Public comment was received by Claudia Anderson/Ethos Youth Center thanked the Board for the Teen Youth Dating Violence Proclamation.

Mike Brusa/Bear Valley thanked Supervisor Poe for allowing further information to be given at the last meeting in regard to CA. 1's continuation since 2018. He then gave his appreciation to the Board noting that in some jurisdictions they pressure their constituents into not speaking and arrest them. He then discussed liability, noting it can impact behavior. He noted the continuation of the emergency, which is not really an emergency, can create coercive monopolies. He noted costs are high. He then noted the State spent 20

billion trying to solve the homeless crisis and made it worse. He noted he is not in favor of government spending. He then thanked the Board for their response, noting its sad commentary.

Supervisor Toso commented on CA. 2, 3, and 4. She asked the County Administrative Officer (CAO) for more information. Joe Lynch/CAO in response, noted while the price tag looks high, these were three-year contracts and are being extended to a 4-year contract. He noted they are looking at a restructuring.

Supervisor Menetrey commented on CA. 7, noting this is born from direction of the Board. He asked if the item could be pulled for further discussion.

CA.7 was WITHDRAWN by consensus of the Board, and it was noted Luis Mercado/Auditor would come back with a presentation.

After comments, questions, and kudos from Supervisors Smallcombe and Poe, Kristina Keheley/Health and Human Services Agency Director, noted the item was for infrastructure at the North County Office. She also noted she couldn't give an exact timeline, but she hoped for within the year.

Chair Smallcombe commented on CA.19 noting this funding was to provide the technology needed for the Building mentioned in CA. 18. She then noted she commended staff for their focus on providing services by going to our community, not requiring them to come to us.

Supervisor Poe commented on CA. 26, noting that this was before his time. He noted he wasn't contesting this but questioned why the folks in Don Pedro were paying an extra tax assessment for fire suppression when other individuals' regular property taxes went to fire suppression.

Wave the First Reading and Introduce an Ordinance Amending Chapters 6.08 and 6.16 of Mariposa County Code Titled "Animal Control" and "Barking Dogs-Public Nuisance" (Supervisor Menetrey)

Supervisor Menetrey gave the staff report. He then suggested the Board not move forward with the first reading and come back with some of the suggestions they had received. He also suggested the public be given a chance to give input that can be incorporated before they return.

Public comments were received by Troian Cummings/Resident, who noted the intent is a good one but felt it had punishment and restrictions on individuals who try to help animals. She noted the solution is to add more to support those individuals, noting there are not many low-cost spay and neuter options. She asked if there was a plan to bring in more veterinarians, mobile clinics, etc. She concluded by noting that many individuals tried to help and recommended that this ordinance be re-analyzed.

Jeanne-Ann Pine noted she felt the issues lied with some of the items but not all.

Lynn Rosebrock/Resident/Kennel Owner/Dog Breeder noted she and her husband opened one of the first veterinarian services. She stated they had been involved in animal rights and welfare. She noted, in general, that she supported this effort but noted they needed to look at ways to support animal control with more officers. She further noted that without support for Animal Control, none of what is written in the ordinance would be enforceable. She also noted she provides a vital service to tourists and community members by having a kennel. She questioned the multiple pet permit and what it would apply to. She noted her kennel sees anywhere between 6 and/or seven adult dogs. She said she would have no issue applying for a special use permit if needed. She then mentioned the reduction in a timeframe to have your animal spayed or neutered and requested that it not be changed.

Norie/Groomingdales Owner noted a need for more animal care, animal training, livestock guardian dog training, etc. She also noted that this community needed more education on animals. She then discussed issues she has seen with clientele animals and issues the community has.

Max Ginsberg/Resident noted his issue was the definition of pets. He noted that he has pot-bellied pigs and peacocks, and those are his pets. He noted that there is a funny line between pets and livestock, noting that should be addressed.

Jeremey Briese/Sheriff noted he appreciated everyone in the room looking into this. He noted he understood some things needed to be corrected and cleaned up. He noted this wasn't meant to be a scare tactic; they were asked to look at the currently codified ordinance and edit it to meet the needs they saw. He stated many hours and a lot of hard work were put into making this ordinance based on the complaints and questions they get the most from the public. He noted they don't always hit a home run, but with small changes to hopefully improve the community. He stated he was happy to see so much public engagement and that the questions he received were helpful. He thanked his team, noting they would return to get a better product.

Brenda Ostrom/Resident thanked the county staff for the work they completed to increase what the Sheriff's Office and Animal Control can do to protect animal welfare and the safety of our community. She noted mechanisms like these were not in place; one of her farm hands had to shoot at dogs and killed two. She noted there are a lot of issues, and she does not have a gun safety program for her employees. She noted there have been hundreds of complaints about these dogs. She stressed the Animal Control Office needs more staff and an ordinance that offers support and flexibility.

Irene Cummings/Resident noted she was interested in the comment from the Groomingdales owner, who stated she was willing to educate interested parties. She noted it could be a tool for folks to learn.

Eve/Resident noted she came from a city but has lived in the country. She noted the dogs aren't the problem; they are the owners. Her concern was that dogs should not be allowed to run in packs. She noted she has had

dogs get attached and killed by other dogs. She noted it wasn't the dogs but the negligence of the owners. She noted her neighbor allows their dogs to run freely. She noted she cannot even walk her own dogs because they get in her gate. She noted it's a horrid way to live.

Collen Rhodes/Resident noted she had submitted a three-page letter. She noted she wanted to focus the board's attention to re-write 6.08. She noted this presents an opportunity that has been missed, especially when it comes to the right to farm and livestock activities. She noted that the right to agriculture needs to be re-written to ensure that it is not removed. She then noted she felt the vicious dogs should be removed from 6.08 and moved to 6.10, further noting they should separate misdemeanors from infractions.

Kathleen Armstrong/Resident felt this had some steps forward and felt grateful to Colleen and Brenda for their contributions. She noted her biggest concern in 6.08. She also noted she felt the spay and neuter requirement should remain at 60 days and not be reduced to 30 days. She noted she felt unclear about the intent, so it warrants a re-write. She noted there are several citizens that go out of their way to help animals and there should be exemptions for them. She then noted this is an ag community. She noted she has working dogs, herding dogs, and guardian dogs that are crucial to their ranching operations. She noted she hoped the Sheriff's Office and the Board could address all the concerns.

Norie/Groomingdales came up for a second comment, noting that insurance companies will not allow many breeds. She noted that at one point, they allowed prisoners to work with dogs as a form of rehabilitation.

Jeanne-Ann Pine asked if this was all-or-nothing. She noted she didn't understand the process.

Chris Ramirez/Sheriff's Office noted they call them potentially vicious or vicious; that is not changing. He also noted this has to go through a court process. He noted it is not based on breed but on a specific situation. He then noted that if a dog is adoptable, it is fostered and altered. He noted enforcement is a last resort; this ordinance was to update an outdated ordinance to give them the proper tools. He then went into the kennel issue as well as the multiple pet permit.

Troian Cummings made a second public comment, noting it is clear they are looking for tools to assist. She noted it would be good to have written protections for Ag, fosters, etc.

Board discussions ensued with Megan Klein/Animal Control Officer.

The Board's consensus withdrew the item.

RESULT: WITHDRAWN

MEETING: February 18, 2025

TO: The Board of Supervisors

FROM: Kristina Keheley, Health and Human Services Agency Director

RE: Resolution Continuing a Shelter Crisis Local Emergency in Mariposa County

---

RECOMMENDATION AND JUSTIFICATION

Resolution Continuing a Shelter Crisis Local Emergency in Mariposa County.

California Government Code 8698, 8698.1 and 8698.2 allows for the governing body of a city or county to declare a shelter crisis. A shelter crisis declaration relaxes standards for building occupancy, limits liability and provides a legal basis for the use of certain facilities designated by the County as a shelter for the duration of the crisis.

In order to declare the shelter crisis, the County made findings at a public meeting and adopted Resolution 18-518 that (1) a significant number of persons within the county's jurisdiction are without the ability to obtain shelter; and (2) the situation has resulted in a threat to the health and safety of those persons.

BACKGROUND AND HISTORY OF BOARD ACTIONS

On November 5, 2018, the Board of Supervisors adopted Resolution 18-518 declaring the existence of a Shelter Crisis Local Emergency in Mariposa County to allow Mariposa County to proceed with temporary homeless shelter solutions to meet the needs of our homeless community members.

Recognizing the prevalence of homelessness in California and the health and safety risks facing homeless persons, California law authorizes counties to declare a "shelter crisis" and avail themselves to attendant protections and powers. Specifically, upon declaring a "shelter crisis":

- A county may allow persons unable to obtain housing to occupy designated public facilities during the duration of the emergency (public facilities include parks, schools, and vacant or underutilized facilities which are owned, operated, leased, or maintained by the county);
- A county is immune from liability for ordinary negligence in the provision of emergency housing for all conditions, acts, or omissions directly related to, and which would not occur but for, the provision of emergency housing; and
- The provisions of any state or local law or regulation prescribing standards of housing, health, and safety are suspended to the extent that strict compliance would prevent, hinder, or delay the mitigation of the effects of the crisis.

If the County desires to construct and operate an emergency homeless shelter, it is recommended that

the County Board of Supervisors first declare a “shelter crisis” in order to avail itself of the associated powers and liability protections.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION

Do not continue the local emergency and the County may not be eligible for possible State or Federal assistance, or proceed with temporary homeless shelter solutions.

Board of Supervisors

RESOLUTION - ACTION REQUESTED 2025-60

MEETING: February 18, 2025

TO: The Board of Supervisors

FROM: Joe Lynch, County Administrative Officer

RE: Approve First Amendment to the Agreement with Eugene Action Increasing the Amount by $154,044, for a New Amount Not to Exceed $574,164; Extending the Term One Full Year for a New End Date of June 30, 2026, for Indigent Defense Legal Services; and Authorize the Board of Supervisors Chair to Sign the Amendment

---

RECOMMENDATION AND JUSTIFICATION

Approve First Amendment to Agreement with Eugene Action Increasing the Amount by $154,044, for a New Amount Not to Exceed $574,164; and Extending the Term One Full Year for a New End Date of June 30, 2026, for Indigent Defense Legal Services; and Authorize the Board of Supervisors Chair to Sign the Amendment.

The current contract will expire on June 30, 2025, and the County is interested in extending it for one year. This will provide time to learn from the not-yet-released final report and presentation from the Office of State Public Defender, evaluating the indigent defense system and structure in Mariposa County. If the report provides suggestions on ways in which structural changes might support improvements to indigent defense services, then it may take time to analyze, budget for, and affect those changes.

The increase in annual costs are a reflection of the increased cost of doing business over the three years in which the contract has been in effect.

BACKGROUND AND HISTORY OF BOARD ACTIONS

Resolution 22-337: Agreement for Indigent Defense Legal Services - Eugene Action

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION

The Board could modify the end date or the increase in cost of the amendment or the Board could reject the amendment. Depending on how the Board changes the amendment, it could result in challenges to the County's ability to provide indigent defense legal services, which we are mandated to provide.

FINANCIAL IMPACT

The cost for this agreement will be incorporated into the FY26 budget.

LEGAL SERVICES AGREEMENT

THIS AGREEMENT shall become effective on July 1, 2022, regardless of the date of execution by the parties, and is executed in Mariposa, California, by and between the COUNTY OF MARIPOSA, a political subdivision of the State of California, hereinafter referred to as "COUNTY," and Eugene Action, hereinafter referred to as "CONTRACTOR." CONTRACTOR warrants that he/she operates an independent law office and that he/she is in no way affiliated with other indigent defense attorneys contracted by COUNTY as a partner, employer, or agent.

WHEREAS, the COUNTY Board of Supervisors has determined that it is in the best interest of COUNTY to contract with independent contractors for the special legal services hereinafter set forth; and

WHEREAS, CONTRACTOR is an Attorney at Law, licensed to practice law before all of the courts of the State of California and is otherwise qualified to perform the services hereinafter set forth.

NOW, THEREFORE, IT IS HEREBY AGREED as follows:

1. CONTRACTOR shall perform all duties normally provided by a public defender as required by law including but not limited to those duties outlined on Exhibit "A" attached hereto.

2. COUNTY shall pay to CONTRACTOR the sum of one hundred forty thousand and forty dollars ($140,040) per year, payable monthly in TWELVE (12) payments of eleven thousand six hundred and seventy dollars ($11,670) on or before the tenth (10th) day of each month. Each monthly payment shall be in arrears for the services performed during the prior month. The parties agree and represent that the amount of compensation has been established after consideration of the facts set forth in California Penal Code §987.3 and further recognize that circumstances such as those referred to in Paragraphs 4 and 5 may require changes in the total compensation. COUNTY and CONTRACTOR agree to re-negotiate the total sum to be paid to CONTRACTOR hereunder in the event CONTRACTOR is required to make court appearances for new programs for which no regular court appearances are required at the time of the execution of this Agreement. By way of example only, if a new program is added to the judicial system, which requires CONTRACTOR to appear in court on Friday, in addition to the then current appearances on Monday, Tuesday and Thursday, this clause will be invoked. However, should the Court simply move Thursday court to Monday, with no additional days requiring court appearances, this clause shall not be invoked.

3. This Agreement shall be for a term of three (3) years commencing July 1, 2022, terminating on June 30, 2025, unless earlier extended by mutual agreement of the parties. COUNTY shall have the option to extend the term of this Agreement for one (1) one (1) year term. Should COUNTY elect to extend this Agreement, CONTRACTOR shall be notified in writing sixty (60) days prior to the expiration of the initial term, or any extended term. In the event of any extensions hereunder the parties shall mutually agree upon the annual contract price.

4. COUNTY shall receive all funds collected pursuant to Penal Code §§ 987.4, 987.6, and 987.8, Government Code §27712, and any similar statute providing

for the reimbursement for the cost of legal services rendered under this Agreement, and no portion of the funds shall inure to CONTRACTOR'S benefit or otherwise affect the amount specified in Paragraph 2.

5. This Agreement shall not apply to cases governed by California Penal Code §987.9, "capital cases," nor shall it apply to costs for investigators in homicide cases where the Superior Court has approved extraordinary expenses.

6. In addition to the sum specified in Paragraph 2 above, CONTRACTOR shall be reimbursed for reasonable out-of-pocket expenses incurred in representing criminal defendants in matters where venue has been changed outside the County of Mariposa.

7. CONTRACTOR shall be reasonably available to provide legal counsel to juveniles 17 years of age or younger which have not been charged with any crime, in the event a law enforcement agency or anyone acting on behalf of a law enforcement agency wishes to conduct a custodial interrogation or otherwise take a statement from a juvenile which could be incriminating or in any circumstances in which the juvenile has a right to counsel under federal law or pursuant to California Welfare and Institutions Code section 625.6. CONTRACTOR may provide services under this provision in person, via telephone or video conference. Services provided by CONTRACTOR under this provision during business hours (Monday-Friday 8:30 a.m. to 5:30 p.m.) for uncharged juvenile suspects shall be billed to the COUNTY at an hourly rate of seventy dollars ($70.00) per hour. Services provided by CONTRACTOR after business hours shall be billed to the COUNTY at an hourly rate of one hundred forty dollars ($140.00) per hour with a one hour billable minimum. Payments made pursuant to this Paragraph 7 shall be in addition to the sum specified in Paragraph 2. Nothing in this provision affects CONTRACTOR'S obligations under this Agreement to represent juvenile defendants charged with a criminal offense in Mariposa Superior Court.

8. CONTRACTOR shall be a member of the California State Bar in good standing at all times during the term of this Agreement.

9. CONTRACTOR shall maintain a telephone answering service or device for the taking of telephone messages during non-business hours.

10. In-custody clients shall be interviewed within thirty-six (36) hours of CONTRACTOR'S appointment. Out-of-custody clients shall be interviewed within seventy-two (72) hours of CONTRACTOR'S appointment.

11. The Superior Court shall develop eligibility guidelines for the purpose of determining an individual's financial eligibility for indigent representation. CONTRACTOR shall obtain from each and every person he/she is appointed to represent, a completed questionnaire verifying the person's eligibility for indigent representation services. Failure to perform this requirement shall constitute a material breach of this Agreement.

12. In performing the duties herein specified, CONTRACTOR is and shall be an independent contractor and not an employee of COUNTY. CONTRACTOR will be responsible to COUNTY for only the good faith performance of this Agreement in conformity with the Rules of Professional Conduct of the State Bar of California and not for the specific manner in which his/her duties are

performed or his/her professional judgment exercised. Because each CONTRACTOR is an independent contractor, it shall be his/her sole and absolute responsibility to comply with all federal, state, and local statutes, regulations and ordinances respecting this Agreement.

13. The parties recognize that ethics considerations, such as those set forth in the Rules of Professional Conduct, may prohibit CONTRACTOR from accepting some appointments that would otherwise be included within this Agreement. Upon discovery of a conflict of interest or other ethical consideration which precludes further representation, CONTRACTOR shall immediately notify the affected client(s) and move the Superior Court to be relieved as counsel.

14. CONTRACTOR, as an independent contractor, shall be solely responsible for providing all office furniture, equipment, supplies, secretaries, clerks, attorneys, and other persons necessary to perform this Agreement, including any professional education and expenses, except investigators and experts. Funding for any investigator or expert will be subject to prior to approval by the Superior Court on a case-by-case basis.

15. CONTRACTOR hereby agrees to individually indemnify and hold COUNTY, its officers and its employees absolutely harmless from any and all liability, cost, or expense whatsoever arising out of, or pertaining to, this Agreement and shall defend at no cost to COUNTY or COUNTY'S officers or employees, any such action brought against COUNTY, its officers or its employees.

16. During the term of this Agreement, CONTRACTOR shall carry professional liability insurance in a minimum amount of $1,000,000, insuring CONTRACTOR against all claims arising out of CONTRACTOR'S services performed hereunder. CONTRACTOR shall provide COUNTY with proof of insurance required herein upon execution of this Agreement by CONTRACTOR and annually thereafter.

17. CONTRACTOR shall notify COUNTY, in writing, within ten (10) working days of receipt by CONTRACTOR of a claim or allegation of ineffective representation by CONTRACTOR arising out of services provided hereunder by CONTRACTOR.

18. Upon the termination of this Agreement, CONTRACTOR shall cooperate fully with COUNTY and with such persons as may be designated by COUNTY to succeed CONTRACTOR in order to effect the orderly transition of legal services from CONTRACTOR to his or her successors. The cooperation specified in this paragraph includes, but is not limited to, the releasing of such files, papers and records as may be required to carry out the provisions of this Agreement and any subsequent agreement with successor contractors and to ensure the continued adequate legal representation of persons eligible for the services herein set forth.

19. CONTRACTOR shall maintain all files and records for each case for which services are provided under this Agreement for at least ten (10) years following the last date CONTRACTOR rendered services pursuant to this Agreement, unless such files are assigned to successor counsel. CONTRACTOR shall have access to his/her files as necessary. Neither the COUNTY nor any other person or entity shall be permitted access to any such files without the written consent of CONTRACTOR or court order. Prior to closing each case, CONTRACTOR shall notify the client of the requirements of this clause.

20. CONTRACTOR shall provide for the maintenance of quality representation of indigent defendants consistent with constitutional and professional standards. In California, the benchmark adopted test for determining competency of counsel in criminal cases is that of a reasonably competent attorney acting as a diligent, conscientious advocate. (*People v. Pope*, 23 Cal.3d 412 [1979]). CONTRACTOR agrees to provide competent legal services in conformity with the above standard, or with standards as modified by more recent legislation or case law. Specifically, the following duties and responsibilities of counsel as set forth in prior court decisions and professional standards will be observed. These include:

A. Duty of careful factual and legal investigation. (See *People v. Ibarra*, 60 Cal.2d 460 [1963] regarding duty to research the law and raise settled objections; *In re Saunder*s, 2 Cal.2d 1033 [1970] regarding duty to investigate medical reports and conduct psychiatric examinations to support a diminished capacity defense; and ABA Standards on the Defense Function [hereinafter referred to as "ABA Standards"] Section 4.1.)
B. Duty to take prompt action to protect a client's legal rights. (See ABA Standards, Section 3.6a [including procedural steps such as moving for pretrial release, obtaining psychiatric examination, moving for change of venue or continuance, suppression of illegally obtained evidence, severance from jointly charged defendants, or dismissal].)
C. Duty to keep the client informed. (See ABA Standards, Section 3.8.)
D. Duty to prepare for jury selection, examination of witnesses, submission of instructions and presentation of argument at trial. (See ABA Standards, Section 7.2(a) and 7.2(b).)
E. Duty to know and explore sentencing alternatives. (See ABA Standards, Section 8.1(b).)
F. Duty to advise concerning appeals. (See ABA Standards, Section 8.2(a).)
G. Duty not to accept more cases than can be competently handled. (See *Martin v. State Bar*, 20 Cal.3d 717 [1978].)
H. Duty not to handle a legal matter which the lawyer knows or should know that he/she is not competent to handle. (See ABA Code of Professional Responsibility, Canon 6, Disciplinary Rule No. 6-101 (a).)
I. Duty to maintain client confidences and secrets.

21. The fees of attorneys appointed to represent persons who CONTRACTOR cannot represent because of conflict of interest shall not constitute a charge against sums to which CONTRACTOR is otherwise entitled pursuant to this Agreement. CONTRACTOR shall not decline to represent any eligible person except for a conflict of interest or disqualification recognized by the Superior Court.

22. All matters to which CONTRACTOR has been appointed prior to the termination of this Agreement shall be completed by CONTRACTOR notwithstanding the termination of this Agreement. CONTRACTOR acknowledges that services rendered by CONTRACTOR to complete matters pending at the termination of this Agreement shall not entitle CONRACTOR to any fees beyond the annual payment due CONTRACTOR pursuant to Paragraph 2 above.

23. COUNTY may terminate this Agreement upon a thirty (30) day written notice in the event of a breach by CONTRACTOR of any of the terms and conditions contained in this Agreement. COUNTY may further terminate this Agreement without cause if the Board of Supervisors determines in any budgetary cycle

that it is unable to fund this Agreement in its budget period. This provision is intended to comply with Article XVI, Section 18 of the Constitution of the State of California.

24. COUNTY and CONTRACTOR shall meet at least annually to review CONTRACTOR's performance and any other relevant matters related to this agreement.

25. COUNTY may terminate this Agreement at any time by providing a notice in writing to CONTRACTOR that the Agreement is terminated. Said Agreement shall then be deemed terminated and no further work shall be performed by CONTRACTOR. If the Agreement is so terminated, the CONTRACTOR shall be paid for that percentage of the phase of work actually completed, based on a pro rata portion of the compensation for said phase satisfactorily completed at the time the notice of termination is received.

26. In the event CONTRACTOR ceases to perform services hereunder or is removed by COUNTY, COUNTY shall replace CONTRACTOR with a qualified attorney.

27. Should any clause, paragraph or language in this Agreement be held to be void, unenforceable, or unconstitutional, such clause, paragraph or language shall be stricken from this Agreement and the remainder of this Agreement shall continue in full force and effect the same as if such clause, paragraph or language had never been contained herein.

28. Neither this Agreement nor any of the rights, obligations or duties specified herein shall be assigned, transferred or delegated to any person without prior written consent of COUNTY. CONTRACTOR shall neither assign nor transfer any interest in or to the proceeds of this Agreement. Any assignment, transfer or delegation in violation of this paragraph shall be void.

29. This Agreement may not be modified or amended except by a written agreement signed by parties hereto.

30. Any controversy or claim arising out of or relating to this Agreement which cannot be amicably settled without court action shall be litigated either in the Superior Court of California, County of Mariposa, or in the United States District Court for the Eastern District of California. The rights and obligations of the parties and all interpretations and performance of this Agreement shall be governed in all respects by the laws of the State of California.

31. This Agreement constitutes the entire agreement between CONTRACTOR and COUNTY with respect to the subject matter thereof and supersedes all previous negotiations, proposals, commitments, writings, advertisements, publications and understanding of any nature whatsoever unless expressly included in this Agreement.

32. Any notices herein provided to be given by either party to the other shall be deemed to have been fully given when made in writing and deposited in the United States mail, postage prepaid and addressed as follows:

COUNTY: County of Mariposa
County Administrative Officer
P.O. Box 784

Mariposa, CA 95338

CONTRACTOR: Eugene Action
45221 Forest Ridge Dr.
Ahwahnee, CA 93601

Nothing herein shall preclude the giving of any notice by personal service.

33. While some of the duties of CONTRACTOR hereunder would be the duties of a public defender in a county served by a public defender, all parties hereto understand and agree that CONTRACTOR is not a public defender as described in California Government Code §27700, et seq.

IN WITNESS WHEREOF, the parties have executed this Agreement in duplicate on the day and year below written.

RE: Approve First Amendment to the Agreement with Neal Douglass Increasing the Amount by $154,044, for a New Amount Not to Exceed $574,164; Extending the Term One Full Year, for a New End Date of June 30, 2026, for Indigent Defense Legal Services; and Authorize the Board of Supervisors Chair to Sign the Amendment

---

RECOMMENDATION AND JUSTIFICATION

Approve First Amendment to Agreement with Neal Douglass Increasing the Amount by $154,044, for a New Amount Not to Exceed $574,164; and Extending the Term One Full Year, for a New End Date of June 30, 2026, for Indigent Defense Legal Services; and Authorize the Board of Supervisors Chair to Sign the Amendment.

The current contract will expire on June 30, 2025, and the County is interested in extending it for one year. This will provide time to learn from the not-yet-released final report and presentation from the Office of State Public Defender, evaluating the indigent defense system and structure in Mariposa County. If the report provides suggestions on ways in which structural changes might support improvements to indigent defense services, then it may take time to analyze, budget for, and affect those changes.

The increase in annual costs are a reflection of the increased cost of doing business over the three years in which the contract has been in effect.

BACKGROUND AND HISTORY OF BOARD ACTIONS

Resolution 22-336: Agreement for Indigent Defense Legal Services - Neal Douglass

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION

The Board could modify the end date or the increase in cost of the amendment or the Board could reject the amendment. Depending on how the Board changes the amendment, it could result in challenges to the County's ability to provide indigent defense legal services, which we are mandated to provide.

FINANCIAL IMPACT

The cost for this agreement will be incorporated into the FY26 budget.

11. The Superior Court shall develop eligibility guidelines for the purpose of determining an individual's financial eligibility for indigent representation. CONTRACTOR shall obtain from each and every person he/she is appointed to represent, a completed questionnaire verifying the person's eligibility for indigent representation services. Failure to perform this requirement shall constitute a material breach of this Agreement.

12. In performing the duties herein specified, CONTRACTOR is and shall be an independent contractor and not an employee of COUNTY. CONTRACTOR will be responsible to COUNTY for only the good faith performance of this Agreement in conformity with the Rules of Professional Conduct of the State Bar of California and not for the specific manner in which his/her duties are

performed or his/her professional judgment exercised. Because each CONTRACTOR is an independent contractor, it shall be his/her sole and absolute responsibility to comply with all federal, state, and local statutes, regulations and ordinances respecting this Agreement.

13. The parties recognize that ethics considerations, such as those set forth in the Rules of Professional Conduct, may prohibit CONTRACTOR from accepting some appointments that would otherwise be included within this Agreement. Upon discovery of a conflict of interest or other ethical consideration which precludes further representation, CONTRACTOR shall immediately notify the affected client(s) and move the Superior Court to be relieved as counsel.

14. CONTRACTOR, as an independent contractor, shall be solely responsible for providing all office furniture, equipment, supplies, secretaries, clerks, attorneys, and other persons necessary to perform this Agreement, including any professional education and expenses, except investigators and experts. Funding for any investigator or expert will be subject to prior to approval by the Superior Court on a case-by-case basis.

15. CONTRACTOR hereby agrees to individually indemnify and hold COUNTY, its officers and its employees absolutely harmless from any and all liability, cost, or expense whatsoever arising out of, or pertaining to, this Agreement and shall defend at no cost to COUNTY or COUNTY'S officers or employees, any such action brought against COUNTY, its officers or its employees.

16. During the term of this Agreement, CONTRACTOR shall carry professional liability insurance in a minimum amount of $1,000,000, insuring CONTRACTOR against all claims arising out of CONTRACTOR'S services performed hereunder. CONTRACTOR shall provide COUNTY with proof of insurance required herein upon execution of this Agreement by CONTRACTOR and annually thereafter.

17. CONTRACTOR shall notify COUNTY, in writing, within ten (10) working days of receipt by CONTRACTOR of a claim or allegation of ineffective representation by CONTRACTOR arising out of services provided hereunder by CONTRACTOR.

18. Upon the termination of this Agreement, CONTRACTOR shall cooperate fully with COUNTY and with such persons as may be designated by COUNTY to succeed CONTRACTOR in order to effect the orderly transition of legal services from CONTRACTOR to his or her successors. The cooperation specified in this paragraph includes, but is not limited to, the releasing of such files, papers and records as may be required to carry out the provisions of this Agreement and any subsequent agreement with successor contractors and to ensure the continued adequate legal representation of persons eligible for the services herein set forth.

19. CONTRACTOR shall maintain all files and records for each case for which services are provided under this Agreement for at least ten (10) years following the last date CONTRACTOR rendered services pursuant to this Agreement, unless such files are assigned to successor counsel. CONTRACTOR shall have access to his/her files as necessary. Neither the COUNTY nor any other person or entity shall be permitted access to any such files without the written consent of CONTRACTOR or court order. Prior to closing each case, CONTRACTOR shall notify the client of the requirements of this clause.

20. CONTRACTOR shall provide for the maintenance of quality representation of indigent defendants consistent with constitutional and professional standards. In California, the benchmark adopted test for determining competency of counsel in criminal cases is that of a reasonably competent attorney acting as a diligent, conscientious advocate. (*People v. Pope*, 23 Cal.3d 412 [1979]). CONTRACTOR agrees to provide competent legal services in conformity with the above standard, or with standards as modified by more recent legislation or case law. Specifically, the following duties and responsibilities of counsel as set forth in prior court decisions and professional standards will be observed. These include:

A. Duty of careful factual and legal investigation. (See *People v. Ibarra*, 60 Cal.2d 460 [1963] regarding duty to research the law and raise settled objections; *In re Saunders*, 2 Cal.2d 1033 [1970] regarding duty to investigate medical reports and conduct psychiatric examinations to support a diminished capacity defense; and ABA Standards on the Defense Function [hereinafter referred to as "ABA Standards"] Section 4.1.)
B. Duty to take prompt action to protect a client's legal rights. (See ABA Standards, Section 3.6a [including procedural steps such as moving for pretrial release, obtaining psychiatric examination, moving for change of venue or continuance, suppression of illegally obtained evidence, severance from jointly charged defendants, or dismissal].)
C. Duty to keep the client informed. (See ABA Standards, Section 3.8.)
D. Duty to prepare for jury selection, examination of witnesses, submission of instructions and presentation of argument at trial. (See ABA Standards, Section 7.2(a) and 7.2(b).)
E. Duty to know and explore sentencing alternatives. (See ABA Standards, Section 8.1(b).)
F. Duty to advise concerning appeals. (See ABA Standards, Section 8.2(a).)
G. Duty not to accept more cases than can be competently handled. (See *Martin v. State Bar*, 20 Cal.3d 717 [1978].)
H. Duty not to handle a legal matter which the lawyer knows or should know that he/she is not competent to handle. (See ABA Code of Professional Responsibility, Canon 6, Disciplinary Rule No. 6-101 (a).)
I. Duty to maintain client confidences and secrets.

21. The fees of attorneys appointed to represent persons who CONTRACTOR cannot represent because of conflict of interest shall not constitute a charge against sums to which CONTRACTOR is otherwise entitled pursuant to this Agreement. CONTRACTOR shall not decline to represent any eligible person except for a conflict of interest or disqualification recognized by the Superior Court.

22. All matters to which CONTRACTOR has been appointed prior to the termination of this Agreement shall be completed by CONTRACTOR notwithstanding the termination of this Agreement. CONTRACTOR acknowledges that services rendered by CONTRACTOR to complete matters pending at the termination of this Agreement shall not entitle CONRACTOR to any fees beyond the annual payment due CONTRACTOR pursuant to Paragraph 2 above.

23. COUNTY may terminate this Agreement upon a thirty (30) day written notice in the event of a breach by CONTRACTOR of any of the terms and conditions contained in this Agreement. COUNTY may further terminate this Agreement without cause if the Board of Supervisors determines in any budgetary cycle

that it is unable to fund this Agreement in its budget period. This provision is intended to comply with Article XVI, Section 18 of the Constitution of the State of California.

24. COUNTY and CONTRACTOR shall meet at least annually to review CONTRACTOR's performance and any other relevant matters related to this agreement.

25. COUNTY may terminate this Agreement at any time by providing a notice in writing to CONTRACTOR that the Agreement is terminated. Said Agreement shall then be deemed terminated and no further work shall be performed by CONTRACTOR. If the Agreement is so terminated, the CONTRACTOR shall be paid for that percentage of the phase of work actually completed, based on a pro rata portion of the compensation for said phase satisfactorily completed at the time the notice of termination is received.

26. In the event CONTRACTOR ceases to perform services hereunder or is removed by COUNTY, COUNTY shall replace CONTRACTOR with a qualified attorney.

27. Should any clause, paragraph or language in this Agreement be held to be void, unenforceable, or unconstitutional, such clause, paragraph or language shall be stricken from this Agreement and the remainder of this Agreement shall continue in full force and effect the same as if such clause, paragraph or language had never been contained herein.

28. Neither this Agreement nor any of the rights, obligations or duties specified herein shall be assigned, transferred or delegated to any person without prior written consent of COUNTY. CONTRACTOR shall neither assign nor transfer any interest in or to the proceeds of this Agreement. Any assignment, transfer or delegation in violation of this paragraph shall be void.

29. This Agreement may not be modified or amended except by a written agreement signed by parties hereto.

30. Any controversy or claim arising out of or relating to this Agreement which cannot be amicably settled without court action shall be litigated either in the Superior Court of California, County of Mariposa, or in the United States District Court for the Eastern District of California. The rights and obligations of the parties and all interpretations and performance of this Agreement shall be governed in all respects by the laws of the State of California.

