (May 2022), GPA will conduct a nesting bird survey within 500 feet of the construction area to ensure any nesting birds will not be impacted by the project. For the survey, GPA will conduct pre-construction surveys within 30 days prior to the start of construction activities to ensure that nesting birds, are not within 250 feet of the construction area (500 feet for all raptors). The survey will be conducted by three staff. GPA assumes that the survey will require up to one day of surveying and one trip to the site. If a nesting bird is found in or adjacent to the project area, GPA will coordinate with the County, and CDFW if warranted, to establish appropriate buffers (250 feet for migratory birds and 500 feet for raptors) adequate to maintain compliance with the Migratory Bird Treaty Act (MBTA) and California Fish and Game Code (FGC). GPA assumes up to two active nests will require County coordination during construction of phase two. Reductions in the nest buffer distance may be appropriate depending on the bird species involved, level of human activity, and screening vegetation. Should construction be delayed, or pause, for 14 days or more after the first pre-construction nesting bird surveys are conducted, GPA will conduct one supplemental survey. The supplemental survey will be conducted by three staff and is expected to require up to one day of surveying with one trip to the site. GPA will summarize the results of the surveys, recommendations, and any subsequent coordination in a memo format report for the County and CDFW.

Wildlife Surveys

GPA will conduct pre-construction western pond turtle (*Actinemys marmorata*), California red-legged frog, and foothill yellow-legged frog (*Rana boylei*) clearance surveys and general wildlife species surveys. Pre-construction California red-legged frog surveys are required to be conducted within 48 hours prior to construction and foothill yellow-legged frog surveys are required to be conducted within five days prior to construction. Pre-construction wildlife surveys are assumed to be conducted separately from the nesting bird surveys. To maximize efficiency, one pre-construction wildlife survey will be conducted within 48 hours prior to construction. The survey will be conducted by two staff. GPA assumes that the survey will require up to one day of surveying and one trip to the site. GPA will summarize the results of the survey, coordination, and any recommendations in a short pre-construction report for the County and CDFW.

Bat Surveys

GPA will conduct a daytime habitat assessment in the project area within 14 days of the start of phase two construction activities to identify potential roosting habitat for bats. GPA will survey the project area and assess all potential roosting habitat, and visually survey existing habitat to determine presence of day-roosting bats. To maximize efficiency, pre-construction daytime habitat assessment will be conducted concurrent with the nesting bird survey visit. The survey will be conducted by three staff. GPA assumes bat habitat assessment surveys will require up to one day of surveying and one trip to the site. GPA assumes nighttime emergence surveys will not be necessary. GPA will summarize the results of the surveys, coordination, and any recommendations in a short pre-construction report.

Deliverables: *One electronic copy of the phase two pre-construction survey report*

Task 7: Worker Awareness Training

An educational brochure with pictures and descriptions of sensitive biological resources with potential to be in the construction areas was prepared and worker awareness trainings were conducted during phase one. GPA will continue to conduct worker awareness trainings to new staff during phase two. Upon completion of the training program, personnel will sign a form stating that they attended the training and understand all the avoidance and minimization measures and implications of the Federally Endangered Species Act (FESA) and California Endangered Species Act, and to identify the required procedures and chain of communication during construction so that any sightings of species described in the brochure can be brought to the attention of the biological monitor in a timely manner. GPA assumes trainings will be provided concurrent with monitoring visits under Task 9.

Deliverables: Up to 25 copies of the training brochure

Task 9: Biological Monitoring and Reporting

Biological monitoring for phase one was expected to be completed in early November 2021, but efforts have been on going with regular coordination and site visits beyond the original scope of work. Based on coordination with the County, monitoring for phase one is now expected to continue through to phase two, (initiating May 2022). GPA is requesting additional funds to compensate for the additional biological monitoring provided to date, and for the additional efforts expected to complete phase one.

Establishment of environmentally sensitive fencing and removal of vegetation was completed in phase one. For phase two, GPA will continue to conduct regular compliance monitoring to ensure compliance with the environmental commitments record. GPA will monitor the initial ground disturbance, water diversion installation and/or removal, additional best management practices (BMP), and that avoidance and minimization measures are successfully implemented. Based on communication with the County and efforts required for phase one, up to six weeks (30 days) of daily construction monitoring will be required for initial ground disturbance, expected during initiation of phase two (anticipated to begin May 2022). In addition, GPA understands that up to 14 bi-weekly visits, conducted every two weeks, thereafter for the remainder of phase two will be required (expected completion in November 2022). Monitoring visits will be conducted by one staff.

During each site visit GPA will take photographs and record the results of each monitoring visit, and the results will be summarized in a construction monitoring report for the project file. GPA will coordinate with the County to correct any conditions that are out of compliance during monitoring visits. GPA will keep a detailed written record of monitoring activities for the duration of the project, including written monitoring report forms and a copy of all correspondence regarding environmental compliance.

If nesting birds or raptors are found during survey efforts, GPA will oversee installation of appropriate buffers around the nests (typically 250 feet for passerines and 500 feet for raptors) until nesting activity has ended. GPA assumes oversight will be conducted concurrently with a regularly scheduled monitoring visit. If requested, GPA will monitor active bird nests until the nest is vacated, juveniles have fledged, and there is no evidence of a second attempt at nesting. Nest monitoring visits will be conducted concurrently with the bi-weekly construction monitoring visits. GPA will summarize the results of the nesting bird monitoring efforts and any subsequent coordination in the construction monitoring report.

Deliverables: One electronic copy of the phase two construction monitoring report

Task 10: Agency Reporting

Construction Compliance Submittals and Notifications

Based on the efforts completed to date from phase one and coordination with the County, the phase one water diversion is expected to remain in place for phase two. GPA will coordinate with the County to complete up to one submittal or notifications during phase two construction for removal of the diversion.

GPA will also keep a detailed written record of monitoring activities for the duration of the project, including written monitoring report forms and a copy of all correspondence regarding environmental compliance.

Water Quality Monitoring Reporting

During December 2021 of phase one, a water diversion was installed. The RWQCB requires turbidity results to be provided in a bi-weekly report for the duration of encroachment within the channel. Any turbidity exceedances are required to be reported within three days of the exceedance. GPA has been assisting the County with the turbidity and exceedance reporting during phase one, which was not included in the original scope of work. In addition, based on coordination with the County, the phase one water diversion is expected to remain in place through to phase two, (initiating May 2022). GPA is requesting additional funds to compensate for the water quality monitoring reporting provided to date, and for the additional efforts expected to complete phase one.

For phase two and the remainder of phase one, GPA will conduct the reporting in support of the daily turbidity monitoring required by the RWQCB Water Quality Certification. GPA will coordinate with the County to evaluate the sampling results taken upstream and downstream of the construction area for the duration of in-water work. Based on construction phase one, water sampling is anticipated to end July 2022. The results of the water quality monitoring will be provided in a bi-weekly monitoring report. The monitoring reports will be submitted via email to the RWQCB. If the results of the daily water quality monitoring identify exceedances of construction water quality thresholds included as a condition of the 401 Water Quality Certification issued for the project, GPA will prepare and submit exceedance reports to the RWQCB. The exceedance reports will be submitted via email to the RWQCB. GPA assumes up to three exceedance reports may be necessary during phase two construction. GPA assumes the County will continue to perform all daily water quality monitoring and sampling, including water sample 'grabs' onsite, and will provide the results to GPA on a weekly basis for evaluation. If an exceedance is observed, GPA assumes the County will provide the results same or next day. GPA assumes up to three months (six bi-weekly reports) of water quality reporting will be required for phase two.

Post Construction Submittals and Notification

Post construction agency notifications are required for the USACE CWA Section 404 Nationwide Permit 14, RWQCB CWA Section 401 Water Quality Certification, and CDFW Section 1602 permits. Following construction, GPA will complete a survey to record post-construction conditions in the project area. GPA will take post-construction photos of the entire construction area to document that regulatory permit requirements have been successfully implemented. GPA will coordinate with the County to complete the required post construction submittals and notifications to regulatory agencies as part of the environmental approvals for the project. One post construction site visit will be conducted by two staff.

Deliverables: *One electronic copy of up to one agency submittals and notification for phase two diversion removal; one electronic copy of up to six bi-weekly phase two monitoring reports; one electronic copy of up to three phase two exceedance reports; and one electronic copy of the agency post-construction report*

Task 11: Archaeological Monitoring

On-site archaeological monitoring will be conducted by InContext Cultural Resources Solutions (InContext). Prior to construction, a qualified archaeologist, meeting Caltrans PQS requirements, will monitor installation of ESA fence by the contractor to ensure the fencing location is correct and that there is no disturbance within the ESA and buffer. The archaeologist will discuss the ESA Action Plan during pre-construction meeting. Discussion will include the importance of the ESA area, that no construction will be authorized within the ESA, that no construction personnel will be authorized to enter the ESA, and a review of historic preservation laws regarding protection and disturbance of archaeological sites and removal of artifacts from such sites.

During construction, the archaeologist will monitor the ESA and buffer as needed to ensure the ESA Action Plan is followed. The archaeologist will complete a daily monitoring log that will document the day, times, monitor name, construction personnel, construction activity, and any findings for each day the monitor is onsite. Monitoring logs will be provided to the County, in electronic format, on a weekly basis. Archaeological monitoring is assumed to be required for up to six weeks with one qualified monitor.

Deliverables: One electronic copy of one phase two monitoring report

III. Assumptions

This scope has been prepared based on the following assumptions:

- This scope of work has been prepared based on the information provided by the County in the RFP, associated materials, and subsequent communication with the County. If the scope of work changes, GPA will provide an additional scope and cost to support this effort.
- This scope of work does not include preparation, review, or agency submittal, of the water quality monitoring plan, dewatering/diversion plan, and/or Stormwater Pollution Prevention Plan (SWPPP).
- The contractor is responsible for developing and implementing a SWPPP, including installation of all associated BMPs, and the Spill Prevention Response Plan. The contractor is responsible for lead compliance and the associated Industrial Hygienist.
- The County is responsible for water quality testing, sampling, and daily water quality monitoring.
- Required access to the project area necessary for surveys and monitoring will be provided as needed to complete tasks in the identified timeframe.
- A nesting bird exclusion plan and a fish relocation plan were prepared during phase one and are expected to remain applicable for phase two. If additional plans are requested, GPA will provide an additional scope of work and budget to support this effort.
- Up to two pre-construction nesting bird surveys are included in this scope of work, one prior to re-initiation of construction of phase two and one supplemental survey should construction be delayed, or pause, for 14 days or more after the pre-construction nesting bird surveys are conducted. If additional surveys are requested, GPA will provide an additional scope and cost to support this effort.
- One field visit is anticipated to complete pre-construction general wildlife surveys, including pre-construction frog surveys. If additional survey site visits are required based on the final construction limits or regulatory agency request, GPA will provide an additional scope of work and budget to support this effort.
- GPA assumes coordination with CDFW will not be necessary should nesting birds be found and that coordination with the County will be sufficient for compliance with the MBTA.
- Because the project footprint has been disturbed during phase one, pre-construction plant surveys are not included in this scope of work.
- Focused or protocol-level pre-construction surveys for special-status or otherwise protected bird species will not be required and are not included in this scope of work. If requested, GPA will provide an additional scope and cost to support this effort.
- GPA assumes signs of day roosting bats will not be observed and/or project activities would not risk disturbance of day roosting bats; therefore, a bat exclusion plan and/or coordination with CDFW for roosting bats will not be required.
- Based on the direction provided in the RFP and phase one, GPA assumes special status frog species will not

be present during construction or during the pre-construction survey efforts.

- Based on coordination with the County, the phase one diversion is expected to remain in place for the duration of phase two. Therefore, the scope of work does not include fish rescues or reporting.
- GPA assumes all results can be accurately reported in text and that figures/exhibits will not be required.
- GPA understands that the ESA fencing will remain in place for the duration of season one and is not anticipated to be removed until the end of season two.
- GPA assumes full time daily monitoring of phase two for up to six weeks (30 days) (anticipated May to June 2022) for the installation of additional BMPs, water diversion, and/or initial ground disturbance. After the six weeks, the inspections will be reduced to once every two-week check-ins for up to five months (14 visits) (June to November 2022).
- GPA assumes weekend work will not be required. Overtime days extending longer than 8 hours will be billed time and materials.
- Archaeological monitoring will be required for up to six weeks with one qualified monitor. Monitoring will be conducted for up to eight hours per day, Monday through Friday, in blocks of three to five continuous days. Daily monitoring logs will be sufficient to document monitoring. Documentation for inadvertent discovery of archaeological resources is not included in this scope of work. If additional monitoring days or documents are required, GPA will provide an additional scope of work and budget to support this effort.
- One post-construction notification report will be prepared for submittal to the regulatory agencies.
- GPA assumes up to one round of comments on all deliverables.
- This scope of work does not include a revegetation plan or efforts associated with mitigation compliance. If requested or required, GPA will provide an additional scope of work and budget to support this effort.
- This scope of work does not include acquisition of compensatory mitigation or mitigation negotiations with the regulatory agencies.
- GPA assumes additional pre-construction agency notifications, beyond wildlife and/or nesting survey results, will not be required for phase two.

21-025

AGREEMENT FOR ENVIRONMENTAL SUPPORT SERVICES FOR DARRAH ROAD BRIDGE

THIS AGREEMENT ("Agreement") is made and entered into this 13th day of April, 2021, by and between the County of Mariposa, a political subdivision of the State of California, ("County"), and GPA Consulting, ("Contractor"), pursuant to the following terms and conditions.

WITNESSETH:

1. TERM

The term of this Agreement shall commence on February 18, 2021 and terminate on December 31, 2023 unless extended as provided by this Agreement.

2. SERVICES

Contractor shall perform environmental support services for the Darrah Road Bridge as described in Exhibit A, "Scope of Work," which is attached hereto and incorporated herein by reference. Contractor shall provide all staffing and materials necessary to perform the Scope of Work.

3. COMPENSATION

Contractor shall be compensated for services performed in an amount not to exceed \$199,976. The Contractor's hourly rates are listed in Exhibit B, "Cost Proposal." The County shall pay Contractor within thirty (30) days of receipt of an approved invoice.

4. INSURANCE

Contractor shall procure and maintain for the duration of the agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Contractor, its agents, representatives, or employees.

A. MINIMUM SCOPE AND LIMIT OF INSURANCE

Coverage shall be at least as broad as:

(1) Commercial General Liability (CGL): Insurance Services Office (ISO) Form CG 00 01 covering CGL on an "occurrence" basis, including products and completed operations, property damage, bodily injury and personal and advertising injury with limits no less than \$1,000,000 per occurrence. If a general aggregate limit applies, either the general aggregate limit

shall apply separately to this project/location (ISO CG 25 03 or 25 04) or the general aggregate limit shall be twice the required occurrence limit.

(2) Automobile Liability: ISO Form Number CA 00 01 covering any auto, (Code 1), or if Contractor has no owned autos, hired (Code 8) and non-owned autos (Code 9), with limits no less than \$1,000,000 per accident for bodily injury and property damage.

(3) Workers' Compensation insurance as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease.

(4) Professional Liability (Errors and Omissions): Insurance appropriate to the Contractor's profession, with limit no less than \$2,000,000 per occurrence or claim, \$2,000,000 aggregate.

If the Contractor maintains broader coverage and/or higher limits than the minimums shown above, the County requires and shall be entitled to the broader coverage and/or higher limits maintained by the Contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the County.

B. OTHER INSURANCE PROVISIONS

The insurance policies are to contain, or be endorsed to contain, the following provision:

(1) Additional Insured Status: The County, its officers, officials, employees, and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the Contractor including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the Contractor's insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10 and CG 20 37 forms if a later edition is used).

(2) Primary Coverage: For any claims related to this Agreement, the Contractor's insurance coverage shall be primary insurance as respects the County, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the County, its officers, officials, employees, or volunteers shall be excess of the Contractor's insurance and shall not contribute with it.

(3) Notice of Cancellation: Each insurance policy required above shall state that coverage shall not be canceled, except with notice to the County.

(4) Waiver of Subrogation: Contractor hereby grants to County a waiver of any right to subrogation which any insurer of said Contractor may acquire against the County by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the County has received a waiver of subrogation endorsement from the insurer.

(5) **Deductibles and Self-Insured Retentions:** Any deductibles or self-insured retentions must be declared to and approved by the County. The County may require the Contractor to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.

(6) **Acceptability of Insurers:** Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A: VII, unless otherwise acceptable to the County.

(7) **Verification of Coverage:** Contractor shall furnish the County with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by the County before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Contractor's obligation to provide them. The County reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

(8) **Subcontractors:** Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that County is an additional insured on insurance required from subcontractors.

(9) **Special Risks or Circumstances:** County reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

5. HOLD HARMLESS/INDEMNIFICATION

Contractor shall hold harmless, defend and indemnify County and its officers, employees, agents, and volunteers, from and against any and all liability, loss, damage, expense, costs (including without limitation costs and fees of litigation) of every nature arising out of or in connection with Contractor's performance of work hereunder or its failure to comply with any of its obligations contained in this Agreement, except such loss or damage which was caused by the sole negligence or willful misconduct of County.

6. INDEPENDENT CONTRACTOR

It is the expressed intention of the parties that Contractor is an independent contractor and not an employee, agent, joint venturer or partner of County. Nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee between County and Contractor or any employee or agent of Contractor. Both parties acknowledge that Contractor is not an employee for state or federal tax purposes. Contractor shall retain the right to perform services for others during the term of this Agreement.

7. PUBLIC EMPLOYEES RETIREMENT SYSTEM (CALPERS)

In the event that Contractor or any employee, agent, or subcontractor of Contractor providing services under this Agreement is determined by a court of competent jurisdiction or the Public Employees Retirement System (CalPERS) to be eligible for enrollment in CalPERS as an employee of the County, Contractor shall indemnify, defend, and hold harmless County for the payment of any employee and/or employer contributions for CalPERS benefits on behalf of Contractor or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of County.

8. STATE AND FEDERAL TAXES

As Contractor is not County's employee, Contractor is responsible for paying all required state and federal taxes. In particular:

- a. County will not withhold FICA (Social Security) from Contractor's payments;
- b. County will not make state or federal unemployment insurance contributions on behalf of Contractor;
- c. County will not withhold state or federal income tax from payment to Contractor;
- d. County will not make disability insurance contributions on behalf of Contractor;
- e. County will not obtain workers' compensation insurance on behalf of Contractor.

9. ASSIGNMENT

It is understood and agreed that this Agreement contemplates personal performance by the Contractor and is based upon a determination of its unique personal competence and experience and upon its specialized personal knowledge. Assignments of any or all rights, duties or obligations of the Contractor under this Agreement will be permitted only with the express written consent of the County.

10. NOTICE

Any and all notices, reports or other communications to be given to County or Contractor shall be given to the persons representing the respective parties at the following addresses:

11. COMPLIANCE

Contractor shall comply with all federal, state and local laws, codes, ordinance and regulations applicable to Contractor's performance under this Agreement, including, but not limited to, laws related to prevailing wages. Specifically, Contractor shall not engage in unlawful employment

discrimination, including, but not limited to, discrimination based upon a person's race, religion, color, national origin, ancestry, physical handicap, medical condition, marital status, gender, citizenship or sexual orientation, as prohibited by state or federal law.

12. PUBLIC RECORDS ACT

Contractor is aware that this Agreement and any documents provided to the County may be subject to the California Public Records Act and may be disclosed to members of the public upon request. It is the responsibility of the Contractor to clearly identify information in those documents that it considers to be confidential under the California Public Records Act. To the extent that the County agrees with that designation, such information will be held in confidence whenever possible. All other information will be considered public.

13. ENTIRE AGREEMENT AND MODIFICATION

This Agreement contains the entire agreement of the parties relating to the subject matter of this Agreement and supersedes all prior agreements and representations with respect to the subject matter hereof. This Agreement may only be modified by a written amendment hereto, executed by both parties; however, matters concerning the scope of services which do not affect the agreed price may be modified by mutual written consent of the Contractor and the Director of Public Works & Transportation. If there are exhibits attached hereto, and a conflict exists between the terms of this Agreement and any exhibit, the terms of this Agreement shall control.

14. ENFORCEABILITY AND SEVERABILITY

The invalidity or enforceability of any term or provisions of this Agreement shall not, unless otherwise specified, affect the validity or enforceability of any other term or provision, which shall remain in full force and effect.

15. TERMINATION AND RIGHTS UPON TERMINATION

A. This Agreement may be terminated upon mutual written consent of the parties, or as a remedy available at law or in equity. In the event of the termination of this Agreement, Contractor shall immediately be paid all fees earned as of the effective date of termination.

B. Either party may terminate this Agreement for convenience upon Thirty (30) calendar days' written notice to the other party. Upon termination for convenience, Contractor shall be entitled to compensation for services performed acceptably up to the effective date of termination, as set forth in Exhibit B.

C. Should Contractor default in the performance of this Agreement or materially breach any of its provisions, County, at its option, may terminate this Agreement by giving written notification to Contractor. The termination date shall be the effective date of the notice. For the purposes of this subsection, default or material breach of this Agreement shall include, but not be limited to, any of the following: failure to perform required services in a timely manner, willful destruction of County property, dishonesty, or theft.

D. If County terminates this Agreement for default or material breach, then Contractor shall be liable for any reasonable costs in excess of the Agreement amount incurred by County in order to complete Exhibit A, "Scope of Work." In addition, Contractor understands and agrees that County may, in County's sole discretion, refuse to pay Contractor for that portion of Contractor's services which were performed by Contractor prior to the termination date and which remain unacceptable to County as of the termination date.

16. NO WAIVER

The failure to exercise any right to enforce any remedy contained in this Agreement shall not operate as to be construed to be a waiver or relinquishment of the exercise of such right or remedy, or of any other right or remedy herein contained.

17. DISPUTES

Should it become necessary for a party to this Agreement to bring an action in connection with this Agreement, the prevailing party in any claim or action shall be entitled to reimbursement for all expenses so incurred, including reasonable attorney's fees.

It is agreed by the parties hereto that unless otherwise expressly waived by them, any action brought to enforce any of the provisions hereof or for declaratory relief hereunder shall be filed and remain in a court of competent jurisdiction in the County of Mariposa, State of California.

18. CAPTIONS

The captions of this Agreement are for convenience in reference only and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

19. NUMBER AND GENDER

In this Agreement, the neutral gender includes the feminine and masculine, the singular includes the plural, and the word "person" includes corporations, partnerships, firms or associations, wherever the context so requires.

20. MANDATORY AND PERMISSIVE

"Shall" is mandatory. "May" is permissive.

21. SUCCESSORS AND ASSIGNS

All representations, covenants and warranties specifically set forth in this Agreement, by or on behalf of, or for the benefit of any or all of the parties hereto, shall be binding upon and inure to the benefit of such party, its successors and assigns.

22. COUNTERPARTS

This Agreement may be executed simultaneously and in several counterparts, each of which shall be deemed an original, but which together shall constitute one and the same instrument.

23. OTHER DOCUMENTS

The parties agree that they shall cooperate in good faith to accomplish the object of this Agreement and, to that end, agree to execute and deliver such other and further instruments and documents as may be necessary and convenient to the fulfillment of these purposes.

24. CONTROLLING LAW

The validity, interpretation and performance of this Agreement shall be controlled by and construed under the laws of the State of California.

25. AUTHORITY

Each party and each party's signatory warrant and represent that each has full authority and capacity to enter into this Agreement in accordance with all requirements of law. The parties also warrant that any signed amendment or modification to the agreement shall comply with all requirements of law, including capacity and authority to amend or modify the Agreement.

26. NEGOTIATED AGREEMENT

This Agreement has been arrived at through negotiation between the parties. Neither party is to be deemed the party which prepared this Agreement within the meaning of California Civil Code section 1654. Each party represents and warrants that in executing this Agreement it does so with full knowledge of the rights and duties it may have with respect to the other party. Each party also warrants and represents that it has received independent legal advice from its attorney with respect to the matters set forth in this Agreement and the rights and duties arising out of this Agreement, or that such party willingly foregoes any such consultation.

27. NO RELIANCE ON REPRESENTATIONS

Each party warrants and represents that it is not relying and has not relied upon any representation or statement made by the other party with respect to the facts involved or its rights or duties. Each party understands and agrees that the facts relevant, or believed to be relevant to this Agreement, have been independently verified. Each party further understands that it is responsible for verifying the representations of law or fact provided by the other party.

28. WARRANTY

County has relied upon the professional ability and training of Contractor as a material inducement to enter into this Agreement. Contractor hereby warrants that all work shall be performed in accordance with generally accepted professional practices and standards as well as the requirements of applicable federal, state and local laws, it being understood that acceptance of Contractor's work by County shall not operate as a waiver or release.

29. FUNDING AVAILABILITY

It is mutually agreed that if the County budget of the current fiscal year and/or any subsequent fiscal years covered under this Agreement does not appropriate sufficient funds for this Agreement, this Agreement shall terminate and be of no further force and effect upon the day notice is provided by County to Contractor of such event. Upon termination of this Agreement, the County shall have no liability to pay any funds whatsoever to Contractor or to furnish any other considerations under this Agreement except for services rendered prior to such termination and Contractor shall not be obligated to perform any provisions of this Agreement. Contractor's assumption of risk of possible non-appropriation is part of the consideration for this Agreement. County budget decisions are subject to the discretion of the Board of Supervisors.

If funding for any fiscal year is reduced or deleted by the County budget for purposes of this Agreement, the County shall have the option to either cancel this Agreement with no liability occurring to the County, except County must reimburse Contractor for services rendered prior to such reduction or modification of the County budget, or offer an Agreement amendment to Contractor to reflect the reduced amount.

Funding Source: 512-1312-782-0649

IN WITNESS WHEREOF, the parties have executed this Agreement as of the day and year first written above.

EXHIBIT "A"

CONSULTING

SCOPE OF SERVICES

Task 1: Project Management

GPA will manage the environmental support services in coordination with the County. GPA will maintain a clear line of communication with the County and will conduct regular status checks to ensure all tasks are on schedule and within budget and will prepare a monthly progress report for each task order that includes the progress of each task. Based on coordination with the County, GPA will provide project management for season one, which is anticipated to start February 2021 and be completed November 2021.

