Mariposa Trails is a local non-profit that maintains foot trails on the USFS federal lands. Trails have been severely impacted by drought and fires. They create shaded trail breaks with funds collected. A good example is the Jerseydale Skelton Creek Trail where there was cooperation on the fuel break and they removed 120 trees in a ¾ mile stretch.
In an effort to align Mariposa Trails with MCFAC it was asked if they would consider trail development from the Creek Project to Bumguardner Ridge, west of town. Mariposa Trails would need a funding source to accomplish this.

MEETING DRAFT MINUTES

e. Grant Application Coordination updates

Public Works: Asking for letter of support for purchase of mastication equipment. Grant deadline is February 9th. May not be enough time to get it done. The letter could be a duplication of County Fire Grant letter recently received, with the difference being the Public Works equipment will be only for use along County roadways.

FSC, RCD, UCCE, County Fire and Public Works are all applying for funding. Items are on Board of Supervisors agenda for letters of support. All are cooperative with each other, which strengthens the requests.

ACTION- Motion to approve letters of support for all 5 applicants from MCFAC to the BOS. Approved.

ACTION- Request BOS to authorize County Fire to write a letter of support for 4 applicants (excluding County Fire). Approved.

6. Updates, Activity Reports and Future Items

a. Members-

FSC: Lake County CLERC (Clear Lake Environmental Research Center) created after Lake County legalized cannabis. They now have money to handle fire coordination projects. California State Fire is using Mariposa County as an example of good things that can happen with coordination. Wagner Ridge work starts next week. Foran contractor was allowed to stop work while MCFSC is waiting for reimbursement from the state to pay the invoice. The Alta Vista contract was executed with the state. Writing a grant for Bullion Ridge. Because it has a complete environmental assessment it is shovel ready. After Alta Vista Fuel Break environmental work is done, and the contractor work starts, it will be happening at the same time as Bullion Ridge Fuel Break. The combination of the two fuel breaks will go from 140 to Bagby.

PW: Finish Ferguson Fire mitigation around Yosemite West. Hopefully start in May on Access Rd and Sewer Plant. There are about 2000 trees to be removed.

YNP: Working on burn piles at Hetch Hetchy, Mariposa Grove, Merced Grove, and Crane Flat. Issued letters to Wawona and Yosemite West home owners to allow for 100-foot defensible space on to Park land. Next round of CCI funding to include Yosemite West and Wawona. Need help with pile of debris near the water tank in Yosemite West.

b. Any future agenda items - none

- 11.4 Committee members shall be responsible for having a working knowledge of the establishing ordinance, resolution, by-laws, federal or state mandates, or any other governing regulations that define and set forth the intent and purpose of their assigned committee, and shall only represent and take action on matters related thereto.
- 11.5 Meeting Minutes can only be approved by members who attended the meeting, or by those who have reviewed existing meeting audio.
- 11.6 If the committee membership changes enough to prevent a set of Minutes from being approved by original members in a number that equals or exceeds a quorum of the committee, and if no recording exists for new members to review to become qualified to vote on the Minutes, then Minutes may be deemed approved and marked as a "Technical Approval" under this policy.