31. This Agreement constitutes the entire agreement between CONTRACTOR and COUNTY with respect to the subject matter thereof and supersedes all previous negotiations, proposals, commitments, writings, advertisements, publications and understanding of any nature whatsoever unless expressly included in this Agreement.

32. Any notices herein provided to be given by either party to the other shall be deemed to have been fully given when made in writing and deposited in the United States mail, postage prepaid and addressed as follows:

Board of Supervisors

RESOLUTION - ACTION REQUESTED 2025-62

MEETING: February 18, 2025

TO: The Board of Supervisors

FROM: Joe Lynch, County Administrative Officer

RE: Approve First Amendment to the Agreement with Ric Scaglia Increasing the Amount by $154,044, for a New Amount Not to Exceed $422,454; Extending the Term One Full Year, for a New End Date of June 30, 2026, for Indigent Defense Legal Services; and Authorize the Board of Supervisors Chair to Sign the Amendment

---

RECOMMENDATION AND JUSTIFICATION

Approve First Amendment to Agreement with Ric Scaglia Increasing the Amount by $154,044, for a New Amount Not to Exceed $422,454; and Extending the Term One Full Year, for a New End Date of June 30, 2026, for Indigent Defense Legal Services; and Authorize the Board of Supervisors Chair to Sign the Amendment.

The current contract will expire on June 30, 2025, and the County is interested in extending it for one year. This will provide time to learn from the not-yet-released final report and presentation from the Office of State Public Defender, evaluating the indigent defense system and structure in Mariposa County. If the report provides suggestions on ways in which structural changes might support improvements to indigent defense services, then it may take time to analyze, budget for, and affect those changes.

The increase in annual costs are a reflection of the increased cost of doing business over the three years in which the contract has been in effect.

BACKGROUND AND HISTORY OF BOARD ACTIONS

Resolution 23-393: Approve Indigent Defense Agreement with Ric Squaglia, Effective August 1, 2023; and Authorize the Board of Supervisors Chair to Sign the Agreement

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION

The Board could modify the end date or the increase in cost of the amendment or the Board could reject the amendment. Depending on how the Board changes the amendment, it could result in challenges to the County's ability to provide indigent defense legal services, which we are mandated to provide.

FINANCIAL IMPACT

The cost for this agreement will be incorporated into the FY26 budget.

RES. NO. 23-393

LEGAL SERVICES AGREEMENT

THIS AGREEMENT shall become effective on August 1, 2023, regardless of the date of execution by the parties, and is executed in Mariposa, California, by and between the COUNTY OF MARIPOSA, a political subdivision of the State of California, hereinafter referred to as "COUNTY," and Ric Squaglia, hereinafter referred to as "CONTRACTOR." CONTRACTOR warrants that he/she operates an independent law office and that he/she is in no way affiliated with other indigent defense attorneys contracted by COUNTY as a partner, employer, or agent.

WHEREAS, the COUNTY Board of Supervisors has determined that it is in the best interest of COUNTY to contract with independent contractors for the special legal services hereinafter set forth; and

WHEREAS, CONTRACTOR is an Attorney at Law, licensed to practice law before all of the courts of the State of California and is otherwise qualified to perform the services hereinafter set forth.

NOW, THEREFORE, IT IS HEREBY AGREED as follows:

1. CONTRACTOR shall perform all duties normally provided by a public defender as required by law including but not limited to those duties outlined on Exhibit "A" attached hereto.

2. COUNTY shall pay to CONTRACTOR the sum of eleven thousand six hundred and seventy dollars ($11,670) per month on or before the tenth (10th) day of each month. Each monthly payment shall be in arrears for the services performed during the prior month. The parties agree and represent that the amount of compensation has been established after consideration of the facts set forth in California Penal Code §987.3 and further recognize that circumstances such as those referred to in Paragraphs 4 and 5 may require changes in the total compensation. COUNTY and CONTRACTOR agree to re-negotiate the total sum to be paid to CONTRACTOR hereunder in the event CONTRACTOR is required to make court appearances for new programs for which no regular court appearances are required at the time of the execution of this Agreement. By way of example only, if a new program is added to the judicial system, which requires CONTRACTOR to appear in court on Friday, in addition to the then current appearances on Monday, Tuesday and Thursday, this clause will be invoked. However, should the Court simply move Thursday court to Monday, with no additional days requiring court appearances, this clause shall not be invoked.

3. This Agreement shall be for a term of twenty-three (23) months commencing August 1, 2023, terminating on June 30, 2025, unless earlier extended by mutual agreement of the parties. COUNTY shall have the option to extend the term of this Agreement for one (1) one (1) year term. Should COUNTY elect to extend this Agreement, CONTRACTOR shall be notified in writing sixty (60) days prior to the expiration of the initial term, or any extended term. In the event of any extensions hereunder the parties shall mutually agree upon the annual contract price.

4. COUNTY shall receive all funds collected pursuant to Penal Code §§ 987.4, 987.6, and 987.8, Government Code §27712, and any similar statute providing

for the reimbursement for the cost of legal services rendered under this Agreement, and no portion of the funds shall inure to CONTRACTOR'S benefit or otherwise affect the amount specified in Paragraph 2.

5. This Agreement shall not apply to cases governed by California Penal Code §987.9, "capital cases," nor shall it apply to costs for investigators in homicide cases where the Superior Court has approved extraordinary expenses.

6. In addition to the sum specified in Paragraph 2 above, CONTRACTOR shall be reimbursed for reasonable out-of-pocket expenses incurred in representing criminal defendants in matters where venue has been changed outside the County of Mariposa.

7. CONTRACTOR shall be reasonably available to provide legal counsel to juveniles 17 years of age or younger which have not been charged with any crime, in the event a law enforcement agency or anyone acting on behalf of a law enforcement agency wishes to conduct a custodial interrogation or otherwise take a statement from a juvenile which could be incriminating or in any circumstances in which the juvenile has a right to counsel under federal law or pursuant to California Welfare and Institutions Code section 625.6. CONTRACTOR may provide services under this provision in person, via telephone or video conference. Services provided by CONTRACTOR under this provision during business hours (Monday-Friday 8:30 a.m. to 5:30 p.m.) for uncharged juvenile suspects shall be billed to the COUNTY at an hourly rate of seventy dollars ($70.00) per hour. Services provided by CONTRACTOR after business hours shall be billed to the COUNTY at an hourly rate of one hundred forty dollars ($140.00) per hour with a one hour billable minimum. Payments made pursuant to this Paragraph 7 shall be in addition to the sum specified in Paragraph 2. Nothing in this provision affects CONTRACTOR'S obligations under this Agreement to represent juvenile defendants charged with a criminal offense in Mariposa Superior Court.

8. CONTRACTOR shall be a member of the California State Bar in good standing at all times during the term of this Agreement.

9. CONTRACTOR shall maintain a telephone answering service or device for the taking of telephone messages during non-business hours.

10. In-custody clients shall be interviewed within thirty-six (36) hours of CONTRACTOR'S appointment. Out-of-custody clients shall be interviewed within seventy-two (72) hours of CONTRACTOR'S appointment.

11. The Superior Court shall develop eligibility guidelines for the purpose of determining an individual's financial eligibility for indigent representation. CONTRACTOR shall obtain from each and every person he/she is appointed to represent, a completed questionnaire verifying the person's eligibility for indigent representation services. Failure to perform this requirement shall constitute a material breach of this Agreement.

12. In performing the duties herein specified, CONTRACTOR is and shall be an independent contractor and not an employee of COUNTY. CONTRACTOR will be responsible to COUNTY for only the good faith performance of this Agreement in conformity with the Rules of Professional Conduct of the State Bar of California and not for the specific manner in which his/her duties are

performed or his/her professional judgment exercised. Because each CONTRACTOR is an independent contractor, it shall be his/her sole and absolute responsibility to comply with all federal, state, and local statutes, regulations and ordinances respecting this Agreement.

13. The parties recognize that ethics considerations, such as those set forth in the Rules of Professional Conduct, may prohibit CONTRACTOR from accepting some appointments that would otherwise be included within this Agreement. Upon discovery of a conflict of interest or other ethical consideration which precludes further representation, CONTRACTOR shall immediately notify the affected client(s) and move the Superior Court to be relieved as counsel.

14. CONTRACTOR, as an independent contractor, shall be solely responsible for providing all office furniture, equipment, supplies, secretaries, clerks, attorneys, and other persons necessary to perform this Agreement, including any professional education and expenses, except investigators and experts. Funding for any investigator or expert will be subject to prior to approval by the Superior Court on a case-by-case basis.

15. CONTRACTOR hereby agrees to individually indemnify and hold COUNTY, its officers and its employees absolutely harmless from any and all liability, cost, or expense whatsoever arising out of, or pertaining to, this Agreement and shall defend at no cost to COUNTY or COUNTY'S officers or employees, any such action brought against COUNTY, its officers or its employees.

16. During the term of this Agreement, CONTRACTOR shall carry professional liability insurance in a minimum amount of $1,000,000, insuring CONTRACTOR against all claims arising out of CONTRACTOR'S services performed hereunder. CONTRACTOR shall provide COUNTY with proof of insurance required herein upon execution of this Agreement by CONTRACTOR and annually thereafter.

17. CONTRACTOR shall notify COUNTY, in writing, within ten (10) working days of receipt by CONTRACTOR of a claim or allegation of ineffective representation by CONTRACTOR arising out of services provided hereunder by CONTRACTOR.

18. Upon the termination of this Agreement, CONTRACTOR shall cooperate fully with COUNTY and with such persons as may be designated by COUNTY to succeed CONTRACTOR in order to effect the orderly transition of legal services from CONTRACTOR to his or her successors. The cooperation specified in this paragraph includes, but is not limited to, the releasing of such files, papers and records as may be required to carry out the provisions of this Agreement and any subsequent agreement with successor contractors and to ensure the continued adequate legal representation of persons eligible for the services herein set forth.

19. CONTRACTOR shall maintain all files and records for each case for which services are provided under this Agreement for at least ten (10) years following the last date CONTRACTOR rendered services pursuant to this Agreement, unless such files are assigned to successor counsel. CONTRACTOR shall have access to his/her files as necessary. Neither the COUNTY nor any other person or entity shall be permitted access to any such files without the written consent of CONTRACTOR or court order. Prior to closing each case, CONTRACTOR shall notify the client of the requirements of this clause.

Board of Supervisors

RESOLUTION - ACTION REQUESTED 2025-63

MEETING: February 18, 2025

TO: The Board of Supervisors

FROM: Joe Lynch, County Administrative Officer

RE: Approve the Allocation for One (1) Full-Time Senior Library Assistant Position; Remove One (1) Vacant 50% Allocation of a Senior Library Assistant and One (1) Library Assistant I/II in the Library Department Effective Immediately

---

RECOMMENDATION AND JUSTIFICATION

Approve the Allocation for One (1) Full-Time Senior Library Assistant Position; Remove One (1) Vacant 50% Allocation of a Senior Library Assistant and One (1) Library Assistant I/II in the Library Department Effective Immediately.

The Mariposa County Library System consists of one main branch and four (4) satellite branches throughout the county. The branches are mainly staffed with extra help workers and volunteers. There is currently only one (1) full-time Senior Library Assistant allocated to the Library. A second full-time Senior Library Assistant is needed to assist the County Librarian in the Library's mission of maintaining efficient and high-quality library services to support the educational and informational needs of the Mariposa community.

Two full-time Senior Library Assistants will enhance the library’s ability to provide timely, accurate, and comprehensive support to patrons, as well as assist with the organization, cataloging, and management of library resources.

BACKGROUND AND HISTORY OF BOARD ACTIONS

The Senior Library Assistant position was created in 12/2003 (B/S res 03-466). This position was revised in 2/2006 (B/S res 06-73) and 7/2017 (B/S res 17-479).

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION

Do not approve the allocation. The Library will continue with its current structure.

FINANCIAL IMPACT

Due to salary savings from an unfilled 50% permanent part-time Senior Library Assistant position and the plan to remove one full-time Library Assistant I/II allocation, there will be no impact on the general fund.

TO: The Board of Supervisors

FROM: Joe Lynch, County Administrative Officer

RE: Approve the Temporary Overfill of the Deputy Director of Behavioral Health and Recovery Services Position in the Health and Human Services Agency Department, Effective Immediately, until the Incumbent Resigns

---

RECOMMENDATION AND JUSTIFICATION

Approve the Temporary Overfill of the Deputy Director of Behavioral Health and Recovery Services Position in the Health & Human Services Agency Department, Effective Immediately, until the Incumbent Resigns.

The current Deputy Director of Behavioral Health and Recovery Services will be retiring May 2025, and in order for the successor to be trained by the current incumbent, it will be necessary to recruit and hire a Deputy Director of Behavioral Health and Recovery Services effective immediately, thus creating a temporary overfill of the position. This overfill will end once the current incumbent retires in May 2025.

BACKGROUND AND HISTORY OF BOARD ACTIONS

Per current policy, the Board of Supervisors must approve the overfilling of positions. Mariposa County will occasionally overfill (or overhire) upon confirmation an employee will retire or resign.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION

If the Board does not approve the overfill, the replacement will not have an opportunity to receive training from the retiring incumbent.

FINANCIAL IMPACT

If an individual is hired to overfill before the incumbent retires, there may be a cost of approximately $32,700, or less, depending on stipend eligibility and hire date. If an existing County employee is chosen to fill the position, there may be virtually zero cost.

Board of Supervisors

RESOLUTION - ACTION REQUESTED 2025-65

MEETING: February 18, 2025

TO: The Board of Supervisors

FROM: Rosemarie Smallcombe, District I Supervisor

RE: Proclaim the Month of February 2025 as "Teen Dating Violence Awareness Month"

RECOMMENDATION AND JUSTIFICATION

Proclaim the Month of February 2025 as "Teen Dating Violence Awareness Month".

BACKGROUND AND HISTORY OF BOARD ACTIONS

The Board has approved this and similar proclamations previously.

The youth of Mariposa County are our most precious resource and greatest hope for the future. Ensuring their safety, well-being, positive development and growth into healthy citizens is a priority and responsibility we all share. Teen dating violence, includes physical, verbal and emotional abuse, sexual assault, bullying and sexual harassment via texting, email or “instant messaging.” This is a reality for teenagers in small towns and large, including Mariposa, of which many parents and caregivers are unaware.

In the fiscal year 23-24, Mountain Crisis Services and Ethos Youth Center assisted 17 Mariposa County teen youth. The types of abuse these teens experienced range from sexual assault, domestic violence, and teen dating violence. Teen dating violence intervention and prevention programs can help to ensure a positive school climate and safe learning environment for all pupils, address warning signs of dating violence among pupils before behaviors escalate, and protect the safety of targeted students.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION

Do not approve and miss the opportunity to draw attention to this important issue.

RESOLUTION - ACTION REQUESTED 2025-66

MEETING:	February 18, 2025
TO:	The Board of Supervisors
FROM:	Chris Bernard, Interim Division Chief, Chris Trindade, Interim Unit Chief
RE:	Approve an Increase in Extra-Help Hours from 860 Hours to 1300 Hours for the Reserve Firefighter I/FAE Position in the Mariposa County Fire Department

---

RECOMMENDATION AND JUSTIFICATION

Approve an Increase in Extra-Help Hours from 860 Hours to 1300 Hours for the Reserve Firefighter I/FAE Position in the Mariposa County Fire Department.

Authorize an Increase in Extra-Help Hours for the Reserve Firefighter I/FAE positions 860 Hours to 1,300 Hours. Extra-Help personnel can work up to 860 hours in a fiscal year and the board can authorize upto 1,300 Extra-Help hours. The Reserve Firefighter program is an ongoing program that to this point has proven to be successful. There is limited hours allowed due to the nature of the position, which require additional personnel hiring and training to be able to respond with county fire apparatus to emergency incidents. Requests to increase hours for these employees will allow the fire department to continue to take advantage of training and staffing through the fiscal year vs employees timing out and thus having to hire more numbers to compensate.

The Fire Department is ever evolving and exploring options to provide an increased service to our community. Extra Help employees are currently the option being utilized. Emergency public service require more training and time on the job to gain experience than in a traditional position, so it's important to keep continuity with the same personnel as much as possible. An increase in allowable hours will provide additional time to gain experience and training and allow this program to provide service back to the community and support our volunteers.

BACKGROUND AND HISTORY OF BOARD ACTIONS

On December 4th, 2024, the Board adopted Resolution 2024-534, which reclassified Reserve Firefighter II to the Fire Apparatus Engineer (FAE).

On February 6th, 2024, the Board adopted Resolution 2024-39 and approved an increase in extra help hours.

On February 1, 2022, the Board adopted Resolution 2022-83, approving new Reserve Firefighter Positions I/II. After an advertisement and interview process, Mariposa County Fire hired 4 such positions in July, and in October of this year, these first-ever paid Firefighters began their shifts. Since then, we have 8-10 Firefighters in Position I/II to staff 7 days a week.

On December 6, 2022 the Board adopted Resolution 2022-672 authorizing increased Reserve Firefighter I/II Extra Help hours to increase to 1300 hours. This is an annual request to allow our Reserves an increased opportunity to utilize their training and gain experience to provide invaluable service to our community and support our volunteers.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION

Do not extend Reserve Firefighter I/FAE Extra Help employees to 1300 hours and remove them from the schedule/service when they reach the current allowable 860 hours. To maintain the same level of service, hire more positions and train to replace the vacancies.

FINANCIAL IMPACT

No change in budget is required. Extra Help line supported through Assistance By Hire revenue.

Contractor shall provide all staffing and materials necessary to perform the Scope of Work.

3. COMPENSATION

Contractor shall be compensated for services performed in an amount not to exceed $200,000 as set forth in Exhibit B, "Cost Proposal," which is attached hereto and incorporated herein by reference. County shall pay Contractor within thirty (30) of receipt of an approved invoice.

4. INSURANCE

Contractor shall procure and maintain for the duration of this Agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by Contractor, its agents, representatives, or employees.

A. MINIMUM SCOPE AND LIMIT OF INSURANCE

If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location (ISO CG 25 03 or 25 04) or the general aggregate limit shall be twice the required occurrence limit.

(2) Automobile Liability: ISO Form Number CA 00 01 covering any auto (Code 1), or if Contractor has no owned autos, hired (Code 8) and non-owned autos (Code 9), with limits no less than $1,000,000 per accident for bodily injury and property damage.

(7) Verification of Coverage: Contractor shall furnish County with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by County before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive Contractor's obligation to provide them. County reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

(8) Subcontractors: Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that County is an additional insured on insurance required from subcontractors.

(9) Special Risks or Circumstances: County reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

5. HOLD HARMLESS/INDEMNIFICATION

To the fullest extent permitted by law, Contractor shall release, hold harmless, defend at its own expense, and indemnify County, its officers, employees, agents, and volunteers, from and against any and all claims, losses, damages, lawsuits, liabilities and expenses, including but not limited to reasonable attorneys' fees, including but not limited to those attributable to bodily injury, sickness, disease, death or injury to or destruction of property, including the loss therefrom, which arises out of or is in any way connected with the performance of this Agreement (collectively "Liabilities") to the extent caused by Contractor or its officers, agents or employees, except where such Liabilities are caused by the sole negligence or willful misconduct of County.

6. INDEPENDENT CONTRACTOR

It is the expressed intention of the parties that Contractor is an independent contractor and not an employee, agent, joint venturer or partner of County. Nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee between County and Contractor or any employee or agent of Contractor. Both parties acknowledge that Contractor is not an employee for state or federal tax purposes. Contractor shall retain the right to perform services for others during the term of this Agreement.

7. PUBLIC EMPLOYEES RETIREMENT SYSTEM (CALPERS)

In the event that Contractor or any employee, agent, or subcontractor of Contractor providing services under this Agreement is determined by a court of competent jurisdiction or the Public Employees Retirement System (CalPERS) to be eligible for enrollment in CalPERS as an employee of County, Contractor shall indemnify, defend, and hold harmless County for the payment of any employee and/or employer contributions for CalPERS benefits on behalf of Contractor or its employees, agents, or subcontractors, as well as for the payment of any

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, County of Mariposa (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

We will bill you for any fees at that time, if any.

Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to County.

B. OTHER INSURANCE PROVISIONS

The insurance policies are to contain, or be endorsed to contain, the following provisions:

(1) Additional Insured Status: County, its officers, officials, employees, and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of Contractor including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to Contractor's insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10 and CG 20 37 forms if a later edition is used).

(2) Primary Coverage: For any claims related to this Agreement, Contractor's insurance coverage shall be primary insurance with respect to Contractor's negligent performance of the services as respects County, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by County, its officers, officials, employees, or volunteers shall be excess of Contractor's insurance and shall not contribute with it.

(3) Notice of Cancellation: Each insurance policy required above shall state that coverage shall not be canceled, except with at least thirty (30) calendar days' notice to County.

(4) Waiver of Subrogation: Contractor hereby grants to County a waiver of any right to subrogation which any insurer of said Contractor may acquire against County by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not County has received a waiver of subrogation endorsement from the insurer.

(5) Deductibles and Self-Insured Retentions: Any deductibles or self-insured retentions must be declared to and approved by County. County may require Contractor to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.

(6) Acceptability of Insurers: Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A: VII, unless otherwise acceptable to County.

All certificates and endorsements are to be received and approved by County before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive Contractor's obligation to provide them. County reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

(8) Subcontractors: Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that County is an additional insured on insurance required from subcontractors.

(9) Special Risks or Circumstances: County reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

5. HOLD HARMLESS/INDEMNIFICATION

To the fullest extent permitted by law, Contractor shall hold harmless, defend at its own expense, and indemnify County, its officers, employees, agents, and volunteers, against any and all liability, claims, losses, damages, or expenses, including reasonable attorney's fees, resulting from all negligent or wrongful acts or omissions of Contractor or its officers, agents, or employees in rendering services under this Agreement; excluding however such liability, claims, losses, damages, or expenses arising from County's sole negligence or wrongful acts

6. INDEPENDENT CONTRACTOR

It is the expressed intention of the parties that Contractor is an independent contractor and not an employee, agent, joint venturer or partner of County. Nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee between County and Contractor or any employee or agent of Contractor. Both parties acknowledge that Contractor is not an employee for state or federal tax purposes. Contractor shall retain the right to perform services for others during the term of this Agreement.

7. PUBLIC EMPLOYEES RETIREMENT SYSTEM (CALPERS)

In the event that Contractor or any employee, agent, or subcontractor of Contractor providing services under this Agreement is determined by a court of competent jurisdiction or the Public Employees Retirement System (CalPERS) to be eligible for enrollment in CalPERS as an employee of County, Contractor shall indemnify, defend, and hold harmless County for the payment of any employee and/or employer contributions for CalPERS benefits on behalf of Contractor or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of County.

Electronic Record and Signature Disclosure		

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, County of Mariposa (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

DocuSign Envelope ID: 973FDB3F-342D-478C-AB8E-85F5F2151967

Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

3.8.2. Patient Orientation – The central focus of initial treatment will be to provide the patient with a safe, predictable, reality oriented physical and psychological environment. Treatment will address the reduction of presenting symptomatology, but from the start will begin to consider possible outcomes and placement options.

3.8.3. Assessment and Treatment Planning – This process includes the interdisciplinary assessment of the patient and the development of an integrated treatment plan by the treatment team.

3.8.4. Rehabilitation and Treatment Milieu – During their stay, the patients will participate in group and individual activities directed towards restoring and/or achieving increased levels of function and independence in order to promote rapid return to the community.

3.8.5. Discharge Preparation – The final clinical segment will focus upon finalizing preparation of the patient for returning to community life in the least restrictive environment. Linkages will be established with community care providers and other support resources, and treatment will be scaled down with increasing privileges.

Whenever possible and appropriate, coordination will be established with patients' families.

3.9. Discharge Criteria and Planning: The contractor shall designate staff to provide planning for client discharges to less restrictive levels of care and follow-up treatment to other licensed facilities in coordination with the County. The County Program Monitor reserves the right to discharge clients when they disagree with clinical judgment of the facility professional staff. Should such circumstances occur, it will be duly recorded in the client's medical record that the discharge was made against medical advice. Contractor shall complete the County identified level of care tool at quarterly reviews beginning at six months of stay and when clients are discharged.

3.10. Limitations of Service: Any applicant shall be served if financial support can be provided by the patient, his/her family, county, billing State or Federal funding, or any other third-party payer. The program is not designed for patients whose mental impairments or need for nursing care services are higher than those provided by the Contractor. Contractor may discharge to acute psychiatric services any patient whose level of impairment requires acute hospitalization.

3.11. Minimum Staffing Qualifications: Contractor shall comply with staffing requirements as are in Title 22, California Code of Regulations. Contractor shall have on file job description, including minimum qualifications for employment and duties performed for all personnel whose salaries, wages, and benefits are reimbursable in whole or in part under this contract.

3.12. Prior Authorization:

3.12.1. Process: COUNTY shall provide Contractor with a completed authorization form prior to each patient admission. A patient may be admitted on the basis of verbal authorization from the COUNTY designee by mutual consent of the COUNTY designee and Contractor. The COUNTY designee supplies a completed authorization form within ten (10) working days from the date of admission.

3.12.2. Billing for Services: Contractor shall be responsible for applying for any third-party revenues, including the collection of SSI/SSP revenue.

3.13. Contractor shall perform linkage and referrals to community-based organizations including, but not limited to, primary care clinics and complementary healing centers, faith-based congregations, ethnic organizations and peer-directed programs such as Clubhouses.

3.14. Contractor's program and services shall be trauma-informed and accommodate the vulnerabilities of trauma survivors and allow services to be delivered in a way that will avoid inadvertently re- traumatizing people and will facilitate consumer participation in services.

3.15. To ensure equal access to quality care by diverse populations, each service provider receiving funds from this contract shall adopt the federal Office of Minority Health (OMH) Culturally and Linguistically Appropriate Service (CLAS) national standards. The National CLAS standards are located at:

https://www.thinkculturalhealth.hhs.gov/clas

3.16. Tuberculosis (TB) Testing. Contractor shall follow TB testing guidelines for all employees and client residents.

Exhibit B
COST PROPOSAL

This payment provision is subject to modification with written approval of the County Contract

Administrator and the Revenue and Budget Manager, not to exceed the total payment indicated in the main Agreement. Payment shall be made to CONTRACTOR for the number of days service is provided under this Agreement pursuant to the following conditions and terms:

1. For those COUNTY persons served under this Agreement ages 18 years and older, COUNTY shall be responsible to CONTRACTOR for the SNF/STP rate approved by California Department of Health Care Services which is currently identified as the standard rate at the end of this Exhibit.
2. COUNTY shall also be responsible to CONTRACTOR for an additional Ancillary Services Rate as contained in the rate schedule at the end of this Exhibit. The designated COUNTY and

   CONTRACTOR staff shall mutually determine the Enhanced Level of Care for COUNTY persons. The maximum daily rate to be paid by COUNTY to CONTRACTOR is a combination of the approved SNF/STP rate plus the applicable Ancillary Services Rate.
3. The specific number of bed days purchased in the service type categories (SNF/STP) may vary upon clinical need and availability, and no minimum is guaranteed. The specific cost per bed in each of the aforementioned categories will be as contained at the end of this exhibit. Any rate that is not listed (i.e., single room occupancy) will be negotiated and agreed upon by both parties prior to the period for which the rate will be charged.
4. Bed Hold. Bed Holds once authorized, will remain in effect until which time the patient returns to the facility or either party (County or facility) notifies the other of its desire to discontinue the bed hold. The bed hold day rate may be authorized for patients on unauthorized leave, AWOL, and status of COUNTY has been notified within one (1) business day of the patient's absence. Non-Medi-Cal eligible patients shall be charged the Bed Hold rate to reserve their bed.
5. Patient Fees and Third-Party Billing:

   5.1. COUNTY residents receiving services as described in Section 1 shall be charged for such services in accordance with their ability to pay, but such charges shall not exceed the actual cost of providing such services. CONTRACTOR shall determine patient fees for COUNTY residents based upon the ability to pay principle. CONTRACTOR shall establish policies and procedures for such fee assessment and collection including publication of current fee schedules for all billable services, which should be updated annually, covering all reimbursable costs. At no time is CONTRACTOR free to withhold services due to a COUNTY patient's inability to pay for all or a portion of services at the time they are required. After this Agreement's expiration or cancellation, CONTRACTOR will continue to bill patients monthly to

collect all revenue for services rendered to COUNTY residents during the term of this Agreement. Patient fees collected from COUNTY residents shall be budgeted and utilized to offset the costs charged against this Agreement.

5.2. Non-Medi-Cal beneficiaries receiving mental health services shall be charged fees in accordance with the DHCS Uniform Method of Determining Ability to Pay (UMDAP). CONTRACTOR shall report UMDAP fees paid to COUNTY annually. The patient's annual liability shall be calculated in accordance with UMDAP effective 10/1/1989.

5.3. CONTRACTOR shall be responsible for billing and collecting from all third-party revenue sources for COUNTY patients receiving services including, but not limited to, private insurance co- payments and Medi-Cal Share-of-Cost. CONTRACTOR shall recover the value of covered services rendered to beneficiaries whenever the beneficiaries are covered for the same services, either fully or partially, under any other State or Federal medical care program or under other

contractual or legal entitlement including, but not limited to, a private group or indemnification program, but excluding instances of the tort liability of a third party or casualty liability insurance.

5.4. CONTRACTOR shall first apply any COUNTY patient revenues collected (including, but not limited to: patient fees, third party reimbursements, private contracts, VA, food stamps, general assistance, social security payments or any other source of COUNTY patient revenues) to

billable services as an offset to the costs charged against this Agreement. The remaining balance may be claimed against this contract funding.

5.5. CONTRACTOR shall not submit a claim to, or demand or otherwise collect reimbursement from, the beneficiary or persons acting on behalf of the beneficiary for any specialty mental health or related administrative services provided under this contract, except to collect other health insurance coverage, share of cost, and co-payments.

MEETING: April 4, 2023

FROM: Joe Lynch, Health & Human Services Agency Director

RE: Approval of Amended Nutrition Infrastructure Grant Agreement with Area 12 Agency

---

RECOMMENDATION AND JUSTIFICATION:
Approve the Amended Area 12 Agency on Aging (A12AA) Nutrition Infrastructure Grant Agreement for a New Amount Not to Exceed $120,362; and Approve Budget Action Increasing Revenue and Appropriations Recognizing Unanticipated Funds from the Grant to Correspond with the Amended Agreement Amount ($18,840).

In accordance with the terms of the grant, funding shall be used to prioritize purchasing, upgrading, or refurbishing infrastructure for the production and distribution of congregate or home-delivered meals. With the previously awarded amount of $101,522, Health and Human Services Agency (HHSA) established a cost expenditure plan to purchase several pieces of commercial grade equipment and a specialized delivery vehicle in support of the expansion of meal services to the identified desert areas within Mariposa County. For the purpose of this resolution, the additional funding shall be used towards the increase in equipment & vehicle costs due to inflation of the previous quotes submitted to A12AA for approval in March 2022.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

On December 6, 2022, the Board approved the Area 12 Agency on Aging Nutrition Infrastructure Grant Agreement and Budget Action items through Res.# 2022-674, supporting the expansion of meal services to reach the county's most vulnerable and geographically isolated seniors in the communities of Coulterville, Greeley Hill, Mariposa, and Midpines.

The Board has historically approved previous amended agreements with Area 12 Agency on Aging for additional units of service or the purchase of equipment with one-time only funding available through A12AA from the California Department of Aging.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:
Health & Human Services Agency's Senior Nutrition program would not be able to expand the nutrition program as previously identified within the County.

FINANCIAL IMPACT:

There is no impact to the General Fund.

A. Unless otherwise provided for in this Article, property refers to all assets, capitalized or noncapitalized, used in the performance of this Agreement.

1. Property includes land, buildings, improvements, machinery, vehicles, furniture, tools, and intangibles, etc.

2. Property does not include consumable office supplies such as paper, pencils, toner, file folders, etc.

B. Property, acquired under this Agreement which meets any of the following criteria is subject to capitalization requirements. Such property must:

1. Have a normal useful life of at least 1 year;

2. Have a normal useful life of at least one (1) year and have a unit acquisition cost of at least $5000 (a desktop or laptop setup, including all peripherals is considered a unit, if purchased as a unit);

3. All computing devices, regardless of cost (including but not limited to, laptops, flash drives, workstations, servers, personal digital assistants, notebook computers, tablets, smartphones, iPads and cellphones);

4. All Portable electronic storage media, regardless of cost (including but not limited to, thumb/flash drives and portable hard drives); and

5. Be used to conduct business under this Agreement.

C. Noncapitalized property is those items which do not meet all three requirements in Section B above.

D. Additions, improvements, and betterments to assets meeting all of the conditions in Section B above must be reported. Additions typically involve physical extensions of existing units. Improvements and betterments typically do not increase the physical size of the asset. Instead, improvements and betterments enhance the condition of an asset (e.g., extend life, increase service capacity, and lower operating costs). Examples of assets that might be improved and bettered include roads, bridges, curbs and gutters, tunnels, parking lots, streets and sidewalks, drainage, and lighting systems.

E. Intangibles are property which lack physical substance but give valuable rights to the owner and can be capitalized or noncapitalized. Examples of intangible property include patents, copyrights, leases, and computer software. By contrast, hardware consists of tangible equipment (e.g., computer printer, terminal, etc.).

Costs include all amounts incurred to acquire and to ready the intangible asset for its intended use. Typical intangible property costs include the purchase price, legal fees, and other costs incurred to obtain title to the asset.

F. Provider shall request approval from A12AA following the A12AA's *Inventory Instructions, Provider Responsibilities,* when purchasing items with a per unit cost of $5000 or more, or computing devices with digital memory and storage capacity, regardless of the purchase price. The unit cost requires justification and approval from A12AA and must be included in the approved Provider Budget.

G. Provider shall keep track of property purchased with funds from this Agreement that meet the requirements whether capitalized or not. Provider shall maintain and submit to A12AA, annually with the Closeout, a current inventory of property furnished or purchased by either Provider or by A12AA for Provider with funds awarded under this Agreement or any predecessor agreement for the same purpose. Provider shall use the A12AA Provider Inventory Worksheet with authorized signature to report property to A12AA where applicable.