Deliverables: *One electronic copy of up to 10 monthly progress reports*

Task 2: Environmental Commitments Record

Based on communication with the County, a project Environmental Commitment Record (ECR) and/or Mitigation Monitoring Reporting Plan has not been prepared. GPA will create and maintain the ECR and will coordinate with the County to document completed environmental commitments applicable to season one. GPA will update and maintain both electronic and hard copies of the ECR and all documentation associated with environmental compliance.

Deliverables: *One electronic copy of the environmental commitment record and up to four updates*

Task 3: Vegetation Site Meeting

Prior to vegetation removal, GPA and InContext Cultural Resources Solutions (InContext) will attend a pre-vegetation removal meeting with the County and the contractor to discuss the anticipated limits of vegetation removal and potential Environmentally Sensitive Area (ESA) constraints. During the visit, GPA will document the number and species of all trees and/or shrubs expected to be removed that are equal or greater than four inches diameter at breast height. Up to two GPA staff and one InContext staff will be in attendance.

Deliverables: *Attendance at one field meeting and one electronic copy of the vegetation removal list*

Task 4: Pre-construction Surveys

Focused Plant Surveys

GPA will perform focused plant surveys for special-status species with potential to be in the project area, including big-scale balsam root (*Balsamorhiza macrolepis*), mariposa daisy (*Erigeron mariposanus*), madera leptosiphon (*Leptosiphon serrulatus*), mariposa lupine (*Lupinus citrinus* var. *deflexus*), and yellowlip pansy monkeyflower (*Mimulus pulchellus*). Up to two surveys will be performed during the typical blooming period, as feasible. GPA will visit known nearby reference sites, as feasible, to determine if special-status plants are identifiable at the time of the survey. Each visit will be conducted by two staff. GPA assumes that each survey will require up to one day of surveying and one trip to the site. If special-status plants are found, GPA will coordinate with the County and CDFW, if warranted, to develop and implement appropriate avoidance and minimization measures, including buffer zones and/or other measures. GPA will summarize the results of the surveys and any recommendations in a short pre-construction report for the County and CDFW. GPA assumes that CDFW will accept one rare plant survey to be conducted in March (prior to vegetation removal) and the second survey to be performed in April/May in advance of ground disturbance. Each focused plant survey is expected to require one site visit, with two staff.

Nesting Bird Surveys

The nesting season is typically between February 1 and August 31. GPA will conduct two, separate nesting bird surveys within 500 feet of the construction area to ensure any nesting birds will not be impacted by the project. The first survey will be conducted in advance of the anticipated March 2021 vegetation removal. The second survey will be conducted prior to work being re-initiated after a short pause in activity, anticipated June 2021. For each survey, GPA will conduct pre-construction surveys within 30 days prior to the start of construction activities to ensure that nesting birds, are not within 250 feet of the construction area (500 feet for all raptors). Each survey will be conducted by two staff. GPA assumes that each survey will require up to one day of surveying and one trip

to the site. If a nesting bird is found in or adjacent to the project area, GPA will coordinate with the County, and CDFW if warranted, to establish appropriate buffers (250 feet for migratory birds and 500 feet for raptors) adequate to maintain compliance with the Migratory Bird Treaty Act (MBTA) and California Fish and Game Code (FGC). GPA assumes up to two active nests will require County coordination during construction of season one. Reductions in the nest buffer distance may be appropriate depending on the bird species involved, level of human activity, and screening vegetation. GPA will summarize the results of the surveys, recommendations, and any subsequent coordination in a memo format report for the County and CDFW. The results of the first survey (vegetation removal) will be summarized in a stand-alone pre-construction nesting bird report and the results of the second will be summarized in a second pre-construction survey report combined with the other required survey efforts.

Wildlife Surveys

GPA will conduct pre-construction western pond turtle (*Actinemys marmorata*), California red-legged frog, and foothill yellow-legged frog (*Rana boylei*) surveys and general wildlife species surveys. Pre-construction California red-legged frog surveys will be conducted within 48 hours prior to construction and foothill yellow-legged frog surveys will be conducted within five days prior to construction, as required in the permits. To maximize efficiency, pre-construction western pond turtle and other special-status wildlife species will be conducted concurrent with the nesting bird surveys. The California red-legged frog and foothill yellow-legged frog surveys will be conducted on the same survey day and will be conducted as a separate, stand-alone pre-construction frog survey. Each survey will be conducted by two staff. GPA assumes that each survey will require up to one day of surveying and one trip to the site. GPA will summarize the results of the surveys, coordination, and any recommendations in a short pre-construction report for the County and CDFW. However, because the California red-legged frog and foothill yellow-legged frog surveys must be conducted after the other pre-construction wildlife survey results are due to CDFW (minimum of one week prior to construction), a separate stand-alone report will be prepared for these species. Based on communication with the County, vegetation removal will be conducted in advance of construction and would not result in ground disturbance. Except for nesting bird surveys discussed above, GPA assumes CDFW will not require pre-construction wildlife surveys or pre-construction frog surveys to be conducted in advance of the vegetation removal.

Bat Surveys

GPA will conduct a daytime habitat assessment in the project area within 14 days of the start of construction activities to identify potential roosting habitat for bats, including the spotted bat (*Euderma maculatum*), yuma myotis (*Myotis yumanensis*), and pallid bat (*Antrozous pallidus*). GPA will survey the project area and assess all potential roosting habitat, and visually survey existing habitat to determine presence of day-roosting bats. To maximize efficiency, pre-construction daytime habitat assessment will be conducted concurrent with the nesting bird survey visit. The survey will be conducted by two staff. GPA assumes bat habitat assessment surveys will require up to one day of surveying and one trip to the site. GPA assumes nighttime emergence surveys will not be necessary. GPA will summarize the results of the surveys, coordination, and any recommendations in a short pre-construction report.

Deliverables: One electronic copy of the pre-construction nesting bird survey report (for vegetation removal), general pre-construction survey report, and California red-legged frog and foothill yellow-legged frog survey report

Task 5: Fish Removal and Rescue Plan

According to the information in the RFP, anadromous fish or other special-status aquatic species are not known to be in the project area. Based on communication with the County, the segment of the West Fork Chowchilla River within the project area is not expected to be dry until September. If work is required while water is present, a water diversion will be installed. GPA assumes up to one diversion installation and one diversion removal would be necessary for season one.

GPA will prepare a Fish Removal and Rescue Plan for submittal to CDFW prior to the start of construction activities. The plan will include, at a minimum, the following sections: methods for excluding fish from the construction area; methods for minimizing risk of injury or death related to fish capture and handling, and methods for releasing fish outside of the construction area. GPA will submit the draft plan for review and approval by the County and CDFW.

Deliverables: One electronic copy of the Fish Removal and Rescue Plan

Task 6: Nesting Bird Exclusion Plan

GPA will prepare a Nesting Bird Exclusion Plan to address nesting swallows and other nesting bird species that could construct nests on the bridge. The Plan will include methods to prevent birds from initiating nesting on the existing bridge prior to starting construction and will include discussion of how the exclusion materials will be maintained to prevent bird nesting. GPA will coordinate with the County to determine the exclusion methods proposed by the contractor. GPA will submit the plan to CDFW for approval.

Deliverables: One electronic copy of the Nesting Bird Exclusion Plan

Task 7: Worker Awareness Training

GPA will conduct a worker awareness training and prepare an educational brochure with pictures and descriptions of sensitive biological resources with potential to be in the construction areas. The training and brochure will be distributed prior to construction and made available to all individuals employed or working on the project. Upon completion of the training program, personnel will sign a form stating that they attended the training and understand all the avoidance and minimization measures and implications of the Federally Endangered Species Act (FESA) and California Endangered Species Act, and to identify the required procedures and chain of communication during construction so that any sightings of species described in the brochure can be brought to the attention of the biological monitor in a timely manner. GPA assumes worker awareness trainings will be provided concurrent with monitoring visits.

Deliverables: Up to 25 copies of the training brochure

Task 8: Fish Rescue and Relocation

Surface water is expected to be present during construction activities; therefore, a water diversion is expected to be required. A qualified GPA biologist will monitor installation and removal of the diversion system and will perform fish rescue and relocation activities. Records will be maintained of all fish rescued and moved, including dates, methods, and location of relocation, species, and numbers of fish captured and relocated. GPA will submit records to CDFW within two weeks of the relocation activities. GPA will also submit up to two reports related to implementation of the plan during construction to CDFW. GPA assumes fish rescues and regular monitoring will be provided concurrently and will be conducted by two staff. GPA assumes that up to two days of fish rescues and two trips to the site will be required.

Deliverables: One electronic copy of up to two fish monitoring reports

Task 9: Biological Monitoring and Reporting

GPA will conduct regular compliance monitoring to ensure compliance with the environmental commitments record. GPA will monitor the tree/vegetation removal, water diversion installation and removal, best management practices (BMP), and that avoidance and minimization measures are successfully implemented. A GPA biologist will oversee delineation of environmentally sensitive areas and vegetation removal. Based on communication with the County, up to one week (five days) of daily construction monitoring will be required for initial vegetation removal (anticipated March 2021). In addition, GPA understands that additional daily construction monitoring will be required the first month (anticipated June 2021), followed by twice monthly visits thereafter for the remainder of season one (expected completion in November 2021). Based on communication with the County, GPA assumes

up to 20 monitoring days will be required the first month of construction and up to 10 additional monitoring days for the remaining five months of construction. Monitoring visits will be conducted by one staff. GPA assumes two days of fish relocations will be conducted concurrent with the twice monthly biological monitoring visits as described in Task 8 above.

During each site visit GPA will take photographs and record the results of each monitoring visit, and the results will be summarized in monthly construction monitoring reports for the project file. GPA will coordinate with the County to correct any conditions that are out of compliance during monitoring visits. GPA will keep a detailed written record of monitoring activities for the duration of the project, including written monitoring report forms and a copy of all correspondence regarding environmental compliance.

If nesting birds or raptors are found during survey efforts, GPA will oversee installation of appropriate buffers around the nests (typically 250 feet for passerines and 500 feet for raptors) until nesting activity has ended. GPA assumes oversight will be conducted concurrently with a regularly scheduled monitoring visit. If requested, GPA will monitor active bird nests until the nest is vacated, juveniles have fledged, and there is no evidence of a second attempt at nesting. Nest monitoring visits will be conducted concurrently with the twice monthly construction monitoring visits. GPA will summarize the results of the nesting bird monitoring efforts and any subsequent coordination in the monthly construction monitoring reports.

Deliverables: *One electronic copy of up to seven monitoring reports (one report for vegetation removal and up to six monthly reports for season one construction)*

Task 10: Agency Reporting

Pre-construction Submittals and Notifications

GPA will coordinate with the County to complete the required pre-construction submittals and notifications to regulatory agencies as part of environmental approvals for the project, including those required by regulatory permits prior to initiating construction. Pre-construction agency notifications required in the USACE CWA Section 404 Nationwide Permit 14, RWQCB CWA Section 401 Water Quality Certification, and CDFW FGC Section 1602 SAA, may include notice of start of work, pre-construction survey reports, work awareness training logs, nest exclusion plan, fish removal and rescue plan, and other items such as final design plans. GPA will coordinate with the County to gather and/or prepare the necessary documentation and will submit the information to the agencies, as required. GPA assumes the County will provide GPA the Schedule of Work, Spill Response Plan, seed mixture, diversion plan, and any other similar documents for submittal to the regulatory agencies.

Construction Compliance Submittals and Notifications

GPA will coordinate with the County to complete the required submittals and notifications during construction. Anticipated submittals include the notification for intent to divert water/enter the stream, removal of diversion, and/or pH testing results, if necessary.

GPA will also keep a detailed written record of monitoring activities for the duration of the project, including written monitoring report forms and a copy of all correspondence regarding environmental compliance. GPA assumes the contractor will be responsible for preparing and submitting the daily water quality testing results to the regulatory agencies. GPA assumes the regulatory agencies will not require a post-season completion report at the end of season one.

Deliverables: *One electronic copy of up to four required agency submittals and notifications*

Task 11: Archaeological Monitoring

On-site archaeological monitoring will be conducted by InContext Cultural Resources Solutions (InContext). Prior to construction, a qualified archaeologist, meeting Caltrans PQS requirements, will monitor installation of ESA

fence by the contractor to ensure the fencing location is correct and that there is no disturbance within the ESA and buffer. The archaeologist will discuss the ESA Action Plan during pre-construction meeting. Discussion will include the importance of the ESA area, that no construction will be authorized within the ESA, that no construction personnel will be authorized to enter the ESA, and a review of historic preservation laws regarding protection and disturbance of archaeological sites and removal of artifacts from such sites.

During construction, the archaeologist will monitor the ESA and buffer as needed to ensure the ESA Action Plan is followed. The archaeologist will complete a daily monitoring log that will document the day, times, monitor name, construction personnel, construction activity, and any findings for each day the monitor is onsite. Monitoring logs will be provided to the County, in electronic format, on a weekly basis.

Deliverables: *One electronic copy of up to three monitoring log submittals (Daily monitoring logs submitted weekly)*

Task 12: Revegetation Plan

Revegetation Plan

GPA will prepare an on-site Revegetation Plan for submittal to CDFW. The Revegetation Plan will include the following sections: revegetation goals and success criteria; site baseline conditions; existing site functions and values; responsible parties and financial assurances; timing; implementation plan; rationale for expecting success; site preparation (clearing and grading, non-native plant removal, soil preparation, erosion control); planting plan; irrigation plan (if applicable); and maintenance and monitoring plan. GPA will submit the draft plan for review and approval by the County and CDFW. GPA assumes up to one set of minor comments from CDFW.

Deliverables: *One electronic copy of the Revegetation Plan*

III. Assumptions

This scope has been prepared based on the following assumptions:

- This scope of work has been prepared based on the information provided by the County in the RFP, associated materials, and subsequent communication with the County. If the scope of work changes, GPA will provide an additional scope and cost to support this effort.
- This scope of work is based on the understanding that services will only cover season one. Any additional tasks associated with a second construction season will be provided in a separate scope and cost.
- The contractor is responsible for developing and implementing a SWPPP, including installation of all associated BMPs, and the Spill Prevention Response Plan.
- The contractor is responsible for water quality testing and monitoring and reporting.
- The contractor is responsible for lead compliance and the associated Industrial Hygienist.
- Required access to the project area necessary for surveys and monitoring will be provided as needed to complete tasks in the identified timeframe.
- Up to two pre-construction nesting bird surveys are included in this scope of work, one prior to vegetation removal and one prior to ground disturbance later in the season. If construction is delayed for 14 days or more after the pre-construction nesting bird surveys are conducted, additional surveys may be required to ensure compliance with the MBTA. If requested, GPA will provide an additional scope and cost to support this effort.
- GPA assumes coordination with CDFW will not be necessary should nesting birds be found and that coordination with the County will be sufficient for compliance with the MBTA.
- Up to two pre-construction rare plant survey site visits and up to two reference site visits, as feasible, will be

completed. For efficiency, the local reference site visits will be conducted on the same day as the site visits. Should project analysis determine additional surveys and/or survey months are necessary, GPA will provide an additional scope and cost to support that effort.

- One field visit is anticipated to complete pre-construction general wildlife surveys and one field visit is anticipated for pre-construction frog surveys. If additional survey site visits are required based on the final construction limits or regulatory agency request, GPA will provide an additional scope of work and budget to support this effort.
- Focused or protocol-level pre-construction surveys for special-status or otherwise protected bird species will not be required and are not included in this scope of work. If requested, GPA will provide an additional scope and cost to support this effort.
- Based on the direction provided in the RFP, GPA assumes special status species will not be present during construction or during the pre-construction survey efforts.
- GPA assumes all results can be accurately reported in text and that figures/exhibits will not be required.
- GPA assumes up to five days of full time daily monitoring of vegetation removal and installation of ESA fencing (anticipated March 2021). Vegetation removal is expected to be conducted in advance of overall project initiation and will be followed by a several months long pause in work. GPA understands vegetation removal will not include ground disturbance.
- GPA understands that the ESA fencing will remain in place for the duration of season one and is not anticipated to be removed until the end of season two.
- GPA assumes full time daily monitoring for the first month (anticipated June 2021) during the installation of BMPs, water diversion, clearing and grubbing, and performing rough grading. After the first month, the inspections will be reduced to twice monthly check-ins for up to five months (up to November 2021).
- GPA assumes weekend work and/or overtime days will not be required.
- Archaeological monitoring will be required for up to 12 days with one qualified monitor. Monitoring will be conducted for up to eight hours per day, Monday through Friday, in blocks of three to five continuous days. Daily monitoring logs will be sufficient to document monitoring. Documentation for inadvertent discovery of archaeological resources is not included in this scope of work. If additional monitoring days or documents are required, GPA will provide an additional scope of work and budget to support this effort.
- GPA assumes signs of day roosting bats will not be observed and/or project activities would not risk disturbance of day roosting bats; therefore, a bat exclusion plan and/or coordination with CDFW for roosting bats will not be required.
- Agency pre-construction notifications will include one notification for each of the regulatory agencies (CDFW, RWQCB, USACE). This scope of work does not include post-construction reporting.
- GPA assumes up to one round of comments on all deliverables.
- This scope of work does not include preparation, review, or agency submittal, of the water quality monitoring plan, dewatering/diversion plan, and/or Stormwater Pollution Prevention Plan (SWPPP).
- This scope of work does not include landscape plans as part of the Revegetation Plan; if landscape plans are requested or required, GPA will provide an additional scope of work and budget to support this effort.
- This scope of work does not include acquisition of compensatory mitigation or mitigation negotiations with the regulatory agencies.

ARTICLE IV PERFORMANCE PERIOD

- A. This AGREEMENT shall go into effect on February 18, 2021, contingent upon approval by LOCAL AGENCY, and CONSULTANT shall commence work after notification to proceed by LOCAL AGENCY'S Contract Administrator. The AGREEMENT shall end on December 31, 2023, unless extended by AGREEMENT amendment.
- B. CONSULTANT is advised that any recommendation for AGREEMENT award is not binding on LOCAL AGENCY until the AGREEMENT is fully executed and approved by LOCAL AGENCY.

ARTICLE V ALLOWABLE COSTS AND PAYMENTS

- A. CONSULTANT will be reimbursed for hours worked at the hourly rates specified in the CONSULTANT's approved Cost Proposal. The specified hourly rates shall include direct salary costs, employee benefits, prevailing wages, employer payments, overhead, and fee. These rates are not adjustable for the performance period set forth in this AGREEMENT. CONSULTANT will be reimbursed within thirty (30) days upon receipt by LOCAL AGENCY'S Contract Administrator of itemized invoices in duplicate.
- B. In addition, CONSULTANT will be reimbursed for incurred (actual) direct costs other than salary costs that are in the approved Cost Proposal and identified in the approved Cost Proposal.
- C. CONSULTANT shall be responsible for any future adjustments to prevailing wage rates including, but not limited to, base hourly rates and employer payments as determined by the Department of Industrial Relations. CONSULTANT is responsible for paying the appropriate rate, including escalations that take place during the term of the AGREEMENT.
- D. Reimbursement for transportation and subsistence costs shall not exceed the rates as specified in the approved Cost Proposal. CONSULTANT will be responsible for transportation and subsistence costs in excess of State rates.
- E. When milestone cost estimates are included in the approved Cost Proposal, CONSULTANT shall obtain prior written approval in the form of an AGREEMENT amendment for a revised milestone cost estimate from the Contract Administrator before exceeding such estimate.
- F. Progress payments will be made monthly in arrears based on services provided and actual costs incurred.
- G. CONSULTANT shall not commence performance of work or services until this AGREEMENT has been approved by LOCAL AGENCY and notification to proceed has been issued by LOCAL AGENCY'S Contract Administrator. No payment will be made prior to approval or for any work performed prior to approval of this AGREEMENT.
- H. CONSULTANT will be reimbursed within thirty (30) days upon receipt by LOCAL AGENCY'S Contract Administrator of itemized invoices in duplicate. Invoices shall be submitted no later than thirty (30) calendar days after the performance of work for which CONSULTANT is billing. Invoices shall detail the work performed on each milestone. Invoices shall follow the format stipulated for the approved Cost Proposal and shall reference this AGREEMENT number and project title. Credits due LOCAL AGENCY that include any equipment purchased under the provisions of Article XI Equipment Purchase, must be reimbursed by CONSULTANT prior to the expiration or termination of this AGREEMENT. Invoices shall be mailed to LOCAL AGENCY's Contract Administrator at the following address:

Mariposa County Dept. of Public Works
4639 Ben Hur Rd.
Mariposa, CA 95338

- I. If CONSULTANT fails to satisfactorily complete a deliverable according to the schedule, no payment will be made until the deliverable has been satisfactorily completed.
- J. The total amount payable by LOCAL AGENCY resulting from this AGREEMENT shall not exceed \$199,976. It is understood and agreed that there is no guarantee, either expressed or implied that this dollar amount will be authorized under this AGREEMENT.

ARTICLE VI TERMINATION

- A. This AGREEMENT may be terminated by LOCAL AGENCY, provided that LOCAL AGENCY gives not less than thirty (30) calendar days' written notice (delivered by certified mail, return receipt requested) of intent to terminate. Upon termination, LOCAL AGENCY shall be entitled to all work, including but not limited to, reports, investigations, appraisals, inventories, studies, analyses, drawings and data estimates performed to that date, whether completed or not.
- B. LOCAL AGENCY may temporarily suspend this AGREEMENT, at no additional cost to LOCAL AGENCY, provided that CONSULTANT is given written notice (delivered by certified mail, return receipt requested) of temporary suspension. If LOCAL AGENCY gives such notice of temporary suspension, CONSULTANT shall immediately suspend its activities under this AGREEMENT. A temporary suspension may be issued concurrent with the notice of termination.
- C. Notwithstanding any provisions of this AGREEMENT, CONSULTANT shall not be relieved of liability to LOCAL AGENCY for damages sustained by City by virtue of any breach of this AGREEMENT by CONSULTANT, and City may withhold any payments due to CONSULTANT until such time as the exact amount of damages, if any, due City from CONSULTANT is determined.
- D. In the event of termination, CONSULTANT shall be compensated as provided for in this AGREEMENT. Upon termination, LOCAL AGENCY shall be entitled to all work, including but not limited to, reports, investigations, appraisals, inventories, studies, analyses, drawings and data estimates performed to that date, whether completed or not.

ARTICLE VII COST PRINCIPLES AND ADMINISTRATIVE REQUIREMENTS

- A. The CONSULTANT agrees that 48 CFR Part 31, Contract Cost Principles and Procedures, shall be used to determine the allowability of individual terms of cost.
- B. The CONSULTANT also agrees to comply with Federal procedures in accordance with 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.
- C. Any costs for which payment has been made to the CONSULTANT that are determined by subsequent audit to be unallowable under 48 CFR Part 31 or 2 CFR Part 200 are subject to repayment by the CONSULTANT to LOCAL AGENCY.
- D. When a CONSULTANT or Subconsultant is a Non-Profit Organization or an Institution of Higher Education, the Cost Principles for Title 2 CFR Part 200, Uniform Administrative Requirements,

Cost Principles, and Audit Requirements for Federal Awards shall apply.

ARTICLE VIII RETENTION OF RECORD/AUDITS

For the purpose of determining compliance with Gov. Code § 8546.7, the CONSULTANT, Subconsultants, and LOCAL AGENCY shall maintain all books, documents, papers, accounting records, Independent CPA Audited Indirect Cost Rate workpapers, and other evidence pertaining to the performance of the AGREEMENT including, but not limited to, the costs of administering the AGREEMENT. All parties, including the CONSULTANT's Independent CPA, shall make such workpapers and materials available at their respective offices at all reasonable times during the AGREEMENT period and for three (3) years from the date of final payment under the AGREEMENT. LOCAL AGENCY, Caltrans Auditor, FHWA, or any duly authorized representative of the Federal government having jurisdiction under Federal laws or regulations (including the basis of Federal funding in whole or in part) shall have access to any books, records, and documents of the CONSULTANT, Subconsultants, and the CONSULTANT's Independent CPA, that are pertinent to the AGREEMENT for audits, examinations, workpaper review, excerpts, and transactions, and copies thereof shall be furnished if requested without limitation.

ARTICLE IX AUDIT REVIEW PROCEDURES

- A. Any dispute concerning a question of fact arising under an interim or post audit of this AGREEMENT that is not disposed of by AGREEMENT, shall be reviewed by LOCAL AGENCY'S Chief Financial Officer.
- B. Not later than thirty (30) calendar days after issuance of the final audit report, CONSULTANT may request a review by LOCAL AGENCY'S Chief Financial Officer of unresolved audit issues. The request for review will be submitted in writing.
- C. Neither the pendency of a dispute nor its consideration by LOCAL AGENCY will excuse CONSULTANT from full and timely performance, in accordance with the terms of this AGREEMENT.
- D. CONSULTANT and subconsultant AGREEMENTs, including cost proposals and Indirect Cost Rates (ICR), may be subject to audits or reviews such as, but not limited to, an AGREEMENT audit, an incurred cost audit, an ICR Audit, or a CPA ICR audit work paper review. If selected for audit or review, the AGREEMENT, cost proposal and ICR and related work papers, if applicable, will be reviewed to verify compliance with 48 CFR Part 31 and other related laws and regulations. In the instances of a CPA ICR audit work paper review it is CONSULTANT's responsibility to ensure federal, LOCAL AGENCY, or local government officials are allowed full access to the CPA's work papers including making copies as necessary. The AGREEMENT, cost proposal, and ICR shall be adjusted by CONSULTANT and approved by LOCAL AGENCY Contract Administrator to conform to the audit or review recommendations. CONSULTANT agrees that individual terms of costs identified in the audit report shall be incorporated into the AGREEMENT by this reference if directed by LOCAL AGENCY at its sole discretion. Refusal by CONSULTANT to incorporate audit or review recommendations, or to ensure that the federal, LOCAL AGENCY or local governments have access to CPA work papers, will be considered a breach of AGREEMENT terms and cause for termination of the AGREEMENT and disallowance of prior reimbursed costs.
- E. CONSULTANT's Cost Proposal may be subject to a CPA ICR Audit Work Paper Review and/or audit by the Independent Office of Audits and Investigations (IOAI). IOAI, at its sole discretion, may review and/or audit and approve the CPA ICR documentation. The Cost Proposal shall be adjusted by the CONSULTANT and approved by the LOCAL AGENCY Contract Administrator to conform to

the Work Paper Review recommendations included in the management letter or audit recommendations included in the audit report. Refusal by the CONSULTANT to incorporate the Work Paper Review recommendations included in the management letter or audit recommendations included in the audit report will be considered a breach of the AGREEMENT terms and cause for termination of the AGREEMENT and disallowance of prior reimbursed costs.