H. Disposal of Property

1. Prior to disposal of any property purchased by Provider with funds awarded under this Agreement or any predecessor agreement, Provider must obtain **prior** approval from A12AA for all items with a unit cost of $5000 or more regardless of the acquisition value OR computing devices with digital memory and storage capacity. Disposition, which includes sale, trade-in, discarding, or transfer to another agency may not occur until approval is received from A12AA. Provider shall follow A12AA's *Inventory Instructions, Provider Responsibilities,* and use the *Inventory Transfer/Disposal Form* provided by A12AA staff to dispose of property.

2. Provider must remove all Personal, Sensitive, or Confidential Information (PSCI), from A12AA property prior to disposal including removal or destruction of data on computing devices with digital memory and storage capacity. Since these media may require special disposition in order to mitigate the risk of unauthorized disclosure and ensure confidentiality of information, Provider follow the instructions outlined on *Certification for Computing Media Sanitation,* a document provided by A12AA and CDA. Information systems capture, process, store, and transmit information using a wide variety of media such as, but not limited to, magnetic tapes, flash drives, personal computers, workstations, PDAs (personal digital assistants), iPads, and laptops.

I. Any loss, damage, or theft of equipment shall be investigated, fully documented and Provider shall promptly notify A12AA. A12AA will notify CDA. [CFR 215.34]

J. A12AA reserves title to all A12AA and CDA purchased or financed property not fully consumed in the performance of this Agreement, unless otherwise required by Federal law or regulation or as otherwise agreed by the parties.

K. Provider shall exercise due care in the use, maintenance, protection, and preservation of such property during the period of the project, and shall assume responsibility for replacement or repair of such property during the period of the project, until Provider has complied with all written instructions from A12AA regarding the final disposition of the property.

L. In the event of Provider's dissolution or upon termination of this Agreement, Provider shall provide a final property inventory to A12AA. A12AA reserves the right to require Provider to transfer such property to another entity or to A12AA.

M. To exercise the above right, no later than 120 days after termination of this Agreement or notification of Provider's dissolution, A12AA will issue specific written disposition instructions to Provider.

N. Provider shall use the property for the purpose for which it was intended under Agreement. When no longer needed for that use, Provider with written approval of A12AA may use the property for other purposes in this order:

1. Another A12AA program providing the same or similar service; or

2. State or Federally-funded program.

O. Provider may share use of the property and equipment or allow use by other programs upon written approval of A12AA. As a condition of the approval, A12AA may require reimbursement under this Agreement for its use.

P. Provider shall not use equipment or supplies acquired under this Agreement for personal gain or to usurp the competitive advantage of a privately owned business entity.

Q. If purchase of equipment is a reimbursable item, the equipment to be purchased will be specified in Exhibit B, Budget Detail.

Board of Supervisors

RESOLUTION - ACTION REQUESTED 2024-176

MEETING: May 14, 2024

TO: The Board of Supervisors

FROM: Joe Lynch, County Administrative Officer

RE: Approve a Second Amendment with Area 12 Agency on Aging; Authorize the Board of Supervisors Chair to Sign the Amendment; and Approve Budget Action Increasing Revenue and Appropriations in the Nutrition Services Budget Receiving Unanticipated Funds ($8,500) (4/5ths Vote Required)

RECOMMENDATION AND JUSTIFICATION

Approve a Second Amendment with Area 12 Agency on Aging; Authorize the Board of Supervisors Chair to Sign the Amendment; and Approve Budget Action Increasing Revenue and Appropriations in the Nutrition Services Budget Receiving Unanticipated Funds ($8,500) (4/5ths Vote Required).

The original grant funding total was $101,522 with the first amendments unanticipated funds increasing funding to a new total of $120,362. With the additional unanticipated funds from the grant funding of $8,500, the Health and Humans Services Agency's new total amount is $128,363.

In accordance with the terms of the grant, funding shall be used to prioritize purchasing, upgrading, or refurbishing infrastructure for the production and distribution of congregate or home-delivered meals. With the previously awarded amount of $101,522, Health and Human Services Agency (HHSA) established a cost expenditure plan to purchase several pieces of commercial grade equipment and a specialized delivery vehicle in support of the expansion of meal services to the identified desert areas within Mariposa County.

For the purpose of this resolution, the additional funding was used towards a purchase of new equipment to replace equipment that was too old to continue to repair.

BACKGROUND AND HISTORY OF BOARD ACTIONS

On December 6, 2022, the Board approved the Area 12 Agency on Aging Nutrition Infrastructure Grant Agreement and Budget Action items through Res.# 2022-674, supporting the expansion of meal services to reach the county's most vulnerable and geographically isolated seniors in the communities of Coulterville, Greeley Hill, Mariposa, and Midpines.

On February 6, 2024, the Board approved the First Amendment to Standard Agreement through Resolution 2023-180.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION

A negative action would sever an additional funding source for the agency, which would suspend the Nutrition Infrastructure Grant.

Approve a Sub-Lease Agreement Between Mariposa County Health and Human Services (Lessee) and The Central California Alliance for Health (Sub-Lessee) for Office Space at the Mariposa County Health and Human Services Center located at 5362 Lemee Lane, Mariposa, CA; and Authorize the Board of Supervisors Chair to Sign the Agreement.
This sub-lease agreement is permitted by Article 7 of the County's lease agreement with Descor Assignment and Subletting by Tenant. Mariposa County Health and Human Services (Lessee) has obtained approval from the landlord to sub-let approximately 418 square feet of office space in the Mariposa County Health and Human Services Center to The Central California Alliance for Health (Sub-Lessee). The sub-lease amount shall be $15,048 per year ($1,254 per month) for the term of three years beginning on 10/15/2023

BACKGROUND AND HISTORY OF BOARD ACTIONS

The County and the Alliance first began discussions regarding the feasibility a partnership in 2012 and again most recently, the County contacted the Alliance in 2019 regarding its interest in exploring the possibility of working with the Alliance towards an expansion of the Alliance's COHS Medi-Cal managed care plan services. The Alliance's history of successful operations in the region and its emphasis on access, quality, member engagement and provider support are all factors in the County's interest in working with the Alliance.

The Mariposa County Board of Supervisors adopted Ordinance 2021-ORD-1166 adding Chapter 2.114 to Title 2 of the Mariposa County Code, Titled, "Santa CruzMonterey-Merced-San Benito-Mariposa Multi-County Managed Medical Care Commission" on September 28th, 2021. On April 20, 2021, the Mariposa County Board of Supervisors approved the submission of a Letter of Intent, in collaboration with Central California Alliance for Health (the Alliance), to change the county's Medi-Cal Managed Care (MCMC) plan to a County Organized Health System (COHS) model. On August 10, 2021, the Board of Supervisors received further information from and engaged in a discussion with Stephanie Sonnenshine, CEO for The Central California Alliance for Health, regarding the details involved in transitioning to the health plan and outlining the next steps - should the County decide to change MCMC models.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION

If this agreement is not approved, The Central California Alliance for Health would seek an alternate location for office space within Mariposa County. This would be inconvenient for anyone needing Medi-Cal services.

FINANCIAL IMPACT

This sub-lese represents revenue to the department and will not impact the county General Fund.

1. Equal Access to Federally-Funded Benefits, Programs and Activities (Title VI of the Civil Rights Act of 1964.)

C. Standards of Work

Contractor agrees that the performance of work and services pursuant to the requirements of this Agreement shall conform to accepted professional standards.

D. Professional Standards of Conduct

Contractor is responsible for ensuring the public trust by avoiding any situation that creates a real or perceived misrepresentation. Generally, misrepresentation occurs when a personal interest may intertwine with a professional interest. This may specifically occur when an employee or volunteer enters the online world.

A12AA encourages Contractor, in the performance of the services agreed to be performed, to adhere to professional standards of conduct. As the internet and electronic communications play an ever increasing role in our work and personal lives, Contractor must always be mindful of its responsibilities as a provider of direct public services. If an employee uses social media and includes his or her affiliation or title or comments on matters related to their organization or A12AA, the line between public and private, personal and professional can be blurred.

Assume everything you, your staff or volunteers write online becomes public. Information from your Facebook page, blog entries, tweets and other social media outlets, can be easily circulated beyond your intended audience. This content, therefore represents you and your organization to the general public. As a result, when using social media, staff/volunteers should use caution and exhibit sound judgment.

Before using social media or information shared online to communicate about matters affecting Contractor or A12AA, A12AA encourages Contractor to review the information. Be sure the information is ethical, does not represent political activity, does not discriminate or harass, does not disclose non-public information, does not make false or misleading statements, and does not make disparaging comments about other likeminded organizations.

These same standards of conduct should be demonstrated while staff or volunteers are representing Contractor in a public venue.

E. Conflict of Interest

1. Contractor shall prevent its employees or consultants from using their positions for purposes including, but not limited to, the selection of vendors that are, or give the appearance of being, motivated by a desire for private gain for themselves or others, such as family, business, or other ties. In the event that the State or A12AA determines that a conflict of interest exists, any increase in costs associated with the conflict of interest may be disallowed by the State or A12AA and such conflict may constitute grounds for termination of this Agreement.

2. This provision shall not be construed to prohibit employment of persons with whom Contractor's officers, agents, or employees have family, business, or other ties, so long as the employment of such persons does not result in a conflict of interest (real or apparent) or increased costs over those associated with the employment of any other equally qualified applicant, and such persons have successfully competed for employment with the other applicants on a merit basis.

F. Covenant against Contingent Fees

1. Contractor warrants that no person or selling agency has been employed or retained to solicit this Agreement. There has been no agreement to make commission payments in order to obtain this Agreement.

2. For breach or violation of this warranty, A12AA shall have the right to terminate this Agreement without liability or at its discretion to deduct from this Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingency fee.

G. Payroll Taxes and Deductions

Contractor shall promptly forward payroll taxes, insurances, and contributions, including State Disability Insurance, Unemployment Insurance, Old Age Survivors Disability Insurance, and Federal and State income taxes withheld, to designated governmental agencies.

H. Facility Construction or Repair (This section only applies to Title III.)

1. When applicable for purposes of construction or repair of facilities, Contractor shall comply with the provisions contained in the following acts and shall include such provisions in any applicable agreements with vendors:

   a. Copeland "Anti-Kickback" Act (18 USC 874, 40 USC 276c) (29 CFR, Part 3).

   b. Davis-Bacon Act (40 USC 276a to 276a-7) (29 CFR, Part 5).

   c. Contract Work Hours and Safety Standards Act (40 USC 3701 et seq.) (29 CFR, Part 5, 6, 7, 8).

   d. Executive Order 11246 of September 14, 1965, entitled "Equal Employment Opportunity" as amended by Executive Order 11375 of October 13, 1967, as supplemented in Department of Labor Regulations (41 CFR, Part 60).

2. Contractor shall not use payments for construction, renovation, alteration, improvement, or repair of privately-owned property which would enhance the

owner's value of such property to the benefit of the owner except where permitted by law and by A12AA and CDA.

3. When funding is provided for construction and non-construction activities, Contractor must obtain prior written approval from A12AA before making any fund or budget transfers between construction and non-construction.

I. Contracts in Excess of $100,000

If all funding provided herein exceeds $100,000, Contractor shall comply with all applicable orders or requirements issued under the following laws:

A. Unless otherwise provided for in this Article, property refers to all assets, capitalized or noncapitalized, used in the performance of this Agreement.

1. Property includes land, buildings, improvements, machinery, vehicles, furniture, tools, and intangibles, etc.

2. Property does not include consumable office supplies such as paper, pencils, toner, file folders, etc.

B. Property, acquired under this agreement which meets any of the following criteria is subject to capitalization requirements. Such property must:

1. Has a normal useful life of at least 1 year;

2. Has a normal useful life of at least one (1) year and has a unit acquisition cost of at least $5000 (a desktop or laptop setup, including all peripherals is considered a unit, if purchased as a unit);

3. All computing devices, regardless of cost (including but not limited to, laptops, flash drives, workstations, servers, personal digital assistants, notebook computers, tablets, smartphones, i-pads and cellphones);

4. All Portable electronic storage media, regardless of cost (including but not limited to, thumb/flash drives and portable hard drives); and

C. Noncapitalized property is those items which do not meet all three requirements in Section B above.

D. Additions, improvements, and betterments to assets meeting all of the conditions in Section B above must be reported. Additions typically involve physical extensions of existing units. Improvements and betterments typically do not increase the physical size of the asset. Instead, improvements and betterments enhance the condition of an asset (e.g., extend life, increase service capacity, and lower operating costs). Examples of assets that might be improved and bettered include roads, bridges, curbs and gutters, tunnels, parking lots, streets and sidewalks, drainage, and lighting systems.

E. Intangibles are property which lack physical substance but give valuable rights to the owner and can be capitalized or noncapitalized. Examples of intangible property include patents, copyrights, leases, and computer software. By contrast, hardware consists of tangible equipment (e.g., computer printer, terminal, etc.).

Costs include all amounts incurred to acquire and to ready the intangible asset for its intended use. Typical intangible property costs include the purchase price, legal fees, and other costs incurred to obtain title to the asset.

F. Contractor shall request approval from A12AA following the A12AA's *Inventory Instructions, Provider Responsibilities,* when purchasing items with a per unit cost of $5000 or more, or computing devices with digital memory and storage capacity, regardless of the purchase price. The unit cost requires justification and approval from A12AA and must be included in the approved Provider Budget.

G. Contractor shall keep track of property purchased with funds from this Agreement that meet the requirements as defined in Exhibit D, Article VII, Item B, whether capitalized or not. Contractor shall maintain and submit to A12AA, annually with the Closeout, a current inventory of property furnished or purchased by either the Contractor or by A12AA for Contractor with funds awarded under this Agreement or any predecessor agreement for the same purpose. Contractor shall use the A12AA Provider Inventory Worksheet with authorized signature to report property to A12AA, unless further restricted by Exhibit E, where applicable.

H. Disposal of Property

1. Prior to disposal of any property purchased by Contractor with funds awarded under this Agreement or any predecessor agreement, Contractor must obtain approval from A12AA for all items with a unit cost of $5000 or more regardless of the acquisition value OR computing devices with digital memory and storage capacity. Disposition, which includes sale, trade-in, discarding, or transfer to another agency may not occur until approval is received from A12AA. Contractor shall follow A12AA's *Inventory Instructions, Provider Responsibilities*, and use the *Inventory Transfer/Disposal Form* provided by A12AA staff to dispose of property. Property is not to be disposed of until approved by A12AA. (A12AA submits both the CDA 248 and STD 152 and must receive approval from CDA before disposing of property.) Contractor will be liable to repayment of purchase price of equipment if they dispose of the equipment without prior approval from A12AA and CDA.

2. Contractor must remove all Personal, Sensitive, or Confidential Information (PSCI), from A12AA property prior to disposal including removal or destruction of data on computing devices with digital memory and storage capacity. Since these media may require special disposition in order to mitigate the risk of unauthorized disclosure and ensure confidentiality of information, Contractor must follow the instructions outlined on *Certification for Computing Media Sanitation,* a document provided by A12AA and CDA. Information systems capture, process, store, and transmit information using a wide variety of media such as, but not limited to, magnetic tapes, flash drives, personal computers, workstations, PDAs (personal digital assistants), iPads, and laptops.

I. Any loss, damage, or theft of equipment shall be investigated and fully documented and Contractor shall promptly notify A12AA and shall provide copies of investigative

K. Contractor shall exercise due care in the use, maintenance, protection, and preservation of such property during the period of the project, and shall assume responsibility for replacement or repair of such property during the period of the project, until Contractor has complied with all written instructions from A12AA regarding the final disposition of the property.

L. In the event of Contractor's dissolution or upon termination of this Agreement, Contractor shall provide a final property inventory to A12AA. A12AA reserves the right to require Contractor to transfer such property to another entity or to A12AA.

M. To exercise the above right, no later than 120 days after termination of this Agreement or notification of Contractor's dissolution, A12AA will issue specific written disposition instructions to Contractor.

N. Contractor shall use the property for the purpose for which it was intended under Agreement. When no longer needed for that use, Contractor with written approval of A12AA may use the property for other purposes in this order:

1. Another A12AA program providing the same or similar service; or

2. State or Federally-funded program.

O. Contractor may share use of the property and equipment or allow use by other programs upon written approval of A12AA. As a condition of the approval, A12AA may require reimbursement under this Agreement for its use.

MONITORING PERFORMANCE STANDARDS

A. PURPOSES

1. To identify the service level that constitutes an acceptable performance

2. To determine at what point a service provider is under performing and requires corrective action or adjustments in scope of services (SOS) and/or contract amount.

3. To determine at what point a service provider's performance is out of compliance with terms of the contract.

B. STANDARDS

1. Performance goal is 100% of contracted SOS

2. A **performance level of less than 5% or more than 5% as compared to the Standard Percentage at any point in time,** will mean service provider is under\over performing and SOS and/or contract amount may be revised.

3. A performance level of less than 85% will mean service provider has not met terms of the contract. SOS and/or contract amount will be revised, or termination procedures will be implemented.

4. Performance level achieved by service provider will be one of the factors to be considered in the evaluation of application for future funding.

C. GENERAL GUIDELINES

1. Service provider is responsible for meeting all terms of the contract including provisions of the SOS.

2. Service provider is to maintain a cumulative performance level of 95% or more of units of service in SOS in order to be considered for continued funding at the full allocation.

3. Performance levels for Title III programs are calculated by comparing actual units to an annual SOS. The normal calculation is as follows:

Actual Units of Service	Number of Days Y-T-D
Scope of Service Units	365 Days

4. If cumulative year-to-date performance level at the end of a quarter falls (below) or over above 5% of the year-to-date contracted units of service, service provider shall submit a Contract Performance Report (A12AA Form Performance Standards-Exhibit G). The report is due to the Fiscal Officer by the 15th of the month following the final month of the quarter. Corrective action must be implemented within thirty (30) days of the beginning of the new quarter.

5. The Area 12 Staff, including the Executive Director, Assistant Director, Fiscal Officer and Planner shall meet periodically to review service provider performance levels. In the case of underperforming programs, the entities may recommend that actions be taken. The recommendations may be forwarded to the A12AA Advisory Council and A12AA Governing Board for their consideration/adoption. The recommendations may include:

   A. Service provider must perform at a level of 95% or higher for the second/third quarter of their contact amount and/or SOS may/shall be reduced by the difference between 95% and their cumulative performance.

   B. Service provider must perform at a least 95% or higher for the (first/second/third) quarter or their contract amount and/or SOS may/shall be reduced by the difference between 95% and their quarterly performance.

   C. Service provider's cumulative performance must be 95% or higher by the end of the (second/third) quarter or their contract and/or SOS may/shall be reduced by the difference between 95% and their cumulative performance.

   D. A condition may be placed on this year's contract: The program must achieve 95% of its SOS level for the last (quarter/half) of the contract year, or next year's funding award and/or SOS will be reduced.

   E. A12AA staff to revise service provider's budget and/or SOS.

Instructions for Attached Form: Performance Standards – Exhibit G (pages #1 & 2)

MARIPOSA COUNTY

Board of Supervisors

RESOLUTION - ACTION REQUESTED 2025-74

MEETING: February 18, 2025

TO: The Board of Supervisors

FROM: Kristina Keheley, Health and Human Services Agency Director

RE: Authorize Mariposa County Health and Human Services Agency (MCHHSA) to Accept a Grant Award in the Amount of $983,625 from Central California Alliance for Health (CCAH) to Support the North County Office Capital Improvement Project; and Approve the Associated Budget Action ($983,625) (4/5ths Vote Required)

RECOMMENDATION AND JUSTIFICATION

Authorize Mariposa County Health and Human Services Agency (MCHHSA) to Accept a Grant Award in the Amount of $983,625 from Central California Alliance for Health (CCAH) to Support the North County Office Capital Improvement Project; and Approve the Associated Budget Action ($983,625) (4/5ths Vote Required).

Approval to accept the CCAH grant award would allow MCHHSA to support renovations as part of a capital improvement project that allows for expansion of the MCHHSA North County site. MCHHSA is seeking Board of Supervisors approval to accept this CCAH capital program grant award in the amount of $983,625.00. Acceptance of this funding would facilitate the necessary expansion and renovation improvements that will allow this site to service the Medi-Cal program or in service to Medi-Cal beneficiaries and other North County community members seeking health and human services programs and support.

BACKGROUND AND HISTORY OF BOARD ACTIONS

On December 5, 2023 through Resolution 2023-644, the Board of Supervisors approved an agreement to purchase approximately 0.94 acres of real property at 10304 Fiske Road in Greeley Hill, California wherein Mariposa County Health and Human Services would be the lead department to facilitate health and social services for North County residents. The $983,625.00 CCAH grant award that MCHHSA is seeking to accept would facilitate the necessary expansion and renovation improvement needs to provide more robust service for the Medi-Cal program or in service to the Medi-Cal beneficiaries and other North County community members.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION

If the Board chooses not to accept the CCAH Grant Award, MCHSSA will not be able to expend funding towards North County services to increase the number of Medi-Cal members receiving essential health care, social support services, and health education. MCHHSA would be required to seek other funding sources to support North County capital improvement and expansion.

This Agreement for Medi-Cal Capacity Grant (Agreement), effective upon the date of the last signature below (Grant Effective Date), is entered into in order to specify the terms and conditions under which Santa Cruz-Monterey-Merced-San Benito-Mariposa Managed Medical Care Commission, operating as Central California Alliance for Health (the Alliance) agrees to provide funds (Grant) through the Alliance Medi-Cal Capacity Grant Program (Program) for grant #0724-MCHHSA-Capital to or on behalf of Mariposa County Health and Human Services Agency (Grantee).

Recitals

Whereas, the Alliance has established the Program to offer grants to health care providers and community organizations to support efforts that advance the Alliance mission to provide timely access to quality health care services and to increase Medi-Cal capacity in the Alliance's service area;

Whereas, the Program will focus the provision of available funds in the focus areas of Access to Care, Healthy Beginnings and Healthy Communities; and

Whereas, the Alliance has made a decision to award funds to Grantee based on the application submitted by Grantee for a Grant under the Program (Grant Application, which is expressly incorporated herein);

Now Therefore, the Alliance and Grantee agree that all funds awarded as a Grant under the Program shall be subject to the terms and conditions of this Agreement.

1. Statement of Services. The "Statement of Services" is attached hereto and hereby incorporated into this Agreement as Exhibit 1, and sets forth the services to be provided by Grantee under this Agreement.

2. Incorporation of Grant Request. The Grantee represents that all information contained in the original Grant Application is true, accurate and complete in all material respects. Grantee further agrees that it will notify the Alliance promptly of any material change in information submitted in the original Grant Application, including any significant change in contract status for the provision of Medi-Cal services, organizational leadership or contact information.

3. Amount and Purpose of Grant. The amount of the Grant shall be set forth in Exhibit 1 in consideration of and on condition that the sum be expended only for the purposes of carrying out the Statement of Services in Exhibit 1. Grantee shall use any and all funds provided through the Grant solely as set forth in Exhibit 1. Unless specifically provided in this Agreement or in Exhibit 1, no part of the Grant may be used to fund administrative services or other operating expenses of the Grantee, even if those services are utilized to support the services set forth in Exhibit 1. No part of the Grant may be used to fund expenses related to religious activities, lobbying or political action by the Grantee. To the extent that Grantee is unable to use any part of the Grant funds as set forth in the Statement of Services, Grantee shall notify the Alliance and return any funds that have not been or cannot be expended as provided in Exhibit 1. Grantee agrees to assume any obligation to furnish any additional funds that may be necessary to

complete the Statement of Services in Exhibit 1. All costs accrued for services or supplies prior to the execution of Agreement are not eligible for reimbursement unless specifically provided for in the terms of Exhibit 1.

4. Payment Schedule. The schedule for the payment of the Grant is set forth in Exhibit 1.

5. Payment Documentation. The timing, scope and format of the documentation that Grantee shall provide to the Alliance to request Grant funds is set forth in Exhibit 1. The Alliance reserves the right to request additional documentation as it deems necessary to validate the use of Grant funds, either before or after use by Grantee, and shall have the right at its sole discretion to withhold any payment pending any questions that it may have regarding the use of funds. The Alliance reserves the right to enter into a separate agreement with a third party to ensure that the covenants of this Agreement are met by the Grantee, including but not limited to those of sections 1, 3, and 6.

6. Books and Records. Grantee agrees to maintain satisfactory financial accounts, documents and records for the Grant and to make them available to the Alliance, the State of California, the United States Department of Health and Human Services or the Comptroller General of the United States, or otherwise required by law, for auditing at reasonable times. Grantee also agrees to retain such financial accounts, documents and records for three years following termination or completion of the Grant. Grantee agrees to maintain and make available for inspection by the Alliance accurate records of all of its costs, disbursements and receipts with respect to its activities under this Agreement.

7. Funding Promotion. Any materials used to advertise, announce or otherwise inform the public of the receipt of the funding provided for hereunder shall describe the funding and the services funded by the Alliance accurately, and in a way that conforms to the purpose statement in the scope of services set forth in Exhibit 1. Any such materials that mention or include information about the Alliance shall refer to the health plan as "Central California Alliance for Health (the Alliance)" on first usage and "the Alliance" thereafter. Any published list of funders who have supported activities related to this funding must include the Alliance. Funded organization must inform the public about the Alliance's funding through the use of signage, acknowledgement in published materials, news media, social media, websites or other public announcements, as applicable. All materials produced in accordance with this Agreement (including but not limited to training curriculum, agendas, newsletters, flyers, brochures, reports and videos, etc.) shall contain a statement that the material is funded through the Alliance. Funded organizations who receive funding for the purpose of constructing or renovating a building must memorialize Alliance financial support with a plaque. Funded organizations must refer to the Alliance's Promotion Toolkit for Funded Partners for instruction on the required promotional verbiage, use of Alliance name and Alliance logo in promotional activities. If a funded organization wishes to execute promotional activities or communication not included in the toolkit, the funded organization must obtain written approval of communication materials promoting Alliance funding prior to engaging in these efforts or activities.

8. Legal Compliance. If Grantee is a participant in the Medi-Cal program as of the Grant Effective Date, Grantee agrees that the Grant award and the payment of Grant funds by the Alliance pursuant to this Agreement is conditioned on Grantee's continuing compliance with all

Docusign Envelope ID: ACAE4FA5-DD1D-40C4-AEEB-B47700028AB0

applicable requirements of federal and California law related to Grantee's participation in the Medi-Cal program. Grantee shall notify the Alliance immediately in the event that Grantee or any employee or agent of Grantee whose employment was in part financed using Grant funds is suspended or excluded from participation in any state or federal health care program, including Medi-Cal or Medicare.

9. Term and Termination.

   a. This Agreement, including Exhibit 1, shall be effective on the Grant Effective Date. This Agreement shall remain in effect so long as the Statement of Services in Exhibit 1 is in effect, and in any event shall terminate no earlier than one year after the date of the last payment made to Grantee or on Grantee's behalf under this Agreement.

   b. This Agreement may only be rescinded, modified or amended by mutual agreement in writing.

   c. The Alliance may terminate this Agreement if Grantee (i) fails to return the partially executed Agreement within 60 calendar days of the Alliance's grant award decision date, or such later date as the parties may mutually agree upon in writing; (ii) fails to comply with the terms of this Agreement; (iii) terminates its agreement to participate in the Alliance provider network or Medi-Cal program for any reason, including without cause; or (iv) ceases accepting new Medi-Cal patients prior to reaching assigned capacity or otherwise materially curtails its operations as a provider.

   d. The Alliance may terminate this Agreement or cease providing payments hereunder in the event that the Alliance determines in its sole discretion (i) that further payments as set forth in the Agreement and/or Exhibit 1 could violate laws or regulations, including laws or regulations in existence on the Effective Date that may have been clarified or subject to new or changed interpretation, or (ii) in the event of a natural disaster or other event that causes the Alliance to be unable to fulfill its commitment hereunder.

   e. This Agreement and the Alliance's obligation to make further payment hereunder shall terminate immediately in the event that Grantee ceases operations or in the event of Grantee's insolvency, which insolvency shall be considered to have occurred when Grantee makes an assignment for the benefit of creditors, files a petition in bankruptcy, is adjudicated insolvent or bankrupt, if a receiver or trustee is appointed with respect to a substantial part of such other party's property, or a proceeding is commenced against it which will substantially impair Grantee's ability to carry out the Statement of Services in Exhibit 1. The Alliance reserves the maximum rights it is entitled to under any law and under the terms of this Agreement to seek return of any payments already made prior to Grantee's cessation of operations or insolvency, and to ensure that no funds provided pursuant to this Agreement, no matter when they were provided, shall be used for the purpose of paying Grantee's general creditors or for any purpose other than as specifically set forth in Exhibit 1.

Docusign Envelope ID: ACAE4FA5-DD1D-40C4-AEEB-B47700028AB0

10. Effect of Termination. In the event of termination, this Agreement and Exhibit 1 shall terminate and have no further force or effect with respect to either party as of the effective date of termination established in writing, except that all obligations arising or accruing prior to termination, including use or return of Grant funds, shall be performed in accordance with the terms of the Agreement in effect as of the date such obligations arose or accrued and shall survive termination. The provision of sections 6, 7, 11, 12 and 13 of this Agreement shall remain in effect for any occurrences arising out of performance of the Agreement prior to termination.

11. Remedies.

a. Grantee shall return to the Alliance any Grant funds that Grantee cannot document that it has used to carry out the scope of services provided for in Exhibit 1.

b. In the event Grantee fails to complete the full scope of services that are to be carried out over the course of time as contemplated in Exhibit 1, Grantee may be required to return any Grant funds that it has already received under this Agreement, even if such funds were properly used. Grantee's specific obligation to return funds is provided for in Exhibit 1.

c. In addition to any other provision of this Agreement, if the Alliance determines, at its sole discretion, that Grantee has substantially violated or failed to carry out any provision of this Agreement, including but not limited failure to provide documentation provided for in section 5 hereof, the Alliance may, in addition to any other legal remedies it may have, refuse to make any further grant payments to Grantee or on Grantee's behalf under this or any other grant agreement, and may demand the return of all or part of the grant funds previously received by Grantee or on Grantee's behalf, which Grantee shall immediately pay to the Alliance. The Alliance may also avail itself of any other remedies available under the law.

12. Compliance with Services Agreement. If Grantee is a party to services agreement with the Alliance, Grantee shall comply with all of the requirements in such agreement, including any nondiscrimination provisions.

13. Indemnification. Each Party ("Indemnifying Party"), at its own expense, agrees to defend, indemnify and hold harmless the other Party ("Indemnified Party") and any of Indemnified Party's affiliates, subsidiaries, directors, officers, employees, representatives, and agents from and against any and all liabilities, losses, costs, expenses (including, without limitation, attorneys' fees), damages, claims, suits, and/or demands (including, without limitation, those based on the injury to or death of any person or damage to property), directly or indirectly arising out of, or resulting from, (i) any act or omission of Indemnifying Party related to any of its obligations performed hereunder, (ii) any breach of Indemnifying Party's representations or warranties set forth in this Agreement, and/or (iii) any actual or alleged infringement, misappropriation, or other violation of any third party rights or any laws or regulations relating to Indemnifying Party's performance of its obligations under this Agreement.

Docusign Envelope ID: ACAE4FA5-DD1D-40C4-AEEB-B47700028AB0

14. Independent Contractors. The parties hereto are independent contractors and neither the Alliance nor Grantee is an agent or employee of the other.

15. Severability. Except as provided in section 9.d, if any provision of this Agreement or the application thereof is held invalid, that invalidity shall not affect other provisions or applications of the Agreement which can be given effect without the invalid provision or application, and to this end the provisions of this Agreement are severable.

16. Waiver. No terms or provision hereof will be considered waived by either party, and no breach excused by either party, unless such waiver or consent is in writing and signed on behalf of the party against whom the waiver is asserted. No consent by either party to, or waiver of, a breach by either party, whether expressed or implied will constitute consent to, waiver of, or excuse of any other, different, or subsequent breach by either party.

17. Assignment. This Agreement shall not be assigned by the Grantee either in whole or in part.

18. This Agreement shall supersede any prior oral or written understandings or communications between the parties and constitutes the entire agreement of the parties with respect to the subject matter hereof. This Agreement may not be amended or modified, except in writing signed by both parties.

Grantee authorizes the Alliance to deposit any amounts owed by initiating credit entries to the account at the financial institution indicated on the bank letter. If Grantee provides incorrect or fraudulent bank information, Grantee will be responsible for the loss of the grant payment.

3. **Project Timing.** In order to maintain continued eligibility for the award of funds hereunder, Grantee must meet the following project milestones:

a. Construction Start Date. In order to maintain eligibility for the interim payments provided for in Section 2 hereof, Grantee must begin construction of the project within nine (9) months of the Grant Effective Date ("Construction Start Date").

Docusign Envelope ID: ACAE4FA5-DD1D-40C4-AEEB-B47700028AB0

a. Grant funds may only be used for the purpose of paying expenses that are actually incurred by Grantee in carrying out the Statement of Services during the 12-month period for which the grant has been provided. Expenses that may be funded by Capital Grants are those described in the final approved project budget.

b. Funds may be used for capital expenditures only, which can include equipment and furnishings that are necessary for the delivery of care or equipment essential to the operation of the facility. However, funds cannot be used for the following purposes, and any amounts budgeted for such unapproved uses will be deducted from payment amounts awarded hereunder:

   i. Funds cannot be used for rental subsidies, operating costs or services.

   ii. In the event that the grant award provides funding for a project that was already in progress on the Grant Effective Date, activities completed or costs incurred prior to approval of the grant request by the Alliance will not be considered.

   iii. All project-related costs (except mobile units) are site-specific, and must relate to, occur, or be used at the single proposed site that was contained in the Grant Application.

5. **Other Capital Program Terms and Conditions; Return of Funds**. Grantee agrees that its receipt of funds is conditioned on meeting the requirements of this section 5, to the extent that such requirements are applicable to the type of grant it has been awarded, and that if these requirements are not met, the Alliance may withhold payment hereunder, and may at its discretion exercise any legal or equitable rights it may have for the return of Grant funds received hereunder. Grantee shall also provide the Alliance with such documentation as Alliance may request that demonstrates to the satisfaction of the Alliance that Grantee has satisfied and will satisfy the requirements set forth in this Section 5, at any time during the course of the duration of the Agreement.

   a. Legal Status. Grantee represents that it is a 501(c)(3) nonprofit or governmental entity that provides services to a significant volume of Medi-Cal members in the Alliance service area.

   b. Good Standing. If the Grantee is a contracted Alliance provider, Grantee shall maintain a contract in good standing with the Alliance for participation in the Alliance provider network during the term of the Grant. If Grant Award is made while Grantee is under investigation for suspected/actual fraud, waste or abuse, as defined in the Alliance Provider Manual, Grantee must participate in the investigation and meet all requirements of the investigation. If findings of the investigation indicate that the Grantee's contract is not in good standing, Grant funds may be recovered at the Alliance's discretion.

   c. Additional Financial Commitments. Grantee represents that the Grant Amount received hereunder represents no more than 75% of total project costs, and that Grantee has already secured the remaining 25% of funding necessary to complete the implementation of the project for which the Grant has been awarded, from sources other than

Docusign Envelope ID: ACAE4FA5-DD1D-40C4-AEEB-B47700028AB0

the Alliance, which sources can include as donations, in-kind products and/or services, cash or documented loans or lines of credit, and/or other state, local or grant funding.

d. Proof of Ownership, Lease Agreement or Intent to Purchase. Grantee has secured long-term rights to use the site-specific facility for which the grant was awarded, by one of the following means:

   i. Grantee has furnished proof of its legal ownership of the facility to the Alliance; or

   ii. Grantee has secured long-term lease agreement for the facility, and provided a copy of the lease to the Alliance; or

   iii. Grantee has proposed funding for the acquisition of a facility and provided letter of intent to purchase with Grant Application.

e. Useful Life. Grantee represents that, upon completion of the project, the facility will serve Medi-Cal members as set forth in the approved Grant Application for a period of not less than 10 years. If the facility ceases to service Medi-Cal members prior to the end of this 10 year period according to the approved Grant Application and the terms and conditions provided for herein, Grantee shall provide the Alliance with at least 90 days advance notice prior to the date upon which the facility ceases. In the event that the Grantee ceases using the facility to serve Medi-Cal members, Grantee shall pay to the Alliance a prorated amount of the Grant Amount, as follows:

   i. Less than Three Years. If Grantee uses the facility to serve Medi-Cal members for less than three years after receipt of the final payment, Grantee shall pay the Alliance an amount equal to 80% of the Grant Amount.

   ii. Less than Five Years. If Grantee uses the facility to serve Medi-Cal members for three or more but less than five years after receipt of the final payment, Grantee shall pay the Alliance an amount equal to 50% of the Grant Amount.

   iii. Less than Seven Years. If Grantee uses the facility to serve Medi-Cal members for five or more but less than seven years after receipt of the final payment, Grantee shall pay the Alliance an amount equal to 20% of the Grant Amount.

   iv. Less than Ten Years. Grantee uses the facility to serve Medi-Cal members for seven or more but less than 10 years after receipt of the final payment, Grantee shall pay the Alliance an amount equal to 10% of the Grant Amount.

   v. Waiver of Repayment Obligation. The Alliance may waive all or some of Grantee's repayment obligation if the Alliance determines in its sole discretion that Grantee's failure to continue using the facility for the benefit of Medi-Cal members is attributable to circumstances that are beyond Grantee's control.

   vi. Serving Medi-Cal Members at a Different Facility. The Alliance may waive Grantee's repayment obligation if Grantee ceases to occupy the facility but continues

Docusign Envelope ID: ACAE4FA5-DD1D-40C4-AEEB-B47700028AB0

to serve Medi-Cal members without interruption at a different facility that is at least as large as the facility for which Grantee has received a Grant hereunder, and that is within the service area of the Alliance.

vii. Operation of Facility by Third Party. If Grantee sells the facility or leases or subleases the facility to a third party, or enters into any transaction through which Grantee no longer owns or leases or has responsibility for the operation of the facility as provided under section 5(c), Grantee shall pay to the Alliance the prorated amounts set forth in section 5(e) unless such third party is deemed by the Alliance, exercising its sole discretion, to be qualified to, and agrees in writing to, continue serving Medi-Cal Members under the same terms and conditions that Grantee has agreed to as set forth herein and in the Grant Application. Grantee shall provide the Alliance with at least 90 days advance notice of a transaction described herein.

6. **Reporting**. Grantee shall provide the Alliance with two progress reports due upon completion of each Milestone phase as indicated in Payment Schedule (Section 2 above). Grantee shall also provide a final report due one year from project completion or no later than the end of the Grant Term. The reporting templates will be provided by the Alliance and available on the online grant portal. Grantee will submit the progress and final reports through the Alliance's online grant portal. Failure to submit these report(s) will delay interim or final payments of Grant Amount and may disqualify Grantee from receiving future grant funding from the Alliance.

7. **Evaluation and Monitoring**. The Alliance may monitor and conduct evaluation of operations under this Grant. This may include a visit from Alliance staff to observe the Grantee's operations related to Grant, discuss the Program with the Grantee's personnel, and review financial or other records and materials connected with the activities financed by this Grant.

8. **Compliance with Other Obligations**. Grantee shall comply with laws and regulations and any regulatory agreements, commitments or undertakings that are imposed on Grantee as a result of its receipt of funding from other sources pursuant to section 5(b) hereof.

Dear Maria Gallegos Herrera,

Mariposa County Health and Human Services Agency (MCHHSA) located in Mariposa, California is applying for a Rural Utility Service Distance Learning and Telemedicine (DLT) grant. As a previous DLT awardee, MCHHSA appreciates the importance and positive impact the funding provides in order to make critical services more accessible to rural residents. The RUS DLT grant aligns with program goals and objectives for the expansion of distance learning and healthcare accessibility to residents and commitment to enhancing access to services in the most remote and rural areas of the county.

As a widespread, rural county with a higher than the national average poverty rate, Mariposa County HHSA will utilize grant funds to expand health care accessibility at county sites to Medi-Cal eligible residents who have difficulty obtaining frequent and reliable access to the necessary technological equipment such as computers and internet connectivity. Grant funds will be utilized for behavioral health telemedicine services, inclusive of substance use disorder (SUD) and medication-assisted treatment (MAT) appointments to decrease opioid and alcohol related morbidity in several areas within Mariposa County. The entire population of Mariposa County is considered rural as there are 17,131 residents spread over 1,463 square miles of land which equates to approximately 12 residents per square mile. According to the California Health and Human Services (CHHS) Monthly Medi-Cal Eligibility Report, Mariposa County had 5,918 Medi-Cal eligible individuals in 2024 who would be positively affected by improved access to health care. Grant funds for all projects aim to improve and expand hub/end user communications. Mariposa County Health and Human Services Agency identified several key projects that would greatly benefit rural residents through the RUS-DLT grant.

The first project is the development of an American with Disability Act (ADA) compliant hub/end user site in a remote area of northern Mariposa County in Coulterville, commonly referred to as North County where 20% of the population resides. Grant funds will be used for infrastructure improvements such as upgrades to internet equipment and wiring, routers and switches for using telemedicine equipment and improved ability to connect to video conferencing and telemedicine services. The site in the North County area will assist the remote community by providing accessible telemedicine and distance learning equipment without traveling a long distance to the site in town one hour away.

Secondly, the office located at 5362 Lemee Lane in Mariposa will receive upgrades to rooms used for behavioral health treatment group services. MCHHSA plans to upgrade the rooms with functional video conferencing equipment to allow for meaningful communication during services. The equipment advancements will improve telemedicine capabilities and collaboration among clients and providers for the overall improvement of client care.

Lastly, MCHHSA plans to utilize grant funding to improve technology at the Community Health Center (CHC) where SUD, MAT, mental health and medical telehealth appointments are conducted. Clients will benefit from the installation of an additional telehealth room with enhanced video conferencing equipment. The equipment will improve telehealth services to clients that otherwise would be unable to access care. Additionally, MCHHSA plans to upgrade all health care laptops with improved video conferencing software and security for the provision of telemedicine services for the community across all providers for access to routine and specialty care. MCHHSA will need to purchase HIPAA compliant telehealth video conferencing user licenses to ensure secure and reliable communications between the providers and clients during telemedicine appointments.

The total amount of grant funds needed for the outlined improvements and equipment to assist rural Mariposa County residents with improved access to technological equipment for telemedicine and distance learning will not exceed 1 million dollars. The grant will be utilized at county health care sites for telemedicine equipment, infrastructure to support equipment connectivity, and advancement of telecommunications for the provision of services to residents who currently have unreliable or no access to equipment for telemedicine appointments. Funding obtained through the RUS DLT grant will be used to expand telehealth services. MCHHSA will continue searching for other sources of funding at the State and local level and no funding will be used to duplicate established telemedicine or distance learning services as indicated by the Non-duplication of Services Certificate, included in the grant application. Grant money will be tracked by the MCHHSA fiscal department and the 15% match funds derive directly from behavioral health realignment funds for a total project budget not to exceed $1,150,000.00.

MCHHSA is committed to working closely with the RUS DLT grant throughout the application process and beyond to ensure the success of the proposed projects. The grant application will include a request for special consideration based on the Distressed Communities Index score of 94.6 for a rural designated county. Continuance of services post grant will be funded through applications for additional grant opportunities and reimbursement funds that result from Medi-Cal billing. We look forward to the opportunity to collaborate and contribute to the advancement of rural telecommunication and telemedicine initiatives to the residents of Mariposa County.

Thank you for considering this letter of intent. MCHHSA is eager to submit the full grant application and provide further details about proposed projects. Should any additional information or further clarifications be required, please do not hesitate to contact Kristina Keheley at (209) 966-2000 or kkeheley@mariposacounty.org.

Board of Supervisors

RESOLUTION - ACTION REQUESTED 2025-76

MEETING:	February 18, 2025
TO:	The Board of Supervisors
FROM:	Shannon Hansen, Director of Public Works and Transportation
RE:	Approve First Change Order with Peak Excavation and Land Clearing, in the Amount of $91,717 for the Yosemite West Leach Field Expansion and Repair Project; and Authorize the Board of Supervisors Chair to Sign the Change Order

RECOMMENDATION AND JUSTIFICATION

Approve First Change Order with Peak Excavation and Land Clearing, in the Amount of $91,717 for the Yosemite West Leach Field Expansion & Repair Project; and Authorize the Board of Supervisors Chair to Sign the Change Order.

Additional damage to the leach field was discovered during the initial phase of repairs. The leach line at tier five had been exposed, requiring repairs and end-capping at the existing infiltration area. Restoration was also necessary due to slide damage affecting the trench and tier, which was beyond the original scope of work.

As work progressed, further mastication was needed to manage excessive vegetation growth on tiers five and six. Severe weather had caused a slide, further compromising sections of lines five and six due to the leach field's location.

These repairs were critical to restoring the leach line and field, ensuring the septic system functioned properly.

BACKGROUND AND HISTORY OF BOARD ACTIONS

On November 12, 2024, the Board adopted Resolution No. 2024-497 authorizing the Director of Public Works to Award an Agreement to the Lowest Responsible Bidder for the Yosemite West Leach Field Expansion and Repair Project in an Amount Not to Exceed $437,000.

On January 17, 2023, the Board adopted Resolution No. 2023-22 authorizing the Director of Public Works to enter into an agreement and receive a grant for the Yosemite West Leach Field Expansion and Repair Project.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION

Do not approve and Contractor will not receive payment for the completed work.

FINANCIAL IMPACT

Construction costs are 100% funded by the Proposition 1 Round 2 IRWM grant.

MARIPOSA COUNTY

Board of Supervisors

RESOLUTION - ACTION REQUESTED 2024-497

MEETING: November 12, 2024

TO: The Board of Supervisors

FROM: Shannon Hansen, Director of Public Works and Transportation

RE: Authorize the Public Works Director to Award an Agreement to the Lowest Responsible Bidder for the Yosemite West Leach Field Expansion and Repair Project in an Amount Not to Exceed $437,000; and Authorize the Board of Supervisors Chair to Sign the Agreement (Subject to Approval as to Legal Form by County Counsel)

RECOMMENDATION AND JUSTIFICATION

Authorize the Public Works Director to Award an Agreement to the Lowest Responsible Bidder for the Yosemite West Leach Field Expansion and Repair Project in an Amount Not to Exceed $437,000; and Authorize the Board of Supervisors Chair to Sign the Agreement (Subject to Approval as to Form by County Counsel)

The Public Works Department (PWD) intends to begin construction immediately and mobilize a Contractor before heavy snowfall. During winter, sprinklers cannot be used for wastewater effluent dispersal because there is no absorption, and the sprinklers freeze. A drop in the operating temperature of wastewater systems can significantly impact plant operations and effluent quality. Utilities staff wish to ensure the plant is functioning at its best. The work includes vegetation mastication, re-establishing access roads, repairing a damaged infiltrator, and constructing 222 linear feet of new infiltrator chambers.

BACKGROUND AND HISTORY OF BOARD ACTIONS

On January 17, 2023, the Board adopted Resolution No. 2023-22 authorizing the Director of Public Works to enter into an agreement and receive a grant for the Yosemite West Leach Field Expansion and Repair Project.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION

Do not approve and the County risks violating its wastewater permit with the Regional Water Quality Control Board.

FINANCIAL IMPACT

Construction costs are 100% funded by the Proposition 1 Round 2 IRWM grant. There is no local match required.

23. OWNER'S RIGHT TO PERFORM WORK: If the Contractor should neglect to prosecute the Work properly or fail to perform any provisions of this Contract, Owner, after **FORTY-EIGHT (48)** hours' written notice to the Contractor, may make good such deficiencies, without prejudice to any other remedy it may have including, but not limited to, the Owner hiring its own forces or another contractor to replace the Contractor's nonconforming Work, in which case the Owner shall either issue a deductive Change Order, a Construction Change Directive, or invoice the Contractor for the cost of that work. 26. PAYMENT: On a monthly basis, Contractor shall submit an application for payment based upon the estimated value for materials delivered or services performed under the Contract as of the date of submission ("Application for Payment"). Within thirty (30) days after Owner's approval of the Application for Payment, Contractor shall be paid a sum equal to ninety-five percent (95%) of the value of the Work performed (as verified by Architect and Inspector and certified by Contractor) up to the last day of the previous month, less the aggregate of previous payments and amount to be withheld. Owner may withhold or deduct from any payment an amount necessary to protect Owner from loss because of: (1) liquidated damages, if applicable, that have accrued as of the date of the application for payment; (2) any sums expended by Owner in performing any of Contractor's obligations under the Contract that Contractor has failed to perform or has performed inadequately; (3) defective Work not remedied; (4) stop payment notices as allowed by state law; (5) reasonable doubt that the Work can be completed for the unpaid balance of the Total Contract price or by the scheduled completion date; (6) Contractor's unsatisfactory prosecution of the Work; (7) unauthorized deviations from the Contract; (8) Contractor's failure to maintain or submit on a timely basis proper and sufficient documentation as required by the Contract or Owner during the prosecution of the Work; (9) Contractor's erroneous or false estimates of the value of the Work performed; (10) any sums representing expenses, losses, or damages, as determined by Owner, incurred by the Owner for which Contractor is liable under the Contract; and (11) any other sums that Owner is entitled to recover from Contractor under the terms of the Contract or pursuant to state law, including section 1727 of the California Labor Code. Owner's failure to deduct any of these sums from a progress payment shall not constitute a waiver of Owner's right to such sums. (4) Amounts not paid in a timely manner as required by this section shall bear interest at 7 percent per annum.

(5) If a subcontractor or a lower tier subcontractor lacks legal standing to assert a claim against a public entity because privity of contract does not exist, the contractor may present to the public entity a claim on behalf of a subcontractor or lower tier subcontractor. A subcontractor may request in writing, either on their own behalf or on behalf of a lower tier subcontractor, that the contractor present a claim for work which was performed by the subcontractor or by a lower tier subcontractor on behalf of the subcontractor. The subcontractor requesting that the claim be presented to the public entity shall furnish reasonable documentation to support the claim. Within 45 days of receipt of this written request, the contractor shall notify the subcontractor in writing as to whether the contractor presented the claim to the public entity and, if the original contractor did not present the claim, provide the subcontractor with a statement of the reasons for not having done so.

(e) The text of this section or a summary of it shall be set forth in the plans or specifications for any public works project that may give rise to a claim under this section.

(f) A waiver of the rights granted by this section is void and contrary to public policy, provided, however, that (1) upon receipt of a claim, the parties may mutually agree to waive, in writing, mediation and proceed directly to the commencement of a civil action or binding arbitration, as applicable; and (2) a public entity may prescribe reasonable change order, claim, and dispute resolution procedures and requirements in addition to the provisions of this section, so long as the contractual provisions do not conflict with or otherwise impair the timeframes and procedures set forth in this section.

(g) This section applies to contracts entered into on or after January 1, 2017.

(h) Nothing in this section shall impose liability upon a public entity that makes loans or grants available through a competitive application process, for the failure of an awardee to meet its contractual obligations.

Yosemite West Leach Field Expansion & Repair

("Project") which Agreement dated November 7, 2024, and all of the Contract Documents attached to or forming a part of the Agreement, are hereby referred to and made a part hereof; and

WHEREAS, said Principal is required under the terms of the Agreement to furnish a bond for the faithful performance of the Agreement.

NOW, THEREFORE, the Principal and American Contractors Indemnity Company ("Surety") are held and firmly bound unto the Board of County in the penal sum of

Ninety Four Thousand Nine Hundred Nineteen & 20/100

Dollars ($94,919.20), lawful money of the United States, for the payment of which sum well and truly to be made we bind ourselves, our heirs, executors, administrators, successors, and assigns jointly and severally, firmly by these presents, to:

- Perform all the work required to complete the Project; and
- Pay to County all damages County incurs as a result of the Principal's failure to perform all the Work required to complete the Project.

Surety expressly agrees that Owner may reject any contractor or subcontractor proposed by Surety to fulfill its obligations in the event of default by the Principal. The obligations of Surety hereunder shall continue so long as any obligation of Contractor remains. Nothing herein shall limit County's rights or the Contractor or Surety's obligations under the Agreement, law or equity, including, but not limited to, California Code of Civil Procedure section 337.15.

The Surety, for value received, hereby stipulates and agrees that no change, extension of time, alteration, or addition to the terms of the Agreement or to the Work to be performed thereunder or the specifications accompanying the same shall in any way affect its obligation on this bond, and it does hereby waive notice of any such change, extension of time, alteration, or addition to the terms of the Agreement or to the work or to the specifications.

** Workers in this classification may be entitled to a higher minimum wage under Executive Order 14026 ($17.20) or 13658 ($12.90). Please see the Note at the top of the wage determination for more information. Please also note that the minimum wage requirements of Executive Order 14026 are not currently being enforced as to any contract or subcontract to which the states of Texas, Louisiana, or Mississippi, including their agencies, are a party.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at https://www.dol.gov/agencies/whd/government-contracts.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses

Docusign Envelope ID: 1B00B2A8-5C3C-4181-B2CA-5629EAB89AF3

(29CFR 5.5 (a) (1) (iii)).

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of ""identifiers"" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than ""SU"" or ""UAVG"" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the ""SU"" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date

Docusign Envelope ID: 1B00B2A8-5C3C-4181-B2CA-5629EAB89AF3

for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

State Adopted Rate Identifiers

Classifications listed under the ""SA"" identifier indicate that the prevailing wage rate set by a state (or local) government was adopted under 29 C.F.R ◆1.3(g)-(h). Example: SAME2023-007 01/03/2024. SA reflects that the rates are state adopted. ME refers to the State of Maine. 2023 is the year during which the state completed the survey on which the listed classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 01/03/2024 reflects the date on which the classifications and rates under the ?SA? identifier took effect under state law in the state from which the rates were adopted.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

* an existing published wage determination
* a survey underlying a wage determination
* a Wage and Hour Division letter setting forth a position on a wage determination matter
* a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour National Office because National Office has responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

Docusign Envelope ID: 1B00B2A8-5C3C-4181-B2CA-5629EAB89AF3

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

Board of Supervisors

RESOLUTION - ACTION REQUESTED 2025-77

MEETING:	February 18, 2025
TO:	The Board of Supervisors
FROM:	Shannon Hansen, Director of Public Works and Transportation
RE:	Approve First Change Order with Williams Excavation Inc., in the Amount of $22,294 for the Coulterville Valve Replacement Project; and Authorize the Board of Supervisors Chair to Sign the Change Order

RECOMMENDATION AND JUSTIFICATION

Approve First Change Order with Williams Excavation Inc., in the Amount of $22,294 for the Coulterville Valve Replacement Project; and Authorize the Board of Supervisors Chair to Sign the Change Order.

The Coulterville Valve Replacement Project involved several modifications and reconfigurations of the Pressure Reducing Valve (PRV). An investigation of the existing system revealed that additional demolition was necessary, as the PRV was embedded in rock and concrete. Since the PRV was non-functional, it was removed and replaced.

An essential valve was also installed at Greeley Hill and Cemetery Road to isolate sections of the water system, preventing the need for a full town-wide shutdown in the future. Additionally, a valve was added at Boardway and Greeley Hill Road to accommodate future expansion.

These upgrades were crucial in ensuring the continued safe and efficient delivery of water to the residents of Coulterville.

BACKGROUND AND HISTORY OF BOARD ACTIONS

On June 11, 2024, Resolution 2024-243, the Board approved the Agreement with Williams Excavation Inc., for the Coulterville Valve Replacement and Airport Fire Hydrant Repair Project.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION

Do not approve and the Contractor will not receive payment for the work completed.

FINANCIAL IMPACT

The additional $22,294 is funded by 5578 Coulterville Proposition 1 Water System.

RE: Approve an Agreement with Williams Excavation Inc., for the Coulterville Valve Replacement and Airport Fire Hydrant Repair Project in the Amount Not to Exceed $111,496; and Authorize the Board Supervisors Chair to Sign the Agreement

---

RECOMMENDATION AND JUSTIFICATION

Approve an Agreement with Williams Excavation Inc., for the Coulterville Valve Replacement and Airport Fire Hydrant Repair Project in the Amount Not to Exceed $111,496; and Authorize the Board Supervisors Chair to Sign the Agreement.

This project combines repairs at two locations, Coulterville and the airport, into a single bid due to the similar nature of the work. Coulterville consists of replacing six watermain gate valves, installing two new gate valves, and removing an obsolete pressure relief valve (PRV). Mariposa-Yosemite Airport consists of replacing a damaged section of the fire hydrants service line, thrust block, and one-inch (1") saddle and reconnecting a service.

On May 21, 2024, the following three bids were received:

1. Williams Excavation, Inc. Mariposa, CA 95338 $111,496
2. Mid Cal Pipeline & Utilities, Inc., Merced, CA 95344 $112,000
2. Allison Sierra, Inc., Mariposa, CA 95338 $188,403

Williams Excavation, Inc., is the low bid. They are deemed responsible and their bid responsive.

The Coulterville water system will need to be shut down for a day, and boil water notices will be issued to the community. A public meeting will be held before the work begins, and comprehensive community notification will take place

BACKGROUND AND HISTORY OF BOARD ACTIONS

Valves and hydrants are essential components of a water system. Valves can isolate sections of the water system for maintenance or repairs. This ability minimizes disruptions by allowing work to be done on a small part of the system without shutting down the entire network. The valves in Coulterville no longer work as intended and the hydrant at the airport was leaking.

Should the Board fail to approve the contract award, these valves will continue to deteriorate, and the fire hydrant will be a safety issue.

8. SUBSTITUTIONS: No substitutions of material from those specified in the Work Specifications shall be made without Owner's prior written approval. The Party seeking to have its performance obligation(s) excused must demonstrate that there was such an insuperable interference occurring without the party's intervention as could not have been prevented by the exercise of prudence, diligence, and care, by providing prompt notice to the other Party, including full particulars of such event, of its inability to perform its obligations due to such event, following commencement of the claiming Party's inability to so perform its obligations. Any Party claiming a Force Majeure event shall use reasonable diligence to remove the condition that prevents performance and shall not be entitled to suspend performance of its obligations in any greater scope or for any longer duration than is required by the Force Majeure event. 23. OWNER'S RIGHT TO PERFORM WORK: If the Contractor should neglect to prosecute the Work properly or fail to perform any provisions of this Contract, Owner, after **FORTY-EIGHT (48)** hours' written notice to the Contractor, may make good such deficiencies, without prejudice to any other remedy it may have including, but not limited to, the Owner hiring its own forces or another contractor to replace the Contractor's nonconforming Work, in which case the Owner shall either issue a deductive Change Order, a Construction Change Directive, or invoice the Contractor for the cost of that work. Contractor shall pay any invoices within thirty (30) days of receipt of same or Owner may withhold those amounts from payment(s) otherwise due to Contractor.

25. OCCUPANCY: Owner reserves the right to occupy buildings at any time before formal Contract completion and such occupancy shall not constitute final acceptance or approval of any part of the Work covered by this Contract, nor shall such occupancy extend the date specified for completion of the Work.

26. PAYMENT: On a monthly basis, Contractor shall submit an application for payment based upon the estimated value for materials delivered or services performed under the Contract as of the date of submission ("Application for Payment"). Owner may withhold or deduct from any payment an amount necessary to protect Owner from loss because of: (1) liquidated damages, if applicable, that have accrued as of the date of the application for payment; (2) any sums expended by Owner in performing any of Contractor's obligations under the Contract that Contractor has failed to perform or has performed inadequately; (3) defective Work not remedied; (4) stop payment notices as allowed by state law; (5) reasonable doubt that the Work can be completed for the unpaid balance of the Total Contract price or by the scheduled completion date; (6) Contractor's unsatisfactory prosecution of the Work; (7) unauthorized deviations from the Contract; (8) Contractor's failure to maintain or submit on a timely basis proper and sufficient documentation as required by the Contract or Owner during the prosecution of the Work; (9) Contractor's erroneous or false estimates of the value of the Work performed; (10) any sums representing expenses, losses, or damages, as determined by Owner, incurred by the Owner for which Contractor is liable under the Contract; and (11) any other sums that Owner is entitled to recover from Contractor under the terms of the Contract or pursuant to state law, including section 1727 of the California Labor Code. Owner's failure to deduct any of these sums from a progress payment shall not constitute a waiver of Owner's right to such sums. Owner shall retain five percent (5%) from all amounts owing as retention. Retention shall be paid pursuant to Public Contract Code sections 7107, 7200 and 7201.

Upon receipt of a claim, a public entity and a contractor may, by mutual agreement, extend the time period provided in this subdivision.

(B) The claimant shall furnish reasonable documentation to support the claim.

(C) If the public entity needs approval from its governing body to provide the claimant a written statement identifying the disputed portion and the undisputed portion of the claim, and the governing body does not meet within the 45 days or within the mutually agreed to extension of time following receipt of a claim sent by registered mail or certified mail, return receipt requested, the public entity shall have up to three days following the next duly publicly noticed meeting of the governing body after the 45-day period, or extension, expires to provide the claimant a written statement identifying the disputed portion and the undisputed portion.

Each party shall bear the fees and costs charged by its respective mediator in connection with the selection of the neutral mediator. If mediation is unsuccessful, the parts of the claim remaining in dispute shall be subject to applicable procedures outside this section.

(C) For purposes of this section, mediation includes any nonbinding process, including, but not limited to, neutral evaluation or a dispute review board, in which an independent third party or board assists the parties in dispute resolution through negotiation or by issuance of an evaluation. A claim that is denied by reason of the public entity's failure to have responded to a claim, or its failure to otherwise meet the time requirements of this section, shall not constitute an adverse finding with regard to the merits of the claim or the responsibility or qualifications of the claimant.

(4) Amounts not paid in a timely manner as required by this section shall bear interest at 7 percent per annum.

(5) If a subcontractor or a lower tier subcontractor lacks legal standing to assert a claim against a public entity because privity of contract does not exist, the contractor may present to the public entity a claim on behalf of a subcontractor or lower tier subcontractor. A subcontractor may request in writing, either on their own behalf or on behalf of a lower tier subcontractor, that the contractor present a claim for work which was performed by the subcontractor or by a lower tier subcontractor on behalf of the subcontractor. The subcontractor requesting that the claim be presented to the public entity shall furnish reasonable documentation to support the claim. Within 45 days of receipt of this written request, the contractor shall notify the subcontractor in writing as to whether the contractor presented the claim to the public entity and, if the original contractor did not present the claim, provide the subcontractor with a statement of the reasons for not having done so.

(e) The text of this section or a summary of it shall be set forth in the plans or specifications for any public works project that may give rise to a claim under this section.

(f) A waiver of the rights granted by this section is void and contrary to public policy, provided, however, that (1) upon receipt of a claim, the parties may mutually agree to waive, in writing, mediation and proceed directly to the commencement of a civil action or binding arbitration, as applicable; and (2) a public entity may prescribe reasonable change order, claim, and dispute resolution procedures and requirements in addition to the provisions of this section, so long as the contractual provisions do not conflict with or otherwise impair the timeframes and procedures set forth in this section.

(g) This section applies to contracts entered into on or after January 1, 2017.

(h) Nothing in this section shall impose liability upon a public entity that makes loans or grants available through a competitive application process, for the failure of an awardee to meet its contractual obligations.

(i) This section shall remain in effect only until January 1, 2027, and as of that date is repealed, unless a later enacted statute that is enacted before January 1, 2027, deletes or extends that date.

SUBJECT: Mariposa Museum and History Center- Cowboy Day Event

Mariposa County Board of Supervisors,

Mariposa Museum and History Center is happy to announce and host our second Cowboy Day event which is scheduled for March 22nd, 2025 from 10 AM to 4 PM at the Mariposa Museum and History Center. This event encroaches on Jessie Street between the West America Bank and Rest Stop which is adjacent to the museum's property. We have applied for the encroachment permit.

The purpose of the Cowboy Day event is to host a community event that honors past and current cowboys and ranchers in Mariposa County. Proceeds of the event are to be used by the Mariposa Museum and History Center to support the non-profit museum in continuing to help preserve the past for our future generations, including in supporting our Student Docent Program. This event will include activities such as local vendors, demonstrations, games, a cowboy poetry session, silent auction/raffle, and other similar activities. We would like to utilize this portion of Jessie Street to place vendors.

We look forward to working with various county departments to organize and conduct this event. As the event draws closer, we will process environmental health and any other required permits. If you have any questions, please contact me at 209-966-2924 or email at officeadmin@mariposamuseum.com. Thank you for your consideration.

MEETING:	March 5, 2024
TO:	The Board of Supervisors
FROM:	Steven Ward, Division Chief
RE:	Receive a Presentation Regarding the Updated Mariposa County Community Wildfire Protection Plan (CWPP); and Adopt the Updated Plan

MINUTE ORDER ATTACHED

RECOMMENDATION AND JUSTIFICATION

Receive a Presentation Regarding the Updated Mariposa County Community Wildfire Protection Plan (CWPP); and Adopt the Updated Plan.

The Mariposa County Community Wildfire Protection Plan (CWPP) functions as the County's principal document to prepare for wildfires to minimize negative impacts and increase desired ecological outcomes. The plan is intended to serve as the County's primary reference for strategic wildfire planning and guide future wildfire prevention and mitigation activities.

Mariposa County Fire Advisory Committee (MCFAC) has reviewed the minor update to Mariposa County's CWPP, and in December 2023 voted unanimously to recommend to the Board of Supervisors to receive a presentation on updates to the CWPP, and adopt the updated CWPP as the county's functioning document.

BACKGROUND AND HISTORY OF BOARD ACTIONS

Resolution 2019-415: Creation of Fire Advisory Committee to help develop and maintain CWPP

Resolution 2021-80: Adoption of the Mariposa County's Community Wildfire Protection Plan.

6/7/2022 Board of Supervisors meeting: Update to Appendix D of CWPP was brought to the Board to utilize 23 "communities" to replace 38 Wildland Urban Interfaces as planning units in Mariposa County

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION

Negative action would result in the CWPP not incorporating updates to its usability and functionality.

RE: Approve an Agreement with Yosemite Falls Well Drilling for Emergency Well Work at the Midpines Fire Station; Authorize the Board Chair to Sign the Agreement; and Find the Project Meets All Emergency Requirements Pursuant to the Public Contract Code Section 22050 and that the Emergency did not Permit a Delay Resulting from a Competitive Solicitation for Bids, and that the Action was Necessary to Respond to the Emergency (4/5ths Vote Required)

RECOMMENDATION AND JUSTIFICATION

Approve an Agreement with Yosemite Falls Well Drilling for Emergency Well Work at the Midpines Fire Station; Authorize the Board Chair to Sign the Agreement; and Find the Project Meets All Emergency Requirements Pursuant to the Public Contract Code Section 22050 and that the Emergency did not Permit a Delay Resulting from a Competitive Solicitation for Bids, and that the Action was Necessary to Respond to the Emergency (4/5th Vote Required).

The well at Midpines Fire Station/Park recently failed due to severe silt accumulation in the casing. This caused the pump to draw in mud, leading to blockages, overloading, and failure. Essentially, the well casing is filling with mud and silt.

After the failure, the pump was removed, cleared, cleaned, and reinstalled at the same depth—despite the continued presence of mud in the casing. A video inspection revealed no obvious groundwater intrusion, but the entire interior of the well was coated in mud. In addition, the well continues to test positive for bacterial contamination, which also causes a health and safety risk to the public.

Despite extensive efforts to bring the well into compliance—including multiple rounds of chlorination, flushing, and even installing a continuous chlorine system—we have been unsuccessful. The water remains black and full of silt, making it unsafe and unreliable.

Currently, the well provides non-potable water to the fire suppression tanks, but its ongoing deterioration suggests an imminent failure. This presents a serious safety risk, as the fire department relies on this well to fill its tanks. Without it, they would need to travel to town, Lush Meadows, or Bootjack to fill their trucks—each option posing significant logistical challenges, especially in emergencies.

BACKGROUND AND HISTORY OF BOARD ACTIONS

Public Contract Code Section 22050 (a)(1) In the case of an emergency, a public agency, pursuant to a four-fifths vote of its governing body, may repair or replace a public facility, take any directly related and immediate action required by that emergency, and procure the necessary equipment, service, and supplies for those purposes, without giving notice for bids to let contracts.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION

If the Midpines Fire Station/Park Well is not fixed, it will pose a significant danger to the community.