1. During IOAI's review of the ICR audit work papers created by the CONSULTANT's independent CPA, IOAI will work with the CPA and/or CONSULTANT toward a resolution of issues that arise during the review. Each party agrees to use its best efforts to resolve any audit disputes in a timely manner. If IOAI identifies significant issues during the review and is unable to issue a cognizant approval letter, LOCAL AGENCY will reimburse the CONSULTANT at an accepted ICR until a FAR (Federal Acquisition Regulation) compliant ICR {e.g. 48 CFR Part 31; GAGAS (Generally Accepted Auditing Standards); CAS (Cost Accounting Standards), if applicable; in accordance with procedures and guidelines of the American Association of State Highways and Transportation Officials (AASHTO) Audit Guide; and other applicable procedures and guidelines} is received and approved by IOAI.

Accepted rates will be as follows:

- a. If the proposed rate is less than one hundred fifty percent (150%) - the accepted rate reimbursed will be ninety percent (90%) of the proposed rate.
 - b. If the proposed rate is between one hundred fifty percent (150%) and two hundred percent (200%) - the accepted rate will be eighty-five percent (85%) of the proposed rate.
 - c. If the proposed rate is greater than two hundred percent (200%) - the accepted rate will be seventy-five percent (75%) of the proposed rate.
2. If IOAI is unable to issue a cognizant letter per paragraph E.1. above, IOAI may require CONSULTANT to submit a revised independent CPA-audited ICR and audit report within three (3) months of the effective date of the management letter. IOAI will then have up to six (6) months to review the CONSULTANT's and/or the independent CPA's revisions.
 3. If the CONSULTANT fails to comply with the provisions of this paragraph E, or if IOAI is still unable to issue a cognizant approval letter after the revised independent CPA audited ICR is submitted, overhead cost reimbursement will be limited to the accepted ICR that was established upon initial rejection of the ICR and set forth in paragraph E.1. above for all rendered services. In this event, this accepted ICR will become the actual and final ICR for reimbursement purposes under this AGREEMENT.
 4. CONSULTANT may submit to LOCAL AGENCY final invoice only when all of the following items have occurred: (1) IOAI accepts or adjusts the original or revised independent CPA audited ICR; (2) all work under this AGREEMENT has been completed to the satisfaction of LOCAL AGENCY; and, (3) IOAI has issued its final ICR review letter. The CONSULTANT MUST SUBMIT ITS FINAL INVOICE TO LOCAL AGENCY no later than sixty (60) calendar days after occurrence of the last of these items. The accepted ICR will apply to this AGREEMENT and all other agreements executed between LOCAL AGENCY and the CONSULTANT, either as a prime or subconsultant, with the same fiscal period ICR.

ARTICLE X SUBCONTRACTING

- A. Nothing contained in this AGREEMENT or otherwise, shall create any contractual relation between the LOCAL AGENCY and any Subconsultants, and no subagreement shall relieve the CONSULTANT of its responsibilities and obligations hereunder. The CONSULTANT agrees to be as fully responsible to the LOCAL AGENCY for the acts and omissions of its Subconsultants and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the CONSULTANT. The CONSULTANT's obligation to pay its Subconsultants is an independent obligation from the LOCAL AGENCY's obligation to make payments to the CONSULTANT.
- B. The CONSULTANT shall perform the work contemplated with resources available within its own organization and no portion of the work shall be subcontracted without written authorization by the LOCAL AGENCY Contract Administrator, except that which is expressly identified in the CONSULTANT's approved Cost Proposal.
- C. Any subagreement entered into as a result of this AGREEMENT, shall contain all the provisions stipulated in this entire AGREEMENT to be applicable to Subconsultants unless otherwise noted.
- D. CONSULTANT shall pay its Subconsultants within Fifteen (15) calendar days from receipt of each payment made to the CONSULTANT by the LOCAL AGENCY.
- E. Any substitution of Subconsultants must be approved in writing by the LOCAL AGENCY Contract Administrator in advance of assigning work to a substitute Subconsultant.

ARTICLE XI EQUIPMENT PURCHASE AND OTHER CAPITAL EXPENDITURES

- A. Prior authorization in writing by LOCAL AGENCY's Contract Administrator shall be required before CONSULTANT enters into any unbudgeted purchase order, or subcontract exceeding five thousand dollars (\$5,000) for supplies, equipment, or CONSULTANT services. CONSULTANT shall provide an evaluation of the necessity or desirability of incurring such costs.
- B. For purchase of any item, service, or consulting work not covered in CONSULTANT's approved Cost Proposal and exceeding five thousand dollars (\$5,000), with prior authorization by LOCAL AGENCY's Contract Administrator, three competitive quotations must be submitted with the request, or the absence of bidding must be adequately justified.
- C. Any equipment purchased with funds provided under the terms of this AGREEMENT is subject to the following:
 - 1. CONSULTANT shall maintain an inventory of all nonexpendable property. Nonexpendable property is defined as having a useful life of at least two years and an acquisition cost of five thousand dollars (\$5,000) or more. If the purchased equipment needs replacement and is sold or traded in, LOCAL AGENCY shall receive a proper refund or credit at the conclusion of the AGREEMENT, or if the AGREEMENT is terminated, CONSULTANT may either keep the equipment and credit LOCAL AGENCY in an amount equal to its fair market value, or sell such equipment at the best price obtainable at a public or private sale, in accordance with established LOCAL AGENCY procedures; and credit LOCAL AGENCY in an amount equal to the sales price. If CONSULTANT elects to keep the equipment, fair market value shall be determined at CONSULTANT's expense, on the basis of a competent independent appraisal of such equipment. Appraisals shall be obtained from an appraiser mutually agreeable to by LOCAL AGENCY and CONSULTANT, if it is determined to sell the equipment, the terms and conditions of such sale must be approved in advance by LOCAL AGENCY.

2. Regulation 2 CFR Part 200 requires a credit to Federal funds when participating equipment with a fair market value greater than five thousand dollars (\$5,000) is credited to the project.

ARTICLE XII STATE PREVAILING WAGE RATES

- A. No CONSULTANT or Subconsultant may be awarded an AGREEMENT containing public work elements unless registered with the Department of Industrial Relations (DIR) pursuant to Labor Code §1725.5. Registration with DIR must be maintained throughout the entire term of this AGREEMENT, including any subsequent amendments.
- B. The CONSULTANT shall comply with all of the applicable provisions of the California Labor Code requiring the payment of prevailing wages. The General Prevailing Wage Rate Determinations applicable to work under this AGREEMENT are available and on file with the Department of Transportation's Regional/District Labor Compliance Officer (<https://dot.ca.gov/programs/construction/labor-compliance>). These wage rates are made a specific part of this AGREEMENT by reference pursuant to Labor Code §1773.2 and will be applicable to work performed at a construction project site. Prevailing wages will be applicable to all inspection work performed at LOCAL AGENCY construction sites, at LOCAL AGENCY facilities and at off-site locations that are set up by the construction contractor or one of its subcontractors solely and specifically to serve LOCAL AGENCY projects. Prevailing wage requirements do not apply to inspection work performed at the facilities of vendors and commercial materials suppliers that provide goods and services to the general public.
- C. General Prevailing Wage Rate Determinations applicable to this project may also be obtained from the Department of Industrial Relations website at <http://www.dir.ca.gov>.
- D. Payroll Records
1. Each CONSULTANT and Subconsultant shall keep accurate certified payroll records and supporting documents as mandated by Labor Code §1776 and as defined in 8 CCR §16000 showing the name, address, social security number, work classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker, or other employee employed by the CONSULTANT or Subconsultant in connection with the public work. Each payroll record shall contain or be verified by a written declaration that it is made under penalty of perjury, stating both of the following:
 - a. The information contained in the payroll record is true and correct.
 - b. The employer has complied with the requirements of Labor Code §1771, §1811, and §1815 for any work performed by his or her employees on the public works project.
 2. The payroll records enumerated under paragraph (1) above shall be certified as correct by the CONSULTANT under penalty of perjury. The payroll records and all supporting documents shall be made available for inspection and copying by LOCAL AGENCY representatives at all reasonable hours at the principal office of the CONSULTANT. The CONSULTANT shall provide copies of certified payrolls or permit inspection of its records as follows:
 - a. A certified copy of an employee's payroll record shall be made available for inspection or furnished to the employee or the employee's authorized representative on request.
 - b. A certified copy of all payroll records enumerated in paragraph (1) above, shall be made available for inspection or furnished upon request to a representative of LOCAL AGENCY, the Division of Labor Standards Enforcement and the Division of Apprenticeship Standards of the Department of Industrial Relations. Certified payrolls submitted to LOCAL AGENCY, the

Division of Labor Standards Enforcement and the Division of Apprenticeship Standards shall not be altered or obliterated by the CONSULTANT.

- c. The public shall not be given access to certified payroll records by the CONSULTANT. The CONSULTANT is required to forward any requests for certified payrolls to the LOCAL AGENCY Contract Administrator by both email and regular mail on the business day following receipt of the request.
3. Each CONSULTANT shall submit a certified copy of the records enumerated in paragraph (1) above, to the entity that requested the records within ten (10) calendar days after receipt of a written request.
4. Any copy of records made available for inspection as copies and furnished upon request to the public or any public agency by LOCAL AGENCY shall be marked or obliterated in such a manner as to prevent disclosure of each individual's name, address, and social security number. The name and address of the CONSULTANT or Subconsultant performing the work shall not be marked or obliterated.
5. The CONSULTANT shall inform LOCAL AGENCY of the location of the records enumerated under paragraph (1) above, including the street address, city and county, and shall, within five (5) working days, provide a notice of a change of location and address.
6. The CONSULTANT or Subconsultant shall have ten (10) calendar days in which to comply subsequent to receipt of written notice requesting the records enumerated in paragraph (1) above. In the event the CONSULTANT or Subconsultant fails to comply within the ten (10) day period, he or she shall, as a penalty to LOCAL AGENCY, forfeit one hundred dollars (\$100) for each calendar day, or portion thereof, for each worker, until strict compliance is effectuated. Such penalties shall be withheld by LOCAL AGENCY from payments then due. CONSULTANT is not subject to a penalty assessment pursuant to this section due to the failure of a Subconsultant to comply with this section.
- E. When prevailing wage rates apply, the CONSULTANT is responsible for verifying compliance with certified payroll requirements. Invoice payment will not be made until the invoice is approved by the LOCAL AGENCY Contract Administrator.
- F. Penalty
 1. The CONSULTANT and any of its Subconsultants shall comply with Labor Code §1774 and §1775. Pursuant to Labor Code §1775, the CONSULTANT and any Subconsultant shall forfeit to the LOCAL AGENCY a penalty of not more than two hundred dollars (\$200) for each calendar day, or portion thereof, for each worker paid less than the prevailing rates as determined by the Director of DIR for the work or craft in which the worker is employed for any public work done under the AGREEMENT by the CONSULTANT or by its Subconsultant in violation of the requirements of the Labor Code and in particular, Labor Code §§1770 to 1780, inclusive.
 2. The amount of this forfeiture shall be determined by the Labor Commissioner and shall be based on consideration of mistake, inadvertence, or neglect of the CONSULTANT or Subconsultant in failing to pay the correct rate of prevailing wages, or the previous record of the CONSULTANT or Subconsultant in meeting their respective prevailing wage obligations, or the willful failure by the CONSULTANT or Subconsultant to pay the correct rates of prevailing wages. A mistake, inadvertence, or neglect in failing to pay the correct rates of prevailing wages is not excusable if the CONSULTANT or Subconsultant had knowledge of the obligations under the Labor Code. The CONSULTANT is responsible for paying the appropriate rate, including any escalations that take place during the term of the AGREEMENT.

3. In addition to the penalty and pursuant to Labor Code §1775, the difference between the prevailing wage rates and the amount paid to each worker for each calendar day or portion thereof for which each worker was paid less than the prevailing wage rate shall be paid to each worker by the CONSULTANT or Subconsultant.
4. If a worker employed by a Subconsultant on a public works project is not paid the general prevailing per diem wages by the Subconsultant, the prime CONSULTANT of the project is not liable for the penalties described above unless the prime CONSULTANT had knowledge of that failure of the Subconsultant to pay the specified prevailing rate of wages to those workers or unless the prime CONSULTANT fails to comply with all of the following requirements:
 - a. The AGREEMENT executed between the CONSULTANT and the Subconsultant for the performance of work on public works projects shall include a copy of the requirements in Labor Code §§ 1771, 1775, 1776, 1777.5, 1813, and 1815.
 - b. The CONSULTANT shall monitor the payment of the specified general prevailing rate of per diem wages by the Subconsultant to the employees by periodic review of the certified payroll records of the Subconsultant.
 - c. Upon becoming aware of the Subconsultant's failure to pay the specified prevailing rate of wages to the Subconsultant's workers, the CONSULTANT shall diligently take corrective action to halt or rectify the failure, including but not limited to, retaining sufficient funds due the Subconsultant for work performed on the public works project.
 - d. Prior to making final payment to the Subconsultant for work performed on the public works project, the CONSULTANT shall obtain an affidavit signed under penalty of perjury from the Subconsultant that the Subconsultant had paid the specified general prevailing rate of per diem wages to the Subconsultant's employees on the public works project and any amounts due pursuant to Labor Code §1813.
5. Pursuant to Labor Code §1775, LOCAL AGENCY shall notify the CONSULTANT on a public works project within fifteen (15) calendar days of receipt of a complaint that a Subconsultant has failed to pay workers the general prevailing rate of per diem wages.
6. If LOCAL AGENCY determines that employees of a Subconsultant were not paid the general prevailing rate of per diem wages and if LOCAL AGENCY did not retain sufficient money under the AGREEMENT to pay those employees the balance of wages owed under the general prevailing rate of per diem wages, the CONSULTANT shall withhold an amount of moneys due the Subconsultant sufficient to pay those employees the general prevailing rate of per diem wages if requested by LOCAL AGENCY.

G. Hours of Labor

Eight (8) hours labor constitutes a legal day's work. The CONSULTANT shall forfeit, as a penalty to the LOCAL AGENCY, twenty-five dollars (\$25) for each worker employed in the execution of the AGREEMENT by the CONSULTANT or any of its Subconsultants for each calendar day during which such worker is required or permitted to work more than eight (8) hours in any one calendar day and forty (40) hours in any one calendar week in violation of the provisions of the Labor Code, and in particular §§1810 to 1815 thereof, inclusive, except that work performed by employees in excess of eight (8) hours per day, and forty (40) hours during any one week, shall be permitted upon compensation for all hours worked in excess of eight (8) hours per day and forty (40) hours in any week, at not less than one and one-half (1.5) times the basic rate of pay, as provided in §1815.

H. Employment of Apprentices

1. Where either the prime AGREEMENT or the subagreement exceeds thirty thousand dollars (\$30,000), the CONSULTANT and any subconsultants under him or her shall comply with all applicable requirements of Labor Code §§ 1777.5, 1777.6 and 1777.7 in the employment of apprentices.
2. CONSULTANTS and subconsultants are required to comply with all Labor Code requirements regarding the employment of apprentices, including mandatory ratios of journey level to apprentice workers. Prior to commencement of work, CONSULTANT and subconsultants are advised to contact the DIR Division of Apprenticeship Standards website at <https://www.dir.ca.gov/das/>, for additional information regarding the employment of apprentices and for the specific journey-to- apprentice ratios for the AGREEMENT work. The CONSULTANT is responsible for all subconsultants' compliance with these requirements. Penalties are specified in Labor Code §1777.7.

ARTICLE XIII CONFLICT OF INTEREST

- A. During the term of this AGREEMENT, the CONSULTANT shall disclose any financial, business, or other relationship with LOCAL AGENCY that may have an impact upon the outcome of this AGREEMENT or any ensuing LOCAL AGENCY construction project. The CONSULTANT shall also list current clients who may have a financial interest in the outcome of this AGREEMENT or any ensuing LOCAL AGENCY construction project which will follow.
- B. CONSULTANT certifies that it has disclosed to LOCAL AGENCY any actual, apparent, or potential conflicts of interest that may exist relative to the services to be provided pursuant to this AGREEMENT. CONSULTANT agrees to advise LOCAL AGENCY of any actual, apparent or potential conflicts of interest that may develop subsequent to the date of execution of this AGREEMENT. CONSULTANT further agrees to complete any statements of economic interest if required by either LOCAL AGENCY ordinance or State law.
- C. The CONSULTANT hereby certifies that it does not now have nor shall it acquire any financial or business interest that would conflict with the performance of services under this AGREEMENT.
- D. The CONSULTANT hereby certifies that the CONSULTANT or subconsultant and any firm affiliated with the CONSULTANT or subconsultant that bids on any construction contract or on any Agreement to provide construction inspection for any construction project resulting from this AGREEMENT, has established necessary controls to ensure a conflict of interest does not exist. An affiliated firm is one, which is subject to the control of the same persons, through joint ownership or otherwise.

ARTICLE XIV REBATES, KICKBACKS OR OTHER UNLAWFUL CONSIDERATION

The CONSULTANT warrants that this AGREEMENT was not obtained or secured through rebates, kickbacks or other unlawful consideration either promised or paid to any LOCAL AGENCY employee. For breach or violation of this warranty, LOCAL AGENCY shall have the right, in its discretion, to terminate this AGREEMENT without liability, to pay only for the value of the work actually performed, or to deduct from this AGREEMENT price or otherwise recover the full amount of such rebate, kickback or other unlawful consideration.

ARTICLE XV PROHIBITION OF EXPENDING LOCAL AGENCY, STATE, OR FEDERAL FUNDS FOR LOBBYING

- A. The CONSULTANT certifies, to the best of his or her knowledge and belief, that:
1. No State, Federal, or LOCAL AGENCY appropriated funds have been paid or will be paid, by or on behalf of the CONSULTANT, to any person for influencing or attempting to influence an officer or employee of any local, State, or Federal agency, a Member of the State Legislature or United States Congress, an officer or employee of the Legislature or Congress, or any employee of a Member of the Legislature or Congress in connection with the awarding or making of this AGREEMENT, or with the extension, continuation, renewal, amendment, or modification of this AGREEMENT.
 2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this AGREEMENT, the CONSULTANT shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
- B. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. §1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than ten thousand dollars (\$10,000) and not more than one hundred thousand dollars (\$100,000) for each such failure.
- C. The CONSULTANT also agrees by signing this document that he or she shall require that the language of this certification be included in all lower tier subagreements, which exceed one hundred thousand dollars (\$100,000), and that all such subrecipients shall certify and disclose accordingly.

ARTICLE XVI NON-DISCRIMINATION CLAUSE AND STATEMENT OF COMPLIANCE

- A. The CONSULTANT's signature affixed herein and dated shall constitute a certification under penalty of perjury under the laws of the State of California that the CONSULTANT has, unless exempt, complied with the nondiscrimination program requirements of Gov. Code §12990 and 2 CCR § 8103.
- B. During the performance of this AGREEMENT, CONSULTANT and its subconsultants shall not deny the AGREEMENT's benefits to any person on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status, nor shall they unlawfully discriminate, harass, or allow harassment against any employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status. CONSULTANT and subconsultants shall insure that the evaluation and treatment of their employees and applicants for employment are free from such discrimination and harassment.

- C. CONSULTANT and subconsultants shall comply with the provisions of the Fair Employment and Housing Act (Gov. Code §12990 et seq.), the applicable regulations promulgated there under (2 CCR §11000 et seq.), the provisions of Gov. Code §§11135-11139.5, and the regulations or standards adopted by LOCAL AGENCY to implement such article. The applicable regulations of the Fair Employment and Housing Commission implementing Gov. Code §12990 (a-f), set forth 2 CCR §§8100-8504, are incorporated into this AGREEMENT by reference and made a part hereof as if set forth in full.
- D. CONSULTANT shall permit access by representatives of the Department of Fair Employment and Housing and the LOCAL AGENCY upon reasonable notice at any time during the normal business hours, but in no case less than twenty-four (24) hours' notice, to such of its books, records, accounts, and all other sources of information and its facilities as said Department or LOCAL AGENCY shall require to ascertain compliance with this clause.
- E. CONSULTANT and its subconsultants shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other Agreement.
- F. CONSULTANT shall include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under this AGREEMENT.
- G. The CONSULTANT, with regard to the work performed under this AGREEMENT, shall act in accordance with Title VI of the Civil Rights Act of 1964 (42 U.S.C. §2000d et seq.). Title VI provides that the recipients of federal assistance will implement and maintain a policy of nondiscrimination in which no person in the United States shall, on the basis of race, color, national origin, religion, sex, age, disability, be excluded from participation in, denied the benefits of or subject to discrimination under any program or activity by the recipients of federal assistance or their assignees and successors in interest.
- H. The CONSULTANT shall comply with regulations relative to non-discrimination in federally-assisted programs of the U.S. Department of Transportation (49 CFR Part 21 - Effectuation of Title VI of the Civil Rights Act of 1964). Specifically, the CONSULTANT shall not participate either directly or indirectly in the discrimination prohibited by 49 CFR §21.5, including employment practices and the selection and retention of Subconsultants.

ARTICLE XVII DEBARMENT AND SUSPENSION CERTIFICATION

- A. The CONSULTANT's signature affixed herein shall constitute a certification under penalty of perjury under the laws of the State of California, that the CONSULTANT or any person associated therewith in the capacity of owner, partner, director, officer or manager:
 - 1. Is not currently under suspension, debarment, voluntary exclusion, or determination of ineligibility by any federal agency;
 - 2. Has not been suspended, debarred, voluntarily excluded, or determined ineligible by any federal agency within the past three (3) years;
 - 3. Does not have a proposed debarment pending; and
 - 4. Has not been indicted, convicted, or had a civil judgment rendered against it by a court of competent jurisdiction in any matter involving fraud or official misconduct within the past three (3) years.

- B. Any exceptions to this certification must be disclosed to LOCAL AGENCY. Exceptions will not necessarily result in denial of recommendation for award, but will be considered in determining responsibility. Disclosures must indicate the party to whom the exceptions apply, the initiating agency, and the dates of agency action.
- C. Exceptions to the Federal Government Excluded Parties List System maintained by the U.S. General Services Administration are to be determined by FHWA.

COMMERCIAL GENERAL LIABILITY

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**BLANKET ADDITIONAL INSURED
(ARCHITECTS, ENGINEERS AND SURVEYORS)**

This endorsement modifies insurance provided under the following:
COMMERCIAL GENERAL LIABILITY COVERAGE PART

1. The following is added to SECTION II – WHO IS AN INSURED:

Any person or organization that you agree in a "written contract requiring insurance" to include as an additional insured on this Coverage Part, but:

- a. Only with respect to liability for "bodily injury", "property damage" or "personal injury"; and
- b. If, and only to the extent that, the injury or damage is caused by acts or omissions of you or your subcontractor in the performance of "your work" to which the "written contract requiring insurance" applies, or in connection with premises owned by or rented to you.

The person or organization does not qualify as an additional insured:

- c. With respect to the independent acts or omissions of such person or organization; or
- d. For "bodily injury", "property damage" or "personal injury" for which such person or organization has assumed liability in a contract or agreement.

The insurance provided to such additional insured is limited as follows:

- e. This insurance does not apply on any basis to any person or organization for which coverage as an additional insured specifically is added by another endorsement to this Coverage Part.
- f. This insurance does not apply to the rendering of or failure to render any "professional services".
- g. In the event that the Limits of Insurance of the Coverage Part shown in the Declarations exceed the limits of liability required by the "written contract requiring insurance", the insurance provided to the additional insured shall be limited to the limits of liability required by that "written contract requiring insurance". This endorsement does not increase the limits of insurance described in Section III – Limits Of Insurance.

- h. This insurance does not apply to "bodily injury" or "property damage" caused by "your work" and included in the "products-completed operations hazard" unless the "written contract requiring insurance" specifically requires you to provide such coverage for that additional insured, and then the insurance provided to the additional insured applies only to such "bodily injury" or "property damage" that occurs before the end of the period of time for which the "written contract requiring insurance" requires you to provide such coverage or the end of the policy period, whichever is earlier.

2. The following is added to Paragraph 4.a. of SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS:

The insurance provided to the additional insured is excess over any valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the additional insured for a loss we cover. However, if you specifically agree in the "written contract requiring insurance" that this insurance provided to the additional insured under this Coverage Part must apply on a primary basis or a primary and non-contributory basis, this insurance is primary to other insurance available to the additional insured which covers that person or organizations as a named insured for such loss, and we will not share with the other insurance, provided that:

- (1) The "bodily injury" or "property damage" for which coverage is sought occurs; and
- (2) The "personal injury" for which coverage is sought arises out of an offense committed;

after you have signed that "written contract requiring insurance". But this insurance provided to the additional insured still is excess over valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the additional insured when that person or organization is an additional insured under any other insurance.

COMMERCIAL GENERAL LIABILITY

3. The following is added to Paragraph 8., Transfer Of Rights Of Recovery Against Others To Us, of SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS:

We waive any right of recovery we may have against any person or organization because of payments we make for "bodily injury", "property damage" or "personal injury" arising out of "your work" performed by you, or on your behalf, done under a "written contract requiring insurance" with that person or organization. We waive this right only where you have agreed to do so as part of the "written contract requiring insurance" with such person or organization signed by you before, and in effect when, the "bodily injury" or "property damage" occurs, or the "personal injury" offense is committed.