FINANCIAL IMPACT

The Emergency Well Work will be paid out of salary savings from Public Works Budget.

Contractor shall pay all payroll taxes imposed by any governmental entity and will pay all other federal, state, or local taxes not specifically identified in the Contract Documents as Owner's responsibility.

In the event that Contractor or any employee, agent, or subcontractor of Contractor providing services under this Agreement is determined by a court of competent jurisdiction or the Public Employees Retirement System (CalPERS) to be eligible for enrollment in CalPERS as an employee of Owner, Contractor shall indemnify, defend, and hold Owner harmless for the payment of any employee and/or employer contributions for CalPERS benefits on behalf of Contractor or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of Owner.

2.03 **Indemnity/Liability.** Contractor shall defend, indemnify, and save harmless, to the fullest extent permitted by law, the Owner and each of its board members, officers, directors, representatives, agents, employees, and volunteers (**Owner Indemnities**), against all claims, suits, actions, loss, cost, damage, expense, and liability arising from or related to bodily injury to or death of any person or damage to any property, or resulting from any breach and/or Contractor's negligence in performing the Work pursuant to the Contract Documents. Notwithstanding any provision of the Contract Documents, Owner shall not be liable to Contractor or anyone claiming under it, in contract or tort, for any special, consequential, indirect or incidental damages arising out of or in connection with the Contract Documents or the Work. Owner's rights and remedies, whether under the Agreement or other applicable law, shall be cumulative and not subject to limitation. Contractor's obligations to defend, indemnify, and save harmless the Owner Indemnities are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained within this Agreement. Contractor's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law.

2.04 **Defective Work; Warranties.** Contractor warrants that all construction services shall be performed in accordance with generally accepted professional standards of good and sound construction practices, all Contract Documents requirements, and all laws, codes, standards, licenses, and permits. Contractor warrants that all materials and equipment shall be new, of suitable grade of their respective kinds for their intended uses, and free from defects. Contractor hereby grants to Owner for a period of one year following the date of completion its unconditional warranty of the quality and adequacy of all of the Work including, without limitation, all labor, materials and equipment provided by Contractor and its Subcontractors of all tiers. If either prior to completion of the Work, or within one year after completion, any Work (completed or incomplete) is found to violate any of the foregoing warranties (**Defective Work**), Contractor shall promptly, without cost to Owner and in accordance with Owner's written instructions, correct, remove and replace the Defective Work with conforming Work, and correct, remove and replace any damage to other Work or other property resulting therefrom. If Contractor fails to do so, Contractor shall pay all of the Owner's resulting claims, costs, losses and damages. Where Contractor fails to correct Defective Work, or defects are discovered outside the correction period, Owner shall have all rights and remedies granted by law.

2.05 **Compliance with Laws; Conflict of Interests.** Contractor agrees to comply with all applicable federal and state laws, regulations and policies, as amended, including those regarding

discrimination, unfair labor practices, anti-kick-back, collusion, and the provisions of the Americans with Disability Act. Contractor, its officer, partners, associates, agents, and employees, shall not make, participate in making, or in anyway attempt to use the position afforded them by the Contract Documents to influence any governmental decision in which he or she knows or has reason to know that he or she has a financial interest under applicable state, federal and local conflict of interest regulations. Contractor warrants that no person or agency has been employed or retained to solicit or obtain the Agreement upon an agreement or understanding for a contingent fee, except a bona fide employee or agency. Contractor shall not engage in unlawful employment discrimination including, but not limited to, discrimination based upon a person's race, religion, color, national origin, ancestry, physical handicap, medical condition, marital status, gender, citizenship, sexual orientation, or sexual identity as prohibited by state or federal law.

2.06 **Termination; Suspension; Disputes.** Owner may direct Contractor to terminate, suspend, delay, interrupt or accelerate Work, in whole or in part, for such periods of time as Owner may determine in its sole discretion. Owner will issue such directives in writing, and may do so, in whole or in part, for its convenience or due to Contractor's fault. Owner will compensate Contractor for extra costs resulting from such directives only to the extent that Owner issues such directives for its convenience and not due to Contractor's fault (but Owner shall not compensate Contractor for costs, profit or overhead anticipated to be earned or incurred on Work terminated for Owner's convenience.) Contractor shall continue its Work throughout the course of any dispute, and Contractor's failure to continue Work during a dispute shall be a material breach of the Contract Documents. All claims by Contractor against Owner shall be submitted in writing to Owner, and shall be governed by Public Contract Code Sections 9204, 20104 – 20104.6, after which time the one year time period in Government Code Section 911.2 shall be, pursuant to Government Code Section 930.2, reduced to 90 days. Should Contractor be terminated for default, and such termination is subsequently determined to be wrongful, such termination will be converted to a termination for convenience as provided herein.

2.07 **Execution; Venue; Limitations.** The Agreement shall be deemed to have been executed in County of Mariposa, California. Enforcement of the Contract Documents shall be governed by the laws of the State of California, excluding its conflict of laws rules. Except as expressly provided in the Contract Documents, nothing in the Contract Documents shall operate to confer rights or benefits on persons or entities not party to the Agreement. As between the parties to the Agreement, any applicable statute of limitations for any act or failure to act shall commence to run on the date of Owner's issuance of the final Certificate for Payment, or termination of the Contract Documents, whichever is earlier, except for latent defects, for which the statute of limitation shall begin running upon discovery of the defect and its cause.

2.08 **Employee Wages; Records; Apprentices.** Contractor shall pay prevailing wages to its employees on any contract in excess of $1,000.00 (one thousand dollars). Copies of the prevailing rate of per diem wages are on file at Owner's principal office. Contractor shall comply with the 8-hours per day/40 hours per week/overtime/working hours restrictions for all employees, pursuant to the California Labor Code. Contractor and all subcontractors shall keep and maintain accurate employee payroll records for Work performed under the Agreement. The payroll records shall be certified and submitted as required by law, including Labor Code Section 1771.4 (if applicable) and 1776, including (if the Agreement is awarded on or after April 1, 2015 or continues on or after January 1, 2016) to the Labor Commissioner no less frequently than monthly. Contractor shall comply fully with Labor Code Section 1777.5 in the hiring of apprentices for work relating to the Agreement. If the Agreement exceeds $2,000 and is funded with federal funds, then Contractor shall pay federal Davis Bacon wages and comply with applicable federal requirements.

2.09 **Mandatory Contractor and Subcontractor Registration.** Pursuant to Labor Code Section 1771(a), Contractor represents that it and all of its Subcontractors are currently registered and qualified to perform public work pursuant to Labor Code Section 1725.5. Contractor covenants that any additional or substitute Subcontractors will be similarly registered and qualified.

2.10 **Worker's Compensation.** Pursuant to Labor Code Sections 1860 and 1861, in accordance with the provisions of Section 3700 of the Labor Code, every contractor will be required to secure the payment of compensation to his employees. Contractor represents that it is aware of the provisions of Labor Code Section 3700 that require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that Code, and Contractor shall comply with such provisions before commencing the performance of the Work.

2.11 **Construction Performance Bond; Construction Labor and Materials Payment Bond; Securities in Lieu of Retention Escrow Account.**

A. If Contract Sum under the Agreement exceeds (or is expected to exceed) $15,000, Contractor shall provide a construction performance bond in form attached hereto as Appendix D – Construction Performance Bond, and a construction labor and material payment bond, in accordance with Civil Code Section 9550 and in form attached hereto Appendix E – Construction Labor and Materials Payment Bond. Contractor may not substitute cash in lieu of the required bond(s).

B. If the Agreement specifies performance retention, Contractor may elect to substitute securities or direct payment to an escrow account, pursuant to Public Contract Code Section 22300 (incorporated herein by this reference).

2.12 **Earthwork and Underground Facilities.** If the Work involves digging trenches or other excavations that extend deeper than four feet below the surface, Contractor shall notify Owner in writing of any material that Contractor believes may be hazardous waste that is required to be removed in accordance law, subsurface or latent physical conditions at the site differing from those indicated by information about the site made available to bidders prior to the deadline for submitting bids, or unknown physical conditions at the site of any unusual nature, different materially from those ordinarily encountered and generally recognized as inherent in work of the character provided for in the Contract Documents, pursuant to Section 7104 of the Public Contract Code. For any Work involving trench shoring that costs in excess of $25,000, Contractor shall submit and Owner (or a registered civil or structural engineer employed by Owner) must accept, in advance of excavation, a detailed plan showing the design of shoring, bracing, sloping, or other provisions to be made for worker protection from the hazard of caving ground during the excavation of such trench or trenches, pursuant to Labor Code Section 6705. If such plan varies from the shoring system standards, the plan shall be prepared by a registered civil or structural engineer. Consistent with Government Code Section 4215, as between Owner and Contractor, Owner will be responsible for the timely removal, relocation, or protection of existing main or trunk line utility facilities located on the Site only if such utilities are not identified in the Contract Documents or information made available for bidding.

2.13 **Public Records Act.** Contractor is aware that this Agreement and any documents provided to the Owner may be subject to the California Public Records Act and may be disclosed to members of the public upon request. It is the responsibility of the Contractor to clearly identify information in those documents it considers to be confidential under the California Public Records Act. To the extent that Owner agrees with that designation, such information will be held in confidence whenever possible. All other information will be considered public.

2.14 **Claims. Contractor is hereby informed that Public Contract Code Section 9204 provides:**

A. Should any clarification, determination, action or inaction by Owner, Work, or any other event, in the opinion of Contractor, exceed the requirements of or not comply with Contract Documents, or otherwise result in Contractor seeking additional compensation in time or money or damages for any reason (collectively "Disputed Work"), then Contractor and Owner will make good faith attempts to resolve informally any and all such issues, claims and/or disputes. Before commencing the Disputed Work, or within seven Days after Contractor's first knowledge of the Disputed Work, whichever is earlier, Contractor shall file a written notice and cost proposal for the Disputed Work with County stating clearly and in detail its objection and reasons for contending

the Work or interpretation is outside the requirements of Project Documents. If a written notice and cost proposal for Disputed Work is not issued within this time period, or if Contractor proceeds with the Disputed Work without first having given the notice required by this paragraph, Contractor shall waive its rights to further claim on the specific issue.

B. Owner will review Contractor's timely notice and cost proposal for Disputed Work and provide a decision. If, after receiving the decision, Contractor disagrees with it or still considers the Work required of it to be outside of the requirements of Project Documents, it shall so notify Owner, in writing, within seven Days after receiving the decision, by submitting a notice of potential claim, stating that a formal claim will be issued. Within 30 Days of receiving the decision, Contractor shall submit its claim in the form specified herein and all arguments, justification, cost or estimates, schedule analysis, and detailed documentation supporting its position. Contractor's failure to furnish notification within seven Days and all justifying documentation within 30 Days will result in Contractor waiving its right to the subject claim.

C. Claim Format

1. A. Contractor shall submit the claim justification in the following format:
   (a) Cover letter and certification;
   (b) Summary of claim, including underlying facts, entitlement, schedule analysis, quantum calculations, Project provisions supporting relief;
   (c) List of documents relating to claim including Specifications, Drawings/Plans clarifications/requests for information, schedules, notices of delay, cost calculations and any others;
   (d) Chronology of events and correspondence:
   (e) Analysis of claim merit;
   (f) Analysis of claim cost; and
   (g) Attach supporting documents referenced in paragraph 2.14,C.1(c), above..

D. Required Provisions on Contract Claim Resolution

1. Public Contract Code Section 9204 specifies provisions on resolving contract claims of any size, and Public Contract Code Section 201014, et seq., specifies required provisions on resolving contract claims less than $375,000. Those statutes constitute a part of this Contract. In the event any other Contract provision violates such statutes, the applicable statute controls.

2. Public Contract Code Section 9204 provides:
   (a) For the purposes of this section, "Claim" means a separate demand by Contractor for (1) a time extension, (2) payment or money or damages arising from Work done by or on behalf of Contractor arising under the Contract Documents and payment of which is not otherwise expressly provided for or the Claimant is not otherwise entitled to, or (3) an amount the payment of which is disputed by Owner.
   (b) Procedure:
      (1) Upon receipt of a Claim the Owner shall conduct a reasonable review of the Claim and within 45 days, or if Owner's governing body must approve Owner's response to the Claim and the governing body has not met within the 45 days then within three (3) days of the governing body's meeting, shall provide Contractor with a written statement identifying what portion of the claim is disputed and what portion is undisputed. Should Owner take no action on the Claim within 45 days of submission, it shall be deemed denied.
      (2) If the Contractor disputes Owner's response to its Claim, including a failure to respond, it may submit via registered mail or certified mail, return receipt requested, a written demand for an informal conference to meet and confer for settlement of the issues in dispute. Owner shall

schedule such a meet and confer conference within 30 days for settlement of the dispute. Within ten (10) days of the meet and confer conference Owner shall provide Contractor with a written statement identifying the portion of the Claim that remains in dispute and the portion that is undisputed. If the Contractor disputes Owner's statement it shall inform Owner and they shall mutually agree to a mediator within 10 business days of the written statement.

(3) Owner shall pay the undisputed portions of the Claim within 60 days of the issuance of a written statement identifying an undisputed portion.

(4) Any disputed portion of the Claim, as identified by the Contractor in writing, shall be submitted to nonbinding mediation, with the Owner and the claimant sharing the associated costs equally. The Owner and claimant shall mutually agree to a mediator within 10 business days after the disputed portion of the claim has been identified in writing. If the parties cannot agree upon a mediator, each party shall select a mediator and those mediators shall select a qualified neutral third party to mediate with regard to the disputed portion of the claim. Each party shall bear the fees and costs charged by its respective mediator in connection with the selection of the neutral mediator. If mediation is unsuccessful, the parts of the Claim remaining in dispute shall be subject to applicable procedures outside this section.

(5) For claims under $375,000, unless the parties agree otherwise in writing, mediation pursuant to these provisions shall excuse the mediation obligation under Public Contracting Code section 20104.4(a).

(6) The parties may mutually agree, in writing, to waive the mediation requirements of this subsection and proceed to the commencement of a civil action.

(7) Failure by the Owner to respond to a Claim from a Contractor within the time periods described in this subdivision or to otherwise meet the time requirements of this section shall result in the claim being deemed rejected in its entirety. A Claim that is denied by reason of the public entity's failure to have responded to a Claim, or its failure to otherwise meet the time requirements of this section, shall not constitute an adverse finding with regard to the merits of the Claim or the responsibility or qualifications of the claimant.

(8) Amounts not paid in a timely manner as required by this section shall bear interest at 7 percent per annum.

(9) If a Subcontractor or a lower tier subcontractor lacks legal standing to assert a claim against Owner because privity of contract does not exist, the Contractor may present to the Owner a claim on behalf of a Subcontractor or lower tier subcontractor. A Subcontractor may request in writing, either on his or her own behalf or on behalf of a lower tier subcontractor, that the Contractor present a claim for work which was performed by the Subcontractor or by a lower tier subcontractor on behalf of the Subcontractor. The Subcontractor requesting that the Claim be presented to the public entity shall furnish reasonable documentation to support the claim. Within 45 days of receipt of this written request, the Contractor shall notify the Subcontractor in writing as to whether the Contractor presented the claim to the Owner and, if the original Contractor did not present the claim, provide the Subcontractor with a statement of the reasons for not having done so.

(10) Nothing in this section shall impose liability upon an Owner that makes loans or grants available through a competitive application process, for the failure of an awardee to meet its contractual obligations.

(11) This section shall remain in effect only until January 1, 2020, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2020, deletes or extends that date.

3. To the extent applicable, Public Contract Code Section 20104, et seq., provide.

(a) For the purposes of this section, "Claim" means a separate demand by Contractor of $375,000 or less for (1) a time extension, (2) payment or money or damages arising from Work done by or on behalf of Contractor arising under the Contract Documents and payment of which is not otherwise expressly provided for or the Claimant is not otherwise entitled to, or (3) an amount the payment of which is disputed by Owner. Separate Contractor Claims that together total more than $375,000 do not qualify as a "separate demand of $375,000 or less," as referenced above, and are not subject to this section.

(b) Caution. This section does not apply to tort claims, and nothing in this section is intended nor shall be construed to change the time periods for filing tort claims or actions specified by Chapter 1 and Chapter 2 of Part 3 of Division 3.6 of Title 1 of the Government Code.

(c) Procedure:

(1) The Claim must be in writing, submitted in compliance with all requirements of General Conditions including, without limitation, the time prescribed by and including the documents necessary to substantiate the Claim. Nothing in this section is intended to extend the time limit or supersede notice requirements for the filing of claims as set forth in the General Conditions or elsewhere in the Contract Documents.

(2) For Claims of fifty thousand dollars ($50,000) or less, Owner shall respond in writing within forty-five (45) days of receipt of the Claim, or Owner may request in writing within thirty (30) days of receipt of the Claim, any additional documentation supporting the Claim or relating to any defenses or claims Owner may have against Claimant. If additional information is thereafter required, it shall be requested and provided in accordance with this section upon mutual agreement of Owner and Claimant. Owner's written response to the Claim, as further documented, shall be submitted to Claimant within fifteen (15) days after receipt of further documentation or within a period of time no greater than taken by Claimant in producing the additional information, whichever is greater.

(3) For Claims over Fifty Thousand Dollars ($50,000) and less than or equal to $375,000: Owner shall respond in writing within sixty (60) days of receipt of the Claim, or Owner may request in writing within thirty (30) days of receipt of the Claim, any additional documentation supporting the Claim or relating to any defenses or claims Owner may have against Claimant. If additional information is thereafter required, it shall be requested and provided in accordance with this section, upon mutual agreement of Owner and Claimant; Owner's written response to the Claim, as further documented, shall be submitted to Claimant within thirty (30) days after receipt of further documentation or within a period of time no greater than taken by Claimant in producing the additional information, whichever is greater.

(4) Meet and Confer: If Claimant disputes Owner's written response, or Owner fails to respond within the time prescribed above, Claimant shall notify Owner, in writing, either within fifteen (15) days of receipt of Owner's response or within fifteen (15) days of Owner's failure to timely respond,and demand an informal conference to meet and confer for settlement of the issues in dispute. Upon demand Owner will schedule a

meet and confer conference within thirty (30) days for settlement of the dispute.

(5) Following the meet and confer conference, if the Claim or any portion remains in dispute, Claimant may file a claim as provided in Chapter 1 (commencing with Section 900) and Chapter 2 (commencing with Section 910) of Part 3 of Division 3.6 of Title 1 of the Government Code. For purposes of those provisions, the running of the period of time within which a claim must be filed shall be tolled from the time Claimant submits its written claim as set forth herein, until the time that Claim is denied as a result of the meet and confer process, including any period of time utilized by the meet and confer process.

2. Business Automobile Liability Insurance with limits not less than **[$1,000,000]** each occurrence including coverage for owned, non-owned and hired vehicles, subject to a deductible of not more than **[$1,000]** payable by Contractor.

3. Workers' Compensation Employers' Liability limits not less than **[$1,000,000]** each accident, **[$1,000,000]** per disease and **[$1,000,000]** aggregate. In the event Contractor is self-insured, it shall furnish Certificate of Permission to Self-Insure signed by Department of Industrial Relations Administration of Self-Insurance, State of California.

4. Any available insurance proceeds broader than or in excess of the specified minimum insurance coverage requirements and/or limits shall be available to the Owner Indemnities as Additional Insureds. 5. Insurance policies in this Appendix C shall contain an endorsement containing the following terms:

5.01 Owner Indemnities shall be named as Additional Insureds, but only with respect to liability arising out of the activities of the named insured, and there shall be a waiver of subrogation as to each named and Additional Insured. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the Owner has received a waiver of subrogation endorsement from the insurer.

5.02 The policies shall apply separately to each insured against whom claim is made or suit is brought except with respect to the limits of the company's liability.

5.03 Written notice of cancellation, non-renewal or of any material change in the policies shall be mailed to County of Mariposa thirty (30) days in advance of the effective date thereof.

Contractor shall furnish the Owner with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by the Owner before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Contractor's obligation to provide them. The Owner reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

7. All policies of insurance shall be placed with insurers acceptable to Owner. The insurance underwriter(s) must be duly licensed to do business in the State of California and (other than for workers' compensation) must have an A. M. Any umbrella or excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and non-contributory basis for the benefit of Owner and Additional Insureds, to the extent required by this Agreement, before the Owner's insurance or self-insurance may be called upon to protect Owner as a named insured.

9. All self-insured retentions (SIR) must be disclosed to Owner for approval and shall not reduce the limits of liability coverage. Policies containing and SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named Contractor/named insured or Owner.

Subcontractors shall further agree to include these same provisions with any lower tier subcontractors. A copy of the indemnity and insurance provisions of this Agreement will be furnished to the Subcontractor upon request. Contractor shall require all subcontractors to provide a valid Certificate of Insurance and the required endorsements included in the subcontract agreement, and will provide proof of compliance to the Owner prior to commencement of any work by the subcontractor.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at https://www.dol.gov/agencies/whd/government-contracts.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (iii)).

The body of each wage determination lists the classifications and wage rates that have been found to be prevailing for the type(s) of construction and geographic area covered by the wage determination. The classifications are listed in alphabetical order under rate identifiers indicating whether the particular rate is a union rate (current union negotiated rate), a survey rate, a weighted union average rate, a state adopted rate, or a supplemental classification rate.

Union Rate Identifiers

A four-letter identifier beginning with characters other than ""SU"", ""UAVG"", ?SA?, or ?SC? denotes that a union rate was prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2024. PLUM is an identifier of the union

whose collectively bargained rate prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. The date, 07/01/2024 in the example, is the effective date of the most current negotiated rate.

Union prevailing wage rates are updated to reflect all changes over time that are reported to WHD in the rates in the collective bargaining agreement (CBA) governing the classification.

Union Average Rate Identifiers

The UAVG identifier indicates that no single rate prevailed for those classifications, but that 100% of the data reported for the classifications reflected union rates. EXAMPLE: UAVG-OH-0010 01/01/2024. UAVG indicates that the rate is a weighted union average rate. OH indicates the State of Ohio. The next number, 0010 in the example, is an internal number used in producing the wage determination. The date, 01/01/2024 in the example, indicates the date the wage determination was updated to reflect the most current union average rate.

A UAVG rate will be updated once a year, usually in January, to reflect a weighted average of the current rates in the collective bargaining agreements on which the rate is based.

Survey Rate Identifiers

The ""SU"" identifier indicates that either a single non-union rate prevailed (as defined in 29 CFR 1.2) for this classification in the survey or that the rate was derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As a weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SUFL2022-007 6/27/2024. SU indicates the rate is a single non-union prevailing rate or a weighted average of survey data for that classification. FL indicates the State of Florida. 2022 is the year of the survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. The date, 6/27/2024 in the example, indicates the survey completion date for the classifications and rates under that identifier.

?SU? wage rates typically remain in effect until a new survey is conducted. However, the Wage and Hour Division (WHD) has the discretion to update such rates under 29 CFR 1.6(c)(1).

State Adopted Rate Identifiers

The ""SA"" identifier indicates that the classifications and prevailing wage rates set by a state (or local) government were adopted under 29 C.F.R 1.3(g)-(h). Example: SAME2023-007 01/03/2024. SA reflects that the rates are state adopted. ME refers to the State of Maine. 2023 is the year during which the state completed the survey on which the listed classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. The date, 01/03/2024 in the example, reflects the date on which the classifications and rates under the ?SA? identifier took effect under state law in the state from which the rates were

adopted.

WAGE DETERMINATION APPEALS PROCESS

1) Has there been an initial decision in the matter? This can be:

a) a survey underlying a wage determination
b) an existing published wage determination
c) an initial WHD letter setting forth a position on a wage determination matter
d) an initial conformance (additional classification and rate) determination

On survey related matters, initial contact, including requests for summaries of surveys, should be directed to the WHD Branch of Wage Surveys. Requests can be submitted via email to davisbaconinfo@dol.gov or by mail to:

Branch of Wage Surveys
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

Regarding any other wage determination matter such as conformance decisions, requests for initial decisions should be directed to the WHD Branch of Construction Wage Determinations. Requests can be submitted via email to BCWD-Office@dol.gov or by mail to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2) If an initial decision has been issued, then any interested party (those affected by the action) that disagrees with the decision can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Requests for review and reconsideration can be submitted via email to dba.reconsideration@dol.gov or by mail to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210.

Mariposa County Board of Supervisors:

I am writing to you to request an encroachment fee waiver for jthe 76th Enchilada Dinner to be held in Hornitos on March 1st, 3:30-8. For this night we would like to use the park, the plaza, and the Stagg Hall. In the past we have had over 1200 visitors during the afternoon and evening, but much depends on the weather. A normal event feeds about 800 people. The Patrons Club began as the Hornitos PTA in 1949 and then eventually became the Patrons Club when the school closed down. We have a long history of helping both the Hornitos and Mariposa communities with the funds we manage to raise with our two events, the Enchilada Dinner in March and the Hornitos Flea Market in October.

Examples of our donations over the years include supporting Mariposa County's Field of Service, Sober Grad, Scholarships to Mariposa High students, Manna House, Cancer Walk, sponsoring Mariposa County Fair Award, assisting foster children who are aging out, donating move-in kits to foster children attending UC Merced, helping both 4-H and FFA students attend leadership trips, giving backpacks and school supplies to local students, and helping both flood and fire victims in Hornitos. In addition, we donated to the shade area and the barbecue in the park, benches, and built the roof over the Wells Fargo wall. We have many ongoing projects such as providing a public pay phone for area residents/visitors, overseeing the repair of the siding on St. Catherine's Church, having the cemetery sprayed for weeds, paying to repair some broken headstones in the cemetery, and redoing the inside of the church with new flooring and paint. In addition, we are working toward a project to include the Hornitos School, as well as brass plaques for the town's historical sites.

Please call me if you have questions at 382-7062.

RE: Approve an Agreement to Sell Surplus Real Property (Mariposa County APN 001-030-001 and Tuolumne County APN 071-120-011) in the Lake Don Pedro Area to the Keller Family Trust at the Agreed-Upon Price of $200,000; and Authorize the Board Chair to Sign the Agreement and Any Documents Needed to Complete the Sale (Subject to Approval as to Legal Form)

RECOMMENDATION AND JUSTIFICATION

Approve an Agreement to Sell Surplus Real Property (Mariposa County APN 001-030-001 and Tuolumne County APN 071-120-011) in the Lake Don Pedro Area to the Keller Family Trust at the Agreed-Upon Price of $200,000; and Authorize the Board Chair to Sign the Agreement and Any Documents Needed to Complete the Sale (Subject to Approval as to Legal Form).

On June 7, 2022, the Board adopted a resolution to sell 162 acres of County-owned land in the Lake Don Pedro region of Mariposa and Tuolumne Counties to the Keller Family Trust. This transaction has not yet closed escrow because of legal questions related to a title provision designating the property as a future landfill and its location in two different counties. These questions have now been answered with no substantive changes to the transaction, but an agreement is necessary to complete escrow. This item would approve an agreement that honors the price ($200,000) and terms agreed upon in 2022 with an updated closing date of March 18, 2025.

Two additional details may be of interest to the Board at this time. First, there is a small group in the Lake Don Pedro subdivision that has expressed interest in acquiring this property for developing trails for local residents. The leaders of the group became aware of the sale after the original agreement was approved by the Board. While the timing was unfortunate, the item was noticed and advertised appropriately and the Board agreed to the sale. This group, or another local resident, may have also asked for the sheriff department inquiry that occurred in 2023 with no findings or concerns reported back to the County.

Second, all proceeds from this sale will belong to Mariposa County Service Area 1-M, which is specifically for the residents of the Lake Don Pedro area, including the wastewater treatment facility. No funds can be transferred to the General Fund or used for General Fund responsibilities.

This item is consistent with previous direction given by the Board. With all known issues now resolved, staff recommends approval of this item.

BACKGROUND AND HISTORY OF BOARD ACTIONS

The property was donated to Mariposa County Service Area 1-M in 1973 from the Boise Cascade Recreation Communities Corporation of Delaware as a potential future landfill site for the community. This property was never developed and was instead leased for grazing cattle until the most current lease expired in May 2022.

Surplus property was a topic discussed by the Board as part of a real estate discussion and direction item on February 26, 2019. Staff was directed at that time to continue evaluating opportunities and return to the Board with a recommendation. On March 16, 2021, the Board discussed the subject property in Lake Don Pedro specifically and directed staff to investigate the title provisions designating the property a landfill and move forward with a sale. An appraisal was conducted and found the landfill provisions had no impact on the value of the property or its most likely uses. As removing the provisions had no effect on its appraised value, staff recommended moving forward with the sale of the property.

California State Code prescribes the process for county sales of surplus property, including a minimum of three full weeks of public noticing, a sealed bid process, and an oral bid process in a public hearing. This process was followed and the Board approved a resolution to sell the property to the highest bidder, the Keller Family Trust, on June 7, 2022.

After the sale, Inter-County Title Company questioned whether the condition placed on the deed in 1973 (designating the property as a future landfill site) could operate as a reverter. County counsel found that "the question has been entirely resolved by intervening changes to the law enacted by the legislature in 1982." Specifically, "the legislature abolished the possibility of reverter and recast it as a power of termination" and then "declared that powers of termination expire after 30 years." Because the Boise Cascade Recreation Communities Cooperation, which ceased operations in 1989, had not attempted to exercise any power of termination prior to January 1, 2013, or thirty years after this law went into effect, "the power of termination now has no legal effect and is merely a historical footnote in the record."

Despite legal assurances, Inter-County Title Company decided not to facilitate this transaction. Orange Coast Title Company in Santa Ana, California, was willing to open escrow and that was done shortly after. In the process of closing escrow, additional questions have arisen primarily related to the property's location across county lines and whether it should be recorded as two deeds or a single deed in both counties. These questions have now been resolved, with a single deed recording selected, and staff is prepared to move forward as directed.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION

Do not approve. The property will not be sold and CSA 1-M will not receive the proceeds of the sale. Staff may need direction on how to proceed.

FINANCIAL IMPACT

This item would generate approximately $200,000 in revenue for Mariposa County Service Area 1-M.

AGREEMENT FOR THE PURCHASE AND SALE OF REAL PROPERTY AND INITIAL JOINT ESCROW INSTRUCTIONS

This Agreement for the Purchase and Sale of Real Property and Initial Joint Escrow Instructions ("Agreement"), dated for reference purposes only February 18, 2025, is entered into by and between the Mariposa County Service Area 1-M, a political subdivision of the County of Mariposa ("Seller"), and Keller Family Trust ("Buyer"), and is predicated on the following facts:

RECITALS

Seller is the owner of certain real property consisting of approximately 162 acres located in the Lake Don Pedro area of Mariposa County, California, commonly known as Mariposa Assessor's Parcel Number 001-030-001 & Tuolumne Assessor's Parcel Number 071-120-011, as described more fully in Exhibit "A" attached hereto ("the Property").

On the terms, conditions and provisions set forth in this Agreement, Buyer desires to purchase, and Seller desires to sell to Buyer, the above-listed real property. Seller no longer requires the Property for future public use. Buyer and Seller have entered into this Agreement voluntarily as a negotiated transaction for the Buyer to acquire and for the Seller to sell the Property.

NOW, THEREFORE, in consideration of the mutual promises and covenants herein contained, Seller and Buyer agree as follows:

1. **PURCHASE AND SALE.**

   Seller agrees to sell, convey, and transfer all of Seller's rights, title, and interest in and to the Property, including any easements and rights appurtenant thereto, and Buyer agrees to purchase and accept the Property, upon the terms and conditions herein contained.

2. **TRUTH OF RECITALS.**

   The parties agree that all recitals are true.

3. **EFFECTIVE DATE.**

   This Agreement is effective upon execution by the parties hereto.

4. **PURCHASE PRICE.**

   A. The purchase price for the property shall be $200,000.

B. Seller and Buyer each agree to pay fifty percent (50%) of all fees and costs directly associated with the sale.

C. The purchase price shall be payable as follows:

i. Buyer has submitted to Seller, with this Agreement, a good faith deposit ("Deposit"), in the form of a cashier's check, in the amount of $20,000, equivalent to ten percent (10%) of the purchase price. This amount shall be deposited in Seller's bank account within five business days after the effective date. The deposit shall become nonrefundable to Buyer upon Buyer's delivery to Seller of the Contingency Period Notice as defined in 7(a)(ii) below accepting all conditions of the Property and waiving all contingencies.

ii. At least three business days prior to the close of escrow, Buyer shall deposit the balance of the purchase price with Escrow Holder, in immediately available funds, which shall be paid to Seller at close of escrow.

5. **ESCROW AND TITLE.**

A. Escrow Holder ("Escrow Holder") shall be:

Orange Coast Title Company
1551 N. Tustin Ave., Suite 840
Santa Ana, CA 92705

B. Within five (5) days after the effective date of this Agreement, Buyer shall open an escrow account ("Escrow") with Escrow Holder and deliver to Escrow Holder all escrow instructions necessary to consummate the transaction contemplated by this Agreement. Any subsequent changes to the escrow instructions must be mutually agreed upon with written consent of both parties.

C. The Property shall be conveyed to Buyer from Seller by a grant deed ("Grant Deed") in the form customarily used by Escrow Holder, subject only to:
   i. All applicable laws, ordinances, rules and governmental regulations (including, but not limited to, those relative to building, zoning and land use) affective the development, use, occupancy or enjoyment of the Property; and
   ii. Exceptions which are approved and/or accepted by Buyer in accordance with section 7(A)(i) of this Agreement.

6. **CONDITIONS TO CLOSE ESCROW.**

A. For the purpose of this Agreement, the "Close of Escrow" shall be defined as the date that the Grant Deed is recorded in the official records of the County.

The Close of Escrow is estimated to occur on or around March 18, 2025.

B. The Close of Escrow and Buyer's obligation to consummate the transaction contemplated by this Agreement are subject to the satisfaction of the following conditions, or Buyer's waiver in writing thereof, for Buyer's benefit on or prior to the dates designated for the satisfaction of such conditions, or the Close of Escrow in the absence of a specified date:

    i. Title: Pursuant to the terms and conditions of this subsection, Buyer shall have the right to approve matters of and exceptions to the title of the Property, as disclosed by the following documents and instruments (collectively, "Title Documents"):

        a. A preliminary report issued by Escrow Holder with respect to the Property; and
        b. Legible copies of all documents referred to in such preliminary report.