4. The following definition is added to the DEFINITIONS Section:

"Written contract requiring insurance" means that part of any written contract under which you are required to include a person or organization as an additional insured on this Coverage Part, provided that the "bodily injury" and "property damage" occurs and the "personal injury" is caused by an offense committed:

- a. After you have signed that written contract;
- b. While that part of the written contract is in effect; and
- c. Before the end of the policy period.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

XTEND ENDORSEMENT FOR ARCHITECTS, ENGINEERS AND SURVEYORS

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

GENERAL DESCRIPTION OF COVERAGE – This endorsement broadens coverage. However, coverage for any injury, damage or medical expenses described in any of the provisions of this endorsement may be excluded or limited by another endorsement to this Coverage Part, and these coverage broadening provisions do not apply to the extent that coverage is excluded or limited by such an endorsement. The following listing is a general coverage description only. Read all the provisions of this endorsement and the rest of your policy carefully to determine rights, duties, and what is and is not covered.

PROVISIONS

A. NON-OWNED WATERCRAFT – 75 FEET LONG OR LESS

1. The following replaces Paragraph (2) of Exclusion g., Aircraft, Auto Or Watercraft, in Paragraph 2. of **SECTION I – COVERAGES – COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY**:

(2) A watercraft you do not own that is:

- (a) 75 feet long or less; and
- (b) Not being used to carry any person or property for a charge;

2. The following replaces Paragraph 2.e. of **SECTION II – WHO IS AN INSURED**:

- e. Any person or organization that, with your express or implied consent, either

uses or is responsible for the use of a watercraft that you do not own that is:

- (1) 75 feet long or less; and
- (2) Not being used to carry any person or property for a charge;

B. WHO IS AN INSURED – UNNAMED SUBSIDIARIES

The following is added to **SECTION II – WHO IS AN INSURED**:

Any of your subsidiaries, other than a partnership or joint venture, that is not shown as a Named Insured in the Declarations is a Named Insured if:

- a. You are the sole owner of, or maintain an ownership interest of more than 50% in, such subsidiary on the first day of the policy period; and

COMMERCIAL GENERAL LIABILITY

- b. Such subsidiary is not an insured under similar other insurance.

No such subsidiary is an insured for "bodily injury" or "property damage" that occurred, or "personal and advertising injury" caused by an offense committed:

- a. Before you maintained an ownership interest of more than 50% in such subsidiary; or
- b. After the date, if any, during the policy period that you no longer maintain an ownership interest of more than 50% in such subsidiary.

For purposes of Paragraph 1. of Section II – Who Is An Insured, each such subsidiary will be deemed to be designated in the Declarations as:

- a. A limited liability company;
 - b. An organization other than a partnership, joint venture or limited liability company; or
 - c. A trust;
- as indicated in its name or the documents that govern its structure.

C. WHO IS AN INSURED – RETIRED PARTNERS, MEMBERS, DIRECTORS AND EMPLOYEES

The following is added to Paragraph 2. of SECTION II – WHO IS AN INSURED:

Any person who is your retired partner, member, director or "employee" that is performing services for you under your direct supervision, but only for acts within the scope of their employment by you or while performing duties related to the conduct of your business. However, no such retired partner, member, director or "employee" is an insured for:

(1) "Bodily injury":

- (a) To you, to your current partners or members (if you are a partnership or joint venture), to your current members (if you are a limited liability company) or to your current directors;
- (b) To the spouse, child, parent, brother or sister of that current partner, member or director as a consequence of Paragraph (1)(a) above;
- (c) For which there is any obligation to share damages with or repay someone else who must pay damages because of the injury described in Paragraph (1)(a) or (b) above; or
- (d) Arising out of his or her providing or failing to provide professional health care services.

Unless you are in the business or occupation of providing professional health care services, Paragraphs (1)(a), (b), (c) and (d) above do not apply to "bodily injury" arising out of providing or failing to provide first aid or "Good Samaritan services" by any of your retired partners, members, directors or "employees", other than a doctor. Any such retired partners, members, directors or "employees" providing or failing to provide first aid or "Good Samaritan services" during their work hours for you will be deemed to be acting within the scope of their employment by you or performing duties related to the conduct of your business.

(2) "Personal injury":

- (a) To you, to your current or retired partners or members (if you are a partnership or joint venture), to your current or retired members (if you are a limited liability company), to your other current or retired directors or "employees" while in the course of his or her employment or performing duties related to the conduct of your business, or to your other "volunteer workers" while performing duties related to the conduct of your business;
- (b) To the spouse, child, parent, brother or sister of that current or retired partner, member, director, "employee" or "volunteer worker" as a consequence of Paragraph (2)(a) above;
- (c) For which there is any obligation to share damages with or repay someone else who must pay damages because of the injury described in Paragraph (2)(a) or (b) above; or
- (d) Arising out of his or her providing or failing to provide professional health care services.

(3) "Property damage" to property:

- (a) Owned, occupied or used by; or
- (b) Rented to, in the care, custody or control of, or over which physical control is being exercised for any purpose by;

you, any of your retired partners, members or directors, your current or retired "employees" or "volunteer workers", any current partner or member (if you are a partnership or joint venture), or any current member (if you are a limited liability company) or current director.

COMMERCIAL GENERAL LIABILITY

D. WHO IS AN INSURED – EMPLOYEES AND VOLUNTEER WORKERS – BODILY INJURY TO CO-EMPLOYEES, CO-VOLUNTEER WORKERS AND RETIRED PARTNERS, MEMBERS, DIRECTORS AND EMPLOYEES

The following is added to Paragraph 2.a.(1) of SECTION II – WHO IS AN INSURED:

Paragraphs (1)(a), (b) and (c) above do not apply to "bodily injury" to a current or retired co-"employee" while in the course of the co-"employee's" employment by you or performing duties related to the conduct of your business, or to "bodily injury" to your other "volunteer workers" or retired partners, members or directors while performing duties related to the conduct of your business.

E. WHO IS AN INSURED – NEWLY ACQUIRED OR FORMED LIMITED LIABILITY COMPANIES

The following replaces Paragraph 3. of SECTION II – WHO IS AN INSURED:

3. Any organization you newly acquire or form, other than a partnership or joint venture, and of which you are the sole owner or in which you maintain an ownership interest of more than 50%, will qualify as a Named Insured if there is no other similar insurance available to that organization. However:

- a. Coverage under this provision is afforded only:

- (1) Until the 180th day after you acquire or form the organization or the end of the policy period, whichever is earlier, if you do not report such organization in writing to us within 180 days after you acquire or form it; or

- (2) Until the end of the policy period, when that date is later than 180 days after you acquire or form such organization, if you report such organization in writing to us within 180 days after you acquire or form it;

- b. Coverage A does not apply to "bodily injury" or "property damage" that occurred before you acquired or formed the organization; and
- c. Coverage B does not apply to "personal and advertising injury" arising out of an offense committed before you acquired or formed the organization.

For the purposes of Paragraph 1. of Section II – Who Is An Insured, each such

organization will be deemed to be designated in the Declarations as:

- a. A limited liability company;
 - b. An organization other than a partnership, joint venture or limited liability company; or
 - c. A trust;
- as indicated in its name or the documents that govern its structure.

F. BLANKET ADDITIONAL INSURED – CONTROLLING INTEREST

1. The following is added to SECTION II – WHO IS AN INSURED:

Any person or organization that has financial control of you is an insured with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" that arises out of:

- a. Such financial control; or
- b. Such person's or organization's ownership, maintenance or use of premises leased to or occupied by you.

The insurance provided to such person or organization does not apply to structural alterations, new construction or demolition operations performed by or on behalf of such person or organization.

2. The following is added to Paragraph 4. of SECTION II – WHO IS AN INSURED:

This paragraph does not apply to any premises owner, manager or lessor that has financial control of you.

G. BLANKET ADDITIONAL INSURED – MORTGAGEES, ASSIGNEES, SUCCESSORS OR RECEIVERS

The following is added to SECTION II – WHO IS AN INSURED:

Any person or organization that is a mortgagee, assignee, successor or receiver and that you have agreed in a written contract or agreement to include as an additional insured on this Coverage Part is an insured, but only with respect to its liability as mortgagee, assignee, successor or receiver for "bodily injury", "property damage" or "personal and advertising injury" that:

- a. Is "bodily injury" or "property damage" that occurs, or is "personal and advertising injury" caused by an offense that is committed,

COMMERCIAL GENERAL LIABILITY

subsequent to the signing of that contract or agreement; and

- b. Arises out of the ownership, maintenance or use of the premises for which that mortgagee, assignee, successor or receiver is required under that contract or agreement to be included as an additional insured on this Coverage Part.

The insurance provided to such mortgagee, assignee, successor or receiver is subject to the following provisions:

- a. The limits of insurance provided to such mortgagee, assignee, successor or receiver will be the minimum limits that you agreed to provide in the written contract or agreement, or the limits shown in the Declarations, whichever are less.
- b. The insurance provided to such person or organization does not apply to:
 - (1) Any "bodily injury" or "property damage" that occurs, or any "personal and advertising injury" caused by an offense that is committed, after such contract or agreement is no longer in effect; or
 - (2) Any "bodily injury", "property damage" or "personal and advertising injury" arising out of any structural alterations, new construction or demolition operations performed by or on behalf of such mortgagee, assignee, successor or receiver.

H. BLANKET ADDITIONAL INSURED - GOVERNMENTAL ENTITIES - PERMITS OR AUTHORIZATIONS RELATING TO PREMISES

The following is added to SECTION II - WHO IS AN INSURED:

Any governmental entity that has issued a permit or authorization with respect to premises owned or occupied by, or rented or loaned to, you and that you are required by any ordinance, law, building code or written contract or agreement to include as an additional insured on this Coverage Part is an insured, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" arising out of the existence, ownership, use, maintenance, repair, construction, erection or removal of any of the following for which that governmental entity has issued such permit or authorization: advertising signs, awnings, canopies, cellar entrances, coal holes, driveways, manholes, marquees, hoist away

openings, sidewalk vaults, elevators, street banners or decorations.

I. BLANKET ADDITIONAL INSURED - GOVERNMENTAL ENTITIES - PERMITS OR AUTHORIZATIONS RELATING TO OPERATIONS

The following is added to SECTION II - WHO IS AN INSURED:

Any governmental entity that has issued a permit or authorization with respect to operations performed by you or on your behalf and that you are required by any ordinance, law, building code or written contract or agreement to include as an additional insured on this Coverage Part is an insured, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" arising out of such operations.

The insurance provided to such governmental entity does not apply to:

- a. Any "bodily injury", "property damage" or "personal and advertising injury" arising out of operations performed for the governmental entity; or
- b. Any "bodily injury" or "property damage" included in the "products-completed operations hazard".

J. INCIDENTAL MEDICAL MALPRACTICE

1. The following replaces Paragraph b. of the definition of "occurrence" in the DEFINITIONS Section:

- b. An act or omission committed in providing or failing to provide "incidental medical services", first aid or "Good Samaritan services" to a person, unless you are in the business or occupation of providing professional health care services.

2. The following replaces the last paragraph of Paragraph 2.a.(1) of SECTION II - WHO IS AN INSURED:

Unless you are in the business or occupation of providing professional health care services, Paragraphs (1)(a), (b), (c) and (d) above do not apply to "bodily injury" arising out of providing or failing to provide:

- (a) "Incidental medical services" by any of your "employees" who is a nurse, nurse assistant, emergency medical technician, paramedic, athletic trainer, audiologist, dietician, nutritionist,

COMMERCIAL GENERAL LIABILITY

occupational therapist or occupational therapy assistant, physical therapist or speech-language pathologist; or

- (b) First aid or "Good Samaritan services" by any of your "employees" or "volunteer workers", other than an employed or volunteer doctor. Any such "employees" or "volunteer workers" providing or failing to provide first aid or "Good Samaritan services" during their work hours for you will be deemed to be acting within the scope of their employment by you or performing duties related to the conduct of your business.
3. The following replaces the last sentence of Paragraph 5. of **SECTION III – LIMITS OF INSURANCE**:
- For the purposes of determining the applicable Each Occurrence Limit, all related acts or omissions committed in providing or failing to provide "incidental medical services", first aid or "Good Samaritan services" to any one person will be deemed to be one "occurrence".
4. The following exclusion is added to Paragraph 2., Exclusions, of **SECTION I – COVERAGES – COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY**:
- Sale Of Pharmaceuticals**
- "Bodily injury" or "property damage" arising out of the violation of a penal statute or ordinance relating to the sale of pharmaceuticals committed by, or with the knowledge or consent of the insured.
5. The following is added to the **DEFINITIONS** Section:
- "Incidental medical services" means:
- Medical, surgical, dental, laboratory, x-ray or nursing service or treatment, advice or instruction, or the related furnishing of food or beverages; or
 - The furnishing or dispensing of drugs or medical, dental, or surgical supplies or appliances.
6. The following is added to Paragraph 4.b., Excess Insurance, of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**:
- This insurance is excess over any valid and collectible other insurance, whether primary, excess, contingent or on any other basis,

that is available to any of your "employees" for "bodily injury" that arises out of providing or failing to provide "incidental medical services" to any person to the extent not subject to Paragraph 2.a.(1) of Section II – Who Is An Insured.

K. MEDICAL PAYMENTS – INCREASED LIMIT

The following replaces Paragraph 7. of **SECTION III – LIMITS OF INSURANCE**:

7. Subject to Paragraph 5. above, the Medical Expense Limit is the most we will pay under Coverage C for all medical expenses because of "bodily injury" sustained by any one person, and will be the higher of:

- \$10,000; or
- The amount shown in the Declarations of this Coverage Part for Medical Expense Limit.

L. AMENDMENT OF EXCESS INSURANCE CONDITION – PROFESSIONAL LIABILITY

The following is added to Paragraph 4.b., Excess Insurance, of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**:

This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis, that is Professional Liability or similar coverage, to the extent the loss is not subject to the professional services exclusion of Coverage A or Coverage B.

M. BLANKET WAIVER OF SUBROGATION – WHEN REQUIRED BY WRITTEN CONTRACT OR AGREEMENT

The following is added to Paragraph 8., Transfer Of Rights Of Recovery Against Others To Us, of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**:

If the insured has agreed in a written contract or agreement to waive that insured's right of recovery against any person or organization, we waive our right of recovery against such person or organization, but only for payments we make because of:

- "Bodily injury" or "property damage" that occurs; or
- "Personal and advertising injury" caused by an offense that is committed;

subsequent to the signing of that contract or agreement.

COMMERCIAL GENERAL LIABILITY**N. CONTRACTUAL LIABILITY – RAILROADS**

1. The following replaces Paragraph c. of the definition of "insured contract" in the **DEFINITIONS** Section:
 - c. Any easement or license agreement;
2. Paragraph f.(1) of the definition of "insured contract" in the **DEFINITIONS** Section is deleted.

AGGREGATE LIMITS**

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART**SCHEDULE – LIMITS OF INSURANCE AND DESIGNATED PROJECTS AND LOCATIONS****LIMITS OF INSURANCE**

Total Aggregate Limit (Other Than Projects and Products-Completed Operations)	\$ 10,000,000
Designated Location Aggregate Limit (Other Than Products-Completed Operations)	\$ 2,000,000
Designated Project Aggregate Limit (Other Than Products-Completed Operations)	\$ 2,000,000
General Aggregate Limit (Other Than Products-Completed Operations)	\$ 2,000,000

Designated Projects:

Each "project" for which you have agreed, in a written contract which is in effect during this policy period, to provide a separate General Aggregate Limit, provided that the contract is signed by you before the "bodily injury" or "property damage" occurs.

Designated Locations:

All locations listed in Item 3. of the Common Policy Declarations or in any Master Pac Account Exposure Endorsement included in this policy.

PROVISIONS

1. The General Aggregate Limit (Other Than Products-Completed Operations) shown in the Declarations is replaced by the Limits of Insurance shown in the Schedule – Limits of Insurance And Designated Projects And Locations.
2. The following replaces Paragraph 1. of SECTION III – LIMITS OF INSURANCE:
 1. The Limits of Insurance shown in the Declarations or the Schedule – Limits of Insurance And Designated Projects And Locations, whichever apply, and the rules below fix the most we will pay regardless of the number of:
 - a. Insureds;
 - b. Claims made or "suits" brought;

COMMERCIAL GENERAL LIABILITY

- c. Persons or organizations making claims or bringing "suits"; or
- d. "Projects" or "locations".

3. The following replaces Paragraph 2. of SECTION III – LIMITS OF INSURANCE:

- 2. a. The Total Aggregate Limit shown in the Schedule – Limits Of Insurance And Designated Projects And Locations is the most we will pay for the sum of all amounts under the Designated Location Aggregate Limit and all amounts under the General Aggregate Limit. This includes:

- (1) Damages under Coverage A, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard";

- (2) Damages under Coverage B; and

- (3) Medical expenses under Coverage C.

- b. The Designated Project Aggregate Limit shown in the Schedule – Limits Of Insurance And Designated Projects And Locations applies and is further subject to all of the following provisions:

- (1) The Designated Project Aggregate Limit is the most we will pay for the sum of:

- (a) Damages under Coverage A because of "bodily injury" and "property damage" caused by "occurrences"; and

- (b) Medical expenses under Coverage C for "bodily injury" caused by accidents;

that can be attributed only to operations at a single "project".

- (2) The Designated Project Aggregate Limit applies separately to each "project".

- (3) The Designated Project Aggregate Limit does not apply to damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard". Instead, the Products-Completed Operations Aggregate Limit described in Paragraph 3. below applies to such damages.

- (4) The Designated Project Aggregate Limit does not apply to damages

under Coverage B. Instead, the General Aggregate Limit described in Paragraph 2.d. below applies to such damages.

- (5) Any payments made for damages or medical expenses to which the Designated Project Aggregate Limit applies will reduce the Designated Project Aggregate Limit for the applicable "project". Such payments will not reduce the Total Aggregate Limit, the General Aggregate Limit described in Paragraph 2.d. below, the Designated Project Aggregate Limit for any other "project" or the Designated Location Aggregate Limit.

- c. Subject to the Total Aggregate Limit described in Paragraph 2.a. above, the Designated Location Aggregate Limit shown in the Schedule – Limits Of Insurance And Designated Projects And Locations applies and is further subject to all of the following provisions:

- (1) The Designated Location Aggregate Limit is the most we will pay for the sum of:

- (a) Damages under Coverage A because of "bodily injury" and "property damage" caused by "occurrences"; and

- (b) Medical expenses under Coverage C for "bodily injury" caused by accidents;

that can be attributed only to operations at a single "location".

- (2) The Designated Location Aggregate Limit applies separately to each "location".

- (3) The Designated Location Aggregate Limit does not apply to damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard". Instead, the Products-Completed Operations Aggregate Limit described in Paragraph 3. below applies to such damages.

- (4) The Designated Location Aggregate Limit does not apply to damages under Coverage B. Instead, the General Aggregate Limit described in

COMMERCIAL GENERAL LIABILITY

Paragraph 2.d. below applies to such damages.

- (5) Any payments made for damages or medical expenses to which the Designated Location Aggregate Limit applies will reduce:

- (a) The Total Aggregate Limit; and
- (b) The Designated Location Aggregate Limit for the applicable "location".

Such payments will not reduce the General Aggregate Limit described in Paragraph 2.d. below, the Designated Project Aggregate Limit or the Designated Location Aggregate Limit for any other "location".

- d. Subject to the Total Aggregate Limit described in Paragraph 2.a. above, the General Aggregate Limit shown in the Schedule – Limits Of Insurance And Designated Projects And Locations applies and is further subject to all of the following provisions:

- (1) The General Aggregate Limit is the most we will pay for the sum of:
 - (a) Damages under Coverage A because of "bodily injury" and "property damage" caused by "occurrences", and medical expenses under Coverage C for "bodily injury" caused by accidents, that cannot be attributed only to operations at a single "project" or a single "location"; and
 - (b) Damages under Coverage B.
- (2) The General Aggregate Limit does not apply to damages for "bodily injury" or "property damage" included in the "products-completed operations hazard". Instead, the Products-Completed Operations Aggregate Limit described in Paragraph 3. below applies to such damages.
- (3) Any payments made for damages or medical expenses to which the

General Aggregate Limit applies will reduce:

- (a) The Total Aggregate Limit; and
- (b) The General Aggregate Limit.

Such payments will not reduce the Designated Project Aggregate Limit for any "project" or the Designated Location Aggregate Limit for any "location".

4. The following replaces Paragraph 3. of SECTION III – LIMITS OF INSURANCE:

3. The Products-Completed Operations Aggregate Limit shown in the Declarations is the most we will pay under Coverage A for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard". Any payments made for such damages will not reduce the Total Aggregate Limit, the General Aggregate Limit, the Designated Project Aggregate Limit for any "project" or the Designated Location Aggregate Limit for any "location".

5. The following is added to the DEFINITIONS Section:

"Location" means any designated location shown in the Schedule – Limits Of Insurance And Designated Projects And Locations that is owned by or rented to you. For the purposes of determining the applicable aggregate limit of insurance, each "location" that includes a premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway or waterway, or by a right-of-way of a railroad, will be considered a single "location".

"Project" means any designated project shown in the Schedule – Limits Of Insurance And Designated Projects And Locations that is away from premises owned by or rented to you and at which you are performing operations pursuant to a contract or agreement. For the purposes of determining the applicable aggregate limit of insurance, each "project" that includes a premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway or waterway, or by a right-of-way of a railroad, will be considered a single "project".

A. BLANKET ADDITIONAL INSURED

The following is added to Paragraph A.1., Who is An Insured, of **SECTION II – COVERED AUTOS LIABILITY COVERAGE**:

Any person or organization who is required under a written contract or agreement between you and that person or organization, that is signed and executed by you before the "bodily injury" or "property damage" occurs and that is in effect during the policy period, to be named as an additional insured is an "insured" for Covered Autos Liability Coverage, but only for damages to which this insurance applies and only to the extent that person or organization qualifies as an "insured" under the Who is An Insured provision contained in Section II.

B. EMPLOYEE HIRED AUTO

1. The following is added to Paragraph A.1., Who is An Insured, of **SECTION II – COVERED AUTOS LIABILITY COVERAGE**:

An "employee" of yours is an "insured" while operating a covered "auto" hired or rented under a contract or agreement in an "employee's" name, with your permission, while

performing duties related to the conduct of your business.

2. The following replaces Paragraph b. in B.5., Other Insurance, of **SECTION IV – BUSINESS AUTO CONDITIONS**:

- b. For Hired Auto Physical Damage Coverage, the following are deemed to be covered "autos" you own:

- (1) Any covered "auto" you lease, hire, rent or borrow; and
- (2) Any covered "auto" hired or rented by your "employee" under a contract in an "employee's" name, with your permission, while performing duties related to the conduct of your business.

However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

C. EMPLOYEES AS INSURED

The following is added to Paragraph A.1., Who is An Insured, of **SECTION II – COVERED AUTOS LIABILITY COVERAGE**:

COMMERCIAL AUTO

Any "employee" of yours is an "insured" while using a covered "auto" you don't own, hire or borrow in your business or your personal affairs.

D. SUPPLEMENTARY PAYMENTS – INCREASED LIMITS

1. The following replaces Paragraph A.2.a.(2) of **SECTION II – COVERED AUTOS LIABILITY COVERAGE**:

(2) Up to \$3,000 for cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.

2. The following replaces Paragraph A.2.a.(4) of **SECTION II – COVERED AUTOS LIABILITY COVERAGE**:

(4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to \$500 a day because of time off from work.

E. TRAILERS – INCREASED LOAD CAPACITY

The following replaces Paragraph C.1. of **SECTION I – COVERED AUTOS**:

1. "Trailers" with a load capacity of 3,000 pounds or less designed primarily for travel on public roads.

F. HIRED AUTO PHYSICAL DAMAGE

The following is added to Paragraph A.4., Coverage Extensions, of **SECTION III – PHYSICAL DAMAGE COVERAGE**:

Hired Auto Physical Damage Coverage

If hired "autos" are covered "autos" for Covered Autos Liability Coverage but not covered "autos" for Physical Damage Coverage, and this policy also provides Physical Damage Coverage for an owned "auto", then the Physical Damage Coverage is extended to "autos" that you hire, rent or borrow subject to the following:

(1) The most we will pay for "loss" to any one "auto" that you hire, rent or borrow is the lesser of:

(a) \$50,000;

(b) The actual cash value of the damaged or stolen property as of the time of the "loss"; or

(c) The cost of repairing or replacing the damaged or stolen property with other property of like kind and quality.

(2) An adjustment for depreciation and physical condition will be made in determining actual cash value in the event of a total "loss".

(3) If a repair or replacement results in better than like kind or quality, we will not pay for the amount of betterment.

(4) A deductible equal to the highest Physical Damage deductible applicable to any owned covered "auto".

(5) This Coverage Extension does not apply to:

(a) Any "auto" that is hired, rented or borrowed with a driver; or

(b) Any "auto" that is hired, rented or borrowed from your "employee".

G. PHYSICAL DAMAGE – TRANSPORTATION EXPENSES – INCREASED LIMIT

The following replaces the first sentence in Paragraph A.4.a., Transportation Expenses, of **SECTION III – PHYSICAL DAMAGE COVERAGE**:

We will pay up to \$60 per day to a maximum of \$1,500 for temporary transportation expense incurred by you because of the total theft of a covered "auto" of the private passenger type.

H. AUDIO, VISUAL AND DATA ELECTRONIC EQUIPMENT – INCREASED LIMIT

Paragraph C.1.b. of **SECTION III – PHYSICAL DAMAGE COVERAGE** is deleted.

I. WAIVER OF DEDUCTIBLE – GLASS

The following is added to Paragraph D., Deductible, of **SECTION III – PHYSICAL DAMAGE COVERAGE**:

No deductible for a covered "auto" will apply to glass damage if the glass is repaired rather than replaced.

J. PERSONAL PROPERTY

The following is added to Paragraph A.4., Coverage Extensions, of **SECTION III – PHYSICAL DAMAGE COVERAGE**:

Personal Property Coverage

We will pay up to \$400 for "loss" to wearing apparel and other personal property which is:

(1) Owned by an "insured"; and

(2) In or on your covered "auto".

This coverage only applies in the event of a total theft of your covered "auto".

No deductibles apply to Personal Property coverage.