    Seller shall use its best efforts to deliver the Title Documents to Buyer within five business days following the effective date. Upon delivery of Title Documents, Buyer shall have fifteen (15) calendar days to give Seller and Escrow Holder written notice of Buyer's approval or disapproval of the Title Documents. Buyer's failure to give written notice of approval or disapproval of Title Documents within the specified time period shall be deemed Buyer's approval of the Title Documents.

    In the event that Buyer disapproves of Title Documents, Seller shall notify Buyer within five calendar days which of those disapproved title matters, if any, Seller is unwilling or unable to, after reasonable and good faith efforts, have eliminated from title to the Property by the Close of Escrow.

    Notwithstanding the foregoing, Buyer and Seller agree that deed restrictions related to the use of the property as a sanitary landfill have been disclosed and will not be resolved as a part of this transaction.

    If Seller is unable or unwilling to remove all of the title matters to which Buyer objects, or fails to respond to Buyer as required, Buyer shall have five business days from receipt of the Seller's notice, or the last day allowed for delivery of the Seller's notice, to notify Seller in writing that either (1) Buyer is willing to purchase the Property, subject to such disapproved exceptions, or (2) Buyer elects to terminate this transaction. Failure of Buyer to respond in

writing shall be deemed to be Buyer's election to terminate the transaction.

If this Agreement is terminated pursuant to this Section, the Deposit shall be returned to Buyer and, except as otherwise provided in this Agreement, Seller and Buyer will have no further obligations or rights to one another under this Agreement.

ii. Title Insurance: Escrow Holder shall have obtained for the benefit of the Buyer a standard coverage CLTA Buyer's policy of title insurance showing title in the Property vested in Buyer.

iii. Seller's Deposit: On or before the date which is one (1) business day prior to the closing date, Seller shall have deposited with Escrow Holder funds sufficient to meet its obligations.

iv. Seller's Representations and Obligations: All representations and warrantees made by Seller to Buyer in this Agreement shall be true and correct on the date hereof and shall be true and correct in all material aspects as of the Close of Escrow. Seller shall have also performed all of the obligations required to be performed by Seller under this Agreement.

v. Documents and Materials: Seller is exempt from providing any disclosures to Buyer. However, Seller will provide any reports or documents that are available to the public within ten (10) calendar days of Buyer's request.

vi. Approval of the County Board of Supervisors: The sale of the Property, after the required notice and published hearing pursuant to California Government Code section 25520 et seq., is subject to approval by the Mariposa County Board of Supervisors. If the Board of Supervisors does not approve the sale, the Deposit and all other monies delivered to Escrow Holder by Buyer shall be immediately returned to Buyer.

C. The Close of Escrow and Seller's obligation to consummate the transaction contemplated in this Agreement are subject to the satisfaction of the following conditions, or Seller's waiver thereof, for Seller's benefit on or prior to the dates designated below for the satisfaction of such conditions, or the Close of Escrow in the absence of a specified date:

i. Buyer's Obligations: Buyer shall have timely performed all of the obligations to be performed by Buyer under this Agreement.

ii. Buyer's Representations: All representations and warranties made by the Buyer to Seller in this Agreement shall be true and correct on the date hereof and shall be true and correct in all material respects as of the Close of Escrow.

iii. Purchase Price: Buyer shall have timely delivered the Purchase Price and other sums owing under this Agreement in good funds to Escrow Holder.

D. If any of the conditions set forth in this section are not timely satisfied or waived by the appropriate benefited party for a reason other than the default of Buyer or Seller, this Agreement may be terminated by written notice from Buyer or Seller to the other party. In the event this Agreement is terminated as a result of a failure to meet the conditions to close escrow, the Deposit and all other monies delivered to Escrow Holder by Buyer shall be immediately returned to Buyer, except as otherwise provided herein, and the parties shall have no further obligations hereunder.

7. **RIGHT OF ENTRY.**

At all reasonable times, Buyer or its representatives shall have the right to inspect and examine the Property to the extent Buyer reasonably deems necessary. Buyer shall defend, indemnify, and hold Seller harmless from and against any and all liability which is attributed to Buyer or its agents, servants, or employees, for any personal injury and/or damage to personal or real property arising from the aforesaid inspections and investigations; and provided further, that notwithstanding any other provision of this Agreement to the contrary, the indemnification obligation of Buyer to Seller set forth in this provision shall survive termination of this Agreement.

8. **WARRANTEES.**

A. Seller's Representations and Warranties. Seller represents and warrants as provided in this Section 8.A. The representations and warranties of Seller contained in this Agreement are made as of the date hereof and as of the close of escrow and shall, except as herein expressly provided to the contrary, survive the close of escrow.

i. Authority: The execution and delivery of this Agreement and the consummation of the transaction thereof, will be duly authorized and approved by all requisite actions and no other authorizations or approvals, whether by governmental bodies or otherwise, will be necessary to enable Seller to enter into or perform this Agreement.

ii. Binding Effect of Documents: This Agreement and the other documents to be executed by Seller hereunder, upon execution and delivery thereof by Seller, will have been duly entered into by Seller, will constitute valid, legal, and binding obligations of Seller

and will be enforceable against Seller in accordance with their terms, subject to bankruptcy, insolvency, and similar laws affecting generally the enforcement of creditors rights.

iii. Foreign Person: Seller warrants its non-foreign status pursuant to Section 1445 of the Internal Revenue Code of 1954, as amended, and agrees to execute a certificate to that effect at close of escrow.

iv. Seller's Warranty Regarding Authorization: Seller warrants that the party or parties executing this Agreement on their behalf are duly authorized to do so and the execution and performance of this Agreement has been duly and validly authorized by all necessary partnership, corporate, government, or other necessary action.

v. Hazardous Materials: Seller warrants that to its knowledge, there are no environmental, geological, or other hazards known to it that would make the Property unsuitable for the purposes described in the Recitals above.

B. Buyers Representations and Warranties. Buyer represents and warrants as provided in this Section 8.B. The representations and warranties of Buyer contained in this Agreement are made as of the date hereof and as of the close of escrow and shall survive the close of escrow.

i. Authority: Buyer has the legal right, power and authority to enter into this Agreement and to consummate the transactions contemplated hereby, and the execution, delivery and performance of this Agreement and no other action by Buyer is requisite to the valid and binding execution, delivery and performance of this Agreement.

ii. Binding Effect of Documents: This Agreement and the other documents to be executed by Buyer hereunder, upon execution and delivery thereof by Buyer, will have been duly entered by Buyer, will constitute valid, legal, and binding obligations of Buyer, and will be enforceable against Buyer in accordance with their terms, subject to bankruptcy, insolvency, and similar laws affecting generally the enforcement of creditors rights.

9. **DISCLOSURE.**

Seller agrees to disclose within five (5) days of the effective date of this Agreement any matters required by law and allow Buyer ten (10) days after disclosure to approve or disapprove the matters disclosed. Items to be disclosed shall be all matters within the knowledge of the Seller regarding the condition of the Property and limitations on its use, which could reasonably affect the Buyer's desire to purchase the Property.

10. **CONDITION AND INSPECTION OF PROPERTY.**

A. Buyer acknowledges that it has made or will make its own inspection of the Property and its acreage, physical, environmental and economic characteristics and conditions, and based upon said inspection and contingent upon approval of Buyer's conditions to close of escrow as set forth in Section 6 hereof, approves and waives any and all objections to its acreage, physical, environmental and economic characteristics and conditions, whether or not disclosed by such inspection. Buyer represents and warrants, upon its approval of its conditions to close of escrow as set forth in Section 6 hereof, that Buyer is familiar with the Property and is relying, except as to matters specifically warranted or required to be disclosed by Seller herein, solely upon its own inspection, investigation, and analysis of the Property.

B. Any and all reports, plans, soils, and environmental reports and other information ("Plans") which may be given to Buyer by Seller have been given without consideration as an accommodation to Buyer and shall remain the property of Seller. Buyer may retain a copy and provide a copy to potential purchasers.

C. Buyer acknowledges that, except as to the matters specifically warranted by Seller herein, neither Seller nor any of its employees, agents, officers, representatives, or any other person acting on behalf of Seller, has made any representations, warranties or agreements by or on behalf of Seller as to any matters concerning the Property or the suitability of the Property or the plans for Buyer's intended use.

D. Any agreements, warranties, or representations not expressly contained herein shall in no way bind Seller. Buyer expressly waives any and all claims for damages by reason of any statement, representations, warranties, promise, covenant, if any, not contained in this Agreement. The provisions of this Section shall survive the close of escrow.

11. **LIMITATIONS ON WAIVER.**

The provisions of this Agreement may only be waived if the waiver is in writing and is signed by the party making the waiver. No delay or omission in exercising any right under this Agreement shall operate as a waiver of the right of any further provision. No waiver of any particular provision of this Agreement shall be treated as a waiver of any other provision, and no waiver shall be deemed a continuing waiver or a waiver of a subsequent breach or default.

12. **NO INTERPRETATION AGAINST DRAFTER**.

The provisions of this Agreement shall be interpreted in a reasonable manner to affect the purposes of the parties to this Agreement. Hence, the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not

13. **NO REPRESENTATION OF TAX CONSEQUENCES.**

Buyer and Seller have not made and are not making any representations to the other concerning any of the tax effects of the transactions provided for in this Agreement. Buyer and Seller shall not be liable for or in any way responsible to the other because of any tax effect resulting from the transactions provided for in this Agreement.

14. **AMBIGUITIES.**

In the event suit does not proceed to final judgment, the Superior Court of the State of California, in and for the County of Mariposa, or such other court of competent jurisdiction, proper under the laws of the State of California, may be requested to determine who is the prevailing party and what sum constitutes "reasonable attorney's fees."

RESOLUTION - ACTION REQUESTED 2022-259

MEETING: April 26, 2022

TO: The Board of Supervisors

FROM: Dallin Kimble, County Administrative Officer

RE: Resolution of Intention to Sell Real Property in Don Pedro

---

RECOMMENDATION AND JUSTIFICATION:
Adopt a Resolution of Intention Declaring County-Owned Real Property as Surplus to the Needs of the County (Mariposa County APN 001-030-001 and Tuolumne County APN 071-120-011); and Approve a Notice of Intention to Sell Surplus Real Property.

This resolution begins the process to sell 162 acres of County-owned land in the Lake Don Pedro region of Mariposa and Tuolumne Counties. Staff has not been able to identify a public use for this property and now recommends returning this land to private ownership.

The minimum bid is established at $200,000. In August 2021, this property appraised at $220,000. A second opinion of that appraisal returned an estimated value of $150,700 - $205,000. Real estate prices have continued to rise significantly in the seven months since these estimates were provided, leading staff to believe the minimum bid of $200,000 is appropriate.

The property has been leased for cattle grazing for several years; the current lease expires in May 2022. This item has been timed to allow for the transfer of the property upon the conclusion of that lease.

BACKGROUND AND HISTORY OF BOARD ACTIONS:
The Board considered selling surplus properties as part of a real estate discussion and direction item on February 26, 2019. Staff was directed at that time to continue evaluating opportunities and return to the Board with a recommendation.

On March 16, 2021, the Board discussed the subject property in Lake Don Pedro specifically and directed staff to investigate the title provisions designating the property a landfill and move forward with a sale. An appraisal was conducted and found the landfill provisions had no impact on the value of the property or its most likely uses. As removing the provisions has no appraised value, staff is recommending moving forward as is.

California State Code prescribes the process for county sales of surplus property. The

first step is to adopt a resolution of intention to sell by two-thirds vote. If adopted, the County must then notice the available land for at least three weeks. Because the property cannot be used for residential use with the current deed restrictions, the County is not required to notice the California Housing and Community Development Department for consideration from possible housing developers.

Sealed bids are required to be submitted on or before the date specified in the resolution. At the regularly-scheduled board meeting that has been noticed, the board chair opens and announces sealed bids and calls for oral bids. New oral bids may then be offered, each at least five percent more than the highest proposal. Bidders must submit payment for no less than ten percent of the sales price at the time of bidding.

Upon completion of the bidding, the Board has ten days to either accept the highest bid or reject all bids. Staff then receives direction to either execute the sale or move forward in some other way.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:
Do not approve. Staff will not proceed with sale of this property.

RESOLUTION NUMBER 22-259

RESOLUTION DECLARING COUNTY OWNED REAL PROPERTY AS SURPLUS TO THE NEEDS OF THE COUNTY AND NOTICE OF INTENTION TO SELL SURPLUS REAL PROPERTY

WHEREAS, the County of Mariposa owns the real property described as "Mariposa County Service Area 1-M Land Fill Site", located within both Mariposa and Tuolumne Counties, adjacent to a portion of Lake Don Pedro Subdivision Unit No. 1-M, (MPA APN 001-030-001 & TC APN 071-120-011), as further described in Exhibit A attached; and

WHEREAS, the real property was granted to the Mariposa County Service Area 1-M, a Political Subdivision of the County of Mariposa subject to the express condition that the property shall be maintained and used exclusively as a Sanitary Land Fill Site for the benefit of Lake Don Pedro Subdivision within both Mariposa and Tuolumne Counties; and

WHEREAS, based on the deed's express condition limiting the development of the property to a sanitary landfill, the property cannot be developed as a residential property; and

WHEREAS, the current regulations which govern the establishment of a Sanitary Land Fill Site render the site economically non-viable; and

WHEREAS, there is no present or contemplated use that would preclude the Board of Supervisors from declaring the real property as surplus to the needs of the County and offering the real property for sale to the highest responsible bidder; and

WHEREAS, the property continues to be economically viable as grazing land; and

WHEREAS, the sale of surplus real property is in the best interests of the County of Mariposa and the general public.

NOW THEREFORE BE IT RESOLVED, the Mariposa County Board of Supervisors:

1. Declares that the described real property is surplus to the needs of the County.
2. Finds the property to be exempt surplus property, pursuant to Government Code 54221(G).
3. Finds, because the land is exempt surplus land, no notice of availability is required under Government Code 54222.
4. Intends to sell the surplus real property to the highest responsible bidder, in accordance with the terms and conditions as set forth in the Bid Submittal Instructions and the Purchase and Sale Agreement contained within, for the minimum acceptable cash purchase price as follows:
    - All that land conveyed to Mariposa County Service Area 1-M, (MPA APN 001-030-001 & TC APN 071-120-011) $200,000.
5. Authorizes County Administrator's Office to disseminate individual bid packages for the sale of the surplus property containing Bid Submittal Instructions and Purchase and Sale Agreement.
6. Requires that each written bid be accompanied by a bid guarantee in the form of a cashier's check in the amount of 10% of the bid amount.
7. Authorizes the Clerk of the Board to publish the attached Notice of Intention to sell the surplus real property in the local publications of general circulation published in the County, pursuant to California Government Code section 6063.
8. Sets June 7, 2022, at 9:00 a.m. or as soon as possible thereafter, in the Chambers of the Mariposa County Board of Supervisors located at 5100 Bullion Street, Mariposa, California, as the time and place to conduct a public hearing to open received bid packages and consider offers to purchase the surplus property.

Re: Lake Don Pedro Surplus Property Sale –
Mariposa County APN 001-030-001;
Tuolumne County APN 071-120-011

Dear Mr. Lobaugh:

On June 15, 1973, the Boise Cascade Recreation Communities Corporation of Delaware granted to the County of Mariposa the above-referenced parcels with the following condition:

> This grant is made subject to the express condition that the property shall be maintained and used exclusively as a Sanitary Landfill Site for the benefit of Lake Don Pedro Subdivision, a subdivision located in Mariposa and Tuolumne Counties, California.

In or about September 1988, the County of Mariposa leased the property to a private party for grazing and has entered into several grazing leases since that date.

On June 7, 2022, the County of Mariposa sold the property at public auction.

Since the sale, Inter-County Title Co. has raised the issue of whether the condition placed on the grant in 1973 operates as a possibility of reverter, thereby defeating the June 7, 2022 sale/purchase and returning title to Boise Cascade Recreation Communities Corporation of Delaware. We believe that the question has been entirely resolved by intervening changes to the law enacted by the legislature in 1982.

In 1982, the legislature substantially revised the rules surrounding possibility of reverter. The legislature defined the power of termination. "'Power of termination' means the power to terminate a fee simple estate in real property to enforce a restriction in the form of a condition subsequent to which the fee simple estate is subject, whether the power is characterized in the instrument that creates or evidences it as a power of termination, right of entry or reentry, right of possession or repossession, reserved power of revocation, or otherwise, and includes a possibility of reverter that is deemed to be and is enforceable as a power of termination pursuant to Section 885.020." Civil Code 885.010(a).

The legislature abolished the possibility of reverter and recast it as a power of termination. "Fees simple determinable and possibilities of reverter are abolished. Every estate that would be at common law a fee simple determinable is deemed to be a fee simple subject to a restriction in the form of a condition subsequent. Every interest that would be at common law a possibility of reverter is deemed to be and is enforceable as a power of termination." Civil Code 885.020

The legislature then declared that powers of termination expire after 30 years from a certain date, depending on the facts. Civil Code 885.030 provides:

(a) A power of termination of record expires at the later of the following times:
1. Thirty years after the date the instrument reserving, transferring, or otherwise evidencing the power of termination is recorded.
2. Thirty years after the date a notice of intent to preserve the power of termination is recorded, if the notice is recorded within the time prescribed in paragraph (1).
3. Thirty years after the date an instrument reserving, transferring, or otherwise evidencing the power of termination or a notice of intent to preserve the power of termination is recorded, if the instrument or notice is recorded within 30 years after the date such an instrument or notice was last recorded.

(b) This section applies notwithstanding any provision to the contrary in the instrument reserving, transferring, or otherwise evidencing the power of termination or in another recorded document unless the instrument or other recorded document provides an earlier expiration date.

Once the power of termination has expired, it is no longer enforceable. Civil Code 885.060 provides in pertinent part:

(a) Expiration of a power of termination pursuant to this chapter makes the power unenforceable and is equivalent for all purposes to a termination of the power of record and a quitclaim of the power to the owner of the fee simple estate, and execution and recording of a termination and quitclaim is not necessary to terminate or evidence the termination of the pow1er.

(b) Expiration of a power of termination pursuant to this chapter terminates the restriction to which the fee simple estate is subject and makes the restriction unenforceable by any other means, including, but not limited to, injunction and damages.

The law enacted in 1982 applies to all powers of termination, including the power of termination recorded in 1973. Civil Code 885.070 provides:

> **(a)** Subject to Section 880.370 (grace period for recording notice) and except as otherwise provided in this section, this chapter applies on the operative date to all powers of termination, whether executed or recorded before, on, or after the operative date.
>
> **(b)** If breach of the restriction to which the fee simple estate is subject occurred before the operative date of this chapter and the power of termination is not exercised before the operative date of this chapter, the power of termination shall be exercised, or in the case of a power of termination of record, exercised of record, within the earlier of the following times:
>
> 1. The time that would be applicable pursuant to the law in effect immediately prior to the operative date of this chapter.
> 2. Five years after the operative date of this chapter.
>
> **(c)** As used in this section, "operative date" means the operative date of this chapter as enacted or, with respect to any amendment of a section of this chapter, the operative date of the amendment.

The California Secretary of State lists Boise Cascade Recreation Communities Corporation of Delaware's status as "terminated" showing an inactive date of January 5, 1989. We are aware of no recording by Boise Cascade Recreation Communities Corporation of Delaware showing any attempt to exercise the power of termination between 1983, when the law went into effect, and 1989, when the corporation became inactive in California, or at any other time. Viewing the date of expiration of the power of termination in the light most favorable to the power's holder indicates the power of termination expired 30 years following the operative date of the legislation, January 1, 2013. Because the expiration operates as a quitclaim deed of the power of termination to the fee simple estate (see 885.060, above), by operation of law there is no more power of termination. The power of termination now has no legal effect and is merely an historical footnote in the record.

Sincerely,

Steven W. Dahlem

2. **TRUTH OF RECITALS.**

   The parties agree that all recitals are true.

3. **EFFECTIVE DATE.**

   This Agreement is effective upon execution by the parties hereto.

B. The Close of Escrow and Buyer's obligation to consummate the transaction contemplated by this Agreement are subject to the satisfaction of the following conditions, or Buyer's waiver in writing thereof, for Buyer's benefit on or prior to the dates designated for the satisfaction of such conditions, or the Close of Escrow in the absence of a specified date:

6.B.i. Title: Pursuant to the terms and conditions of this subsection, Buyer shall have the right to approve matters of and exceptions to the title of the Property, as disclosed by the following documents and instruments (collectively, "Title Documents"):

6.B.i.i.b. Legible copies of all documents referred to in such preliminary report.

Seller shall use its best efforts to deliver the Title Documents to Buyer within five business days following the effective date. Upon delivery of Title Documents, Buyer shall have fifteen (15) calendar days to give Seller and Escrow Holder written notice of Buyer's approval or disapproval of the Title Documents. Buyer's failure to give written notice of approval or disapproval of Title Documents within the specified time period shall be deemed Buyer's approval of the Title Documents.

In the event that Buyer disapproves of Title Documents, Seller shall notify Buyer within five calendar days which of those disapproved title matters, if any, Seller is unwilling or unable to, after reasonable and good faith efforts, have eliminated from title to the Property by the Close of Escrow.

Notwithstanding the foregoing, Buyer and Seller agree that deed restrictions related to the use of the property as a sanitary landfill have been disclosed and will not be resolved as a part of this transaction.

RECOMMENDATION AND JUSTIFICATION

Adopt a Resolution of Recognition and Congratulations to Mariposa County for Celebrating her 175th Birthday on February 18th, 2025; and Receive Commemorative Resolutions from Congressman Tom McClintock and Assemblyman David Tangipa in Celebration

BACKGROUND AND HISTORY OF BOARD ACTIONS

The Board has approved similar "Resolutions of Recognition" in the past.

One of the First Legislature was the division of California into counties. The Senate Committee on County Boundaries was assigned this task, and recommended that California be divided into 18 counties. Many areas, however, objected to being included in the counties proposed by the committee, and desired to establish counties of their own. The Legislature, on February 18th, 1850, passed a bill subdividing California into 27 counties, with Mariposa listed as the 27th embracing about one-fifth of the State.

Mariposa County, or "The Mother of All Counties", contained near 25,000 square miles of territory, which has since been reduced by subsequent legislation for the creation of other counties. By 1865, Mariposa contained only around 1,500 square miles, and even with its smaller stature, has still seen thousands of visitors traveling to the Yosemite Valley as one of its four gateways.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION

Miss the opportunity to recognize our County on her 175th Birthday.

MARIPOSA COUNTY RESOLUTION NUMBER 2025-83

A RESOLUTION CELEBRATING MARIPOSA COUNTY'S 175TH BIRTHDAY

WHEREAS, before this recorded history took place, Native American tribes, including the Southern and Central Miwok Eastern Sierra Paiute and Chukchansi, Yokuts lived and managed this land since time immemorial. These tribes live off the land year-round in what is now Mariposa County by harvesting acorns, mushrooms, wild onions, berries and basket materials. Hunting deer, rabbits, squirrels, fish, and birds for food, clothing and ceremonial purposes. Through history's hardships, these tribes still thrive in our county today; and

WHEREAS, Mariposa's chronicled history began September 27th, 1806 when a group of Mexican explorers while camped along a creek south of the Merced River were inundated with butterflies. A Franciscan Priest named Father Pedro Munoz noted in his journal that the area is known as "El Arroyo de Las Mariposas", meaning "The Stream of the Butterflies"; and

WHEREAS, "Las Mariposas" became the name sake to a controversial land grant containing 44,386 acres with no set boundaries of land awarded to Governor, Juan Bautista Alvarado, which was later purchased for $3,000 by Thomas Larkin on behalf of John Charles Fremont on February 10th, 1847; and

WHEREAS, in 1849 John C. Fremont learned of the discovery of gold in California and sent his friend Alex Goday, along with a group of Mexican miners to Mariposa to begin the search of the valuable metal on his land, the first discovery took place along the creek at Agua Fria and then again during their exploration in the Mariposa Valley; and

WHEREAS, on February 18th, 1850, the State of California passed a bill subdividing California into 27 counties, Mariposa was the given name and was the largest of those counties covering 1/5 of the state stretching 30,000 square miles; and

WHEREAS, Mariposa County's first seat of justice was set at Agua Fria, a series of floods and fires along with the decline of placer mining moved the county seat in 1851 to the town of Mariposa; and

WHEREAS, John C. Fremont began development of the town of Mariposa in 1850 when he hired an investment firm from San Francisco by the name of Palmer Cook and Co., a group who brought with them skilled tradesmen and miners to focus on larger scale of development of mining going after the underground veins, leading to the development of the Mariposa Mine; and

WHEREAS, in 1854 the county built a brand-new courthouse hand milled from local lumber, 171 years later that same courthouse is still in operation, the opening of this seat of government and justice was accompanied by the creation of a newspaper that would become the Mariposa Gazette, which is also still in circulation; and

WHEREAS, it was the lure of gold that started Mariposa County, through the course of its mining history it would generate not only $48 million dollars in gold, but also millions in copper, lead, zinc and chromite, the most prosperous mines were Princeton, Pine Tree, Mount Gaines, Clearinghouse and Hite; and

WHEREAS, Mariposa County during the gold rush became home to thriving communities such as; Princeton (Mt. Bullion), a town busier than Mariposa itself, Bear Valley, headquarters to the Fremont Grant Company, Carsen, home to a large placer mining operation, Hite Cove, a mining community along the Merced River, Coulterville, the second largest town in Mariposa County, Bagby home to a water-generated powerhouse, lodging and a railroad station providing travelers a route to El Portal, the logging industry led to the creation of a series of sawmills throughout Midpines and Jerseydale, Hornitos, a thriving mining community known for its fandango halls, bars and it's rowdy bunch; and

WHEREAS, over the course of many years Mariposa County eventually was divided into 11 other counties, paving way for Mariposa's nickname "Mother of all Counties"; and

WHEREAS, the gold rush boom ended by 1920, the creation of the All-Season Highway "Hwy 140" to Yosemite National Park in 1926 brought Mariposa back to life, creating a whole new economy generated by tourism, logging, and agriculture.

NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors of Mariposa County, a political subdivision of the State of California, hereby celebrates **Mariposa County on her 175th Birthday.**

RE: Receive a Presentation from Caltrans on the Status of the Ferguson Rockshed Project (Supervisor Smallcombe)

RECOMMENDATION AND JUSTIFICATION

Receive a Presentation from Caltrans on the Status of the Ferguson Rockshed Project (Supervisor Smallcombe)

BACKGROUND AND HISTORY OF BOARD ACTIONS

The Ferguson Slide began on April 29, 2006, and Highway 140 closed permanently on May 28, 2006. Caltrans installed temporary bridges already in their inventory in August 2006 and new location-specific bridges in June 2008—Caltrans' plans to restore Highway 140 split into two distinct projects. Phase 1 included removing the talus material and installing rockfall mitigation measures to protect the workforce. Work began in March 2015; however, a subsequent major rockslide in November 2015 delayed the construction of the rock shed. In April 2021, the talus material generated from the 2015 event was removed, and the rockfall mitigation was restored. Phase 2 is the construction of a 714-foot rock shed and is scheduled to begin in summer 2025. Caltrans will provide a briefing on the steps necessary to proceed with construction and a timetable for completion.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION

Do not hear the presentation and miss the opportunity to hear about a project that could bring a close to the temporary route, which has now been in use for almost 19 years.

MEETING:	February 18, 2025
TO:	The Board of Supervisors
FROM:	Shannon Hansen, Director of Public Works and Transportation
RE:	Discussion and Possible Direction Regarding Vacation/Abandonment of Public Right-of-Way within Yosemite West

RECOMMENDATION AND JUSTIFICATION

Discussion and Possible Direction Regarding Vacation/Abandonment of Public Right-of-Way within Yosemite West.

The Public Works department has received a request to vacate a portion of public easements along the frontage of Yosemite West Lot 142, located at 7493 Yosemite Parkway.

A similar request was previously approved for Lot 260 at 7245 Yosemite Parkway, which involved vacating 0.04 acres of public road easement. In contrast, the current request for Lot 142 seeks to vacate 0.18 acres, nearly doubling the existing lot size from 0.22 acres to 0.40 acres.

Due to the size of the proposed easement vacation, Public Works is seeking board direction to either:

1. Proceed with the summary vacation of a portion of the public easement. Per Streets and Highways Code section 8330-8334, which allows summary vacation of a public service easement when the easement has been determined to be excess by the easement holder, and there are no other facilities located within the easement and allows summary vacation of excess right-of-way of a street not required for street or highway purposes. There will be a $903 application fee to the 7493 Yosemite West property owner for the process.

2. Offer the 0.18 acres for sale to the property owner located at Lot 142 at 7493 Yosemite Parkway at its appraised value. The current property owner of Lot 260 at 7245 Yosemite Parkway has expressed a willingness to purchase the property.

If approved, the request would allow the proposed residence to be built approximately 45 feet from the edge of the existing roadway, with all associated improvements, such as parking and access stairs, located entirely within the private lot. However, if the request is denied, the residence would need to be constructed approximately 80 feet from the roadway, with parking and access improvements remaining within the public road easement, requiring an encroachment permit.

Historically, requests for easement vacations have been evaluated on a case-by-case basis. While past approvals typically involved minimal areas to accommodate structures within private lots.

BACKGROUND AND HISTORY OF BOARD ACTIONS

Filed in 1967 and built to the standards at the time, current applications to develop can be a challenge to meet.

The original subdivision map filed on August 1, 1967, on page 1511 of the Book of Maps, created the roadways and public easements. One of the biggest challenges is meeting current parking requirements. In

prior years, parking structures were constructed within the public right-of-way through the encroachment permit process to meet these requirements. The roadways in the subdivision were originally dedicated and accepted for public use and utility purposes. Most public utility easements are of uniform width, running parallel and adjacent to property lines, with existing utilities generally located within these easements. The roadways vary in width depending on the topography, typically spanning from the top of the cut bank to the toe (or breakpoint) of the fill slope. This configuration includes all areas necessary for roadway maintenance and supporting structures. In general, utilities are not located in the cut or fill slopes due to impracticality.

The roadways were initially designated as non-exclusive public roads, and utility easements were offered and accepted by the public. It was initially understood that the underlying ownership of the roadways remained with the original developers. However, within the last 10 years, the developers' ownership corporation dissolved and transferred all underlying ownership to Mariposa County.

Since the transfer of ownership to the County, one request for such a transfer has been processed. This request involved a small area of 0.04 acres (1,742 square feet) and was approved via public hearing. Per Streets and Highways Code section 8333, which allows summary vaction of a public service easement when the easement has been determined to be excess by the easement holder and there are no other facilities located within the easement. The transfer was deemed beneficial to both the public and the lot owner, resulting in the abandonment of that portion of the public easement.

Yosemite West Subdivision created 294 lots, of which approximately 70 are currently undeveloped due to terrain challenges.

Previous Board Actions:
February 20, 2024, Resolution 2024-071 Summary Vacation fronting Lot 260, placement of proposed improvements outside of the right-of-way.

RE: Request for vacation of county land at 7493 Yosemite Park Way, Yosemite West

Hello Mr. Marks,

Good day to you. I am following up our email conversations regarding my request for vacation of county right-of-way that would provide access from Yosemite Park Way to the currently empty lot (lot 142) in Yosemite West subdivision at 7493 Yosemite Park Way. The request was submitted in order that construction of a residential dwelling may begin on the lot, which currently has no access to an accessible roadway per 1967 County survey maps.

A. Background

Allow me to first provide a brief recap of the email conversation so far (my intention here is to provide a brief highlight of the archived conversation so far; no omission or misrepresentation of content/text is intended):

A1. On June 6, 2024, per published instructions, documents have been submitted to your office for the right-of-way vacation request, and a supplemental document was submitted per your request on July 2 (I believe all necessary documents have been submitted based on your email responses – please let me know if otherwise).

A2. On July 12, you gave your initial review for the proposal (thank you), in which you state, *"There will need to be some justification to the public,"* indicating that *"to have a chance of acceptance by the Board, these questions [of public benefit] must be addressed up front."* For this reason, you indicated you are delaying the request.

A3. The same day on July 12, I replied to you in an email that **a)** the County [i.e., the administration and the residents of Yosemite West] has already benefitted by the fact that I financially sponsored the quit claim deed (**County Resolution 2021-152**, more on this later) at no cost to the County (as stated in the resolution's recommendation), and that **b)** I am open to the idea of purchasing the land area to be vacated to satisfy your stated need for public benefit.

I have yet to hear from you since my last email to you on July 12. Lacking any further instructions/feedback from you for now, I can only assume you would require additional justifications for the lot vacation request for the Board's consideration. So, while your review is pending, I have had some time to think about the matter, and I would like to request that you would consider the following items as potential justifications that may satisfy the Board's concern.

B. Request for further consideration

I submit for your (and the Board's) consideration the following items in no particular order of significance. I suppose you may find some of these items more compelling that others, but I am much obliged for your consideration in that:

B1. **The 1967 survey map appears to be poorly drawn.**
While I have no expertise in surveying, each expert (i.e., surveyor, contractors, real estate agents) who is familiar with lot 142 seems to agree that the blockage of the lot from the actual roadway probably was not intended as roads were put in after the survey, and likely the steep terrain resulted in the paved road being laid on the upper regions of the outlined boundaries in the swath of reserved land that is currently designated as the County road. It is my hope that the Board would also agree and remedy the error.

B2. **My request for the right-of-way vacation conforms to the stated purposes for Resolution 2021-152 ("Accept Transportation Right-Of-Way Land Donation – Yosemite West").**
According to the resolution's justification per the Public Works Director as of March 2021, a stated intent for the resolution is to *"accommodate development of vacant lots which are constrained and limited by the terrain."* I believe with the passage of the resolution, the Board had in mind cases like mine as well as the current/future residents who find themselves in similar situation. You have indicated in your email that the proposed house can be built anywhere along the terrain, and while that may be correct in theory, the cost of construction, commensurate with its difficulty, is prohibitive without the vacation. So far the contractors will not commit to the project apart from the lot vacation.

B3. **Initial estimates indicate potentially prohibitive construction costs given the steep terrain**
Much of Lot 142 and the adjoining county "roadway" in question sits on 40-50% grade, with near 80-90% grade closer to the actual pavement (shown in Exhibits 4a and 4b submitted on June 6). With each building component having to be transported downhill from Yosemite Park Way (much of it manually, I have been told), contractors have indicated the construction in Lot 142 is not feasible due to the terrain.

I submit that Resolution 2021-152 was intended for situations like mine in Yosemite West. The language of the request for the resolution indicates the Board is pro-development and would be sympathetic to the construction cost concerns: *"this* [i.e., vacated and abandoned rights-of-way] *allows individuals to build closer to the physical road surface, making some lots more financially constructible...*(paragraph 1, page 3, REF ID#11478)*"* The paragraph further addresses the concern that without the passage of the resolution, *"future applicants will not be able to resolve their issue, potentially rendering some lots less attractive for construction from a financial and practical standpoint."*

Please consider that even with the passage of the proposed vacation, there are already up-front construction cost "penalties" on my part because of the difficult terrain. For starters, the terrain makes it impossible for a typical driveway, so a parking pad estimated at $200-$300 will need to built in order to comply with building codes. In addition, there are "terrain costs" associated with additional foundation requirements, support structures, and stairs.

B4. **There appear to be obvious and direct public benefits from the approval of the lot vacation request.**
You have indicated *"there needs to be some justification to the public."* While this requirement seems to be unprecedented (see **B6**), I submit the following items for your consideration as potential "public benefit" that would result from the approval of the proposed lot vacation. I mentioned in **A3** (and also in my previous email) the tangential benefits already reaped from a more streamlined process with the passage of Resolution 2021-152, but please also consider that:

One, there would be increased property tax base on the if I am able to build a housing unit on the property.

Two, there is potential for additional TOT income for the County. While I intend to fully occupy the potential house eventually, until that time comes, I intend to make the house available for short-term rental. I can only assume there are other ancillary financial benefits for the County associated with any increase in the number of visitors.

Three, the proposed vacation would remove from the County any liability for the parcel in question. For example, in the unlikely event that one of many existing large trees falls downhill, or if after heavy rains a small landslide is triggered, the County would not have to bear the responsibility. Also, a vacation would remove any maintenance/management responsibilities from the County.

Four, the right-of-way vacation request results in no negative impact to the flow of traffic in the subdivision. There is no encroachment into the paved roadway being proposed, nor would the proposal impede traffic on Yosemite Park Way in any form. I have attached a short video of the area in question as seen from the paved road in the email that accompanies this letter. The video shows heavy vegetation with 80-90% grade of dirt beyond the edge of the paved road. I would invite you to inspect the area to see for yourself, but it is my belief that there are no obvious practical uses for this terrain by the County other than to provide access to the landlocked Lot 142.

B5. The proposed vacation would result in safe/livable housing for the residents (and for construction workers during construction)

Initial findings (Exhibit 4b in my June 6 email to you) show that without the lot vacation, 4 full flights of stairs would be needed for a structure built within Lot 142 with current boundary lines, whose highest point sits some 40-45 feet below street level, 70ft away laterally and 100ft away along the terrain. Exhibit 4b was submitted not as possible construction options, but to illustrate the physical difficulty in reaching Lot 142. Even if we assume such a house can be built from logistics/cost perspective, I confess I do not have the stamina for climbing and descending the distance of 100ft over 4 flights of stairs with each ingress/egress carrying grocery bags, and I fear harsh winter weather conditions can present hazards on the stairs.

B6. There has not been a precedent in the Yosemite West subdivision for requiring a justification for "public benefit" for right-of-way vacation (to my limited knowledge)

While I submitted for your consideration a few items that can be construed as public benefit (as I understand it in the context of your email) in **B3**, I submit to you that the intent and the language of the action request for Resolution 2021-152, unanimously approved by the Board of Supervisors, appears to be in favor of the "public" in the sense of the landowner and present/future residents of the Yosemite West as the specific, primary beneficiaries.

Your email on July 12 states that *"to submit [the vacation request] to the Board, there will need to be some justification to the public."* While I understand your position and appreciate that you explained this as the reason for delaying my request, it would appear to me similarly approved vacation requests (e.g., Resolution 2012-46, 2015-343, Resolution 2015-343, and recently Resolution 2024-71) do not exhibit explicit public benefit apart from the residents. In each of the cases, public parcels have been abandoned and ceded to the landowners without an obvious (to me at least) benefit to the public at large. Historically, it is my understanding that there are many other properties with approved vacations of public right of way – I do not have the resources to track down all of the cases.

Further, Resolution 2021-152 also indicates that in addition to accommodating new construction, another aim of the resolution is to address the issue of encroachment of existing structures into what is technically public land to ease the burdens of the homeowners in acquiring insurance, etc. Please review the photo attached to the accompanying email which shows my immediate neighbors at 7497 Yosemite Park Way and 7499 Yosemite Park Way who have been allowed to build on public parcels of land (per the 1967 survey map) along the pavement.

The examples of past vacations and current encroachments indicate to me that the County has a long history of promoting the prosperity and wellbeing of its residents, the "public," through building up of communities, and my request appears to be consistent with such community goals.

B7. I am willing to accept increased tax assessment for the increased lot size

I am not aware of increased tax assessment that has occurred in Yosemite West for similar vacation requests and encroachment mitigations (that is, other than increased assessment to include new construction on the land), but to address your concern that my lot size would increase as a result of the proposed lot vacation, I reiterate that I am willing to accept any fair property tax assessment that the Board/County deems appropriate.

I concede some of the items I have outlined may or may not be deemed valid, but as a whole, I believe I have addressed all of your stated concerns in your July 12 email. Please let me know if you feel otherwise, and I will address the concerns to the best of my ability.

If no other issues or concerns remain outstanding (one outstanding issue is the matter of associated fees), I humbly ask that my right-of-way vacation request not be delayed further and be processed at your earliest convenience.

Thank you for your time and consideration given to my request. I truly appreciate it. I look forward to hearing from you soon.

Sincerely,

Simon Shin

MARIPOSA COUNTY

Board of Supervisors

RESOLUTION - ACTION REQUESTED 2024-71

MEETING:	February 20, 2024
TO:	The Board of Supervisors
FROM:	Shannon Hansen, Director of Public Works and Transportation
RE:	PUBLIC HEARING: to Consider Vacation of Public Right of Way

RECOMMENDATION AND JUSTIFICATION

PUBLIC HEARING: to Consider Summary Vacation of Public Right of Way

Summary Vacation of a portion of the public access & utility easements within Yosemite Parkway, as shown on Map No. 1511 Mariposa County Records.

Streets and Highways Code section 8333 allows summary vacation of a public service easement when the easement has been determined to be excess by the easement holder and there are no other facilities located within the easement and Streets and Highways Code section 8334 allows summary vacation of excess right-of-way of a street not required for street or highway purposes.

The public utility service easement to be summarily vacated has no public utilities within the right of way. The public road easement has been determined to be excess by the easement holder, and there are no existing facilities within the area to be vacated.

Letters of No Objection have been received from the Utility providers, ATT&T and PG&E. Public Works staff has reviewed and there are no conflicts with existing Yosemite West Maintenance District Utilities.

The purpose of the vacation is to reconfigure the property lines and easements to conform with the proposed improvements pertinent to Building Permit Applications 22-38054 & 22-38171.

Reconfiguration of the property lines will place all the proposed improvements within the applicant's ownership and removing the proposed parking facility from the public easement. This will decrease potential County liability issues in the future and increase property value.

This easement was originally required as a condition of approval for Major Subdivision application 3-23-66.

A description and plat of the proposed abandonment has been submitted to the Public Works Department.

BACKGROUND AND HISTORY OF BOARD ACTIONS

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION

If the Board of Supervisors denies the request for abandonment, this right-of –way will continue to exist on record and the applicant will have to redesign the project to meet setback requirements.

RESOLUTION - ACTION REQUESTED 2021-152

MEETING: March 23, 2021

TO: The Board of Supervisors

FROM: Mike Healy, Public Works Director

RE: Accept Transportation Right-Of-Way Land Donation - Yosemite West

---

RECOMMENDATION AND JUSTIFICATION:
Accept Fee Title Ownership of the Roadway Right-of-Way within the Borders of the Yosemite West Unit 1 Subdivision with No Change to the Existing Road Maintenance Funding Responsibilities and/or Funding Processes.

James Higuchi, on behalf of 40 Acres, Inc., a California Corporation; Yosemite Highlands, Inc., a California Corporation; and Yosemite West Associates, a California limited partnership; are desirous of granting the roads within the Yosemite West Subdivision to the County of Mariposa in fee title via Quitclaim Deed. To complete the Action, the County needs to accept or reject the proposed title transfer.

Staff recommendation in this matter is to accept fee title ownership of the roadways within the borders of the Yosemite West Unit 1 subdivision, as illustrated in attachments labeled Land Donation Exhibit 1a, 1b and 1c, with no change of the existing road maintenance responsibilities but rather it will simply transfer ownership of land. Again, by accepting ownership this action will not add the subdivision roads to the County Maintained Road system.

In the event that acceptance of this item adds costs to the County roads liability insurance coverage in the future, staff recommends that any additional costs directly attributable to this acquisition be charged to the Yosemite West Road Fund. Staff has sought input from our insurance carrier and can report that at present there is no additional insurance liability costs associated with the proposed acceptance.

At the time of the creation of the subdivision the County accepted the right-of-ways as easements for public use within the subdivision. The fee title ownership and the public right-of-ways encumber the same tract of lands, the boundaries being the same. The public right-of-way is an overlay of the fee title land. Accepting the fee title ownership will remove a layer of complexity for adjoining lot owners when modifying lot boundaries to accommodate development of vacant lots which are constrained and limited by the terrain. Currently, several structures encroach into the public right-of-

way and most vacant lots could potentially benefit from some adjustment of the public right-of-way.

Public Works has consulted our colleagues in the Planning Department regarding this matter and they are supportive of this action as acceptance of ownership will eliminate the requirement of approval by 40 Acres, Inc. to process and complete lot line adjustments thus resulting in a less lengthy and cumbersome planning review process.

BACKGROUND AND HISTORY OF BOARD ACTIONS:
The Yosemite West Subdivision was created by the recordation of the Map of Yosemite West Unit 1, August 1, 1967 as Map No. 1511 and the recordation of the Amended Map of Portion of Yosemite West Unit 1, April 16, 1968 as Map No. 1599, both in Mariposa County Records.

Map No. 1599 was recorded correcting some of the dimensions of some lots but did not change the intent or content of the original map.

Both maps delineate the lot ownership as ending at the right-of-way lines of the roadways, the roadway being an independent contiguous strip of land throughout the subdivision.

The owners "Offered for Dedication to the public use all streets, avenues and easements" thereon and the County Clerk on behalf of the Board of Supervisors, "did accept in behalf of the public, all of the streets, roads, avenues, and easements shown thereon as dedicated to public use."

The Offer and acceptance were made as easements only, not in fee title.

As lots within the Subdivision were sold, this has resulted in independent ownership of the lots which are entitled to the public use easement over the roadways, with the area under the public roadways being held in fee title by the original owners/developers of the subdivision.

The original ownership consisted of two Corporations, 40 Acres Inc., and Yosemite Highlands Inc., a California limited partnership, Yosemite West Associates. All three entities were controlled by the same individuals, commonly known as the "Doctors" group.

The roadways have never been accepted into nor are a part of the County Road maintenance system nor does this action proposed to do so. The road maintenance is the responsibility of the Yosemite West Maintenance District. Each of the lot owners within the Subdivision pay a monthly fee for the maintenance of the roadways delineated on Map No. 1511.

The current heirs which control the three corporations, have sold off all of their remaining properties in the area and are moving to dissolve the three corporations.

RESOLUTION - ACTION REQUESTED 2021-152

This action will complete the distribution of the corporation lands.

In the past, to facilitate development of lots, portions of the right-of-way have been vacated and abandoned. This allows individuals to build closer to the physical road surface, making some lots more financially constructible. However to complete such action also required a Lot Line Adjustment to attach the ownership of the additional lands to the individual lot. A Lot Line Adjustment required the co-operation and signatures of the Corporations. Being the Corporations are dissolving, future applicants will not be able to resolve their issue, potentially rendering some lots less attractive for construction from a financial and practical standpoint.

Accepting the fee title ownership of the roadways will remove some steps in the process, shortening the time frame for lot owners to adjust lot boundaries to accommodate lot development.

Previous Board Actions have approved the vacation and abandonment of public right-of-way to accommodate construction of new homes and/or to correct past occurrences of buildings which were encroaching into the public right-of-way and across property lines.

Potential consequences of accepting the fee title could trigger additional similar requests within the County, particularly for roads in any major subdivision recorded prior to approximately 1985. This could include but not be limited to Wawona, Fish Camp, Ponderosa Basin (currently County Maintained), Lushmeadows (currently County maintained), Mariposa Pines (currently County maintained), Quail Ridge Estates, Bridgeport Oaks, as well as any major subdivision recorded prior to approximately 1985. Additional requests would require an offer by the current subdivision owners.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:
If the Board of Supervisors does not accept the fee title transfer, the right-of-way will remain unchanged. However, the fee title of the roadways will enter into a title limbo and lot owners will likely not be able to resolve building issues relative to the terrain. In cases where existing structures are within the right-of-way, the owners would also be prevented from resolving their property boundary issues which could affect the ability to qualify for home loans and or property insurance.

RESOLUTION - ACTION REQUESTED

MEETING: June 9, 2015

TO: The Board of Supervisors

FROM: Tony Stobbe, Public Works Director

RE: Vacate a Portion of the Public Road and Utility Easement in Yosemite West

---

RECOMMENDATION AND JUSTIFICATION:
Vacation of a Portion of the Public Road and Utility Easements Within Henness Ridge Road in the Yosemite West Subdivision as shown on Map 1511 and also referenced on Amended Map 1599.

This easement was originally required as a condition of approval for major subdivision application 3-23-66.

The public utility easement to be vacated has no public utilities within the right-of-way. The public road easement has been superseded by relocation, or determined to be excess by the easement holder, and there are no other facilities located within the easement.

The purpose for the vacation is to allow Newsome and Montplasir to adjust the common boundary between two lots and the roadway in Yosemite West. The land comprising that portion of Henness Ridge Road adjacent to the two lots is owned by 40 Acres, Inc. The intent is to relocate the existing house belonging to Parcel A wholly within Parcel A. Currently, the house is located partially on Parcel B and in the roadway. Vacation of the easements will allow reconfiguring of the property lines and easements to conform with the existing (long standing) improvements which were built encroaching into the roadway. This has been conditioned by Lot Line Adjustment #2014-081 for Newsome and Montplaisir. This action is required as a condition of a lot line adjustment number 2014-081.

BACKGROUND AND HISTORY OF BOARD ACTIONS:
Record of Survey 1511 was filed August 1, 1967. The public utility easement to be vacated has no public utilities within the right-of-way.

MARIPOSA COUNTY BOARD OF SUPERVISORS | **AGENDA ACTION FORM** | **DATE**: October 11, 2011 AGENDA ITEM NO. CA-105

DEPARTMENT: Public Works/Engineering

BY: Peter Rei, Interim Director
PHONE: 966-5356

RECOMMENDED ACTION AND JUSTIFICATION:

Resolution vacating a portion of the public road and utility easements within Yosemite Park Way in the Yosemite West Subdivision.

BACKGROUND AND HISTORY OF BOARD ACTIONS

These easements were originally required as a condition of approval for Major Subdivision application 3-23-66. Said easements are shown on Record of Survey 1511 recorded August 1, 1967 and referenced as Amended Record of Survey 1599 recorded April 16, 1968. The public utility easement to be vacated has no public utilities within the right of way. The portion of the public road to be vacated has not been utilized for vehicular travel for five consecutive years and no public funds have been expended for maintenance on said road.

The purpose for the vacation is to allow the Jackman's to construct a garage. The Jackman's are in the process of doing a lot line adjustment that will dedicate a new utility easement along the front of their property line.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

If the Board of Supervisors denies the request for vacation the public road and utility easements will continue to exist on record.

Said easements are shown on Record of Survey 1511 recorded August 1, 1967 and referenced in Amended Record of Survey 1599 recorded April 16, 1968. The public utility easement to be vacated has no public utilities within the right-of-way. The public road easement has been superseded by relocation, or determined to be excess by the easement holder, and there are no other public facilities located within the easement. The purpose for the vacation is to allow the Jackman's to construct a garage. The Jackman's are in the process of doing a lot line adjustment that will dedicate a new utility easement along the front of their property line; and,

WHEREAS, pursuant to Streets & Highways Code, Division 9, Part 3, Chapter 4, § 8333, et. seq. the easements have not been used for the purpose for which they were dedicated or acquired for five consecutive years immediately preceding the proposed vacation.

NOW, THEREFORE, BE IT RESOLVED, by the Mariposa County Board of Supervisors, a political subdivision of the State of California, that the Board hereby determines and orders as follows;

1. The County of Mariposa, by and through its Board of Supervisors, summarily vacates the easements described in this resolution pursuant to Streets & Highways Code, Division 9, Part 3, Chapter 4, § 8330, et. seq.
2. The easements hereby vacated are described in Exhibit "A" and Exhibit "B" attached hereto and by reference made a part hereof.
3. The approval of the easement vacation is conditioned upon the applicant providing acceptable new public service easements to the public service involved. Upon receipt by the Public Works Department of easements, this Resolution will become effective.
4. A certified copy of this Resolution shall be recorded in the office of the Mariposa County Recorder by the Clerk of the Board, and upon such recordation, the easement hereby vacated shall no longer constitute a street highway or public service easement.

ON MOTION BY Supervisor Bibby, seconded by Supervisor Stetson, this resolution is duly passed and adopted this 11th day of October, 2011 by the following vote:

User comment: The following is a comment for Agenda Item I.2: Discussion and Possible Direction Regarding Vacation/Abandonment of Public Right-of-Way within Yosemite West ========== From: Gary Rainwater Date: Thu, Jan 9, 2025 at 1:42 AM Subject: Re: 7493 Yosemite Park Way property Vacation Request: (APN 006 110 009) To: Russell Marks , Shannon Hansen Cc: Melinda Rice , Samuel Cerveny , Simon Shin Hello all, Simon Shin's request to build a residence at 7493 Yosemite Park Way (APN 006 110 009), with "vacated' property" is strongly endorsed. Approval is critical to mitigate safety, liability, cost and constructibility issues. The following information is provided for your information and consideration in support of the "vacation" request. . Some major events include the following: ....Simon purchased the lot in January of 2019. ....Jones and Snyder completed a proposed site plan in May of 2023 based on the vacation of property. (See attached: item 4a of Simons request). ....Simon submitted a comprehensive 'vacation' request on June 6, 2024 with all necessary documentation including utility company verification that there are no PUE issues. ....A custom design for the home was initiated Nov 9, 2023 and completed in June of 2024 (see attached OMS pdf) ...The design shows the house location for both options and provides some perspective (see pages 2,3, and 4) ... A purchase agreement with Lindal Cedar Homes was established on 18 June, 2024 (Drafting/engineering and home materials delivery) ...Drafting is complete and Engineering is in final stages pending decision regarding vacation request Additional relevant information: ...The extreme slope of the lot adds disproportional cost to every additional foot of distance from Yosemite Park Way to house location. ....Impossible to perform pre construction effort on lot if vacation request not approved, further delaying project schedule. ... Required stair system for house access on existing lot as is exacerbates safety issues, liability, and increases time and cost. ... Short building timeframe at this difficult site requires site prep & foundation spring of first year and construction in second year depending on weather considerations. ....Lindal Cedar Homes contract requires penalties for delayed deliveries. ....Approval of request will shorten construction time and help control cost ....GC interest for building in area has declined and continues to do so (cost of labor/temp quarters/ available subs/etc.). ....Need decision in next month to allow permit and time for site prep and foundation this spring .... (Further delays beyond next month or 2 could delay the project for an additional year) ....No apparent use for current county property if not vacated .....Additional tax revenue for County if approved ....Approval of the vacation request presents a win/win outcome. ... Recommend this item be put on Board of Supervisor' agenda for discussion and decision without further delay. Please contact me if you would like more information on any aspect of this input Respectfully, Gary Rainwater Independent

RE:	Discussion and Possible Direction Regarding County Email Newsletter and Radio Spot for Enhancing Public Outreach and Transparency

RECOMMENDATION AND JUSTIFICATION

Discussion and Possible Direction Regarding County Email Newsletter and Radio Spot for Enhancing Public Outreach and Transparency.

The Public Information Office is exploring new avenues to enhance communication with Mariposa County residents by introducing an email newsletter and an accompanying segment on KRYZ radio.

These initiatives aim to reach individuals who may not regularly engage with social media but would benefit from consistent updates on County government activities. The newsletter and radio spot are expected to improve transparency and keep the community informed about key developments and critical updates.

This discussion item seeks to provide the Board with an overview of the proposed communication efforts and gather input on the types of content that would be most valuable to share with the public.

BACKGROUND AND HISTORY OF BOARD ACTIONS

The Board routinely discusses ways to improve county communication.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION

Do not choose to listen to the presentation and provide direction on the item and the county will not be able move forward with the new communication ideas.

RESOLUTION - ACTION REQUESTED 2025-82

MEETING: February 18, 2025

TO: The Board of Supervisors

FROM: Joe Lynch, County Administrative Officer

RE: Approve Reserve Policy Proposed Revisions

RECOMMENDATION AND JUSTIFICATION

Approve Reserve Policy Proposed Revisions.

Staff recommends that the minimum threshold for the general fund reserves be reduced to 16.67% or two months of general fund operating, non-grant-funded expenditures. The minimum threshold is currently set at 6% higher than that or 22.67%, because Government Finance Officers Association (GFOA) guidance suggested that municipalities which are susceptible to disasters and suffer significant financial losses when they occur should increase their minimum thresholds to serve as a stronger buffer against financial collapse. Recently staff discovered that GFOA no longer recommends a higher minimum threshold in those circumstances. Since the reserve policy was approved in April 2020, Mariposa County has experienced several significant economic hardships as a result of declared emergencies such as the COVID pandemic, Oak Fire, winter snow events, etc. for which reserve funding was not obtained. In other words, practical experience suggests the change in minimum reserve thresholds is prudent and reasonable.

In reviewing the current approved Reserve Policy, staff proposes a change to the way in which the total general fund expenditures are determined. The policy directs the removal of transfers, which are true expenses and should be included in the calculations. The policy does not suggest removing grant-funded expenditures in departments such as Health and Human Services Agency and Child Support Services. As a result, staff proposes including transfers but removing grant-funded expenditures from the total expenditures calculations.

If approved, staff recommends investing the funding removed from general fund reserves during the FY25 budget process and not restored as a result of this change, into a Capital Asset Management Fund instead. This would fund the first year of a Capital Improvement Plan (if approved), which is the cornerstone to a successful long term capital strategy.

Resolution 2020-205: Adopt a County General Fund Reserve Policy
January 21, 2025: Discussion and Possible Direction Regarding Updates to the Reserve Policy and a Proposal for a New Capital Asset Management Policy.

Mariposa County
General Reserve Policy February 2025

A. DEFINITION AND PURPOSE OF GENERAL RESERVES

General Fund Reserves are the unrestricted fund balance maintained in the General Fund in accordance with Generally Accepted Accounting Principles (GAAP) and for the purposes described in this policy. Reserves are the cornerstone of financial flexibility. They provide the County with options to respond to unexpected issues and afford a buffer against shocks and other forms of risk.

The primary reasons for a general fund reserve policy are to be prepared for contingencies, maintain a low cost of borrowing, avoid interest expenses, generate investment income, and create a shared understanding of the proper level and use of reserves.

B. RESERVE TARGET LEVELS

The County shall maintain a reserve no less than 16.7% and no greater than 25% of average General Fund operating expenditures for the preceding three years, as reported in the County Annual Financial Report. For the purposes of this policy, operating expenditures do not include capital purchases or departmental expenses funded through state or federal funding (e.g. HHSA and Child Support Services). Reserve target levels will be considered as part of the budget process on an annual basis.

C. FUNDING THE TARGET AMOUNT

Funding of reserves will be included for consideration in the annual budget process.

D. CONDITIONS FOR USE OF GENERAL RESERVES

General Fund Reserve may be used at the discretion of the Board of Supervisors for the following purposes.

1. Replace temporarily decreased revenues, such as state subventions.
2. Meet emergency expenditures in the case of flood, fire, debris flows, or other disasters.

E. INVESTMENT OF RESERVES IN PENSION AND OTHER POST-EMPLOYMENT BENEFIT PRE-FUNDING

When reserve target has been met, the County may invest up to fifty percent (50%) of the established reserve, not to exceed eight percent (8%) of average General Fund operating expenditures for the preceding three fiscal years, in a trust account for pension and/or other post-employment benefits.

F. AUTHORITY OVER GENERAL RESERVES

Drawdown on the General Fund Reserve shall only be authorized by the Board of Supervisors during the adoption of the annual budget or by a four-fifths vote resolution during an emergency.

G. REPLENISHMENT OF GENERAL RESERVES

The County should strive to restore reserves as quickly as possible after use. If reserves fall below the established minimum, the Board should establish a plan to restore reserves to minimum levels within five fiscal years. In no case will reserve replenishment plans extend beyond ten fiscal years.

RE: Adopt Capital Asset Management Policy

RECOMMENDATION AND JUSTIFICATION

Adopt Capital Asset Management Policy

Administration presents to the Board a Capital Asset Management Policy for your review and approval. It offers a set of guidelines and best practices with regard to managing Mariposa County funds responsibly and strategically. As the policy states, "Good infrastructure is vital for our community to thrive. This policy supports our infrastructure by promoting wise investment in new infrastructure and protecting the historical investments Mariposa County has made in existing infrastructure."

The staff is recommending a Capital Asset Management Policy to codify the best practices and business processes associated with the identification, prioritization, implementation, and funding of Mariposa County capital projects. In recent history, there has not been a countywide process for capital asset management. Instead, projects are done based on grant funding availability and politics. As a result, some assets have not been maintained at the level they should and the community lacks trust in the County's ability to address capital needs.

MARIPOSA COUNTY

DRAFT CAPITAL ASSET MANAGEMENT POLICY

PURPOSE AND DEFINITIONS

Responsible management of our capital assets is vital for our community to thrive. This policy supports responsible asset management by:

- Promoting wise investment in new capital assets and
- Protecting the historical investments Mariposa County has made in existing capital assets.

Capital assets are defined as tangible and intangible assets of significant value and with a useful life beyond five years. See the table below for asset classifications, examples where needed, and minimum capitalization thresholds.

Class	Capitalization Threshold
Land	$0.00
Land Improvements (non-building assets which enhance the quality or facilitate the use of land e.g. vegetation management, grading, etc.)	$100,000.00
Buildings and Building Improvements	$100,000.00
Equipment	$25,000.00
Vehicles	$25,000.00
Infrastructure and Infrastructure Improvements (e.g. pavement, bridges, water systems, etc.)	$100,000.00
Intangible Assets (e.g. software, patents, copyrights, etc.)	$100,000.00
Easements	$0.00
Leasehold Improvements (improvements to a leased asset that would normally be capitalized if those same improvements were made to a County owned asset)	$25,000.00
Construction In Progress	Projects expected to exceed capitalization threshold based on applicable class at completion

CAPITAL ASSET IMPROVEMENT PLAN (CIP)

Each year, Mariposa County staff will create and update a ten-year CIP. The CIP will define and prioritize the capital asset projects that Mariposa County plans to do.

The CIP is a balanced, 10-year plan, in which revenues will be equal to the projected costs over the 10-year period. In any single year of the plan, however, it is possible that costs will not equal revenues as it is difficult to predict the timing of capital project development. The Mariposa County Board of Supervisors will use the prioritizations and funding analyses outlined below to determine which projects are completed each fiscal year.

CIP FUNDING STRATEGY

Mariposa County may elect to use debt financing to acquire an asset or pay-as-you-go financing (i.e., cash financing). Below are guidelines to help Mariposa County make the best choice between debt and pay-as-you-go financing.

Factors that favor pay-as-you-go financing include situations where:

- The project can be funded from current revenues and fund balances (reserves);
- The project can be finished within an acceptable time frame given the available revenues;
- Additional debt levels could have a harmful effect on Mariposa County's credit rating or repayment sources;
- Market conditions are unstable or suggest difficulties in marketing a debt.

Factors that favor long-term debt financing include situations where:

- Revenues that will be used to pay back debt are believed to be sufficient and reliable;
- Market conditions present favorable interest rates and demand for government debt financing;
- A project is immediately required and existing cash reserves are insufficient to pay project costs.

Mariposa County will make decisions on an annual basis with regard to the funding strategy for a CIP. Circumstances will likely dictate a blended approach, which will change on an annual basis.

ANNUAL CAPITAL BUDGET

Each year, Mariposa County will develop a capital budget that will serve as the spending plan for the budget year as well as a projection for the following nine years. The current year of the capital asset improvement plan will serve as the capital asset improvement budget for that year.

The County budgeting process is required by law to be a transparent process that invites Board, staff, and community scrutiny and input. The capital asset management budget process will be governed by the same principles and will follow the same approval process.

CAPITAL ASSET INVENTORY

Mariposa County will develop a full capital asset inventory that projects equipment replacement and maintenance needs for a ten-year period and will update this projection each year. The asset inventory will describe the current condition of Mariposa County's assets. It will compare this condition to a standard for asset condition. It will account for the full cost to maintain assets to standard condition and account for risks associated with assets that are below standard condition. Departments will inventory and assess the assets for which they are responsible and ensure that their records are consistent with the Auditor's office's capital asset records.

ENVIRONMENTAL SUSTAINABILITY

Mariposa County follows all state and federal guidelines with regard to environmentally sustainable purchasing and asset management. When all factors are equal, decisions which benefit the environment will always be chosen first.

PRIORITIZATION OF ASSET MANAGEMENT PROJECTS

It is the policy of Mariposa County to maintain its assets at a level that protects capital investment and reduces future maintenance and replacement costs. Each year, Mariposa County staff will develop and recommend to the Mariposa County Board of Supervisors a prioritized asset management plan.

At a minimum, this process will provide the following information for each project. An example CIP list with defining characteristics is provided below.

1. **Health and safety requirements**.
    a. 3-Severe risk
    b. 2-Moderate risk
    c. 1-Mild risk
    d. 0-No risk
2. **Preventative maintenance**.
    a. 2-Prevent near-term (1-5 year) asset failure
    b. 1-Improve long-term asset usefulness and integrity
    c. 0-Not preventative in nature
3. **Community enhancements**.
    a. 3-Significant community enhancements
    b. 2-Moderate community enhancements
    c. 1-Mild community enhancements
    d. 0-No community enhancements
4. **Strategic priority**. Project meets an identified priority as defined in the current strategic plan.
    a. 2-Yes
    b. 0-No
5. **Equipment replacement.** Equipment inventory should be replaced on a rotating, routine basis, ensuring that equipment is in good working condition and is able to support County staff.
    a. 2-Yes
    b. 0-No
6. **Funding source(s), if any**. Describe where the funding is expected to come from to acquire, operate, and maintain the asset.
    a. 4-Entirely grant-funded
    b. 2-Partially grant-funded (>60% or more)
    c. 0-No identified funding sources
7. **Long-term operating and maintenance costs**. Identify the cost to operate and maintain the asset over its life cycle.
    a. 4-Does not exceed current operating and maintenance costs
    b. 2-Marginally exceeds current operating and maintenance costs (<10%)
    c. 0-Significantly exceeds current operating and maintenance costs (>10%)

EXAMPLE CAPITAL ASSET MANAGEMENT PRIORITIZATION LIST

PROJECT NAME	HEALTH AND SAFETY	PREVENTATIVE MAINTENANCE	COMMUNITY IMPROVEMENT	STRATEGIC PRIORITY	EQUIPMENT REPLACEMENT	GRANT FUNDING SOURCE	OPERATING & MAINTENANCE	TOTAL	TIMELINE
Replacement of Damaged, Leaking Roof	3	2	1	2	0	0	4	12	Year 0

New Office Building	1	1	1	2	0	0	0	5	Year 8-10
Roads** Maintenance	2	2	3	2	0	2	4	15	Annual

**A separate list of all County roads should be created and updated annually. The Roads prioritization criteria would include: the Pavement Condition Index, traffic levels, number of potholes inventoried, pavement type – gravel or asphalt, and funding source (if any).

Projects will be prioritized within the context of funding availability and project timing and scope, in addition to the project attributes listed above. The annually updated plan will identify the proposed schedule for planning, bidding, construction, and other milestones in acquiring and/or improving the asset. Assumes the year the capital asset list is generated is Year 0, and each out year is Year 1, 2, 3, 4…

CONCLUSION

It is Mariposa County's policy to assign enough resources to preserve Mariposa County's existing assets to the best of its ability before assigning resources to build or acquire new assets that also have operating and maintenance needs. This policy protects our historical investment in capital assets.

1. **Board of Supervisors**

CONTINUED from December 10th, 2024, to December 17th, 2024, at 2:00 PM or soon thereafter.

Discussion and Possible Direction Regarding the Lease Agreement Between Mariposa County SPCA and Mariposa County and Whether the Board Wishes to Explore Strategies to Develop Greater Cooperation Between the Parties That Increase Transparency Regarding the County and Non-Profit Partners' Efforts to Promote Animal Welfare in Mariposa County (Supervisors Smallcombe and Toso)

Chair Menetrey introduced the item and re-noted why former Supervisor Forsythe was absent.

Supervisor Smallcombe noted she coordinated with Sheriff Briese and Supervisor Toso. She announced that the direction is limited because the board's authority is restricted to the contract. She further announced that the Board does not have the authority over how the organization conducts its businesses.

Sheriff Briese came up and noted as the Sheriff, the duties are Sheriff/Coroner/Public Administrator/OES as well as Animal Control (ACO), which was delegated to his office in 1997. He noted this was not an "us versus them" situation. He noted that their goal as a community is to work through their differences. He also noted that he needed to clarify a topic he saw and heard, whether there are laws that dictate how they operate as a public shelter and whether those are being followed. He noted that the ACO vision is clear: every call for service ends with them. Sheriff Briese went over the means by which the ACO goes above and beyond to try to get animals to shelter, fostered, or adopted to avoid euthanization. He noted he hoped to have a better relationship with the SPCA so they could be placed on their list of organizations to call. He then discussed the mental health aspects the ACO officers go through having to euthanize so many animals. He noted he encourages the Board to contract with a facility where they can transfer animals.