COMMERCIAL AUTO

K. AIRBAGS

The following is added to Paragraph B.3., Exclusions, of SECTION III – PHYSICAL DAMAGE COVERAGE:

Exclusion 3.a. does not apply to "loss" to one or more airbags in a covered "auto" you own that inflate due to a cause other than a cause of "loss" set forth in Paragraphs A.1.b. and A.1.c., but only:

- a. If that "auto" is a covered "auto" for Comprehensive Coverage under this policy;
- b. The airbags are not covered under any warranty; and
- c. The airbags were not intentionally inflated.

We will pay up to a maximum of \$1,000 for any one "loss".

L. AUTO LOAN LEASE GAP

The following is added to Paragraph A.4., Coverage Extensions, of SECTION III – PHYSICAL DAMAGE COVERAGE:

Auto Loan Lease Gap Coverage for Private Passenger Type Vehicles

In the event of a total "loss" to a covered "auto" of the private passenger type shown in the Schedule or Declarations for which Physical Damage Coverage is provided, we will pay any unpaid amount due on the lease or loan for such covered "auto" less the following:

- (1) The amount paid under the Physical Damage Coverage Section of the policy for that "auto"; and

(2) Any:

- (a) Overdue lease or loan payments at the time of the "loss";
- (b) Financial penalties imposed under a lease for excessive use, abnormal wear and tear or high mileage;
- (c) Security deposits not returned by the lessor;
- (d) Costs for extended warranties, Credit Life Insurance, Health, Accident or Disability Insurance purchased with the loan or lease; and
- (e) Carry-over balances from previous loans or leases.

M. BLANKET WAIVER OF SUBROGATION

The following replaces Paragraph A.5., Transfer Of Rights Of Recovery Against Others To Us, of SECTION IV – BUSINESS AUTO CONDITIONS:

5. Transfer Of Rights Of Recovery Against Others To Us

We waive any right of recovery we may have against any person or organization to the extent required of you by a written contract executed prior to any "accident" or "loss", provided that the "accident" or "loss" arises out of the operations contemplated by such contract. The waiver applies only to the person or organization designated in such contract.

PROVISIONS

1. The following is added to Paragraph A.1.c., Who is An Insured, of SECTION II – COVERED AUTOS LIABILITY COVERAGE:

This includes any person or organization who you are required under a written contract or agreement between you and that person or organization, that is signed by you before the "bodily injury" or "property damage" occurs and that is in effect during the policy period, to name as an additional insured for Covered Autos Liability Coverage, but only for damages to which this insurance applies and only to the extent of that person's or organization's liability for the conduct of another "insured".

2. The following is added to Paragraph B.6., Other Insurance of SECTION IV – BUSINESS AUTO CONDITIONS:

Regardless of the provisions of paragraph a. and paragraph d. of this part 5. Other Insurance, this insurance is primary to and non-contributory with applicable other insurance under which an additional insured person or organization is the first named insured when the written contract or agreement between you and that person or organization, that is signed by you before the "bodily injury" or "property damage" occurs and that is in effect during the policy period, requires this insurance to be primary and non-contributory.

RESOLUTION - ACTION REQUESTED 2022-271

MEETING: May 3, 2022

TO: The Board of Supervisors

FROM: Shannon Hansen, Director of Public Works & Transportation

RE: Authorize Public Works Director to Waive the Encroachment Fee of \$150 for the Annual Farmers Market

RECOMMENDATION AND JUSTIFICATION:

Authorize the Public Works and Transportation Director to Waive the Encroachment Permit Fee of \$150 for the Annual Farmers Market.

The Farmers Market begins May 18, 2022 through October 26, 2022 from 5:00 pm to 6:30 pm every Wednesday in the parking lot of 5029 Stroming Road.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The Board has waived Encroachment Fees for this event in the past. The local farmers market is beneficial to the residents of Mariposa to have fresh quality food to purchase from our local growers as well as a place for our non-profits, health department and other organizations to share knowledge with our community to promote healthy eating and lifestyle activities.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Do not approve, the farmers market will not take place.

April 6, 2022

Dear Board,

On behalf of the Mariposa Certified Farmers' Market, I am requesting that you please waive the fee for the use of the parking lot at 5029 Stroming Road in Mariposa for the use of our farmers' market.

We feel that having a local farmers market is beneficial to our family, friends and guests visiting the area. It also is a great source of support for our local economy as most vendors are either from Mariposa, Merced or Madera counties. To have fresh, local, quality food to purchase is a huge plus for our community and so many customers look forward to the return of the market every year. The market is also a great place for our local non-profits, health department and other organizations to share their knowledge with our community.

Thank you very much for your consideration,

Lauren Glikin

MARIPOSA COUNTY

Sheriff's Office • 209 966-3615

RESOLUTION - ACTION REQUESTED 2022-272

MEETING: May 3, 2022

TO: The Board of Supervisors

FROM: Jeremy Briese, Sheriff

RE: Amendment to Network Communications International Corp. (NCIC)
Inmate Telephone Service Agreement

RECOMMENDATION AND JUSTIFICATION:

Approve the First Amendment to an Agreement for Inmate Telephone Service with NCIC to Install and Maintain an Inmate Communication Operating System; and Authorize the Board of Supervisors Chair to Sign the Amendment.

This amendment is for an updated Exhibit A- Rate Fees and Commissions. This rate change is due to a ruling by the Public Utilities Commission lowering Mariposa County Adult Detention Facilities commission rates.

On September 25th, 2020 Legacy Inmate Communications relinquished all inmate communications contracts in California to NCIC. NCIC has been providing all inmate communications for the Mariposa County Adult Detention Facility since that time.

In addition to being interested in pursuing a financially successful partnership, the Sheriff's Office has been interested in pursuing digital visitation to enhance the existing in-person visitation. Digital inmate visitation has been trending in the industry and has obvious benefits to the inmate population, their families as well as government. NCIC will provide tablets in conjunction with the existing kiosks to facilitate digital visitation, messaging and educational programs to the inmate population. This will allow for a higher level of communications access and programming for the inmate population.

Per California Penal Code section 4015 the revenue generated by the Inmate Communications System is used to support Inmate Services and will be deposited into the Mariposa County Inmate Welfare Fund (361).

Penal Code Section 4025 (d) directs where the money, refund, rebates, or commission received from a telephone company or pay telephone provider will be deposited when the commission is attributable to the use of a pay telephones which are primarily used by inmate while incarcerated.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The Board of Supervisors typically supports the Sheriff's Office direction specific to identifying successful providers of services to Jail functions.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Mariposa County could elect to not renew the contract with the current vendor reducing the level of service being provided for the inmates. This would cause a hardship for inmate communications.

FINANCIAL IMPACT:

No negative financial impact; Agreement generates revenue for Inmate Welfare Fund 361, which by statute is controlled by the Sheriff.

WITNESSETH

Whereas, Subscriber is the governmental or private entity responsible for the management, supervision, custody, protective care and control of 1) inmates housed in the following jail(s) and/or prison(s):

Mariposa County Jail
5379 CA-49,
Mariposa, CA 95338

(the jail(s) and/or prison(s) are referred to in this Agreement as the "Facility" or "Facilities") and 2) all buildings, grounds, property and matters connected with the Facility or Facilities.

Whereas, Provider is qualified and willing to provide Subscriber inmate telephone, video visitation, inmate tablets and related communication services

Now, therefore, in consideration of the mutual benefits to be derived hereby, Subscriber and Provider do hereby agree as follows:

I. TERM

(A). This Agreement shall begin on the Effective Date and continue in full force and effect for a period of three (3) years from such date ("Initial Term") and will automatically renew under the same terms and conditions for two (2) renewal options of one (1) year each, upon mutual Agreement of the Parties.

II. TERMINATION

Subscriber may terminate this Agreement by sending written notice of termination to Provider, and Provider must receive the written notice no later than ninety (90) days prior to the date the Initial Term ends. Provider shall have the right to terminate this Agreement pursuant to the provisions of Paragraph VI(J).

III. INMATE TELEPHONE SYSTEM

A. Installation of Inmate Telephone System

Provider shall provide to the Subscriber, at no cost, a fully operational, local and long distance, secure and reliable Inmate Telephone System (ITS) to be installed at the Facility. The ITS provided to Subscriber shall include all equipment, installation, infrastructure and network, training, operation, and ongoing repairs and maintenance of the entire system and its components which, at a minimum, shall meet Subscriber's requirements and be in compliance with any industry standard.

B. Provider's Responsibilities

Provider shall be responsible for the following with regard to the ITS:

1. Adhering to any and all municipal, state or federal requirements for ITS installation, certification, training or registration during the life of the agreement;
2. Complying with all FCC regulatory requirements and any other requirements imposed by local, state and federal regulatory agencies for all ITS and related services provided throughout the duration of the agreement;
3. Making all ITS modifications necessary to allow inmates to place calls in compliance with any industry dialing requirement change(s) at no cost to Subscriber;
4. Complying with and updating the ITS for any regulatory changes and requirements during the life of the Agreement. These changes include federal, state or local municipal regulatory changes. These changes shall be made within a reasonable time frame at no cost to Subscriber;
5. Providing a comprehensive ITS that will allow for collect, prepaid collect and debit calls for local, Intralata/intrastate, interlata/intrastate, interlata/interstate, and international calls;
6. Providing an ITS which includes, but is not limited to, system infrastructure, network, database, servers, new call processors, digital and analog communications circuits, telecommunications capabilities, monitoring and recording functionality, and any additional required system functionality;
7. Installing new inmate telephone equipment at all included Facilities and any required station cabling as determined necessary;
8. Providing systems and equipment that support the Facility's or Facilities' call monitoring/security needs, including terminals and digital recording equipment as determined necessary;
9. Providing a centralized database which shall contain all data elements necessary for provision of monitoring services, reporting and historical call transaction information;
10. Providing personnel to include field repair/site technicians to perform oversight, operational assistance and preventative maintenance/repair to the ITS and equipment;
11. Providing ongoing maintenance, repair, and/or replacement and/or upgrades of all equipment and systems as determined necessary to ensure adequate service delivery;
12. Providing all required training and instructional materials required for use of the telephone services as applicable to inmates, families, and/or Facility staff; and

13. Providing all related support services not otherwise indicated herein.

C. ITS Installation

As part of the installation process of the ITS at the Facility, Provider shall:

1. Provide all required materials, equipment, hardware, software and station cabling (where re-using existing station cabling is unavailable or new locations are required) for installation and maintenance of the ITS;
2. Wherever possible, Provider shall re-use existing station cabling installed at each Facility for the telephone instruments. In cases where existing station cabling cannot be used, Provider shall install new station cabling (Category 3 minimum) at no cost. Any new cabling shall include wall plate, cross connection, patch cords, etc. as required. Provider shall comply with all applicable electrical codes;
3. Comply with the security guidelines on institutional security policies; and
4. Provide all coordination required with any local bandwidth provider and other carriers during installation and for the duration of the Agreement.

D. ITS System Functionality

The ITS installed by Provider shall have the following functions:

1. A system fully supported by an infrastructure which has the capability to provide specified services such as secure and real-time monitoring of telephone calls;
2. Security features which prevent unauthorized individuals from accessing any information held by Provider;
3. Secured access to the system and the database for Subscriber's authorized users;
4. Complete support of all systems and software necessary to ensure provision of services at all times for the duration of the Agreement.; and
5. An automated announcement function capable of processing calls on a selective bi-lingual basis: English and Spanish.

E. Ownership of Inmate Telephone Equipment

Throughout the term of the Agreement, Provider shall own all systems and equipment installed at the Facility and shall conduct all maintenance, repairs, upgrades and replacement to systems and equipment at no cost to Subscriber. Provider and Subscriber agree that at no time shall any of the systems and equipment installed at the Facility become a fixture such that it becomes a part of the real property where the Facility is located. Provider and Subscriber agree that all systems and equipment installed at the Facility will remain personal property owned by Provider.

F. Responsibilities of Subscriber

Subscriber shall be responsible for the following:

1. Obtaining all necessary written consents from any other governmental or private entity for Provider and/or its subcontractors to:

- a. Access any part of the Facility deemed necessary by Provider;
 - b. Perform any and all work necessary to install, repair, replace, or remove the ITS and its components; and
 - c. Perform any contractual duty imposed on Provider in this Agreement.
2. Supplying Provider and/or its subcontractors with security guidelines on institutional security policies;
3. Providing security, where needed, to Provider's employees and/or contractors during the installation, replacement, maintenance, or removal of the ITS and its components;
4. Properly accounting for the commissions received under this Agreement to any other necessary governmental or private entity; and
5. Providing prompt notice to Provider of any damage, defect, or needed repair to the VVS or any of its components.

G. ITS Commission Payment to Subscriber

Provider will forward a monthly payment to Subscriber on or about the 30th day starting after the initial traffic month to allow for a billing cycle to complete. Such payment shall be equal to Sixty Five Percent (**65%**) of gross call revenue to Provider originating from the Facility, net of federal, state and local taxes, pre-paid account fees, billing statement fees, approved free calls and any other cost recovery mechanism(s). The details regarding payments and revenue-share are provided within **Attachment A – Rates, Fees and Commissions** of this Agreement. Provider and Subscriber agree that in the event that rates and fees are decreased as mandated by any local, state, or federal agency that adversely affects Provider's profitability under this Agreement, Provider and Subscriber shall engage in good-faith discussions regarding adjustment of the contractual terms, which may involve a decrease in ITS commission payments to Subscriber in such a manner that allows for the Agreement to be profitable for Provider and mutually beneficial for Provider and Subscriber. Monthly revenue statements will be provided to Subscriber for commission payments based on gross revenue upon request.

H. Equipment Service & Maintenance

With regard to the ITS, Provider shall provide fully functional equipment to support service delivery as specified herein at all designated Facilities in regards to all labor, materials, service hardware and/or software. Provider shall further warrant that any ITS equipment installed for Subscriber shall be free of defects, irregularities, code violations and shall operate as designed and proposed or negotiated. Time is of the essence in completing emergency and other service repairs or replacements. Thus, Provider is required to meet all response times as required by the Facility to return the system to normal operating status. In the event of extraordinary obstacles to service delivery for which Provider exceeds the time-to-service requirement, notification and a detailed plan of service shall be provided to the Facility, and Subscriber shall accept the detailed plan of service.

IV. VIDEO VISITATION SYSTEM

A. Installation of Video Visitation System

Provider shall provide to Subscriber, at no cost, a fully operational, secure and reliable Video Visitation System (VVS) to be installed at the Facility. The VVS shall, depending on the requirements of Subscriber, be capable of completing both on-site (standard) and off-site (remote) visitation sessions, as well as a range of complementary inmate applications such as secure inmate messaging, inmate tickets, and access to

third-party applications based on the preferences and allowances of Subscriber. The VVS installed by Provider shall include all equipment, installation, infrastructure and network, training, operation, and ongoing repairs and maintenance of the entire system and its components which, at a minimum, shall meet Subscriber's requirements and be in compliance with any industry standard.

B. Provider's Responsibilities

Provider shall be responsible for the following with regard to the VVS:

1. Adhering to any and all municipal, state or federal requirements for VVS installation, certification, training or registration during the life of the agreement;
2. Complying with all FCC regulatory requirements and any other requirements imposed by local, state and federal regulatory agencies for all VVS and related services provided throughout the duration of the agreement;
3. Making all VVS modifications necessary to allow inmates to participate in VVS sessions in compliance with any industry requirement change(s) at no cost to Subscriber;
4. Complying with and updating the VVS for any regulatory changes and requirements during the life of the Agreement. These changes include federal, state or local municipal regulatory changes. These changes shall be made within a reasonable time frame at no cost to Subscriber;
5. Providing a comprehensive VVS that will allow for on-site and off-site visitation services based on the needs of Subscriber;
6. Providing a VVS which includes, but is not limited to, system infrastructure, network, database, servers, new visitation processors, communications circuits, visitation monitoring and recording functionality, and any additional required system functionality;
7. Installing new video visitation equipment at all included Facilities and any required station cabling as determined necessary;
8. Providing systems and equipment that support the Facility's or Facilities' visitation monitoring/security needs, including visitation terminals and digital recording equipment as determined necessary;
9. Providing a centralized database which shall contain all data elements necessary for provision of monitoring services, reporting and historical visitation transaction information;
10. Providing personnel to include field repair/site technicians to perform oversight, operational assistance and preventative maintenance/repair to the VVS system and equipment;
11. Providing ongoing maintenance, repair, and/or replacement and/or upgrades of all equipment and systems as determined necessary to ensure adequate service delivery;
12. Providing all required training and instructional materials required for use of the video visitation services as applicable to inmates, families, and/or Facility staff; and
13. Providing all related support services not otherwise indicated herein.

C. VVS Installation

As part of the VVS installation process at the Facility, Provider shall:

1. Provide all required materials, equipment, hardware, software and station cabling (where re-use is unavailable or new locations are required) for installation and maintenance of the VVS;
2. Wherever possible, re-use existing station cabling installed at each Facility for the visitation stations. In cases where existing station cabling cannot be used, Provider shall install new station cabling at no cost. Any new cabling shall include wall plate, cross connection, patch cords, etc. as required. Provider shall comply with all applicable electrical codes;
3. Provider shall comply with the security guidelines on institutional security policies.
4. Provider shall provide all coordination required with any local bandwidth provider and other carriers during installation and for the duration of the Agreement; and
5. Ensure that informational flyers, placards or other media is provided to inmates and visitors showing VVS use instructions, rate information and any other information deemed essential to the utilization of the VVS.

D. VVS System Functionality

The VVS installed by Provider at the Facility shall have the following functions:

1. The VVS will be suitable for a correctional environment, sturdy, tamper-resistant, and will provide high-quality, stereo audio and broadcast-quality video;
2. The VVS shall be capable of completing on-site visitation sessions at no cost to the general public or inmate; however, Provider will charge a per-minute rate for any off-site (remote) visitation sessions connected;
3. Provider shall provide remote access to Subscriber's authorized users for the purpose of managing inmate visitation profiles, monitoring visitation sessions, applying visitation restrictions and managing visitation scheduling;
4. The VVS shall allow Subscriber's authorized users to remotely shut down and/or disable an individual inmate visitation station or group of visitation stations quickly and selectively without affecting other visitation stations. Further, the VVS shall be capable of limiting the length of a video visitation session, providing service at certain designated times of the day/week/month, and allowing a maximum number of video visitation sessions per inmate per week or month;
5. The VVS shall include a web-based scheduling application that allows visitors (public and professional) to register, schedule, fund and/or cancel standard and remote visitation sessions using an internet browser and internet connection; and
6. The VVS shall fully monitor and record all visitation sessions, unless there are restrictions that prohibit the recording and monitoring of certain sessions, such as privileged attorney-client communications.

E. Ownership of Video Visitation Equipment

Throughout the term of the Agreement, Provider shall own all systems and equipment installed at the Facility and shall conduct all maintenance, repairs, upgrades and replacement to systems and equipment at no cost to Subscriber. Provider and Subscriber agree that at no time shall any of the systems and equipment installed at the Facility become a fixture such that it becomes a part of the real property where the Facility is located. Provider and Subscriber agree that all systems and equipment installed at the Facility will remain personal property owned by Provider

F. VVS Commission Payment to Subscriber

Provider will forward a monthly payment to Subscriber on or about the 30th day starting after the initial traffic month to allow for a billing cycle to complete. Such payment shall be equal to Twenty Five Percent (**25%**) of gross remote visitation session revenue associated with remote visitation originating from the Facility, net of federal, state and local taxes, pre-paid account fees, approved free visitation sessions and any other cost recovery mechanism(s). It is understood that on-site (standard) visitation is typically provided at no cost to inmates and their friends or family. The agreed-upon rates for off-site (remote) visitation sessions are referenced in **Attachment A – Rates, Fees and Commissions** of this Agreement. Provider and Subscriber agree that in the event that rates and fees are decreased as mandated by any local, state, or federal agency that adversely affects Provider's profitability under this Agreement, Provider and Subscriber shall engage in good-faith discussions regarding adjustment of the contractual terms, which may involve a decrease in VVS commission payments to Subscriber in such a manner that allows for the Agreement to be profitable for Provider and mutually beneficial for Provider and Subscriber. Monthly revenue statements will be provided to Subscriber for commission payments based on gross revenue upon request.

G. Responsibilities of Subscriber

Subscriber shall be responsible for the following:

1. Obtaining all necessary written consents from any other governmental or private entity for Provider and/or its subcontractors to:
 - a. Access any part of the Facility deemed necessary by Provider;
 - b. Perform any and all work necessary to install the VVS and its components; and
 - c. Perform any contractual duty imposed on Provider in this Agreement.
2. Supplying Provider and/or its subcontractors with security guidelines on institutional security policies;
3. Providing security, where needed, to Provider's employees and/or contractors during the installation, replacement, maintenance, or removal of the VVS and its components;
4. Properly accounting for the commissions received under this Agreement to any other necessary governmental or private entity; and
5. Providing prompt notice to Provider of any damage, defect, or needed repair to the VVS or any of its components.

H. Equipment Service & Maintenance

With regard to the VVS, Provider shall provide equipment to support service delivery as specified herein at all designated Facilities that are fully functional with regard to all labor, materials, service hardware and/or software. Provider shall further warrant that any VVS equipment installed for Subscriber shall be free of defects, irregularities, code violations and shall operate as designed and proposed or negotiated. Time is of the essence in completing emergency and other service repairs or replacements. Thus, Provider is required to meet all response times as required by the Facility to return the system to normal operating status. In the event of extraordinary obstacles to service delivery for which Provider exceeds the time-to-service requirement, notification and a detailed plan of service shall be provided to the Facility, and Subscriber shall accept the detailed plan of service.

V. INMATE TABLET SYSTEM

A. Provision of Inmate Tablet System

Provider shall provide an Inmate Tablet System designed to provide tablet computers (the "Inmate Tablet") that securely introduce a range of applications and services on each Inmate Tablet to the inmate population at Subscriber's Facility of Facilities. Applications and services on the Inmate Tablet may include educational content, communications services (e.g. inmate calling, inmate messaging and video visitation), entertainment options, religious services and access to approved third-party services. Subscriber shall be solely responsible for approving each application, program, or service on each Inmate Tablet provided to the inmate population at the Facility.

B. Provider's Responsibilities

Provider shall be responsible for the following with regard to the Inmate Tablet System:

1. Adhering to any and all municipal, state or federal requirements for Inmate Tablet installation, certification, training or registration during the life of the agreement;
2. Complying with all FCC regulatory requirements and any other requirements imposed by local, state and federal regulatory agencies for all Inmate Tablets and related services provided throughout the duration of the agreement;
3. Making all Inmate Tablet modifications necessary to allow inmates to utilize tablets in compliance with any industry requirement(s) at no cost to Subscriber;
4. Complying with and updating the Inmate Tablets for any regulatory changes and requirements during the life of the Agreement. These changes include federal, state or local municipal regulatory changes. These changes shall be made within a reasonable time frame at no cost to Subscriber;
5. Providing a comprehensive Inmate Tablet solution that will allow for a range of inmate communication, educational, and facility service applications based on the requirements and approval of Subscriber;
6. Providing a comprehensive Inmate Tablet solution including, but not limited to, system infrastructure, network, database, servers, telecommunications capabilities, monitoring and recording functionality, and any additional required system functionality;
7. Installing new Inmate Tablet equipment at all included Facilities and any required station cabling and wireless infrastructure as determined necessary by Subscriber;
8. Providing systems and equipment that support the Facility's or Facilities' Inmate Tablet monitoring/security needs, including wireless infrastructure, Inmate Tablet charging

equipment, proper storage, storage backup, retrieval, and retention of data utilizing equipment supplied by Provider and as determined necessary by Subscriber;

9. Providing a centralized database which shall contain all data elements necessary for provision of monitoring services, reporting and historical Inmate Tablet session transaction information;
10. Providing personnel to include field repair/site technicians to perform oversight, operational assistance and preventative maintenance/repair to the Inmate Tablet system and equipment, as needed;
11. Providing ongoing maintenance, repair, replacement and/or upgrades of all equipment and systems as determined necessary to ensure service delivery;
12. Providing all required training and instructional materials required for use of Inmate Tablet services as applicable to inmates, families, and/or Facility staff, and;
13. Providing all related support services not otherwise indicated herein.

C. Inmate Tablet System Payment

Provider will forward monthly payment to Subscriber on or about the 30th day starting after the initial traffic month to allow for a billing cycle to complete. The agreed-upon rates for all inmate communications services administered through the Inmate Tablets are referenced in **Attachment A – Rates, Fees and Commissions** of this Agreement. Provider and Subscriber agree that in the event that rates and fees are decreased as mandated by any local, state, or federal agency that adversely affects Provider's profitability under this Agreement, Provider and Subscriber shall engage in good-faith discussions regarding adjustment of the contractual terms, which may involve a decrease in Inmate Tablet System commission payments to Subscriber in such a manner that allows for the Agreement to be profitable for Provider and mutually beneficial for Provider and Subscriber. Monthly revenue statements will be provided to Subscriber for commission payments based on gross revenue upon request.

D. Equipment Service & Maintenance

With regard to the Inmate Tablet System, Provider shall provide fully functional equipment to support service delivery as specified herein at all designated Facilities in regards to all labor, materials, service hardware and/or software. Provider shall further warrant that any Inmate Tablet System equipment installed for Subscriber shall be free of defects, irregularities, code violations and shall operate as designed and proposed or negotiated. Time is of the essence in completing emergency and other service repairs or replacements. Thus, Provider is required to meet all response times as required by the Facility to return the system to normal operating status. In the event of extraordinary obstacles to service delivery for which Provider exceeds the time-to-service requirement, notification and a detailed plan of service shall be provided to the Facility, and Subscriber shall accept the detailed plan of service.

E. Responsibilities of Subscriber

Subscriber shall be responsible for the following:

1. Obtaining all necessary written consents from any other governmental or private entity for Provider and/or its subcontractors to:
 - a. Access any part of the Facility or Facilities deemed necessary by Provider; and
 - b. Perform any and all work necessary to install the Inmate Tablet System and its components; and

- c. Perform any contractual duty imposed on Provider in this Agreement;
2. Supplying Provider and/or its subcontractors with security guidelines on institutional security policies;
3. Providing security to Provider's employees and/or contractors during the installation, replacement, maintenance, or removal of the Inmate Tablet System and its components;
4. Properly accounting for the commissions received under this Agreement to any other necessary governmental or private entity; and
5. Providing prompt notice to Provider of any damage, defect, or needed repair to the VVS or any of its components.