Supervisor Toso noted she brought this item forward due to the number of calls she had received from

DRAFT

concerned citizens. She then read a statement. In response to the allegations, she noted that she verbally resigned and filled out a resignation letter. She also noted that she was a secretary with no money access. She then reiterated the need for strong partnerships for the animals.

Supervisor Smallcombe echoed what was said about our ACO, noting she had spoken to all three and she would not have the fortitude to do what they have to every day, especially knowing they have to go to work to kill innocent animals.

Chair Menetrey noted it was truly heartbreaking, but the true culprit is the individuals who do not keep their commitment to their animals. He then read a statement and further noted his disappointment in this item. He felt this item did not belong in the Board room but in the SPCA Board room. He reiterated that the County has no jurisdiction and they did not want to tell anyone how to run their business. He further noted the County gives no financial assistance outside of the lease agreement.

Supervisor Poe noted there wasn't much more he could say besides what others had. He noted how his animals get out of his fence and how heartbreaking it was that some animals are euthanized after a few days. He noted that bringing this conversation to the SPCA is up to the public.

Public comment was received by Kathy Avila/Resident, who noted she ran the catnip society, which began in 2007 as a result of being unsatisfied with the SPCA. She noted that they have cared for many cats over the years, including managing feral colonies in the community. She noted that since 2012, they have had a low-cost neutering clinic, noting that just this year, they had neutered 150 and would be doing 29 more the following day. She noted the cost was $30, and they would do feral cats for free. She thanked Dr. Jeanette Morrow for her time and skills donation. She noted this would also not happen without the ACO. She then noted some in the community believe they are creating problems for the SPCA. She noted that the women who foster animals and the community members who donate money are not the problem. She noted they are all working together to save animals. She noted the SPCA, which is resistant to rescuing animals, is the problem. She noted they have no community programs in place, and there is no evidence that they have a fostering program. She noted they turn away volunteers. She noted that no volunteers making a difference get free water or rent for a dollar a year. She noted that with assets of over $700,000, they could make a huge difference, but they are falling short. She noted the Board has the opportunity to hold them accountable.

Jeanne Anne Pine/Resident takes no pleasure in being here. She noted when a business isn't doing what she likes, she walks away. She noted in this instance, people have been walking away for years, stating, "Mariposa County has a long sad history". She noted that the SPCA has been implementing damage control by defaming people, stating that they are thieves. She noted it had been claimed in the SPCA office that the Cat Nip Society had been started by the SPCA, which was false. She then discussed why they could not use their money for good instead of keeping it in growth accounts. She noted no one has been shown by-laws or minutes. She then read a threatening message she received from Barbara Coan.

Patti Murdoch/Resident noted she didn't want to be here; she is here to address the situation she and Pat are in. She noted there was a rescue named Friends of the Animal Community (FOAC), which called with a bunch of hound puppies that were going to be euthanized. She noted she would take a couple and went to the ACO to pick them up. There were too many for her to take, but she took a few, a pregnant one (she was unaware she was pregnant) and a Huskey. She noted the Huskey broke through her window, and the one had the puppies. She noted she is not working with the SPCA. She noted she did not have the facility to take more dogs, but they have been, so these animals aren't euthanized. She noted this is a principal matter.

Pat Campi/Resident, who rescues animals with Ms. Murdoch, noted she called the SPCA about getting animals

spayed and neutered as was told there was no such program. She noted their intent is to get the SPCA to coexist and help with animal control. She noted if the SPCA was doing this, they would not need to find other rescues to assist. She noted there are empty kennels at the SPCA, they need to help take in these animals.

Mick Herman/Resident noted mission statements change over time. He noted he read the occupancy and use in the lease agreement. He felt they were not holding up to their lease. He noted he has tried to adopt a dog three times as a comfort animal for his PTSD. He noted every time he called, they had no dogs. He noted he got a dog from Supervisor Toso, who fosters. He noted they recently needed cats, so he called the SPCA, but they didn't have any cats. He noted that he had tried numerous times and finally rescued them through humane society. He noted that they needed rescuing, and their poor business practices reflected poorly on the county and the board of supervisors.

Chrisine Todd/Resident asked what the value of the lease is and what the regular cost for that amount of land would be.

Sheryl Berg/Resident noted she would share her (what she thought was a) unique situation. She stated last year, they had a feral cat show up at their home. One became three, three became five, and five became fifteen. She noted she was able to capture and find homes for these cats, but there needs to be a county program to address these issues.

Dennis Bright/Resident noted he volunteered at the SPCA off and on. He noted that the whole issue started as an animal welfare issue and is now about SPCA's assets. He noted that Terry Alice mentioned quitting out of frustration, but he remembered the Sheriff's office having to escort her out because she refused to leave. He noted she had made derogatory statements. He noted that with the yard sale, they have helped thousands over the years and diverted a lot of materials from the landfill. He then noted that Mr. Litle had hammered the SPCA without justification, which was misleading and incorrect. He further noted he felt that it was redundant and ridiculous.

Wayne Kelly/Resident noted he worked at the SPCA, and the slanderous statements bother him. He felt the SPCA tries to do a good job, but unfortunately, people abandon animals. He noted that there isn't enough population to help with this issue. He then noted that the current Executive Director has slept on a cot during fires to care for evacuated animals.

Dina Oppenheim/SPCA Volunteer noted that everything worked well together in the '80s and '90s.

3:06 PM Danielle Bondshu stepped out, and Deanna Stickles stepped in as clerk.

Ms. Oppenheim noted this should be about finding them a home and shouldn't be about cats versus dogs. She noted Dr. Marro has difficulty finding a surgical location, and we cannot get another vet to participate. She further noted it is a month-long lag time to get animals fixed. She further noted she is a volunteer and will pick up 500 pounds of cat litter and is reimbursed. She noted the yard sale was a good thing and has helped many individuals who have been evacuated because of fires. She noted they also give food to individuals who cannot feed their pets. She thanked Terry Alice and the Cat Nip Society because she had an issue with a neighbor and was able to get a feral colony fixed. She noted the horrible owners have now allowed the coyotes to take their cats. She further noted she has been in contact with HOPE in Fresno, which has a $55 spay and neuter clinic.

3:10 PM Ms. Bondshu stepped back in as Clerk and Ms. Stickles left the dais.

Karen Herman/Resident noted that she felt the yard sale funds should go to caring for, spaying, and neutering

animals. She felt this was not being done and needed to be considered.

Tom Linden/Resident, noted he had not thought he had a dog in the fight. He then noted he had two German shepherds show up at his property. He called the Sheriff's Office, and Animal Control came out. He thanked them, noting how amazing they were. He then noted he had known Ms. Campi and Ms. Murdoch for a while and stated how amazing they were. He noted he knows a lot of the individuals from the SPCA as he takes his mother there often. He said they run a structural deficit, noting they had thirty thousand in investment income. He felt this was the intersection of two issues, animal dumping and friends shouldn't run non-profits. He then noted that the SPCA should provide the information many individuals have requested. He noted many personalities in this issue, and many of them mean well.

Ms. Avila commented for a second time, noting Terry Alice could not be here today as she is currently laid up. She then noted she wanted to counter the comment from Mr. Bright, noting she was also on the SPCA Board in 2006 and 2007. She noted there was no accountability or transparency on the Board, when they tried to change that Jeanette (SPCA Executive Director) stood in their way. She noted records couldn't be located or had been water-damaged. She noted that the environment between the board, volunteers, and Jeanette was horrible. She then noted they attended a Board meeting, and former Sheriff Jim Allen was in the room, and it was packed. She noted they were blasted with accusations. She noted former Sheriff Allen stood up and said, "You people need to resign." She then noted that the statement Mr. Bright made of Terry Alice stealing three thousand dollars was slanderous. She said if that was true, where was the Sheriff's report? She noted that it was defamation of character.

Joe Lozano/Jeanette's husband noted that he is a voter, taxpayer, and concerned citizen. He felt this was a grave injustice as the SPCA is a privately maintained organization. He noted it was founded with a love of animals. He noted it had been a resource for over 47 years. He noted they not only help dogs and cats, but they also assist the homeless by giving necessities. He felt that recently, a group had allied to bash the SPCA. He noted these individuals know who they are. He reminded the Board of Supervisors that they represent the people's will to make a fair and just decision. He implored the Board to have a heart, as the only government assistance received was for the land. He noted they should do what's best for the community's future. He noted when it comes to the extension of the lease, he hoped the Board would approve it. He then noted he couldn't believe some of the statements he had heard and then began discussing his wife as the timer ran out before he could finish his comment

Ms. Murdoch came up for a second comment noting she is not a hysterical woman. She noted this needs to be civil and it's a hot button in our community. She noted the personal attacks needed to stop. She noted she would like to meet with the SPCA and become one with them to work for the animals. She noted maybe a mediator was needed for the meeting.

Ms. Campi came up for her second comment and noted she wanted to know when their Board meetings are so she could attend.

Ms. Pine came up with a second comment, noting the obvious contradictions. She said animals that don't need to be are being euthanized. She asked why the spaces couldn't be expanded and took some burden off the Animal Control Office. She noted there needs to be more proactivity. She then discussed how there have been slanderous things said, she noted what she put on Facebook was asking if anyone wanted to discuss the Gazette article which wasn't slanderous. She noted animals are dying and how many more have to die because the members who can help cannot get along.

Troian Cummings/Resident, noted she has gotten involved with community cats. She noted her partner began

DRAFT

working at the landfill, and he called her to come get a cat. She noted that moment was the start of their trap and neuter program. She noted they have fixed and rehomed 25 cats. She noted there needs to be more connections. She noted that without some of the organizations, they would not be able to do this on their own. She noted Cat House on the Kinds gives vouchers. She noted this is about the animals and hoped people could refocus on that.

Kathleen Robinson/Resident, noted everyone seemed very passionate. She noted the facility was built because of passionate people. She noted people should come up with solutions, not accusations. She then noted she felt the $700,000 that was mentioned doesn't seem out of line for an organization. She noted that from a business standpoint, a forty-five thousand deficit seems to be proven. She noted that the county agreement had been met. She noted that Sheriff Allen was a good judge of character. She then noted that Supervisor Toso, whether she was fired or resigned, did not seem like the best person to spearhead this item.

Mr. Lozano came up and noted they passed out flyers and had an open house. He noted they had the paperwork and walked everyone through the shelter, he felt the weren't hiding anything.

Ms. Cummings suggested that the county create a foster list. She noted she called to have her name put on a list and was told they did not have one.

Chair Menetrey closed public comment.

Board discussion ensued, and after much deliberation, the Board gave the following direction based on the County Administrative Officer's suggestions on how to move forward.

DIRECTION: The Board directed the County Administrative Officer to review the lease, look at contracts with other locations for Animal Control to take animals, and to review the three day kill ordinance. They requested this come back in 30 days.

Jeanne—Ann Pine/Resident had a question on CA.9. She noted that the County purchased the last available hangar and wondered why it was not purchasing this hangar.

Steven Engfer/Planning Director was encouraged by the support and thanked the Board for re-appointing three of the Planning Commissioners.

Monica Nielsen/Agricultural Commissioner, commented on CA. 2, noting the amendment to the agreement for pest detection. She noted the funds were not included in the budget but it would be included as a budget action at a later date.

In response to Ms. Pine, Shannon Hansen/Public Works Director noted that they had purchased the previous hangar with ARPA funds. She further noted they do not have the funds to purchase this one, and this is one of the original hangars and would not be a good investment to the County at this time.

Supervisor Menetrey commented on CA. 7, noting that John McCamman/Planning Commissioner District V, has been his Planning Commissioner for the last 8 years. He noted they are in the middle of some great work.

Supervisor Poe also commented on CA.7, giving a shout-out to Warren Gray/Planning Commissioner District II. He then commented on CA. 9, noting he profoundly respects Public Works. She also commented on CA. 11 and CA. 12. She gave a shout-out to our Sheriff's Office to expand the partnership with the park. I. Departmental Presentation

Monica Nielsen briefed the Board on the topic of the Bird Flu. She noted she had received a call from a resident that the Food and Drug Administration (FDA) was in Mariposa County checking backyard flocks, not commercial. She noted that was unusual, and she contacted the State Veterinarian and the FDA, who both noted they had no vets or inspectors in our area. She further noted that if they had, they would have shown credentials to the homeowner. She noted if the public has comments, to call her office at 209-966-2075. She further noted that if a resident is concerned about sick birds in their flock, call 1-866-922-2473. Supervisors gave kudos to Commissioner Nielsen for her follow-up on this issue.

Shannon Hansen noted they have hired an individual to run the County Airport. She confirmed they will do all the necessary checks to the Airport. She then presented a letter to the Clerk of the Board which was a layout of the transition of airport operations. Director Hansen sadly announced that the County Engineer would be leaving the County and moving back to Ventura. She noted it would be a great loss but they will be recruiting to fill the role.

Steve Engfer noted the permitting system is up. He reiterated that plans will still be accepted at the counters, but there is now the added bonus of individuals being able to apply from home online. He noted if assistance was needed, to contact the Planning, Building, or Environmental Health Departments, and they can assist them. He further noted that from January 13th through February 3rd, their offices would be closed so that the floors could be resealed and relocated to 5362 Lemee Lane, the Health and Human Services Agency. Director Engfer noted a joint Planning Commission and Code Compliance Advisory Committee meeting was to take place on the upcoming Friday. He noted they had contracted with JB Anderson to work on the CEQA-based projects.

Chris Bernard/Cal Fire/County Fire/Battalion Chief noted Chief Van Loben Sels left the Mariposa/Madera/Merced Unit to take on a larger position. He noted in the meantime Chris Trindade/Deputy Chief MMU would be the acting Chief.

DRAFT

Chief Trindade introduced himself, noting that Chief Van Loben Sels had taken on the challenge of becoming the Southern Region Chief, which meant he now oversaw 9 Cal Fire Units from Santa Clara to Calaveras County down to the Mexican border. He noted he is acting as chief and intends to apply to be the Unit Chief for MMU.

J. Public Comment on Non-Agenda Items

Pete Judy/Former Chief Probation Officer, congratulated Supervisor Kiser. He noted he was reminded by a former statement about salaries across the Board. He noted that it is difficult for Department Heads to fill vacant positions due to salaries and benefits.

Joe Lynch/County Administrative Officer, in response to Pete Judy's comment, noted that on January 21st, an item would be brought for Department Head benefits, noting he plans to balance fiscal responsibility. He noted they do struggle with filling positions and are looking at ways to rectify some of the issues.

K. Board Recognitions

1. **Board of Supervisors**

   Approve and Present a Certificate of Appreciation to Cal Fire Assistant Chief Steven Ward for the Contributions he Made to the Mariposa County Fire Department

Chair Smallcombe introduced the item.

Public comment was received by Danielle Bondshu/Clerk of the Board, who noted he has always been “Uncle Steven” to her. She noted she would miss him coming into the office and making her and her staff laugh.

Patience Good/Fire Inspector, noted she and Chief Ward were hired simultaneously. She commented on how it was to come into a new department with a new boss, but noted that Mariposa County Fire was new as it was this day. She said the things Chief Ward had done had made an incredible difference. She stated she was grateful to have worked under him as he is a man who cares about you and your family. She noted, “You do your job because he does his job.”

Chris Trindade/Interim Unity Chief Cal Fire MMU, noted that although former Assistant Chief Ward wore a Cal Fire patch, he was very community-based. He noted that when he was put in as Deputy Chief, Chief Ward had to report to him, noting it was odd because, in the past, Chief Trindade had answered Chief Ward. He noted that Chief Ward always brought Mariposa County to the forefront, noting what had been done for County Fire. He noted that with Chief Ward’s new position with PG&E, he would be a great asset. He ended with the sentiment that he would be missed, especially as an effective communicator.

Doug Binnewies/Former Sheriff noted how much Mr. Ward meant to him and his family. He noted he had the opportunity to work with Mr. Wards father, which was a privilege. He noted Mr. Ward was a true professional and success-focused individual. He noted that, as the retied Sheriff/Coroner/Public Administrator/OES/County Fire Chief for over three years, there were high expectations from the public. He noted a comment once made by Chair Smallcombe: "Your product, the successful products, are because of robust relationships.” He noted that being the former sheriff, he had experienced one of the best “fish bowls” in the State of California. He noted agencies work so closely together on or off duty. He noted, “We

DRAFT

put forward our individuals' day in and day out and see clearly." He noted he tips his hat to the firefighters. He noted Mr. Ward doesn't have an enemy, is well qualified, and is the most handsome person in the room. He further noted Mr. Wards ethics were right on point and cared deeply for his community and family. He then noted Mr. Ward was once a volunteer firefighter and worked for Mercy Ambulance, County Fire, and Cal Fire. He noted he was proud to call him a friend and partner. He ended up noting that retirement isn't all it's dreamed of.

Kevin Packard/Undersheriff noted he can't top former Sheriff Binnewies speech. He congratulated Mr. Ward and noted he was a professional and value-added partner. He noted on behalf of the men and women of the Sheriff's Office, congratulations.

Joe Lynch noted Chief Ward is a man of many accomplishments. He noted he would be brief but appreciated Mr. Wards active mind as well as him being a rock, caring so much for this community. He congratulated him and his family on the next chapter and further noted he would be missed in Department Head meetings.

Steve Engfer noted he would miss Mr. Ward. He noted they worked hand in hand on the Mariposa County Fire Advisory Committee. He thanked him for all their conversations and efforts, ending his sentiment wishing Mr. Ward and his family blessings.

Supervisor Poe jokingly noted that he hoped anyone who came after him learned to put mink oil on their boots so they wouldn't squeak like Mr. Wards.

Supervisor Toso noted that she appreciated all he had done and that he had taught her so much about water tenders and fire engines. She wished him good luck.

Supervisor Menetrey noted that when he took office in 2017, they had been thick in the conversations of Cal Fire taking command and control. He noted there had been a lot of pushback. He noted they have been great leaders and jokingly noted how handsome Mr. Ward was. He then discussed the many contributions he had made to County Fire.

Chair Smallcombe commented on what Mr. Ward built for Mariposa County, noting the many hours spent. She commented on his patience and the excellence in which he communicated. She commented on how the world is revolving and keeping up with those changes is essential.

of reservations made through them to enter Yosemite Park. Mr. Hawley informed the Board of a new questionnaire being used in the Visitor Center to learn about the people passing through. He noted as visitors come into the Visitor Center they are asked to take the survey; He noted it provides feedback on why people are visiting Mariposa. Mr. Hawley provided the Board with copies of the current results of the questionnaire. He pointed out the questions that are being asked, and plans on how he would like staff to use the questionnaire for visitors. In response to Supervisor Menetrey, Mr. Hawley noted it would be a goal to be able to provide the link for the public. In response to a question from Supervisor Kiser, Mr. Hawley noted there was already resources provided to downtown businesses but he would work on more ways to assist visitors. Supervisor Smallcombe requested graphs showing monthly data of visitors in Mariposa, in return Mr. Hawley said he would be able to provide that information for the Board.

Steve Engfer/Planning Director reminded the public and the Board that the Planning, Building and Environmental Health Offices were closed downstairs, but they were located inside the HHSA building at 5362 Lemee Lane. Director Engfer noted there was staff available to assist with permit applications. Director Engfer thanked Public Works, Environmental Health and HHSA for working with them during the project. Director Engfer noted the permit system was up and working, which was exciting for the County. Director Engfer noted there were bugs being worked out internally but aside from that the system had been working great. Director Engfer noted the Planning Commission, and the Code Compliance Committee had a joint session that went very well. Director Engfer stated he was very grateful to those who brought advice and information to the meeting. He was looking forward to the next step for the Planning Commission to develop something to bring forward to the Board. He noted further that the General Plan Update would be coming soon as well. Director Engfer noted in regard to the Guidehouse Study that having a Strong CAO had been working out very well, he looks forward to continued developments.

Joe Lynch/County Administrative Officer noted he had invited the Auditor to come speak on the single audit for Fiscal Year 2022 being complete, the Auditor was not able to come but the audit had been posted to the website, and they would be working March-June to complete the audit for 2023. Supervisor Poe noted he had a meeting coming up with Director Hansen and the Auditor and questioned if that information was something that would be needed for that meeting. Supervisor Poe mentioned he had been attempting to have meetings regarding Utility Districts since he had been elected and had been unable to do so because of the Auditor's Office. Director Hansen noted they needed the 2022-2023 Audit to feel secure about moving forward with new utility rates. Mr. Lynch noted the audit should have taken eight months, but the office was behind. He noted back to Director Hansen's comment changes cannot be made until the 2023 Audit is complete. Supervisor Poe raised the concern of negative ramifications from the delay, in response Director Hansen noted the consequences and how it has been a goal of hers to move forward with this task as well. Supervisor Smallcombe noted when she believed the last utility rate increase was, and Director Hansen referred to it being 2008. She further noted her hands are tied until they have solid numbers from the Auditor's office. Mr. Lynch noted there are not stacking delays, the two years 2022 took will not be the same for 2023 He noted due to tax season the audit for 2023 will be pushed back to begin around March, but he does not foresee any other delays in receiving the 2023 Audit. Mr. Lynch noted once 2023 has been completed they will be back on pace to not have any further issues moving forward. He noted before tackling the issues on rates, it would be important to be sure the County's financial house be in order.

MARIPOSA COUNTY BOARD OF SUPERVISORS
SUMMARY OF PROPOSED ORDINANCE AMENDING CHAPTER 6.08 ENTITLED “ANIMAL CONTROL” AND 6.16 ENTITLED “BARKING DOGS-PUBLIC NUISANCE”

Notice is hereby given that on Tuesday, March 11, 2025, at 9:00 a.m., or as soon thereafter as the matter may be heard, at its regularly scheduled meeting, the Mariposa County Board of Supervisors will consider the adoption of an ordinance to amend chapter 6.08 entitled “Animal Control” and 6.16 entitled “Barking Dogs-Public Nuisance” of mariposa county code (the Ordinance Amendment). This is to expand the ability of the Animal Control Officers to respond to threats to public safety. These critical amendments will clarify the animal control officers' authority and create a new section to provide permits for multiple pet households. The recommended changes will update the original ordinance chapters to enhance public peace, promote responsible pet ownership, and ensure a fair and enforceable process.

A certified copy of the full text of the ordinance is posted for public review in the Office of the Clerk of the Board of Supervisors at 5100 Bullion Street, Mariposa, California, and is available for public inspection and copying in that office in accordance with the California Public Records Act, Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1.

Some people who received this message don't often get email from clr25@icloud.com. Learn why this is important

Dear Supervisors,

For months, I've been looking forward to revisions to the Animal Control ordinances that our community needs. I'm aware of some of the awful things that have happened to neighbors all across the county and I also have lost livestock to a vicious dog pack.

When one of my friends and her small dog were attacked by a pack of pit bulls here on the northside, Animal Control told her she would have to provide photographs of the offending dogs or nothing could be done. The pack that attacked her had priors, yet nothing was done in those cases either. The dogs were known to be unlicensed, so she suggested that they could be picked up on that basis, but still nothing was done.

So, recognizing that something certainly needs to change to make enforcement better, I dedicated significant time to reading the new proposed Animal Control ordinances in your 2/18/25 agenda packet. And I have to tell you honestly that I am disappointed. Here are my detailed comments and concerns in the same order that the changes are presented. The first several comments are line edits, which may seem trivial, but the fact that there are so many indicates how very rough this proposed ordinance draft is. My more substantial concerns are described toward the end of this email. In fact, if you have time to read only part of this email, please skip to the last six paragraphs, where my most heartfelt concerns are described.

6.08.100

The change to 6.08.100 is a single line that doesn't add much since "B. Any unlicensed dog which is not exempt" often already does the heavy lifting. But adding "E. Any animal which poses an immediate threat to public safety" is a reasonable addition.

6.08.141

The changes to 6.08.141 are minor, but the paragraph added at A.2 seems incomplete and possibly unneeded. What does a "written agreement" add that the deposit described in A.1 does not provide for?

6.08.150

The changes to 6.08.150 would read much better if both "which" and "who" were not used in the way they are. The fix is simple. Replace "which poses an immediate threat of serious bodily injury, death, or who is …" with "that poses an immediate threat of serious bodily injury or death, or is …"

6.08.230

The paragraph proposed to be added to 6.08.230 needs to be entirely rewritten.

First, there is no "subsection (7)" in 6.08.010. It is subsection (G).

Second, ACOs are not "responsible for regulation." This misuse of the term cannot stand, so the term "regulation" must be deleted. This change is not optional.

Third, the phrase "and other sections of this Chapter" must be deleted. It adds no value whatsoever, but does add potential confusion.

Fourth, the phrase "within the unincorporated areas of the County" is unnecessary because the whole county is unincorporated. This error is an indication that some of the text changes were copied from other jurisdictions and inadequately tailored to our county.

Fifth, the sentence "Officers shall have the authority to enforce any State or County laws, regulations, ordinances, or rules, relating to the care and control of animals" seems a desperate maneuver to add something, but the drafter does not seem to know what that something is. It needs to be made more specific or needs to be removed.

Sixth, reference in the final sentence of the paragraph to Penal Code section 836.5 suggests that ACOs make arrests. Is that true? 6.08.280 Violation—Penalty states that "Violation of any of the provisions of this chapter shall constitute an infraction," so an arrest would never happen in such cases. Clarification is needed as to the reason for including any reference to PC 836.5. If the plan is that ACOs are to begin making arrests, this needs to be thoroughly discussed and explained to us, your constituents.

6.08.260

The changes recommended to 6.08.260 are absolutely confounding. The new subsection "B" which provides that "It shall be a violation of this chapter for any person to: 1. Feed feral cats without assuming responsibility for those cats" suffers from two fatal flaws. It does not advance any legitimate public policy purpose. Further, it fails to identify what constitutes "assuming responsibility." To satisfy my curiosity, I googled which jurisdictions make it illegal to feed feral cats and could not find a single one. Perhaps if I'd had more time? But even if some city has such an ordinance, how does their justification apply to Mariposa County? Policies that support trap-neuter-release programs are desirable, but letting feral cats die of hunger isn't and penalizing the compassionate animal lovers among us is outrageous.

6.08.265

The entirely new section numbered 6.08.265 and titled Multiple Pet Permit presents tremendous problems. I've racked my brain, but cannot conjure up a good public policy justification for it. Meanwhile, it requires tremendous invasiveness into private property and substantial inconvenience to those who need or want multiple dogs or cats. We are an agricultural county, and there are many farmers who have multiple dogs and cats, which are essential to the agricultural enterprise. As a county with 5-acre residential parcel minimums in most areas, even non-farming families can often host multiple animals. If there is a policy justification for regulating dogs in this way, that doesn't mean it also applies to cats. There needs to be a community conversation about this proposal and it needs to be both fact-based and thoughtful. On its face and as written, I oppose it.

6.08.300.050

The proposed changes to 6.08.300.050 are minor and appear to be justified. But I'm perplexed as to why the opportunity was not taken to restructure Chapter 6.08 and to move Vicious/Dangerous Dogs to its own chapter, perhaps 6.10, which currently is not in use. I make this recommendation because, as mentioned above, the

existing 6.08.280 states that "Violation of any of the provisions of this chapter shall constitute an infraction." The chapter includes all of 6.08. And yet, violations of 6.08.300 are characterized as misdemeanors. As now written, 6.08 contradicts itself. There is no more need to leave existing errors in code than there is to introduce new ones. Please consider making this improvement.

6.16

Finally we arrive at Chapter 6.16, which is perhaps the most important area of concern to me. 6.16.020 and 6.16.030 can be addressed together. Protections of our local "Right to Farm" are not at all evident in these sections. They need to be codified in this chapter.

Protections for Livestock Guardian Dogs and other agricultural working dogs are implied in existing Mariposa County Code Chapter 18.04 Right To Agricultural Activity. Some of the protections are included in section 18.04.010, which defines "Agricultural land" as "all that real property within the boundaries of Mariposa county currently used for agricultural activities or operations or upon which agricultural activities or operations may in the future be established." The definition encompasses more than just the Agricultural Exclusive Zone (AEZ). Section 18.04.030, which defines "Nuisance" states that "No existing or future agricultural activity, operation, or facility or appurtenances thereof, conducted or maintained for commercial purposes, and in a manner consistent with proper and accepted customs, standards, and practices and with all chapters of the Mariposa County Code, as established and followed by similar agricultural operations, shall be or become a nuisance, public or private, pursuant to the Mariposa County Code, after the same has been in operation for more than one year if it was not a nuisance at the time it began. The provisions of this section shall not apply whenever a nuisance results from agricultural operations inconsistent with accepted customs, standards, and practices or contrary to local, state, or federal ordinances, laws, and regulations."

It is the last phrase that causes concern because it states, in pertinent part, that "The provisions of this section shall not apply whenever a nuisance results from agricultural operations … contrary to local … ordinances …." Given this stated limitation, it appears essential that the "Right To Agricultural Activity" be incorporated explicitly into Chapter 6.16.

Thank you for your consideration of my concerns.

Re: Animal Control Ordinance

From: Kathleen Armstrong

Longtime Mariposa resident and taxpayer

Board of Supervisors:

After reviewing the Ordinance, I have the following comments:

Under Section I

6.08.100

Assuming the county has both transport and facilities for large animals and since this has been added,

What are the associated costs and also fees to a livestock owner if their animals are picked up by Animal Control?

Same Section

6.08.141 2B.

Thirty days is not enough time for most pet owners to accomplish a spay or neuter in this county. We have only two vets and this decrease in time doesn't address the difficulty in getting these appointments even out of county. I suggest you keep the time at 60 days which is reasonable based on the fact that many would have to travel out of county for these type of services.

Under 6.08.260 B1

The sentence regarding feeding feral cats and responsibilities is vague, ambiguous and needs to be rewritten. What is your intent here?

Under 6.08.265 Multiple Pet Permits

My questions regard the mechanisms of enforcement. By what means will the officer identify and ticket the pet owner? Why isn't there a warning and then a ticket if these are triggered by 3rd party complaints? How much is a ticket? How much is a permit?

As you are aware, many private citizens and groups other than the SPCA have organized to provide animal rescue, care and rehoming. Why aren't these addressed as an exception? When citizens care for abandoned and neglected animals out of their own pockets and at no expense to the county, it should be recognized and granted exception. To penalize these residents is unfair.

Under Section II 6.16.030 A Barking Dogs

Does the citation have an accompanying process and fee? What is it?

General comments:

1. Objection to warrantless searches unless extreme danger to animals or public is open and obvious.
2. Mariposa County is a Right to Ag county. Many residents have guardian dogs to protect their livestock and herding dogs to work cattle. This is not only traditional in this county, it is necessary to protect valuable livestock from predation. These animals are working animals and a valuable resource to property owners. They should be exceptions and this ordinance needs to address this very important fact regardless of location.

Thank you.

Board of Supervisors

RESOLUTION - ACTION REQUESTED 2025-85

MEETING: February 18, 2025

TO: The Board of Supervisors

FROM: Danielle Bondshu, Clerk of the Board

RE: Approve the Application Packet and Supporting Materials to Fill the Vacancy of the Mariposa County Assessor/Recorder Pursuant to Government Code Section 25304; and Set the Application Deadline Date and Time; and Schedule Two Public Hearings to Consider Applications and Applicants; and Approve an Effective Date of Hire

---

RECOMMENDATION AND JUSTIFICATION

Approve the Application Packet and Supporting Materials to Fill the Vacancy of the Mariposa County Assessor/Recorder Pursuant to Government Code Section 25304; and Set the Application Deadline Date and Time; and Schedule Two Public Hearings to Consider Applications and Applicants; and Approve an Effective Date of Hire.

Vincent Kehoe notified the Board on December 4th, 2024, that he will retire from his position on Friday, June 6th, 2025. Mr. Kehoe is the current sitting elected Assessor-Recorder whose term remains through 2026 and does not expire until 11:59 AM on January 4th, 2027. This will leave approximately a year and a half of an unexpired term.

Under Government Code 24002.5 (a), A person may not exercise the powers and duties of the office of assessor unless he or she holds a valid appraiser's certificate issued by the State Board of Equalization pursuant to Article 8 (commencing with Section 670) of Chapter 3 of Part 2 of Division 1 of the Revenue and Taxation Code. (b) Notwithstanding subdivision (a), a duly elected or appointed person may exercise the powers and duties of the assessor for a period not to exceed one year if he or she acquires a temporary appraiser's certificate from the State Board of Equalization no later than 30 days after taking office. (c) This section does not apply to any person holding the office of assessor on January 1, 1997.

Fortunately, unexpired terms of elective offices are addressed by California State law. Specifically, Government Code (GC) Section 25304 mandates that boards of supervisors shall fill those vacancies. Additionally, Resolution 2020-619 (Process to Fill Vacancies of Elected Offices, which is included in the attached Application Packet) provides the procedure to allow for an open and transparent process, as well as citizen participation, in the appointment of the elected County offices covered by GC 25304. This item, then, will begin the process required by Resolution 2020-619 to appoint someone to fill the unexpired term of the District Attorney position.

Consequently, the Board is now being asked to start the process of filling the unexpired term of the Assessor-Recorder by doing the following:

- Consider and approve the Application Form and Packet. (Attachment “1”)
- Set the application deadline date and time. (Recommendations below)
- Consider and approve a Press Release. (Attachment “4”)
- Schedule Public Hearing #1 to consider the applications and applicants. (The process will end after the first Public Hearing if there are four or fewer applicants); and
- Schedule Public Hearing #2 (not less than 3 days or more than 21 days after the first hearing) to consider the applications and applicants, should there be five or more applicants.
-

If the Board wishes to complete the process by July 6th, 2025 (Vince Kehoe's Last Day), staff recommends the following schedule, which will allow an approximate six-week application period.

Application Period Opened: February 14th, 2025
Application Deadline: April 30th, 2025 at 5:00 PM
Public Hearing #1: May 13th, 2025 at 2:00 PM
Public Hearing #2: May 20th, 2025 at 2:00 PM
Effective Date of Hire: June 7th, 2025 to assure no lapse in leadership

The Board may also adjust those dates to provide a longer application period should they so desire.