VI. MISCELLANEOUS

A. Termination

Either party may terminate this Agreement for cause prior to expiration of the initial term if there is an alleged breach of the term(s) by the offending party. If an alleged breach of this Agreement occurs, the offended party shall provide written notice to the offending party, demanding that the offending party cure said breach within thirty (30) days. The cure period may be extended to a mutually agreeable date up to ninety (90) days if the default cannot be reasonably cured within the specified time and if the defaulting party has begun to cure the default. Notice shall be delivered by certified mail (return receipt requested), by other method of delivery whereby an original signature is obtained, or in-person with proof of delivery.

B. Indemnification

Provider shall be liable, and agrees to be liable for, and shall indemnify, defend and hold Subscriber, its employees, agents, officers, heirs, and assignees harmless from any and all demands, claims, suits, judgments, or damages including court costs and attorney's fees arising out of intentional acts, negligence, or omissions by Provider, or its employees or agents, in the course of the operations of this Agreement. This obligation by Provider to indemnify, defend, and hold Subscriber harmless includes without limitation all costs, expenses, and attorney's fees incurred on account of any demands, claims, suits, judgments, or damages.

Subscriber shall be liable, and agrees to be liable for, and shall indemnify, defend and hold Provider, its employees, agents, officers, heirs, and assignees harmless from any and all demands, claims, suits, judgments, or damages including court costs and attorney's fees arising out of intentional acts, negligence, or omissions by Subscriber, or its employees or agents, in the course of the operations of this Agreement. This obligation by Subscriber to indemnify, defend, and hold Provider harmless includes without limitation all costs, expenses, and attorney's fees incurred on account of any demands, claims, suits, judgments, or damages.

C. Provider's Insurance

Provider agrees to maintain the insurance coverage required to be maintained by Provider and to maintain such insurance in effect at all times during the existence of this Agreement.

D. Assignment

In the event that Provider transfers, sells, or assigns its rights under this agreement, there shall be no required consent by Subscriber to the assignment of this Agreement.

E. Force Majeure

Neither party shall be liable for loss or damage suffered as a result of any delay or failure in performance under this Agreement or interruption of performance resulting directly or indirectly from acts of God, fire, explosions, earthquakes, floods, water, wind, lightning, civil or military authority, acts of public enemy, war, riots, civil disturbances, insurrections, strikes, or labor disputes.

F. Severability

The invalidity or unenforceability of any particular provision of this Agreement shall not affect the other provisions hereof and this Agreement shall be construed in all respects as if such invalid or unenforceable provision was omitted, so long as the material purposes of this Agreement can still be determined and effectuated.

G. Governing Law

This Agreement is executed and entered into in the State of Texas, and shall be construed, performed and enforced in all respects in accordance with the laws, rules and regulations of the State of Texas.

H. No Third-Party Beneficiaries

Except as otherwise expressly provided herein, neither this Agreement, nor any amendment, addendum or exhibit attached hereto, nor term, provision or clause contained therein, shall be construed as being for the benefit of, or providing a benefit to any party not a signatory hereto.

I. Exclusivity and Right of First Refusal

In consideration of compensation and services provided herein, Subscriber grants to Provider the exclusive right to install and maintain telephones and/or inmate communications systems of any type, including the Inmate Telephone System, the Video Visitation System, and the Inmate Tablet System (the "Inmate Communications Systems") within its Facility or on its private property (Location) during the term of this Agreement. Provider and Subscriber have agreed upon specific rates for inmate collect, debit and prepaid collect calls, video visitation sessions, as well as ancillary inmate communications technologies as described in **Attachment A – Rates, Fees and Commissions** of this Agreement.

Except for existing third-party vendors and only until such third-party vendor's contract expires, Subscriber will not allow any products or services that compete with any of those products or services that are or could be supplied by Provider during the term of this Agreement to be, or to remain, installed at Subscriber's Facility, including any present or future Subscriber Facilities. Provider will have the exclusive right to provide those products and services to be installed, implemented, or used at Subscriber's Facility throughout the term of this Agreement, including any renewals and/or extensions of this Agreement, and shall also have the exclusive right to install, monitor, and provide services for any other Inmate Communication Systems, including but not limited to inmate communications, educational or entertainment products or services, deposit kiosk services, tablets, video visitation, inmate electronic messaging, inmate electronic mail, sought by Subscriber to be used, installed, or implemented at the Facility during the term of this Agreement, whether the products or services are for inmates located at Subscriber's Facility or at third-party Facilities owned and/or managed by Subscriber; however, that Provider shall not be obligated to exercise this exclusive right.

J. Circumstances Uncontrollable by Provider

Provider reserves the right to renegotiate or terminate this Agreement upon thirty (30) days written notice upon the occurrence of circumstances outside Provider's control related to the Facilities including, without limitation, 1) changes in rates, regulations, or operations mandated by law; 2) reduction in inmate population or capacity; 3) changes in jail policy or economic conditions; 4) acts of God or actions constituting force majeure, as stated in Paragraph IV(E) above; or 5) actions taken by the Facility that negatively impact the Providers business. Subscriber acknowledges that Provider's provision of the services is subject to certain federal, state or local regulatory requirements and restrictions which are subject to change from time to time and nothing contained herein shall restrict Provider from taking the necessary actions in order to be in compliance with those federal, state, or local regulatory requirements.

K. Suspension of Unused Applications

With regard to applications, software, or products that are licensed to Subscriber such as Voice Biometrics, Call Transcription Services and other features, products or applications licensed as part of the Inmate Telephone System, if the features, products, or applications are not accessed or used within ninety (90) consecutive days, Provider reserves the right to disable such applications and only re-enable such applications when requested.

L. Cooperative Purchasing for other Agencies

Subscriber will permit other County and State agencies to utilize the terms and conditions of this Agreement, offering the prices and the terms and conditions offered herein to other government agencies who wish to participate in a cooperative purchase program with Subscriber's agency, where such cooperative usage will contribute to any volume discounts or incentives for participating agencies. Participating agencies may include the services, purchase and installation, removal, modifications, and maintenance. Other agencies will be responsible for entering into separate Agreements with the Contract and for all payments thereunder.

M. Successors and Assigns

Each of the covenants in this Agreement shall be binding upon and inure to the benefit of the successors and assigns of Provider and Subscriber.

N. Entire Agreement

Unless the parties agree otherwise in a written agreement which specifically identifies this Agreement, including any attachments, by date of execution and signatories, any services requested by Subscriber and any goods, services, or equipment furnished by Provider shall be provided by Provider under the terms of this Agreement. In the event of any conflict between this Agreement and any work order or purchase order, this Agreement shall control. This Agreement supersedes all other agreements, oral or written, previously entered into with respect to the subject matter contained in this Agreement and the transactions which it contemplates, and it contains the entire agreement of the parties, including without limitation all agreements with respect to warranties.

O. Counterpart Execution and Electronic Signatures

This Agreement may be executed in two or more counterparts, each of which will be deemed an original, but all of which together constitute but one and the same instrument. All parties consent to the use of DocuSign or a similar electronic document execution service to take place of a physical signature on this Agreement, and that the electronic signatures will be the same as if physically signed by each party.

P. Further Assurances

The provisions of this Agreement are intended to be self-operative and shall not require further agreement by the parties unless otherwise specifically provided herein. Nonetheless, all parties shall cooperate fully to execute any and all supplementary documents, and to take all additional actions that are consistent with and which may be necessary or appropriate to give full force and effect to the terms of this Agreement.

Q. Dispute Resolution

Prior to the filing of a lawsuit by any party to this Agreement, Provider and Subscriber agree that any disputes between them shall be resolved in the following manner:

- a. The parties shall refer the dispute to a certified mediator in order for the mediator to conduct a mediation of the dispute and attempt to reach a mutual agreement between the parties concerning the dispute. Said mediation shall commence no later than thirty (30) days after the receipt of notice by the other party that mediation of the dispute is requested. The parties shall mediate the dispute in good faith and use all reasonable measures to resolve the dispute. The cost of the mediation shall be divided equally between the parties.
- b. If no timely resolution of the dispute occurs through mediation, any party may demand binding arbitration pursuant to Chapters 171 and 173 of the Texas Civil Practice and Remedies Code only if the parties have previously mediated the dispute.

R. Authority of Signatories

Each of the individuals signing this Agreement have full power and authority to enter into this Agreement on behalf of Provider and Subscriber and to fully bind Provider and Subscriber to the terms of this Agreement.

EXHIBIT A
FIRST AMENDMENT TO THE MARIPOSA COUNTY, CALIFORNIA
INMATE COMMUNICATIONS SERVICE SUBSCRIBER AGREEMENT

This First Amendment ("First Amendment") has an effective date of November 1, 2021 ("First Amendment Effective Date") between Mariposa County Sheriff's Office ("Subscriber"), and Network Communications International Corporation, a Texas Corporation, doing business as NCIC Inmate Communications ("Provider"), with a principal place of business at 607 East Whaley Street, Longview, TX 75601.

WHEREAS On September 01, 2021, Subscriber and Provider entered into an Inmate Communications Service Subscriber Agreement ("Agreement") under which NCIC agreed to install and operate an Inmate Telephone System, Video Visitation System, Tablets and related equipment at Subscriber's Facility, and;

WHEREAS Subscriber and Provider are required to adhere to certain regulations regarding Incarcerated Persons Calling Services ("IPCS") within the State of California as set forth by the California Public Utilities Commission (CPUC), including calling rates and ancillary fees.

Subscriber and Provider desire to amend the Agreement as follows:

1. **ATTACHMENT A – RATES, FEES AND COMMISSIONS** of the Agreement is hereby deleted in its entirety and replaced with the following:

Calling Rates for Incarcerated Persons Calling Services (ICPS) at Subscriber's facility were revised in accordance with the CPUC's requirements effective October 7th, 2021. The Parties agree that in the event that the CPUC allows for ICPS rates of more than \$0.07/Minute for Local and In-State calls, the Parties will negotiate in good faith towards reinstating a commercially feasible contractual revenue-share for Inmate Telephone Service.

Except as set forth in this First Amendment, the Agreement remains in full force and effect, without modification or amendment, and is hereby ratified and confirmed.

IN WITNESS WHEREOF, and intending to be bound as of this First Amendment Effective Date, each of the Parties has caused this First Amendment to be signed by its duly authorized representatives on the date(s) shown below.

MARIPOSA COUNTY

Treasurer-Tax Collector-County Clerk ·

RESOLUTION - ACTION REQUESTED 2022-273

MEETING: May 3, 2022

TO: The Board of Supervisors

FROM: Keith Williams, Treasurer/Tax Collector

RE: Voting System Replacement Funding

RECOMMENDATION AND JUSTIFICATION:

Approve the Second Amendment to an Agreement with the State of California for "Voting System Replacement Contract 2019" Extending the Date to December 31, 2024, for the Purchase of New Voting Equipment; and Authorize the County Clerk to Sign the Second Amendment per State Requirements.

On April 2, 2019 the Board of Supervisors approved an agreement with the State of California in the amount of \$207,000 for voting system replacement (res. no. 2019-175). The State subsequently made additional funding available, dropped the matching fund requirement for counties with less than 50 precincts, increased the funding to \$423,797 and extended the date to 6/30/2022. The Board of Supervisors approved the 1st amendment (res. no 2019-698). The current agreement funded the lease of our current voting system.

The County Clerk is requesting to sign this agreement per State requirement.

This second amendment extends the agreement date to 12/31/2024.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The Board has previously approved grant funding for voting system upgrades.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Not approving the amendment would require the county to amend the current voting system contract in order to claim the remaining funds by June 30th.

FINANCIAL IMPACT:

None

RESOLUTION - ACTION REQUESTED 2019-698

MEETING: December 10, 2019
 TO: The Board of Supervisors
 FROM: Keith Williams, Treasurer/Tax Collector
 RE: Voting System Replacement Funding

RECOMMENDATION AND JUSTIFICATION:

Approve an Amendment to the Agreement with the State of California for "Voting System Replacement Contract 2018" Increasing the Amount by \$216,797 to Purchase New Voting Equipment; and Authorize the Board of Supervisors Chair to Sign the Amended Agreement.

On April 2, 2019 the Board of Supervisors approved an agreement with the State of California in the amount of \$207,000 for voting system replacement (res. no. 2019-175). The State has subsequently made additional funding available and dropped the matching fund requirement for counties with less than 50 precincts. Mariposa County qualifies for the new funding with no matching funds requirement.

Budget adjustments will be made at mid-year.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The Board has previously approved grant funding for voting system upgrades.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Do not approve the agreement and continue to match the state funds for the system upgrade.

FINANCIAL IMPACT:

FY 19/20 budget adjustments will be reflected at mid-year.

RESOLUTION - ACTION REQUESTED 2019-175

MEETING: April 2, 2019

TO: The Board of Supervisors

FROM: Keith Williams, Treasurer/Tax Collector

RE: Voting System Replacement Funding

RECOMMENDATION AND JUSTIFICATION:

Approve an Agreement with the State of California for "Voting System Replacement Contract 2018" (\$207,000) to Purchase New Voting Equipment, and Authorize the Board of Supervisors Chair to Sign the Agreement

Assembly Bill 1824 passed by the State of California in 2018 provided each County funds to replace out dated voting system. On August 28, 2018 the Board of Supervisors approved the purchase of a new voting system for County elections (Res. 2018-426). The budget action for that item included anticipated funding from the State. This agreement will start the process to claim the funds. Funding was included in the 2018-19 budget.

The Board anticipated this agreement with the passage of Resolution 2018-426.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The Board has previously approved grant finding for voting system upgrades.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Do not approve the agreement and pay for the system upgrade with County funds.

FINANCIAL IMPACT:

FY 18/19 activity associated with this agreement was budgeted by a budget action attached to Board Resolution 2018-426. Future activity associated with this agreement will need to be budgeted in future fiscal years.

EXHIBIT A
(Standard Agreement)

SCOPE OF WORK

A. NAME OF PROGRAM

This program shall be known as "Voting System Replacement Contract 2018."

B. PURPOSE OF AGREEMENT

The purpose of this Agreement is to provide the counties within the state of California, as appropriated by Assembly Bill 1824, Chapter 38 (Stats.2018), (Voting System Replacement Contracts), pursuant to California Elections Code sections 19400 and 19402, administered by the Secretary of State, with state funds to reimburse counties for voting system replacement activities subject to the provisions of this Agreement and all requirements of state and federal law, regulations and procedures. Counties who receive the reimbursement of funds under this agreement are subject to the following:

1. Counties may seek reimbursement for payments made pursuant to a purchase agreement, lease agreement, or other contract made after April 29, 2015.
2. The funded activities must belong to one or more of the categories outlined below in Section E – USE OF FUNDS.
3. If a county uses funding provided to it for activities described below in Section E – USE OF FUNDS, #8, and those activities do not result in a voting system certified by the Secretary of State to comply with the California Voting Systems Standards by July 1, 2023, the county shall return the state funding provided for those activities to the State. If the county does not return the funding by June 30, 2024, the State Controller shall withhold any payment to the county in an equivalent amount, as directed by the California Department of Finance.
4. Any voting system purchased or leased by a county for which the county seeks reimbursement from the Secretary of State pursuant to this Agreement and that does not require a voter to directly mark a ballot, must produce a paper version or representation of the voted ballot or of all of the ballots cast on a unit of the voting system. The paper version shall not be provided to the voter but shall be retained by elections officials for use during the one percent manual tally described in Elections Code Section 15360, or any recount, audit, or contest.

C. PROJECT CONTACTS

The program representatives during the term of Agreement will be:

- a. For County: **Keith Williams (209) 966-2007**
- b. For State: **Kathryn Chaney (916) 695-1657**

**EXHIBIT A
(Standard Agreement)****D. MATCHING FUNDS**

Counties may seek reimbursement where the county has spent matching county funds on voting systems replacement activities on a dollar-for-dollar basis, up to the maximum amount of funds allocated for the contract. Matching funds may also include federal funds such as Help America Vote Act (HAVA). **State funds**, such as Voting Modernization Bond Act of 2002 (VMB) **may not** be used as matching funds.

E. USE OF FUNDS

Any Voting Systems Replacement Contract 2018 funds received pursuant to this program shall be used by County only for one or more of the following purposes:

1. New voting systems that have been certified or conditionally approved pursuant to the California Voting Systems Standards (CVSS).
2. Electronic poll books certified by the Secretary of State.
3. Ballot on demand systems certified by the Secretary of State.
4. Vote by mail ballot drop boxes that comply with any applicable regulations adopted by the Secretary of State, including California Code of Regulations (CCR) Title 2, Division 7, Chapter 3, sections 20130-20138.
5. Remote accessible vote by mail systems certified or conditionally approved by the Secretary of State.
6. Telecommunication technologies to facilitate electronic connection, for the purpose of voter registration, between polling places, vote centers, and the office of the county elections official or the Secretary of State's office.
7. Vote by mail ballot sorting and processing equipment.
8. Research and development of a new voting system using only nonproprietary software and firmware with disclosed source code that have not been certified or conditionally approved by the Secretary of State, but that would result in a voting system certified by the Secretary of State to comply with the California Voting Systems Standards, in addition to the following:
 - Manufacturing of the minimum number of voting system units reasonably necessary for either of the following purposes:
 - Testing and seeking administrative approval for the voting system pursuant to Section 19210 to 19214, inclusive.
 - Testing and demonstrating the capabilities of the voting system in a pilot program pursuant to paragraph (2) of subdivision (b) and subdivision (c) of Section 19209.

**EXHIBIT A
(Standard Agreement)**

F. County shall not submit any claim for payment or reimbursement and shall not be entitled to receive payment or reimbursement from State of Voting System Replacement Contract 2018 funds for:

1. The cost of purchasing any motored vehicle;
2. The cost of leasing for more than thirty (30) days of any motored vehicle;
3. The cost of purchasing any real property;
4. The cost of leasing any real property;
5. The cost of promotional items and memorabilia;
6. General purpose equipment, including but not limited to, office equipment and furnishings; modular furniture; telephone networks and component parts that are not for the explicit use of facilitating electronic connections as defined above in Section E – USE OF FUNDS, #6 of this document; and reproduction and printing equipment that is not a component of a voting system, ballot on demand system, or electronic poll book system;
7. General office supplies;
8. Any indirect rate or overhead costs distributed to county administrative support services.

G. DISPOSAL OR SALE OF EQUIPMENT PURCHASED WITH VOTING SYSTEM REPLACEMENT CONTRACT FUNDING

If a county elections officials disposes of voting systems or voting equipment purchased with Voting System Replacement Contract funding:

1. No pre-approval or permission is required by the Secretary of State.
2. Sales should conform to county purchasing procedures. If those do not exist, counties should rely on the State Administrative Manual (SAM Chapter 8600).
3. A solid audit trail should be maintained and include the following:
 - a. All information relevant to valuation.
 - b. Documentation relevant to the source of funding used for the original purchase of the equipment being sold or disposed of.

EXHIBIT A
(Standard Agreement)

- c. Information relevant to the actual sale or disposition, including the date, amount of the actual sale, which equipment was involved (description and inventory numbers) and receipts.
4. Prior to disposing or selling of any voting system or portion thereof, ensure the equipment is formatted so there is no software or firmware remaining on the equipment. All equipment should be taken back to a condition where it is solely a non-functioning piece of hardware.

**EXHIBIT B
(Standard Agreement)**

BUDGET DETAIL AND PAYMENT PROVISIONS

1. Invoicing and Payment

- A. For services satisfactorily rendered, and upon receipt and approval of the invoices submitted with supporting documentation, the State agrees to compensate the Contractor for actual expenditures incurred in accordance with the rates specified herein, which is attached hereto and made a part of this Agreement.
- B. Invoices shall include the Agreement Number and shall be submitted in triplicate not more frequently than monthly in arrears to:

Office of Secretary of State
Attention: Accounts Payable
P.O. Box 944260
Sacramento, CA 94244-2600

Invoices may be submitted via email to AccountsPayable@sos.ca.gov. Please contact Accounts Payable at (916) 653-9165 for any further questions regarding invoices.

2. Budget Contingency Clause

- A. It is mutually agreed that if the Budget Act or a Voting System Replacement Contract Spending Plan amendment of the current year and/or any subsequent years covered under this Agreement does not appropriate sufficient funds for the program, this Agreement shall be of no further force and effect. In this event, the State shall have no liability to pay any funds whatsoever to Contractor or to furnish any other considerations under this Agreement and Contractor shall not be obligated to perform any provisions of this Agreement.
- B. If funding for any fiscal year is reduced or deleted by the Budget Act or a Voting System Replacement Contract Spending Plan amendment for purposes of this program, the State shall have the option to either cancel this Agreement with no liability occurring to the State, or offer an Agreement amendment to Contractor to reflect the reduced amount.

3. Prompt Payment Clause

Payment will be made in accordance with, and within the time specified in Government Code Chapter 4.5, commencing with Section 927.

4. Failure to Properly Claim Maximum Amount of Voting System Replacement Contract Funds

Notwithstanding any provision of Agreement, County shall be entitled to receive only those amounts for fully supported and appropriate claims, which are properly submitted, pursuant to the provisions of Agreement and all applicable state and federal laws, regulations, and procedures.

5. Basis of Claims

Subject to the provisions of Paragraph #9 below, all claims for Voting System Contract Replacement Funds under this program must be based on invoices submitted by the County. All invoices or Agreements that are the subject of any claims must relate directly to expenditures authorized pursuant to Exhibit A – SCOPE OF WORK, Section E – USE OF FUNDS.

**EXHIBIT B
(Standard Agreement)****6. Processing of Claims**

The Secretary of State shall establish the criteria and processes for submitting claims under this Program. Such criteria shall include requirements that all claims:

- A. Contain a face sheet that summarizes each expenditure made by the categories set forth in Exhibit A – SCOPE OF WORK, Section E – USE OF FUNDS;
- B. Include the total amount of the claim;
- C. Identify whether additional claims are expected to be submitted;
- D. Include the hourly charge of any contractor for which a claim is made for their time;
- E. Include signed Contractor Activity Reports, please see sample, which is Exhibit G - CONTRACTOR VOTING SYSTEM REPLACEMENT ACTIVITY REPORT, for each employee and contractor's employee for whom reimbursement for time is being claimed. (Vendors who receive payment from Voting System Replacement Contract funds are required to submit timesheets for any work paid for as time and materials); and
- F. Include a copy of the contract, if the contractor's invoice does not describe the activities undertaken in such a manner that the State can determine whether the activities comply with the provisions of this Agreement.

7. Retroactive Payments

Counties may claim reimbursement for expenses and activities permissible under the terms of this Agreement that occur after April 29, 2015, and before June 30, 2021.

8. Payments of Claims

The Secretary of State shall advise the County of the status of the claim processing within 30 (thirty) days of receipt of the claim. Payments made by the State with respect to any claim shall be sent directly by the State Controller's office to the County.

9. Deadline for Submitting Claims

The deadline for submitting any claim under this program is 30 (thirty) days after the expiration date of this Agreement.

10. Multiple Claims

County can submit multiple claims for Voting Systems Replacement funds authorized above, within the aggregate limit established for County.

11. Documentation to be Submitted

- A. Each claim shall include a cover page that identifies the activity or service in Exhibit A – SCOPE OF WORK and a summary sheet that includes the dollar amount associated with each activity or service for which funds are being sought. Each claim shall also include originals or true copies of all documentation of the payment for which reimbursement is sought, and of the purchase agreement, lease agreement, or other contract pursuant to which the reimbursed payment was made.

**EXHIBIT B
(Standard Agreement)**

- B. The county shall certify to the Secretary of State the source and amount of match funding, including supporting documentation of the source of funding such as a statement of account.
- C. If applicable, approval by the County Board of Supervisors, along with the appropriate County Resolution will be required.

12. Order of Processing

Claims shall be processed by the Secretary of State in order of receipt.

**EXHIBIT D
(Standard Agreement)****SPECIAL TERMS AND CONDITIONS****A. AUDITING**

1. Receipt of Voting System Replacement funds by County indicates agreement, to be reimbursed by the Secretary of State, by first providing matching funds spent on voting system replacement activities described in Exhibit A – SCOPE OF WORK, Section E – USE OF FUNDS, on a dollar-for-dollar basis, up to a maximum amount of funds allocated for the contract, as allocated per county.
2. County shall maintain records in a manner that:
 - a. Accurately reflects fiscal transactions with necessary controls and safeguards;
 - b. Provides complete audit trails, based whenever possible on original documents (purchase orders, receipts, progress payments, invoices, timesheets, cancelled warrants, warrant numbers, etc.);
 - c. Provides accounting data so the costs can readily be determined throughout Agreement period;
 - d. Accurately records and tracks the disposition of all equipment and sensitive property in compliance with 41 CFR 105-71 and the California State Administrative Manual.
3. Records shall be maintained for three (3) years after termination of this Agreement and for at least one (1) year following any audit or final disposition of any disputed audit finding.
4. If the final disposition of any disputed audit finding is determined to be a disallowed cost that the Secretary of State has paid the County, the County shall return to the Secretary of State an amount equal to the disallowance.
5. County shall permit periodic site visits by the Secretary of State, or the Secretary of State's designee or designees, to determine if any Voting System Replacement Contract funds are being used or have been used in compliance with this Agreement and all applicable laws.

B. GENERAL PROVISIONS

1. Voting System Replacement Contract funds can only be used for the purposes for which the Voting System Replacement Contract funds are made.
2. No portion of any Voting System Replacement Contract funds shall be used for partisan political purposes. All contractors providing services are required to sign an agreement, please see Exhibit E – Additional Provisions, to abide by the Secretary of States' policy to refrain from engaging in political activities that call into question the impartiality of the Secretary of State's Office.
3. Proceeds received by the County for the sale of equipment or sensitive property originally purchased by funds shall be deposited in an interest-bearing account and used in accordance with procedures outlined in Exhibit A – SCOPE OF WORK, Section G - DISPOSAL OR SALE OF EQUIPMENT PURCHASED WITH VOTING SYSTEM REPLACEMENT CONTRACT FUNDING. Such sales shall be reported in writing to the Secretary of State within 30 days of completion. Interest earned on funds shall be reported to the Secretary of State within 90 days of the close of each fiscal year. Upon expenditure of these funds and interest earned, County will report such

**EXHIBIT D
(Standard Agreement)**

expenditure to the Secretary of State, along with documentation of such expenditure, including invoices, agreements or other documentation.

4. Funds not claimed by County within thirty (30) days of the end date of this contract, or any funds claimed by a county that are not approved for use by the Secretary of State within one hundred eighty (180) days of the end date of this contract, shall revert to the Secretary of State.
5. If funding for any fiscal year is reduced or deleted by the Budget Act for purposes of this Program, the State shall have the option to either cancel this Agreement with no liability occurring to the State, or offer an Agreement amendment to County to reflect any reduced amount.
6. This Agreement is subject to any restrictions, limitations or conditions enacted or promulgated by the United States Government, or any agency thereof, that may affect the provisions, terms or funding of Agreement in any manner.
7. County warrants by execution of this Agreement, that no person or selling agency has been employed or retained to solicit or secure this contract upon agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by County for the purpose of securing business. For breach or violation of this warranty, the State shall, in addition to other remedies provided by law, have the right to annul this contract without liability, paying only for the value of the work actually performed, or otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee.
8. Nothing contained in this Agreement or otherwise, shall create any contractual relation between the State and any subcontractor or vendor, and no subcontractor shall relieve County of its responsibilities and obligations hereunder. County agrees to be as fully responsible to State for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by County. County's obligation to pay its subcontractors is an independent obligation from the State's obligation to make payments to County. As a result, State shall have no obligation to pay or to enforce the payment of any moneys to any subcontractor or vendor of County.
9. If a county uses funding provided to it for activities described in Exhibit A – SCOPE OF WORK, Section E – USE OF FUNDS, #8, and those activities do not result in a voting system certified by the Secretary of State to comply with the California Voting Systems Standards by July 1, 2023, the county shall return the state funding provided for those activities to the State. If the county does not return the funding by June 30, 2024, the State Controller shall withhold any payment to the county in an equivalent amount, as directed by the California Department of Finance.

**EXHIBIT E
(Standard Agreement)****ADDITIONAL PROVISIONS****Secretary of State Policy Regarding Political Activity in the Workplace****SECRETARY OF STATE POLICY REGARDING POLITICAL ACTIVITY IN THE WORKPLACE**

The Secretary of State is the state's chief elections officer. It is, therefore, imperative that staff in the Secretary of State's Office, and those who contract with the Secretary of State's Office, refrain from engaging in any political activity that might call into question the office's impartiality with respect to handling election issues. Accordingly, the policy of the Secretary of State's Office with respect to political activity in the workplace, a copy of which will be given to every employee in the Secretary of State's office and incorporated as an attachment to contracts with the Secretary of State's Office, is as follows:

- 1) No employee of or contractor with the Secretary of State's Office shall engage in political campaign-related activities on state-compensated or federal-compensated time, except as required by official duties, such as answering inquiries from the public. In those cases where the contractor with the Secretary of State's Office is a county, the term "contractor" shall apply only to county elections office employees, county employees redirected to work temporarily for the county elections office, or any person, firm, company or business that provides reimbursable election-related services to a county elections office in furtherance of a contract. This prohibition shall not apply while an employee is on approved vacation or approved annual leave. This prohibition shall not apply to activities engaged in during the personal time of an employee.
- 2) No employee of or contractor with the Secretary of State's Office shall use any state property in connection with political campaign activities. It is strictly prohibited to schedule political campaign-related meetings or to conduct political campaign-related meetings in state office space, even if after normal working hours.
- 3) No employee of or contractor with the Secretary of State's Office shall use his or her official status with the Secretary of State's Office to influence political campaign-related activities or to confer support for or indicate opposition to a candidate or measure at any level of government.
- 4) No employee of or contractor with the Secretary of State's Office may be involved with political campaign-related telephone calls, letters, meetings or other political campaign-related activities on state-compensated or federal-compensated time. Requests by employees to switch to alternative work schedules, such as 4-10-40 or 9-8-80 work weeks, or to take vacation in order to accommodate political campaign-related activities or to attend political campaign functions, will be judged in the same manner and on the same basis as any other requests of this nature (i.e., existing needs of the office and discretion of the division chiefs).
- 5) The receipt or delivery of political campaign contributions or photocopies thereof on state property is strictly prohibited, as is the use of office time or state resources (e.g., intra-office mail or fax machines) to solicit or transmit political campaign contributions.
- 6) No employee of or contractor with the Secretary of State's Office may authorize any person to use his or her affiliation with the Secretary of State's Office in an attempt to suggest that the employee's or contractor's support or opposition to a nomination or an election for office or a ballot measure is of an "official," as distinguished from private, character.
- 7) No employee of or contractor with the Secretary of State's Office may display political campaign-related buttons, posters, or similar materials in areas visible to individuals who are in public areas of the Secretary of State's Office; nor may an employee of or contractor with the Secretary of State's Office display political campaign-related posters or other materials on windows facing out of the state office building.

**EXHIBIT E
(Standard Agreement)**

- 8) No employee of or contractor with the Secretary of State's Office may use official authority or influence for the purpose of interfering with or attempting to affect the results of an election or a nomination for any public office.
- 9) No employee of or contractor with the Secretary of State's Office may directly or indirectly coerce or solicit contributions from subordinates in support of or in opposition to an election or nomination for office or a ballot measure.
- 10) An employee who is paid either partially or fully with federal funds, including the Help America Vote Act of 2002 (HAVA), is subject to the provisions of the federal Hatch Act, and is, therefore, prohibited from being a candidate for public office in a partisan election, as defined in the federal Hatch Act. However, any employee who is to be paid either partially or fully with funds pursuant to HAVA, shall first be consulted about the proposed funding and be informed about the prohibitions of the federal Hatch Act. The employee, whenever possible, shall be given the opportunity to engage in employment that does not involve HAVA funding.
- 11) Provisions limiting participation in political campaign-related activities as provided for in this policy statement shall be included in every contract with the Secretary of State's Office.

If you have questions concerning these restrictions, please refer them to the Secretary of State Office contact person listed in Exhibit A – SCOPE OF WORK.

RESOLUTION - ACTION REQUESTED 2019-175

MEETING: April 2, 2019
TO: The Board of Supervisors
FROM: Keith Williams, Treasurer/Tax Collector
RE: Voting System Replacement Funding

RECOMMENDATION AND JUSTIFICATION:

Approve an Agreement with the State of California for "Voting System Replacement Contract 2018" (\$207,000) to Purchase New Voting Equipment, and Authorize the Board of Supervisors Chair to Sign the Agreement

Assembly Bill 1824 passed by the State of California in 2018 provided each County funds to replace out dated voting system. On August 28, 2018 the Board of Supervisors approved the purchase of a new voting system for County elections (Res. 2018-426). The budget action for that item included anticipated funding from the State. This agreement will start the process to claim the funds. Funding was included in the 2018-19 budget.

The Board anticipated this agreement with the passage of Resolution 2018-426.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The Board has previously approved grant finding for voting system upgrades.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Do not approve the agreement and pay for the system upgrade with County funds.

FINANCIAL IMPACT:

FY 18/19 activity associated with this agreement was budgeted by a budget action attached to Board Resolution 2018-426. Future activity associated with this agreement will need to be budgeted in future fiscal years.

RESOLUTION - ACTION REQUESTED 2022-260

MEETING: May 3, 2022

TO: The Board of Supervisors

FROM: Rosemarie Smallcombe, District I Supervisor

RE: Resolution of Recognition for Jim Dulcich

RECOMMENDATION AND JUSTIFICATION:

Adopt a Resolution of Recognition for Jim Dulcich for Fifty-Four (54) Years of Service to the Community of Mariposa (Board Chair).

BACKGROUND AND HISTORY OF BOARD ACTIONS:

Jim Dulcich began his volunteer career with Mariposa Volunteer Fire in May of 1968, and has served as a Firefighter since. Staff is recommending that the Board now recognize his service to the community.

The Board of Supervisors has approved similar Resolutions in the past for those who have served in the County.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Do not approve, and the recognition cannot be bestowed.

MARIPOSA COUNTY RESOLUTION NUMBER 2022-

**A RESOLUTION RECOGNIZING JIM DULCICH
FOR HIS OUTSTANDING SERVICE TO THE CITIZENS OF MARIPOSA**

WHEREAS JIM DULCICH began his career in May of 1968 when he was accepted as a member of Mariposa Volunteer Fire and assigned Badge No. 71, and is retiring on May 2, 2022, with a total of fifty-four (54) years of service to the community of Mariposa, in which **JIM** served Mariposa Volunteer Fire Department (VFD), now called Mariposa Public Utility District (MPUD), as a Captain for eight years, Deputy Chief for fourteen years and as a Chief for thirty-one years; and

WHEREAS by agreement between Mariposa Public Utility District (MPUD) and Mariposa County, **JIM** has been a co-member of Mariposa County Fire since its foundation in the 1980's, with a concurrent service of more than three decades; and

WHEREAS, in the mid 1970's, Mariposa Lions Club donated the first Hurst (Jaws of Life) to the County and **JIM** was one of the first trained to use the equipment and has responded to a majority of the traffic collisions through the County ever since; and

WHEREAS the Lions Club donation led to the creation of Squad/Rescue 22, which is a Mariposa County assigned apparatus, tasked with responding to all traffic collisions, structure fires and rescue calls south of the Merced River or as requested; and

WHEREAS the first Squad 22 vehicle was a Hostess delivery truck converted in **JIM's** Garage then donated to the County in the 1970's. Since the beginning, **JIM** has been the primary operator/responder with Squad/Rescue 22; and

WHEREAS JIM has been involved in literally hundreds of successful rescues throughout the County. Events that stand out include but are definitely not limited to, the Rock Fall in Yosemite Valley, the 1997 Flood event, a Merced River rescue of a driver trapped on a car, the Pizza Factory fire, Coulterville fire, Telegraph fire, Detwiler fire, Ferguson fire, and the Jeffery Hotel fire, multiple Hunter Valley fires, a tree climber rescue, a hang glider in a tree rescue, joined with Office of Emergency Services lending a hand to a fire in Malibu as well as many other out of town fires, and along the day-to-day routine, washing the streets for parades, and mitigation of broken water pipes; and

WHEREAS JIM has maintained a strong presence as a business owner, the mainstay of the downtown district. Also supporting local fundraisers, Girl Scout cookie sales and Toys for Tots, to name a few. As a multi generation member of the Community and County, Jim has given more than his share and has been a positive impact to Mariposa County.

NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors of Mariposa County warmly recognizes **JIM DULCICH** for his service to the County and citizens of Mariposa, and he is wished a long and prosperous retirement from firefighting.

RE: Proclaim May 2022 as Mental Health Awareness Month

RECOMMENDATION AND JUSTIFICATION:

Proclaim the Month of May 2022 as "Mental Health Awareness Month"

California's mental health system now empowers people living with mental health challenges and their families to break down stigma and reduce discrimination associated with mental illness. Growing energy around improving our state's mental wellness has generated "**Each Mind Matters**" which is a call to action embraced by thousands of individuals and organizations working together to eliminate stigma and increase awareness of opportunities to live mentally well. Every Californian can participate in this movement by wearing lime green - the color of California's Mental Health Movement - and by pledging to end stigma and discrimination against people with mental health challenges. We call upon the citizens of Mariposa to join the pledge to end mental health stigma and be informed of resources to improve their mental wellness.

SPECIAL COVENANTS OR REMARKS

1. This PROJECT is programmed to receive funding from the State Transportation Improvement Program (STIP). Funding may be provided under one or more components. A component(s) specific fund allocation is required, in addition to other requirements, before reimbursable work can occur for the component(s) identified. Each allocation will be assigned an effective date and identify the amount of funds allocated per component(s).

This PROGRAM SUPPLEMENT has been prepared to allow reimbursement of eligible PROJECT expenditures for the component(s) allocated. The start of reimbursable expenditures is restricted to the later of either 1) the effective date of the Master Agreement, 2) the effective date of the PROGRAM SUPPLEMENT, or 3) the effective date of the component specific allocation.

2. STATE and ADMINISTERING AGENCY agree that additional funds made available by future allocations will be encumbered on this PROJECT by use of a STATE approved Allocation Letter and Finance Letter. ADMINISTERING AGENCY agrees that STATE funds available for reimbursement will be limited to the amount allocated by the California Transportation Commission (CTC) and/or the STATE.
3. Upon ADMINISTERING AGENCY request, the CTC and/or STATE may approve supplementary allocations, time extensions, and fund transfers between components. An approved time extension will revise the timely use of funds criteria, outlined above, for the component(s) and allocation(s) requested. Approved supplementary allocations, time extensions, and fund transfers between components made after the execution of this PROGRAM SUPPLEMENT will be documented and considered subject to the terms and conditions thereof.

Documentation for approved supplementary allocations, time extensions, and fund transfers between components will be a STATE approved Allocation Letter, Fund Transfer Letter, Time Extension Letter, and Finance Letter, as appropriate.

4. This PROJECT will be administered in accordance with the CTC STIP guidelines, as adopted or amended, and the STATE Procedures for Administering Local Grant Projects in the State Transportation Improvement Program (STIP), the Local Assistance Program Guidelines, and the Local Assistance Procedures Manual. The submittal of invoices for project costs shall be in accordance with the above referenced publications and the following.
5. The ADMINISTERING AGENCY shall invoice STATE for environmental & permits, plans specifications & estimate, and right-of-way costs no later than 180 days after the end of last eligible fiscal year of expenditure. For construction costs, the ADMINISTERING AGENCY has 180 days after project completion to make the final payment to the contractor and prepare the final Report of Expenditures and final invoice, and submit to STATE for verification and payment.
6. All obligations of STATE under the terms of this Agreement are subject to the appropriation of resources by the Legislature and the encumbrance of funds under this Agreement. Funding and reimbursement are available only upon the passage

Attachment: NEW_5940147_PSA_UnsignedPSA_ToAgency (LTC-2022-8 : Approve Agreement for Merced Falls Road STIP Project)

SPECIAL COVENANTS OR REMARKS

of the State Budget Act containing these STATE funds.

7. Award information shall be submitted by the ADMINISTERING AGENCY to the District Local Assistance Engineer immediately after the award. Failure to do so will cause delay in processing the invoices for the construction component. As a minimum, the award information should have the following: Project number, project description, PPNO, date the project was advertised, award amount, bid opening date, award date and estimated completion date.
8. This PROJECT is subject to the timely use of funds provisions enacted by Senate Bill 45 (SB 45), approved in 1997, and subsequent CTC guidelines and State procedures approved by the CTC and STATE, as outlined below:

Funds allocated for the environmental & permits, plan specifications & estimate, and right-of-way components are available for expenditure until the end of the second fiscal year following the year in which the funds were allocated.

Funds allocated for the construction component are subject to an award deadline and contract completion deadline. ADMINISTERING AGENCY agrees to award the contract within 6 months of the construction fund allocation and complete the construction or vehicle purchase contract within 36 months of award.

9. ADMINISTERING AGENCY agrees, as a minimum, to submit invoices at least once every six months commencing after the funds are encumbered for each phase by the execution of this Project Program Supplement Agreement, or by STATE's approval of an applicable Finance Letter. STATE reserves the right to suspend future authorizations/obligations for Federal aid projects, or encumbrances for State funded projects, as well as to suspend invoice payments for any on-going or future project by ADMINISTERING AGENCY if PROJECT costs have not been invoiced by ADMINISTERING AGENCY for a six-month period.

If no costs have been invoiced for a six-month period, ADMINISTERING AGENCY agrees to submit for each phase a written explanation of the absence of PROJECT activity along with target billing date and target billing amount.

ADMINISTERING AGENCY agrees to submit the final report documents that collectively constitute a "Report of Expenditures" within one hundred eighty (180) days of PROJECT completion. Failure of ADMINISTERING AGENCY to submit a "Final Report of Expenditures" within 180 days of PROJECT completion will result in STATE imposing sanctions upon ADMINISTERING AGENCY in accordance with the current Local Assistance Procedures Manual.

10. Any State and Federal funds that may have been encumbered for this project are available for disbursement for limited periods of time. For each fund encumbrance the limited period is from the start of the fiscal year that the specific

SPECIAL COVENANTS OR REMARKS

fund was appropriated within the State Budget Act to the applicable fund Reversion Date shown on the State approved project finance letter. Per Government Code Section 16304, all project funds not liquidated within these periods will revert unless an executed Cooperative Work Agreement extending these dates is requested by the ADMINISTERING AGENCY and approved by the California Department of Finance.

ADMINISTERING AGENCY should ensure that invoices are submitted to the District Local Assistance Engineer at least 75 days prior to the applicable fund Reversion Date to avoid the lapse of applicable funds. Pursuant to a directive from the State Controller's Office and the Department of Finance; in order for payment to be made, the last date the District Local Assistance Engineer can forward an invoice for payment to the Department's Local Programs Accounting Office for reimbursable work for funds that are going to revert at the end of a particular fiscal year is May 15th of the particular fiscal year. Notwithstanding the unliquidated sums of project specific State and Federal funding remaining and available to fund project work, any invoice for reimbursement involving applicable funds that is not received by the Department's Local Programs Accounting Office at least 45 days prior to the applicable fixed fund Reversion Date will not be paid. These unexpended funds will be irrevocably reverted by the Department's Division of Accounting on the applicable fund Reversion Date.

11. ADMINISTERING AGENCY agrees to comply with the requirements in 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (applicable to Federal and State Funded Projects).
12. The ADMINISTERING AGENCY shall construct the PROJECT in accordance with the scope of work presented in the application and approved by the California Transportation Commission. Any changes to the approved PROJECT scope without the prior expressed approval of the California Transportation Commission are ineligible for reimbursement and may result in the entire PROJECT becoming ineligible for reimbursement.

RESULT: INFORMATION RECEIVED

Mariposa County Resource Conservation District

FY22/23 Budget Proposal

The mission of the Mariposa County Resource Conservation District is to encourage and facilitate cooperative solutions to local resource conservation issues and problems.

We provide technical, financial and educational resources to meet the needs of the local land-users and partners.

What the RCD Brings

- We have a unique position as a local government entity that is empowered to work with public and private partners to help communities care for the land, air, water, and wildlife.
- We have access to funding only available through us to benefit agencies and residents in Mariposa.
- We are dedicated to providing funding and assistance to organizations and individuals to ensure timely and cost-effective completion of beneficial projects.

MCRCD Benefits

- We secure funds to improve forest and watershed health, reduce the risk of catastrophic wildfire, and ensure responsible management of land and water resources.
- The Integrated Regional Water Management program identifies needs and can access funding to accomplish them.
- We bring jobs and funding to the area for a very low administrative cost.
- As a special district, we can serve as CEQA Lead Agency, and enter into Good Neighbor Authority contracts.

RCD Grants 2017-2022

Projects

- Bootjack Fire Station Water Tank
- Large Landscape Fuels Reduction
 - County Roads
 - Mariposa and Merced Groves
 - Yosemite West, Fish Camp, Wawona
 - MCRCD's recently completed CAL FIRE Forest Health grant removed 9,086 tons of fuel to a cogeneration facility, resulting in enough electricity to power 386 homes for one year.
- Monarch Butterfly habitat restoration

Proposal

Forest Health Program: \$25,000

- Developing a comprehensive Countywide program for Hardening Homes against wildfire with onsite advice and rebates
- Large landscape (>1,000 acres) forest health projects that reduce fuels and protect the Wildland Urban Interface
- Partner with Caltrans and Sierra National Forest for fuels reduction along highways to improve evacuation routes, emergency access, and create a fuel break
- Job training and employment in fields where there is a high demand and ongoing local opportunities (forestry, woodwaste to energy)
- Technical assistance for communities developing their community-specific wildfire protection plans or obtaining FireWise status

Proposal

Watershed Health Program: \$25,000

- Continued access to grants that are only available through the Integrated Regional Water Management program
- Water storage for drought, firefighting and other emergencies
- Water and wastewater system repairs/improvements
- Job training and employment in fields where there is a high demand and ongoing local opportunities (water systems, habitat restoration)

Strategic Goal Support

Safety: 5 initiatives supported

- Implement an updated vegetation management plan
- Expand public education on wildfire prevention and emergency preparedness
- Broaden access to emergency information to include all county areas and populations
- Improve insurance access and affordability
- Expand public preparedness to safely respond to immediate emergencies

Strategic Goal Support

Wellness: 2 initiatives supported

- Support technical training and apprenticeships that address career readiness and specialized skill training
 - Through four forest health and forest resilience grants secured by MCRCDD, jobs for CHIPS native persons crews have been created and expanded. Ten tribal members have put in hundreds of hours gaining experience and income working in Yosemite National Park.
 - Our Monarch Habitat grant created a Pollinator Team for the Southern Sierra Miwuk Nation and is expected to be renewed for 5 years.
- Improve accessibility to the hospital from Highways 49 & 140

Strategic Goal Support

Stewardship:

- Maximize responsible grant funding
 - MCRCD will continue to be available to the County for assistance in writing and managing grants, including grants for water and wastewater systems, fire water storage, and habitat restoration.
 - MCRCD grants have directly contributed almost \$3 million over the last 5 years to County projects

MEETING: May 3, 2022

TO: The Board of Supervisors

FROM: Dallin Kimble, County Administrative Officer

RE: Approve a Request for Qualifications for the Southern Sierra Miwuk Nation Strategic Plan

RECOMMENDATION AND JUSTIFICATION:

Approve a request for qualifications for the Southern Sierra Miwuk Strategic Plan.

Mariposa County and the American Indian Council of Mariposa County, also known as Southern Sierra Miwuk Nation, are prepared to secure the services of a qualified consultant to lead the Miwuk through a strategic planning effort. The strategic plan will use a community participatory model to gather and compile tribal input. This will be used to define the tribes traditional and current values and goals into a guiding document that can be used to strengthen the tribe in future endeavors.

The project is funded by a Community Development Block grant of \$250,000 that has already been awarded and allocated for this purpose.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

RES 2020-255 Approve and submit 2019-2020 Community Development Block Grant applications for strategic planning activities with the Southern Sierra Miwuk Nation, and authorize the board chair to sign all related documents.

RES 2020-259 Subrecipient agreement with the Southern Sierra Miwuk Nation for Community Development Block Grant funds.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Southern Sierra Miwuk Nation Strategic Plan

I. Project Overview

A. Description

The County of Mariposa, in cooperation with the American Indian Council of Mariposa County also known as the Southern Sierra Miwuk Nation is dedicated to improving the lives of the Miwuk tribal membership. The Southern Sierra Miwuk Nation are a federally non-recognized people estimated to include 812 tribal members with 650 formally enrolled, many of whom are very low and low-income persons. County and Tribal leadership wish to assist and empower the Miwuk people in living healthy lives in their future, current and ancestral homelands. Miwuk leadership has been dedicated to their people's health and has upheld ancient cultural ceremonial practices while pursuing federal recognition since 1982. Community partners, including County government wish to assist the Miwuks in their efforts to tribal health and organizational stability and are partnering to initiate a strategic planning effort with the tribe. Preliminary strategic planning efforts by the Miwuks have identified four focus areas: A) Substance abuse and mental health services; B) Education services and negative behavior prevention programs C) Cultural and spiritual connections; D) Food & Clean/Potable Water security and Housing Assistance.

The County and Tribe wish to secure the services of a qualified tribal consultant that will lead the tribe through the strategic planning effort. The Miwuk wish to undertake this effort through a community participatory model and prefer an indigenous consultant with experience performing outreach to rural California native communities. In addition to defining the four focus areas, the tribe has assembled a steering committee and has identified key community outreach typologies tailored for the tribal community. The consultant and steering committee will begin the project by synthesizing current applicable tribal information, selection of appropriate outreach strategies and then draft a planning activity schedule to include, data gathering activities based on selected outreach strategies. Within this overall planning objective, there would be various sub-activities consisting of a series of discussion groups (talking circles) focused on:

- 1) youth issues, elder issues;
- 2) a review of housing options including an assessment of housing conditions for the purpose of considering a housing rehabilitation program, identification of feasible building sites and potential new housing projects;
- 3) a review of current substance abuse and mental health needs, current access to support services and an assessment of ways to improve access to such services;
- 4) analyzing environmental concerns related to water quality, access to sewer systems and food availability;

From these previously listed activities, the hired contractor would synthesize the collected input from the talking circles, gather survey data and data collected from other methods (most likely individual interview notes or literary review). The hired contractor would compile all the planning study information and prepare preliminary findings for review and comment from the steering committee. Thereafter, the preliminary findings would be presented to the Tribal Council and County officials. From this overall input, the hired contractor would draft a final comprehensive action plan for final review and adoption. Most important in the overall planning activities is to firmly include the enhancement of Miwuk tribal spiritual values and preservation of cultural traditions.

The final outcome of the planning program will be to synthesize the values and goals for the tribe and to have a specific assessment of Miwuk tribal values goals and needs, a clear articulation of needed service programs and specific project initiatives to be actively pursued by the Miwuks in cooperation with Mariposa County. The strategic plan will become a road map on the pathway to healing, empowerment and sustainability of the Miwuk tribal membership.

B. Background

Southern Sierra Miwuk

The Southern Sierra Miwuk Nation is composed of a web of families living in their ancestral homeland in and around Mariposa County, which encompasses much of Yosemite National Park. According to the archeological record the Miwuk and their ancestors have been stewarding this land for over 6 thousand years, and from the Miwuk perspective since time immemorial. Miwuk walk today in the footsteps of their ancestors, sing their ancestors songs and honor this land and their people through ancient ceremony and daily labor.

The Miwuk people have close connections to many of the surrounding first nation people including the Tuolumne Miwok, Northfork Mono, Picayune Chukchansi Yokutch, Bridgeport Paiute, Bishop Paiute as well as historic populations of Chowchilla Yokutch and other undocumented bands along the Mariposa Creek and Merced River watersheds.

Like most California Indians the Miwuk suffered devastating losses of life and land through the mission and gold rush eras. Yet the Miwuk survived and persisted in their homelands and are an active community that strives to enhance tribal health and healing. This is best characterized by the day to day familial relations, continual practice of ancient ceremony and the 40 year campaign for federal recognition. The Miwuk started a non-profit in 1972 which became incorporated as a 501c3 in 1993 “*American Indian Council of Mariposa County*” to provide health and social services as well as cultural programming to the inter-tribal community of Mariposa. These services and programs are provided through the tribe’s Miwumati Healing Center for the local indigenous community though a mental health block grant they also participate in the regional Indian health board, (Mariposa, Amador, Calaveras and Tuolumne) MACT health. The Miwuk are engaged in a myriad of cultural and community activities with other organizations including: the Mariposa County Arts Council, Mariposa County Unified School District, Sierra Foothill Conservancy (regional land trust), and Yosemite National Park. This makes for a rich web of connection from ancient past to the future to draw upon.

Mariposa

Rural Mariposa County occupies 1,463 square miles of the Sierra Nevada foothills with a population of 17,420 residents, sitting at the western gateway to Yosemite National Park, which is a major economic driver for the region. The median age is 51 and the median household income is \$48,820. In general, housing throughout Mariposa County is also deficient in both quantity and quality and is dispersed throughout the county in rural areas unconnected to transportation. The County is actively taking steps to better the community from a ground up method of assisting with the development of housing for all

residents and providing services for our disadvantaged communities and residents in general as well as welcoming appropriate economic development from private parties.
The land is rich in native biodiversity and inherent beauty.

II. Related Projects and Information

A. Housing (Mariposa)

The Mariposa County recently (2018) completed a [Housing Program Implementation Strategy](#), which express a range of priority actions needed to take to address systemic issues associated with housing in Mariposa County. Additional essential information related to the County's housing goals and vision are included in the [draft Housing Element](#) of the Mariposa County General Plan (2019) and the [Mariposa County Needs Assessment \(2019\)](#).

III. Anticipated Workflow and Deliverables

The project is anticipated to follow the following workflow, with milestones indicated below. Dates are flexible and will likely change based on selected consultant's recommendations, but the project must be completed by 6/1/2024.

Phase 1: Initiate (Summer 2022)

- Assembly project management team and steering committee, (tribal and county staff have already assembled this group).
- Review data from recent tribal needs assessment, and county community needs assessment.
- Develop community engagement protocols to guide community dialogue approach
 - The Tribe and County are committed to implementing a community participation strategy that effectively includes segments of the community who traditionally do not participate in traditional planning efforts. Specific strategies for achieving this goal will be developed in coordination with the selected consultant team, who will coordinate the to identify approaches and techniques that will be appropriate and effective in our unique community context. However, anticipated baseline strategies will include, individual interviews, talking circles, potluck gatherings, incentivized events based on demographic groups (elders, youth, families etc), large scale banquet event or participation in scheduled tribal events, opportunities for online engagement, and decentralized “meeting in a box” materials.

Phase 2: Explore (Fall 2022)

- Collect community perspectives based on determined engagement protocols from phase one. Based on focus areas of
- Substance abuse and mental health services
- Education services and prevention programs
- Cultural and spiritual connections
- Food & Clean Water security and Housing Assistance
- And subgroups
 - Elder/Family/Youth (community issues)
 - Housing, needs and goals
 - Behavioral Mental Health & Substance Abuse issues
 - Environmental issues, water, food, medicine, earth health

Phase 3: Expand (Winter 2022/2023)

- Continue engagement with alternative tribal voices.
- Synthesis core findings and values from community outreach
- Align findings with best practices for native California tribal communities
- Define tribal needs and goals
- Host community workshop to present findings back to steering committee, tribal members and county leadership.

Phase 4: Express (Spring Summer 2023)

- Consultant will draft strategic plan based on tribal goals, values and present opportunities.
 - Key values, needs and goals will be presented in an accessible easy to read narrative.

- Consultant will include recent legislative and policy opportunities for native Californian community health, indigenous land management as well as educational and economic programs.
- Consultant will include private funding opportunities that will help meet the community objectives.
- Flow charts(pathways) to achieve community values and goals in the four focus areas will be detailed, and should include relationships with partners, funding opportunities, land and housing opportunities and inner tribal empowerment.

Phase 5: Execute (January 2024)

- Produce and adopt final
 - Ultimately, the final deliverable should be a tribal consensus reference point that can be used to look back on history and traditions while moving forward into the future.
 - The recommendations should be able to easily be incorporated into grant opportunities and local, state and regional policy.
 - Adopted by the Southern Sierra Miwuk Tribal Council

IV. Required Submittals

The Southern Sierra Miwuk Nation and County of Mariposa are currently seeking statements of qualifications from interested consultant teams. Responses should be limited to specific discussion of the elements outlined in this RFQ. The intent of this RFP is to encourage responses from teams that have successfully produced similar or compellingly related planning projects in the past, and also have a track record of having those plans implemented as tangible, community improvements. The organization of the proposal should have the following:

1. Transmittal Letter

The transmittal letter should include the name, title, address, phone number, and original signature of an individual with authority to negotiate on behalf of and to contractually bind the consultant(s) firm, and who may be contacted during the period of proposal evaluation. Only one transmittal letter need be prepared to accompany all copies of the technical and cost proposals.

2. Table of Contents

A listing of the major sections in the proposal and the associated page numbers.

3. Introduction

Please share your understanding of the role and relationships of the client team, and express your awareness of the project's issues, opportunities, and potential impacts.

4. Qualifications

Please provide 4-6 related (and completed) projects which your team believes qualifies you to lead the Southern Sierra Miwuk Strategic Planning process. For each project, please describe:

- The project's initial goals and parameters
- The course of action undertaken to deliver the project, including any stakeholder engagement work
- The project's current state of implementation
- Any innovative project components related to the planning process or project deliverable
- Your ideas on how the proposed project aligns with, and qualifies your team for, this project.
- Images to further convey the project, such as process photos, images of the plan deliverable, images of implemented projects, or other images at your discretion.
- Project references and contact information
- Any additional relevant information about the project that you would like to share with the review committee.

5. Project Staff:

Please describe the qualifications and experience of each professional who will participate in the project, including a resume for each member of the project team. A project manager must be designated, and an organizational chart showing the manager and all project staff proposed who will provide services must be included.

Note that submissions need not include time and services proposals, project management proposals or proposed work plans for conducting the Southern Sierra Miwuk Strategic Plan. This information will be requested from selected consultants later in the evaluation process.

All proposals must be **received** no later than **2:00 pm on June 10, 2022** at the Mariposa County Administration Department. Please provide one (1) digital copy by email to Ben Goger at bgoger@mariposacounty.org in advance of the above deadline.

Ben Goger, Housing Development Specialist
5100 Bullion Street; PO Box 784
Mariposa, CA 95338–2039

Please submit physical proposals in a sealed envelope that is marked “Southern Sierra Miwuk Strategic Plan.” All submissions received prior to the date and time specified above for receipt may be withdrawn or modified by written request of the proposer. Modifications must be received in writing, and in the same type of media and number of copies as the original proposal, prior to the date and time specified for receipt of proposals. Unfortunately, late submissions will not be accepted. All submissions, whether selected or rejected, shall become the property of the Participating Counties. By submitting a proposal, the proposer certifies that his or her name or firm’s name, as well as that of proposer subcontractors, does not appear on the Comptroller General’s list of ineligible contractors for federally assisted projects.

V. Review Process

All submittals will be initially screened by an interdepartmental staff panel, after which a limited number of proposals will be reviewed by a technical advisory team that may consist of representatives of:

- Mariposa County Planning Department, County Administration
- Southern Sierra Miwuk Nation
- Southern Sierra Miwuk Nation Strategic Plan steering committee

The advisory team members will evaluate the selected submissions, and score them based on the following criteria:

- Familiarity with the project area and the type of issues and problems associated with the project;
- Ability to meet the project's goals and objectives;
- Relevance, quality, and impact of qualifying projects
- Specific experience and technical competence of the personnel to be assigned to this contract;
- Preference will be given to interdisciplinary teams with a demonstrated history of effective collaboration and indigenous teams with experience working with rural native Californian tribes.

After qualifications have been evaluated, high ranking teams will be asked to develop a more detailed technical proposal for project, which will be presented to the technical advisory team via videoconference at a later date. Based on these presentations, a consultant team will be selected, and the panel will make recommendations to the Mariposa County Board of Supervisors and Southern Sierra Miwuk Nation Tribal Counsel on the basis of the proposal, interviews, and references. Following Board of Supervisor approval, negotiations shall be conducted with the most qualified proposer. Mariposa County will negotiate with the next most qualified proposer until a contract can be awarded. Anticipated project schedule is below.

June 10, 2022: Closing Date and Time for Receipt of Proposals

Late June: Notify finalists of selection for next phase

Early July: If necessary videoconferences conducted as scheduled by project management team.

Late July early August: Contract award

June 1, 2024: Latest possible date of project completion

VII. General Conditions

A. Limitations

This Request for Qualifications (RFQ) does not commit Mariposa County to award a contract, to pay any costs incurred in the preparation of the proposal in response to this request, or to procure or contract for services or supplies. Mariposa County may:

- Reject any and all proposals or waive any irregularity or information in any proposal or in the RFP procedure.
- Determine the suitability of the materials and/or services to be rendered.
- Withdraw this RFQ at any time without prior notice; and
- Modify the RFQ schedule described above.

B. Award

Mariposa County will ask RFQ finalists to make oral presentations. Finalists may be required to participate in negotiations and submit technical, or other revisions of their proposals resulting from negotiations. Mariposa County also reserves the right to award the contract without discussion or interviews, based upon the initial proposals. Selection will be based solely upon demonstrated competence and professional qualifications necessary for the satisfactory performance of the services required.

C. RFP Addendum

Any changes to the RFQ requirements will be made by written addenda by Mariposa County and will be considered part of the RFQ. Upon issuance, such addenda will be incorporated in the RFQ documents, and shall prevail over inconsistent provisions of earlier issued documentation.

D. Verbal Agreement or Conversation

No prior, current, or post award verbal conversations or agreement(s) with any officer, agent, or employee of Mariposa County shall affect or modify any terms or obligations of the RFQ, or any contract resulting from this RFQ.

E. Pre-contractual Expense

Mariposa County shall not be liable for any pre-contractual expenses incurred by any proposer or selected contractor.

F. Signature

The proposal shall provide the following information: name, title, address, and telephone number of the individual with authority to bind the company and also who may be contacted during the period of

proposal evaluation. The proposal shall be signed by an official authorized to bind the Consultant(s) and shall contain a statement to the effect that the proposal is a firm offer for at least a ninety (90) day period.

G. Term

The term of the contract will be from the date of execution of the contract to project completion. **The project shall be completed prior to June 1, 2024.**

H. Fiscal Out Clause

The Agreement may be terminated at the end of any fiscal year, June 30, without further liability other than payment incurred during such fiscal year, should funds not be appropriated by Mariposa County to continue services for which the agreement was intended.

I. Insurance

The successful firm shall provide evidence of Professional Errors and Omissions Insurance and general commercial liability insurance in amounts not less than \$1,000,000 per occurrence. Insurance shall name Mariposa County as an additional insured.

J. Contract Arrangements

The proposer is expected to execute a contract similar to Mariposa County's Professional Services Agreement, which meets the requirements of MAP-21.

- 1) Disadvantaged Business Enterprise (DBE) Policy: It is the policy of the U.S. Department of Transportation that minority- and women-owned business enterprises (hereby referred to as DBE's) as defined in 49 CFR Part 26, shall have the maximum opportunity to participate in the performance of contracts financed in whole or in part with Federal funds. DBE certified consultants are encouraged to submit proposals. Mariposa County will not exclude any person from participation in, deny any person the benefits of, or otherwise discriminate against anyone in connection with the award and performance of any contract covered by 49 CFR, Part 26 on the basis of race, color, sex, or national origin.
- 2) DBE Obligation: The recipient or its contractor agrees to ensure that DBE's have the maximum opportunity to participate in the performance of contracts and subcontracts financed in whole or in part with Federal funds provided under this agreement. In this regard, all recipients or contractors shall take all necessary and reasonable steps in accordance with 49 CFR Part 26 to ensure that DBE's have the maximum opportunity to compete for and perform contracts. A discussion of the consultant(s) program for use of DBE's in the performance of this work, including the following:
 - the names and addresses of DBE firms that will participate.
 - the description of the work each named firm will perform; and
 - the dollar amount of participation by each DBE firm
- 3) Equal Employment Opportunity: In connection with the performance of the contract, the contractor shall not discriminate against any employee or applicant for employment because of race, color, age, creed, sex, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship. Each proposal, to be considered responsive, must include

a copy of the consultant(s) affirmative action policy (applicable for firms with 50 or more employees);

- 4) Title VI of the Civil Rights Act of 1964: The contractor agrees to comply with all the requirements imposed by Title VI of the Civil Rights Act of 1964 (49 USC 2000d) and the regulations of the U.S. Department of Transportation issued thereunder in 49 CFR Part 21; and
- 5) Conflict of Interest: Firms submitting proposals in response to this RFQ must disclose to Mariposa County any actual, apparent, or potential conflicts of interest that may exist relative to the services to be provided under Agreement for consulting services to be awarded pursuant to this RFQ. If this firm has no conflict of interest, a statement to that effect shall be included in the proposal.

RESOLUTION - ACTION REQUESTED 2022-275

MEETING: May 3, 2022

TO: The Board of Supervisors

FROM: Dallin Kimble, County Administrative Officer

RE: Appoint Joe Lynch as the County's Health and Human Services Director,
Effective May 1, 2022

RECOMMENDATION AND JUSTIFICATION:

Appoint Joe Lynch as the County's Health and Human Services Director, effective May 3, 2022, at an annual salary of \$163,682.66 per year.

Former County Health and Human Services Director Shannon Gadd left County employment effective January 31, 2022. In her absence, the Board of Supervisors appointed Joe Lynch to the role of Interim Health and Human Services Director.

Based on Mr. Lynch's performance as Interim Director of Health and Human Services, the Board of Supervisors is now prepared to appoint Mr. Lynch as the County Health and Human Services Director, effective May 3, 2022.

A budget action is not required as the Health and Human Services Department has funds budgeted for the Director's annual salary and associated benefits.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The Board of Supervisors appointed Joe Lynch to the role of Acting Health and Human Services Director effective March 3, 2022.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Without concurrence with this recommendation, Mr. Lynch will continue to serve in an interim capacity.

FINANCIAL IMPACT:

None. There is money allocated to staff and fund this position.

TO: The Board of Supervisors

FROM: Steve Dahlem, County Counsel

RE: Acknowledgement & Agreement to Implement Workplace Firewall

RECOMMENDATION AND JUSTIFICATION:

Approve Acknowledgement and Agreement to Implement a Workplace Firewall; and Authorize the Board of Supervisors Chair to Sign Agreement.

Pursuant to the County of Mariposa's Nepotism Policy, and in order to avoid conflicts of interest between work-related and personal/family obligations in the workplace and to avoid interference or appearance of favoritism, this Acknowledgement & Agreement to Implement Workplace Firewall is established to allow spouses Joe Lynch and Stacey Lynch to remain employed in positions otherwise prohibited by the County's Nepotism Policy.

As Director of Health and Human Services, Joe Lynch will be removed from Stacey Lynch's chain of command and supervision. The Public Health Officer will replace Joe Lynch in Stacey Lynch's chain of command, supervision, and any decisions that would affect Stacy Lynch only, or Stacey Lynch and less than 5 other similarly situated employees. Instead, any such decision will be made by the Public Health Officer.

The County's Nepotism Policy allows a Department Head or his/her designee to waive the prohibition on any workplace relationship that would otherwise violate the County's Nepotism Policy. In this instance, the Board of Supervisors, as designee, will decide whether to waive the prohibition. The Acknowledgement & Agreement to Implement Workplace Firewall will only become effective after its approval by the Board of Supervisors.

Acknowledgement & Agreement to Implement Workplace Firewall

Pursuant to the County of Mariposa's Nepotism Policy, and in order to avoid conflicts of interest between work-related and personal/family obligations in the workplace and to avoid any inference or appearance of favoritism, this *Acknowledgement & Agreement to Implement Workplace Firewall* is hereby established to allow spouses Joe Lynch and Stacey Lynch to remain employed in positions otherwise prohibited by the County's Nepotism Policy. The Director of Health and Human Services supervises and is ultimately responsible for decisions affecting each employee in the County's Health and Human Services Agency except the County's Public Health Officer, who reports directly to the Board of Supervisors. Whereas Stacey Lynch is employed as a Mental Health Clinician in the Behavioral Health Branch of the County's Health and Human Services Agency, and whereas the County intends that Joe Lynch assume the position of Director of Health and Human Services and Joe Lynch's appointment to this position will place Stacey Lynch within Joe Lynch's chain of command and supervision, the following terms and mitigation measures will be implemented and remain in place for as long as an otherwise prohibited employment situation exists:

TERMS

1. As Director of Health and Human Services, Joe Lynch will be removed from Stacey Lynch's chain of command and supervision. The Public Health Officer will replace Joe Lynch in Stacey Lynch's chain of command and supervision.
2. Joe Lynch will not participate in any manner in any evaluation or decision-making concerning Stacey Lynch's individual performance or compensation. In regards to all workplace decisions and discussions concerning the performance, evaluation, or supervision of Stacey Lynch specifically, when circumstances require it, Stacey Lynch's supervisors, the Deputy Director of Behavioral Health and the Division Director of Health Services, will relay all such decisions and discussions to the Public Health Officer for consideration.
3. Joe Lynch will make no decision or render any advice on any employment decision that will affect Stacey Lynch only, or Stacey Lynch and less than 5 other similarly situated employees. Instead, any such decision will be made by the Public Health Officer.
4. Joe Lynch and Stacey Lynch will refrain from any conduct at work that may indicate to any observer that they are spouses or otherwise enjoy anything other than a professional

workplace relationship. Joe Lynch and Stacey Lynch agree to avoid any conduct in the workplace that could cause any inference of favoritism.

The County's Nepotism Policy allows a Department Head or his/her designee to waive the prohibition on any workplace relationship that would otherwise violate the County's Nepotism Policy. In this instance, the Board of Supervisors, as designee, will decide whether to waive the prohibition. This *Acknowledgement & Agreement to Implement Workplace Firewall* will only become effective after its approval by the Board of Supervisors.

The County retains the right to reevaluate and revise this *Acknowledgement & Agreement to Implement Workplace Firewall* at any time.

Any questions concerning the *Acknowledgement & Agreement to Implement Workplace Firewall* and its terms should be directed to Mariposa County Counsel Steven W. Dahlem at sdahlem@mariposacounty.org.

MAJOR FACILITIES STATUS - LANDFILL

Current Utilization Rate

- Approximately 12,000 tons/year
- Approximately 35,000 cubic yards/year

Permitted Capacity

- 1,944,000 Cubic Yards - Total
- Approximately 1,700,000 Cubic Yards Remaining
- 44 Years Remaining at Current Airspace Consumption Rate

Constructed Capacity

- 726,000 Cubic Yards
- Approximately 510,000 Cubic Yards Remaining
- 14.5 Years Remaining at Current Airspace Consumption Rate

Eastern slopes have been constructed to final grades. Remaining Lifespan is dependent on inbound volume, ability to effectively construct exterior slopes, relocation of the Recycling Center, and revisions to final grading plan.

PUBLIC WORKS DEPARTMENT
SOLID WASTE AND RECYCLING DIVISION**

MAJOR FACILITIES STATUS – MATERIAL RECOVERY FACILITY

- The Material Recovery Facility (MRF) has not been operated in accordance with its original intent for the past five years or more.
- Most recently, the MRF was operated as a clean MRF to separate recyclables from the commingled recycling shipments.
- The MRF sort line has been idle for the past year.
 - System is antiquated and inefficient
 - Replacement parts are difficult and expensive to obtain
 - Recycling commodities market values and limitations affect viability and utility of operation
 - Presort and floor sort are viable alternatives
 - Outbound shipments of commingled recycling preserve airspace
- Rollup doors are in need of repair/replacement.

MAJOR FACILITIES STATUS – COMPOSTING FACILITY

The Composting Facility is severely underutilized based on design capacity. The facility is capable of processing 80+ tons of compostable material per week. The facility currently processes approximately 10 tons per week. The implementation of SB 1383 Short-Lived Climate Pollutants Regulations provides new opportunities for utilization.

- 2020 – Diverted green-waste from Marijuana Eradication Operations from the landfill and began processing in the Composting Facility.
- 2021 - New Twin-Screw Mixer installed. The mixer was donated by the Yosemite Conservancy in cooperation with the NPS and other YNP partners and was purchased with grant funds from the Subaru Zero Landfill Initiative program.
- 2022 – USDA Grant Funding for Pilot Program to increase organics collection along the HWY 140 corridor.
- The facility is operational but in need of some upgrades, maintenance, and repairs.

MAJOR FACILITIES STATUS – RECYCLING CENTER

MARIPOSA COUNTY
PUBLIC WORKS DEPARTMENT
SOLID WASTE AND RECYCLING DIVISION

Operational Changes

- 2020 – Added direct payments and bagged trash service
- 2020 – Reduced public sorting requirements.
- 2021 – Added Monday hours

Future Changes

- Small baler installation – purchased with grant funds
- Add Used Antifreeze Recycling/Disposal
- Add thin-film plastic recycling

In general, the Recycling Center is self-sufficient and the operational changes have been well received.

LOOKING FORWARD – LANDFILL OPERATIONS

Currently constructed Modules 1 and 2 will reach capacity in 14.5 years. Options:

1. Fill and Close Modules 1 and 2 (Estimated Closure Costs \$5.3M*)
2. Construct Modules 3 and 4, and continue operations (Estimated Construction Costs \$6.6M*)
3. Construct, Fill, and Close Modules 1 – 4 (Estimated Closure Costs \$12.8M*)
4. Reduce Airspace Consumption Rate by 50%
 - 50% of waste will be shipped to a third-party for disposal
 - Double current life expectancy of Modules 1 and 2 (29 years)
 - Potential selectivity of disposal materials
 - Reduced annual impact of Closure/Post-Closure Fund contributions
 - Reduced labor and equipment costs
 - Additional shipping and disposal charges of \$360k - \$480k per year

Closure/Post-Closure Fund current balance: \$1.8M

- Closure/Post-Closure costs estimated are adjusted annually for inflation
- Annual contributions are calculated based on the quantity of airspace consumed each year

LOOKING FORWARD – MATERIAL RECOVERY FACILITY

Options:

1. Continue Current Operations
 - Operational efficiency is dependent on Landfill Operations decisions
2. Repair/Replace sort-line and resume recycling operations
 - Immediate cost for equipment repair/replacement
 - Viability is dependent on recycling market conditions
 - Disposal of overs
3. Convert to Transfer Station
 - Conversion can be accomplished in stages
 - Potential annual costs stabilization through long-term contracts
 - Increased flexibility in disposal decisions
 - Removal of MRF sorting equipment

Potential Service Offerings:

- Develop Inert Material Recycling and Sales Operations

LOOKING FORWARD – COMPOSTING FACILITY

The Implementation of SB 1383 Short-Lived Climate Pollutants Regulations have increased the demand for composting operations. Properly managed and marketed, the Composting Facility could prove to be highly sought after and valuable asset for Mariposa County.

Options:

1. Continue current operations and develop in-County sources of organics only
2. Expand service offerings to out-of-County sources
 - Requires investment in upgrades and repairs to existing facilities
 - Increased revenue
 - Transportation cost is a potential hurdle, but could be reduced by utilizing trucks to transport waste offsite
3. Lease facility to third-party that has the resources to manage and market the composting operations

STAFF RECOMMENDATION

1. Authorize the issuance of an RFQ and provide funding for a consulting firm to perform an in-depth analysis of the Solid Waste and Recycling Division's operations, finances, and market conditions, and provide recommendations on the best path forward to ensure Mariposa County can continue to meet its Solid Waste and Recycling needs now and in the future.
2. Implement program to reduce airspace consumption by 50% through the transfer of waste material to a third-party for disposal. Authorize the issuance of an RFQ and provide funding for a consulting firm to perform a fee study and recommend a fee structure that will ensure Mariposa County can continue to fund Solid Waste and Recycling operations.
3. Maintain current operations and authorize the issuance of an RFQ and provide funding for a consulting firm to perform a fee study and recommend a fee structure that will ensure Mariposa County can continue to fund Solid Waste and Recycling operations.

RESOLUTION - ACTION REQUESTED 2022-277

MEETING: May 3, 2022

TO: The Board of Supervisors

FROM: Keith Williams, Treasurer/Tax Collector

RE: Budget Action for Sound System Closet and Update on Soundsystem and MT System

RECOMMENDATION AND JUSTIFICATION:

Receive an Update on the Sound System; and Approve Budget Action Transferring Funds From the Board of Supervisors Budget to the Public Works Budget for the Minor Expansion of the Sound Closet in the Board Chambers (\$2300).

Salary savings is available due to a vacant position and the department is requesting to use a portion of this funding for the expansion of the sound closet. The sound system closet is not large enough for our current system and will not be adequate for the incoming system.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The County Administrative Officer approved an agreement with Mountain Media for a new Sound System in 2021.

The system that was originally chosen by the previous Clerk of the Board was discontinued by Shure. Mountain Media did not feel comfortable installing a discontinued system and is working with Clerk of the Board staff to identify a new system that will meet the County's needs.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Do not approve the budget action and the sound system closet will be too small to house the incoming sound system properly and safely. Do not receive and update and miss the opportunity to learn where the Clerk of the Boards Office is on a new sound system.

FINANCIAL IMPACT:

There is no impact to the gener fund, salary savings is more than enough to cover expenditures for the renovations of the sound closet

RE: Discussion and Direction on Video

RECOMMENDATION AND JUSTIFICATION:

Discussion and Direction Regarding Possible Video Software and Equipment for Board Meetings.

Staff asks the Board to direct them on the use of video. Video equipment can be added to the Sound System quote and installation. Third party companies have been located to meet American with Disabilities Act (ADA) requirements regarding open and/or closed captioning. These services do charge per minute.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The use of video has been discarded in the past due to ADA requirements. With a new Agenda and Minutes Management system on the horizon, the possibility of using video in Board meetings is raised.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Do not discuss and direct on the use of video and meetings will remain, status quo.
